June 1-03 Sunday Cooler weather.
Nice. Jonathan called this morning.
She needs to replace our Sandy Krings
sheets. Evelyn may have a copy. Bruce
got here about 1:45. He had a good butt.
He brought a bag & picture album from
Betty for me. Pictures of the old will
not. proceeds. I warmed up dinner for him.
He said 9 books in St. George. He enjoyed
his visit with Orgille. He enjoyed staying
overnight with Michelle & family. He brought
Muzzy Creme donuts & ice ate one. He called
Breaker from here. He had a long bag and
left here at 4:00 clock. Peter and I went for
a ride in the country. We ate ice cream
with the Healeys. Nice evening. Evelyn
called to ask how we are. She said she
felt nauseous & tired. She bought plastic
shelving for upstairs storage. Clay helped her
put it together.

June 2-03 Monday Cooler weather. Edward
repaired. He sorted pictures & frames 1 m. later
car trimmed the shrubbery. He has been
light headed today. He painted late afternoon
for awhile. I went to C.V. and got the
checkbook balanced. Put money in savings

and got some cash. Zelda Penner
was there and we had a nice visit.
I told her Betty & Miriam bought a
newer house. I made checks out to pay
bills. gas & bank drafts in car wash. Not heart.

June 3-03 Tuesday. Clay 36 yr. old today.
Nice weather. We had the 1993 Olds.
car inspected at Jeff Sab - on 2nd St.
\$29.00 + plate tag \$75.50. Sent the check.

We stopped at Al Key & the cost of a big lock
key was \$8.00. We declined. Came home and
Edward cut a board. Cleaned driveway.
I took Jeanie Healy to Shopko, Wengergards, Kings
and DHC Chain. We ate at Artie's Circle. I
bought 2 pr. pillowcases to embroider. nail file &
treats. Called Edward to check on him. He has
been light headed & stayed in house until 4:20.
Evelyn called Tracy. She has got help from her
boss which she crowd of had when she started.
She said mom's kids are going to see types on stay
a few days with Mr. Park's family. He has made
arrangements for them.

June 4-03 Wednesday Cool morning but warm
and pleasant weather. Edward up early and
he felt good to go out side and do artwork.
I watered the garden. Got laundry washed
dried & put away. made casserole & pudding for lunch.

Jessie scraped my nose back. At 2:30 we
went to the Cardiology office at Golden Reg. +
Edward had a heart monitor put on to wear
for 24 hrs. to find out if he had a drop in
blood pressure. We visited Fred Cunningham
for a few minutes. He is weak & frail.
Don't know if he will come home again unless
he has live-in help. Bruce called to ask how
we are. I told him about the monitor.
He is still trying to stop water leaks in
the basement fruit room.

June 5, 03 - Thursday Cooler day but pleasant.
Edward up early and he read. Later in
morning he was outside preparing boards for
painting and touching up fences. I worked in
the kitchen. I sent "Thank you" notes to Duke
& Mykhem for the High School reunion.

Sent one to Edward's cousin Virginia Symon for
the visit and lunch that Evelyn, Valerie, Madelyn
& I went to. I called Lit Quest and Mrs. Reist
at B/c Insurance to get my bill paid at Lit
Quest for therapy. Evelyn called and Bruce
is to be at R.D.S. Hospital Fri. morning.
Marlene called me last night and thanked me

for the tableware I gave her. She is going to
Willemville today to get the sheep and David will
met here to follow her home. Adreana & Gene brother
married in Pigeon Forge today & they were there.
Marlene said she got 1.17 hours at work. She is
expected to go to Pigeon Forge to see her friends. Whitney
will visit her there. I returned the monitor to
the doctor's office and the report will go to Dr.
Soffer. I put gas in car. Jerry checked at
Wegmans. Called to Benny Berquist and he will
get head rail on when they get home from their
reunion in Colo. Cut the grass. Fertilized and
watered it.

June 6, 03 - Friday Evelyn called about 10 o'clock
& 11. Bruce had the lung test and he has
permanent damage to his lungs from colds. When
he was a kid at home they would coal to burn
in their furnace. No cure. Doctor will put him
on "Inhaler". He was still under drugs. Throat
is numb. We were hoping a position test he
will have to learn to walk his almost and hope
he will adjust.

Got house work done. Break sheets on bed.
Laundry washed, dried & folded. She went to
Walmart for antiseptic. Walmart, door closed

We bought a storm door. \$33.00.

At the land at Artic Circle. Got bikes at Wargegards + then home at 1:45.

Edward worked putting pictures in frames + etc. I watched the video Bruce called to ask how we are. He talked to Brooke and she is still looking for a job. She said Heather + husband moved in with she and her mother. They conflict off for the apartment rent increase. Evelyn called and said she might come tomorrow. Died 2 yrs. ago. I miss her.

