Cutler Young Benion

I was called to the mission
April 25. 1923 and released August 15, 1925
Almost twenty eight month later.

This picture to the right -----
One was taken at home before I left,
the other was taken soon after entering
the mission field in 1923.

I spent most of my time in Kansas City
Missouri, Sedalia and Excelsior Springs
Missouri.

I have made coppies of my "short" diaries
in Sedalia, and Excelsior Springs.
