## The Spirit of Conversion *by Bishop Michael Wright*

During the holidays, I was reflecting on the Savior and what it means to be converted to His Gospel. As I took the time to celebrate his birth, I have been thinking about the joy, happiness, and comfort the Gospel brings to my life and how I could be a better neighbor and friend.

I continue to reflect on the blessings received by those that live in our neighborhood and how so many people benefit from service and faith. There have been many wonderful miracles come to pass in 2019. I am excited to see what miracles come about in 2020. I have seen the spirit of Alma's discourse alive in our neighborhood as spoken in Mosiah 18:9-10:

*9. Yea, and are willing to mourn with those that mourn; yea, and comfort those that stand in need of comfort, and to stand as witnesses of God at all times and in all things, and in all places that ye may be in, even until death, that ye may be redeemed of God, and be numbered with those of the first resurrection, that ye may have eternal life—*

*10. Now I say unto you, if this be the desire of your hearts, what have you against being baptized in the name of the Lord, as a witness before him that ye have entered into a covenant with him, that ye will serve him and keep his commandments, that he may pour out his Spirit more abundantly upon you?*

I have witnessed the comforting of those who needed comfort and friends and neighbors have answered the call to bear one another's burdens. There have been visits, calls, meals, selfless acts of service, blessings to heal and comfort the sick, all rendered from neighbor to neighbor. Our youth continue to serve those around us with their acts of service. Undoubtedly, there are more acts of service and comfort that we don't even know about and probably never will, but these kind gestures do not go unnoticed by those who receive them and certainly don't go unnoticed by heavenly witnesses who record these acts as our testimony of living the Gospel.

*Continued on Pages 4 & 5*

*In keeping with Stake President Cory Coleman's desire for more brethren to have the opportunity to serve in bishoprics, Randon Jensen (left) has been called as the new 2nd Counselor and Bishop Martel Steckler (right) has been called as 1st Counselor to Bishop Wright. The ward loves and is so appreciative of Brothers Andy Schnebly and James Gardner for their wonderful service the past few years.*

We, the new Relief Society Presidency, are truly grateful for the opportunity to serve and to get to know you better than ever before! We are so thankful for the sacrifice and love from Holley, Amy, Anita and Lindsay. They left a beautiful legacy of love to follow.

We are so thankful for the opportunity we had to meet with so many of you during our special Relief Society meeting this past Sunday. What a treat it was to join with our sisters serving in Primary and Young Women! We also are thrilled to have so many ministering sisters that are Young Women. The focus of our meeting was "Seeing the 2020 Vision of Ministering." Sister Jean Bingham, our General RS President taught, "We need to understand that all assignments, interviews, and visits should be prayerful, personal, simple, and flexible." We have great confidence in each of you sisters to try this year to be a true friend to your sisters and be the first line of help reaching out to them. We need you! We are so thankful for every tiny, simple, inspired thing you do.

If one woman is a great force for good, just imagine what 126 sisters all working together could do to bless our ward and neighborhood! Lets make 2020 a year filled with genuine friendship and love!

## ***Bishop's Message Continued from Page 1***

*"Nevertheless, ye are blessed, for the testimony which ye have borne is recorded in heaven for the angels to look upon; and they rejoice over you, and your sins are forgiven you."* (D&C 62:3) Without a doubt, 2020 will bring more opportunities to comfort those that need comfort.

I have watched our ward help friends and neighbors come to a greater knowledge of the Gospel as neighbors stood *"as a witness of God at all times and in all things, and in all places."* There have been great strides made in strengthening each other's testimonies of the Gospel through teaching and example. Again, this work is not done. There will be many opportunities to "stand as a witness" in 2020.

## ELDERS QUORUM

Dear Brethren,

As the old year fades and the New Year approaches we wanted to take this time to reflect on our progress as Priesthood holders. We as a presidency want to thank the brethren that have dedicated themselves to the Lord and that our walking the covenant path. We want those that have had a tough year and are struggling to know that the Lord is aware of you and loves you, as do we.

We wish to extend a warm welcome to those who have accepted callings in the quorum: Cody Reed, as assistant secretary, and Robert Aycock and Matt Brice as instructors.

Please take a few minutes when you can and ask yourself these few questions with honest answers.