June 7, 2003 Saturday. Edward up early to put pictures in van to try and sell at the Fairview Market. Evelyn called and will be here. We went to the sale + I bought a black suit (maam), black sandals + a top. Edward sold one small picture (\$10.00). Evelyn came. Ate with me at breakfast. She had a nap. Edward ate + watched while she and I went to Pioneer museum. She enjoyed it, but to look at. Came home + ate. She left for home. Blake, David + Jonelle went to Barley Lake to attend the wedding reception of the Pillsbury son. They all are staying overnight + on to Graceland to the horse track.

June 8, 03 Sunday

Fine weather. After breakfast Edward took a short walk while I did the light house work. Bruce called to ask how we are. He had called Evelyn three yesterday to ask about Bruce and she was here. They are going to angio museum right this A.M. in Windsor. She is Bruce's daughter. He attended Stake Conf. at Tabernacle at 3:00 clock. It was informative and enjoyed it. We got home at 5:30 or so and ate light supper. Edward watched basketball game. I visited with Nealeys awhile.

June 9, 03 Monday. Duller day - South wind and cloudy. Nice weather in A.M. when hot. Edward tried to remove shavings in shed for more storage area. a mess. I trimmed the bush out front and a limb or two off big tree. All morning job. Evelyn called. + they visited Marlene + family yesterday. Watney had a chunky gray tom - in long arm. She asked killed her chicken. They thought ^{the highest} it was nice. She + kids leave Thursday for Washington. Next week they go back gardening with her family - The boys want to go to Graceland to help Ray with the horses. Fisher got Paul Francis. Not serious enough to go to doctor but enough to know he hurts. Dangerous job, deding.

I went to 5 points for a few items. Have got to go back and return two items. Went to bed early.
Wind + Rain shower.

June 10-13 Tuesday another warmer day.
Edward up early to work on clearing out ~~the~~
to make room for shed. After breakfast I ~~left~~
him until noon. Have made some progress.

Brenda had surgery early at m. Oregon Hospital.
I called and was told she had to have
her stomach opened to get the big uterine-
ovarian + bladder region. Bruce called me
afternoon and she is in surgical ward ³¹³.

Will be in hospital 3-4 days. I called Gudy on the
Gudy called + said Bruce had a bad coughing
spell and went to Park City to see Dr. Neim.

He obtained chest x-ray + leg x-rays coughing.
Doctor told him to go on the leg an enjoy himself.
I know this will help relieve some concerns.

I need to send him a birthday card. He will be
61 on June 13th. Jessie Reilly visited + later I
talked to her + will take her to have blood check +
etc. at I.H.C. tomorrow. Edward + I worked
2 1/2 hrs. this afternoon and got the shop in
order. He has to clean hole studs and organize
there. We have items for sale at ev. curio meet.

Gudy called to ask about Brenda. I told her what
Bruce said. Both I, w + Fred. Home - etc +
rested awhile + then to bed.

June 11-03 Wednesday. Cooler night. Had
the room window all night for fresh cool air.

Edward up early. After breakfast he
went outside to paint on gutters. I got some
work done and batch of laundry. Gudy called
and said Bruce about better last night. He is
relieved he doesn't have another serious problem.
He is starting to pack a few clothes for the trip.
My friend Brenda Anderson Jensen from Coe
called to get address as she is sending me
something in the mail. We had a long visit
and talked about old days and friends. She
can't drive only around the bend to her daughter's
place. Brenda has ^{macula} degeneration.

Bruce called in morning and if Brenda is progressing
she may go home Thursday late afternoon. She is eating
and walking.

June 12-03 Thursday Shed 1/2 from Becky Knight
9.11 early a.m. I visited Wanda Jones at Emerton
Care Center. She looks fairly well, but she
is forgetful. She has a new room + bath + her own
furniture. She says it cost \$3,000 + a month. Edward
painting under the carpet. I washed bedding + trimmed
the lawn. I have a leg pain so need to relief a few days.
Gudy called + worked + says done the place last
night + it had engine problem so she came home and
going to try tonight, I don't try. She also has
new chicks to take care of, a neighbor said he to
care for them + 3 sheep for a few days. My legs hope

hurt. Didn't sleep very well.

June 13-03 Friday Bruce called 61 yr old.

We were up early. Got housework done.

Edward trimmed the large green tree and I put trimmings in bag. Dale Clifford came and took back wheel off. Checked & fixed bearings. Couldn't find anything wrong except lot of dirt in one. He charged \$5.00. He also brought us some trout. Then came and took old storm door off & gave it to Dale. Then put frame on and had to buy some lumber to fill in. He didn't stay long.

He back tomorrow. Mary came over twice & he has to visit. I bought two meals at \$7.00. As I didn't feel like going. At 6:00 clock we went to Kindquist mortuary to viewing of Margarie Ruston she was 98 yr old. Talked to Warren & Zelda. We stopped and visited Edward's cousin Nelson Bingham. He has been in hospital and had several surgeries. He had a bleeding ulcer. His daughter gave me 4 copies of Edwards family. Evelyn called on Marlene & Whit & they had to get a study room as the doctor got his date mixed up & other family was at the doctors house. They were showing the three

to sell today and coming home tonight.

I called at Brenda and she was on the phone and I talked to her mother. Bruce called tonight and Brenda was again and going to bed. She wanted to know if we would be up tomorrow but not if the door went in. She said he had a gift for his dad. I said maybe next call we might come up.

June 14-03 Saturday Not day in afternoon. up early.

Edward took the door to Dale Clifford. He went to Michael for arksupplies. He went to care center to see Fred Bunningsen, about the same. His daughter told us he wouldn't be coming home and getting the door up for sale. Now Bingham came and worked most of the day to get door in. He had to get wood in to make it fit. a frustrating job. It looks nice. He ate a good pork chop dinner. Used his Ed. 00. While he was here Benny & Ruelle Bingham came and Benny installed the wood hand rail & it looks nice.

Ruelle & I worked while men worked. I went to town. Had copies made from the pictures from Nelson Bingham. Bought a few grocery items. Stopped at yard sale from a former neighbor on 2nd St. Evelyn called and she was at work for a few hours. Marlene called as she thought her mother was here. He told me about her trying to

Anderson. She blacked & cut an eyelid. Bruise on cheek & leg. Cold hands are wrapped in fur fingers as she pulled the skin off. She fell off the scooter and was injured. She will have a difficult time to wash dishes until her hands heal. I'll try and help her. Bruce called and he is busy with yard & house jobs after work. Bruce has good & uncomfortable days - but progressing.

I sat outside and talked to Julie, Howard and grandson. He is helping them with little jobs. He is bored & argue with his family. Julie gave me a few big oranges and apples.

90
64 June 18, 03 Wednesday. Hot weather. Mornings are nice. Dad woke up at 5:45 & 21 by telephone. Slept fine & by 7:00 I was awake enough & found it no concern. Edward up early just partly on trail on downtown. Now it needs regarding. Got laundry & ironing done early. Melba Cree called me late last night & we chatted. I'm going to take the information packet to her that Wanda Jensen sent me. We set to Melba and visited awhile. Rode at Pioneer Park. Stopped for groceries at Stop & Shop and Wanggard's. Talked to Howard & Elaine Jensen at the store. Howard has had blood pressure & taking medicine. Elaine has to get her anemia (blood medicine) regulated. She was in a motorized wheel chair. I took King's dinner today.

Tom put her new picture window in the shop. Wanda called to tell me her mother called & Edna's feet & legs are swollen. Needed to drink more water & use the bathroom one she has didn't have toilet use. She has to wear her house slippers. The druggist told her to drink lots of water & elevate her legs. She didn't go out to eat so Bruce brought her a meal. He is doing ok there. They have 3 more nights. I recalled when the group from our ward went on the Church history trip some men & women come home with swollen legs & feet. Hopefully Edna can get some rest from walking.

91
63 June 19, 03 Thursday. Hot & breezy. Edward did early to work on his paintings. I chose - cooked breakfast & light house work. I got ready to attend the temple. Phyllis Rasmussen went with me. Valerie called to ask if I would go with her so she met us at the temple. Enjoyed the session. We ate lunch at the cafeteria and visited. Valerie said Carol & Marilyn had spent a day with her. Later Phyllis & I drove up past Bev's mother's place. The neighborhood is lighted & depressed. Edna, Mon & Bev aren't there. Scary - Come home and painted around door and porch.

Bruce called and asked about the dad. Wanted to know if the doctor called. He said Brenda had a bad day yesterday but feeling better today. He said Bob should be home July 11. Three men called. I raked the garden and cut several flowers. Mary Anderson came to visit and return a duck + millet. The doctor took her bandage off her hands to let air on them. She can't get them out for a few weeks. Evelyn called and her feet are little better. They were going to a play in Dawson. Bruce is holding up as she says he has to. They leave for Bonanza tomorrow to start home and they are glad to start back. I'll be glad to see them.

June 20, 03 Friday Not so hot.

3/5 Busy work day. Frick to remove the strike from carpet. Changed sheet on bed. Got two batches of laundry done. Washed all my summer blouses & shirts. Put sale items in the car after putting tags on some. Edward is still working on pictures. He had to go to lake store for few art supplies. The neighbors farm visited around this A.M. He is trying to find some one to repair his roof. Windy late afternoon and cooler temperature.

56 mile an hour wind - Logan Bruce called. They received a letter from Ben's museum President. Ben will be home July 10 - all family going to meet him at S. R. airport. Bruce plans on coming here and taking us to airport. Packed up the luggage + all going out to eat at Spagetti Factory.