1. How are my families getting along temporally and spiritually?
- 2a. What are their challenges?
  - b. How are those challenges being met?
3. Are my family's current efforts and long-range plans moving them closer to the Lord?
4. Am I praying specifically for my families and their needs?
5. Would the Lord be happy with me and the way I am honoring his Priesthood?

We look forward to the upcoming year with excitement to work with you on building the Lord's kingdom here in Bountiful. We love you more than you know and are grateful for the privilege to work side-by-side with you. Happy New Year!

*Your Elders Quorum Presidency*

## Temple and Family History January 2020

What do you know about your ancestors? Do you have a favorite story about an ancestor? Perhaps you have some pioneer ancestors. There are many stories about our pioneer ancestors. Do you know how your ancestors became acquainted with the Gospel? Do you know when an ancestor was baptized?

Many families have stories that have been passed down. Some of these stories have been posted to Family Search and by going there you can often learn much about your family history. If you do not have a Family Search account, it's time to get one. It is not hard. If you need help there are ward temple and family history consultants who are willing to help.

Believe it or not, it is great fun to learn about our ancestors, where they came from, what their occupation was and many other things about them. Be sure to share stories with your family especially with your children.

If you need assistance with your family history, you may email Brother Schreiner at: **lschreiner@earthlink.net** and his phone number is **801-295-4785**.

## *Sunday, January 26* *Ward Conference*

As we make goals this New Year, may we keep in mind the strength, comfort and happiness the Gospel brings and be willing to share that with those around us. May we follow the counsel of Alma to *"to bear one another's burdens, to mourn with those that mourn, to comfort those that stand in need of comfort, and to stand as a witness of God at all times and in all things, and in all places."* As friends and neighbors follow this council, we will receive those blessings promised from Heaven *"to be redeemed of God and have eternal life."* We pray for all to have a prosperous and happy New Year.

*Love, Fifth Ward Bishopric*

# Fifth Ward Sub-4-Santa Brings Shoes to Elementary Children

Starting in November, the Young Women got our ward started by creating ornaments on a tree with children's names and shoe sizes that we chose. Then on December 4, we had a fun wrapping party, with stories and refreshments. More than 100 presents of shoes, blankets and other necessities were gaily wrapped and then, the real fun started!

The presents were delivered to elementary students in Salt Lake, much to their amazement and delight. What fun the children had opening their gifts! Later they sent thank-you letters to all of us. (Please see facing page for some of their tender remarks.) One of the most touching comments was from a child who said, "I like them because I nevr have a new shoes."

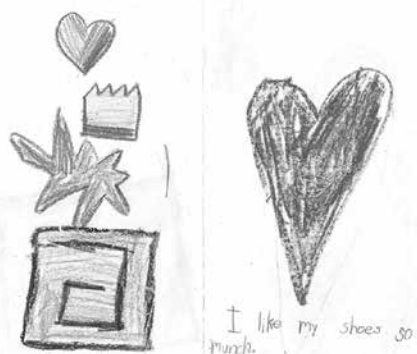

Many thanks to all those who organized, purchased, donated, wrapped, delivered and helped in any way. Special thanks to Sister Judy Wilson who has been helping and donating her time, energy and money to this endeavor for several years.

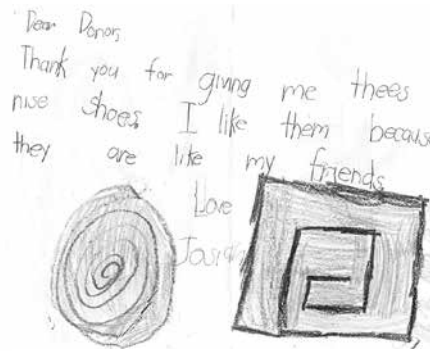

*Wrapping started in the cultural hall by families and neighbors, but the unwrapping by children in a Salt Lake school was the best of all!*

The end of 2019 has been a busy time for the Young Women. We said goodbye to the YW Personal Progress Program with a visit from Ardeth Kapp at our “YW in Excellence” in November.

Congratulations to several of our Young Women who worked to receive their medallions this year: Leslie Butler, Becca Draper, Kathy Gardner, Dylan Hansen, Savannah Hooker, Breanna Mortensen, Kienna Stats and Loni Tippetts. We are looking forward to the new Personal Development program to come.

We have been enjoying the “Season of Service” with our tree decorating/shoe organizing activity, treat-giving/visits to ward members and creating and assembling crafts for the Ronald McDonald house. We also managed a game of glow in the dark volleyball with the Young Men.

The new youth theme for 2020 is “GO and DO” (1 Nephi 3:7). We are excited and energized for the year ahead. Stay tuned for info on Girls Camp and FSOY. What a great time to be a young woman in the Church of Jesus Christ of Latter Day Saints!

As a “swan song,” the Cub Scouts and their dedicated leaders held an abbreviated Pack Meeting the first week of December so that many of the boys could receive the awards and advancements they had accomplished. ## Our Newest Missionary

On Sunday, November 24, Nathaniel Rodgers spoke in Sacramento Meeting prior to his departure to the Cambodia Phnom Penh Mission. He entered the MTC in Provo on December 4.

Elder Rodgers spoke about the joy that the gospel brings to us. He quoted President Nelson, who said, “The joy we feel has little to do with the circumstances of our lives and everything to do with the focus of our lives. When the focus of our lives is on God’s plan of salvation ... and Jesus Christ and His gospel, we can feel joy regardless of what is happening - or not happening - in our lives.” Elder Rodgers also quoted one of his favorite scriptures from Alma 29:1: “O, that I were an angel, and could have the wish of mine heart, that I might go forth and speak with the trump of God, with a voice to shake the earth, and cry repentance unto every people!” He spoke to

us about repentance trying to rid ourselves from sin; to have righteous desires and not get harrowed up on our earthly desires.

Nathaniel is excited to serve as Christ serves and reminded us that temple work is missionary work. He bore a strong testimony that Jesus Christ is our Savior and that The Church of Jesus Christ is the true and living church of God.

We are so happy to have Elder Rodgers going out to share the “Good News,” and look forward to his reports.

# WARD DAY OF SERVICE

As has been the custom for many years, one of our biannual (spring and fall) service projects has been to help our friends and neighbors with projects that require many hands. Most of these tasks are related to helping clean yards and areas that need special attention. Willing neighbors came together on Saturday, November 2, to move, rake, cut down, weed and haul away. Many thanks to all the project captains and those who came with cheerful hearts to use their “elbow grease!”

# Neighborhood Christmas Celebration

*On the evening of December 7, the North Canyon 5th Ward gathered as families and loved ones in the Little Town of Bethlehem for our Ward Neighborhood Christmas Party. The cultural hall was turned into a scene one might have found had they traveled to the Holy Land around the time of the Savior's birth.*

*Most of the attendees wore period costumes as they went from shop to shop in the Bethlehem marketplace to gather the elements for their dinner and then sat on blankets on the ground or at tables in the "inn" to eat and visit.*

*An uplifting program included a live nativity and spiritual music to remind us why we celebrate Christmas.*

*A big "thank you" goes to Sister Cami Jensen and the party committee, those who decorated and manned the "shops" in the market and to those who participated in the program, as well as those who did the setup and cleanup.*

## ***Missionary Returns with Honor***

Sister Elizabeth Barnett returned home from the Phillipines Cauayan Mission in early December and spoke in Sacrament Meeting on the 8th. She was still glowing with that “missionary glow” and radiated her spirit as she bore her testimony.

Sister Barnett spoke about miracles and said that, “As long as you are serving the Lord, the miracles will come.” Some things we don’t realize as miracles, but as we look

back, we can see the hand of the Lord. She told us about a young sister, Jamica, nine years old, whose father gave permission for her to be baptized, when previously he was not willing.

Elder Donald Hallstrom taught that a miracle comes by faith and divine intervention. Sister Barnett told how she saw the truth of that statement many times. She explained how the Phillipine people are so humble and ready to receive the Gospel of Jesus Christ. They have a focus on spiritual things and not material. She encouraged us to have that same outlook and be willing to share the the Gospel with others.

We wish Sister Barnett all the best in her future endeavors. She probably won’t be living in the Fifth Ward, but we can get reports from her dad, Ken, and grandparents Phil and Barbara Barnett!

*(Editor’s note: Apologies for using an older photo of Elizabeth.)*