June 21, 03 Saturday First day of summer.

Rain storms, thunder + lightning during night and early A.M. We went to C. Fair grounds to sell at C. swap meet. Edward saw 1 picture \$10.00. Sold B. G., Comforter, shoes + trinkets. We spent \$3.50. vs. Edward getting pictures + etc. away. I went to Belle Weller 80th birthday party. A lovely luncheon was served. I'll send with a ladies group. The weather is cool. I put heat on and turned ac. off. After supper I helped Edward put art supplies on shelves. He has plenty of space but he doesn't organize it. Bruce called. They have been cleaning up yard at their place and home. He said he saw Nate kiss a girl so he is normal acting. He seems shy. Still water - runs deep. Evelyn called us from her home about 8:20. They are glad to be home and get back in normal routine. Bruce had a bad coughing spell on the bus and he gassed out. This is the 2nd time. He

Has an appointment ~~next~~ next Monday
with the lung specialist in D.C.

Hope they can get something to help him.

June 22, 03 Sunday. Nice weather.

We attended sacrament meeting.

H.C. with Johnson and David
returned missionary from Russia again.

Interesting to know about Russian people.

Jessie Sealey went with us. She couldn't
get Howard awake. After lunch I took them a
bowl of spaghetti & he was still asleep.

I called Bruce to tell him we wouldn't be going
as we didn't feel like driving up & back.

I told him his picture and announcement was in
the paper about holding up of quilted Berr next
Saturday. We want to bring ornaments to the
missionary of Leah Colter, Becky Wright Miller.

Big crowd. We paid our respect to the family.

We visited Rev. & Mrs. Stanger. Their son
Jerry was there and he is in charge of the 24th July
Spades Shower Parade. He was enthralled about it.

Her looks tired and stopped over. Came home. Called
Evelyn. She had family for dinner. Also had 2 papers.
Mardene, Whit's book were there. They got rained
out of the back packing trip. Evelyn and David
are going on a diet. Her feet are still swollen.

June 23, 03 Monday. Overcast. Some rain
and cooler. Turned furnace on. Evelyn called
from work. Her work was taken care of while she was
on vacation but she has plenty to do to. Bruce goes
to see the doctor in D.C. today. Edmund somehow
getting things away. Don't get the homework done.
Edmund has been in studies sorting afternoon..

I took a few items to the D.C. Bought
groceries at Wangegard's. Cool afternoon.

Drifting of snow high on mtn. peaks. Evelyn
called. The doctor in D.C. told Bruce his
lungs sounded a little better. He changed her
cough medicine and told him to lose some
weight. Evelyn is starting on a diet to
lose weight to. I told her she should have
some fresh fruit. She told me about some
of the places they visited on their trip. They
haven't got their films developed. She said
it had rained all day in Morgan. They got over
an inch of rain. She are trying to see a day
to visit.

I called Selma Naef this A.M. and had a good
chat. She & Oliver & Debbie are going on a Church
tour to N.Y. July 10. She is busy with yard work
and temple assignment.

Our Bruce called. Jody's hand fell in the kitchen and broke bones in her shoulder. To have surgery in the morning. They were making strawberry jam and she tripped over a card. So sorry for her. She will be laid up for 3 months.

He said Bonnie is having her breasts reduced on July 1st. Her grandparents - Smiths are going to stay with her.

41
June 24, 03 - Tuesday. Curcuet and
47
two rain showers. Sunshine late P.M.
Edward & I worked in his studio trying to sort and arrange items to make more room. He has duplicates and won't give up the extras. We have worked two days on it but we have a mess under the carport. Evelyn came to visit and brought complete for us to read. She looks ok now as her feet have gotten normal. I gave her a gr. of grey shale. I called the hospital and talked to Max. Jody had shoulder surgery this afternoon. Bruce & Brenda called later. Evelyn talked to them to. I fertilized the vegetables today. Saw one green pepper + several little squashes, plus tomatoes on three plants.

June 25, 03 Wednesday nice weather. Partly cloudy - up early. I had eye exam at Dr. Paul Hampshire. Left eye little hazy, no lens change - Oct. 15. 04. Office lady got new Edmund glasses. He has sorted + straightened more in his studio. I put more things on shelves + garboge. Joyce brought in a few cookies + a roll. Dr. Mottel looks. Edward has had bloodwork today. I called Dr. Daffin's office + asked for return call about the monitor test. I ordered his two prescriptions from V.A. office. We went to Car center and visited 10 minutes with Fred Cunningham. He has lost weight - hollow eyed + cheeks. He doesn't say much only when you ask a question. We went to Dr. Mungson office + Edward had a few lesions burned off + got a prescription. We went to Wangegarden for a few groceries and prescription filled. Come home and ate supper. Edward lit + back hurts. He climbs on ladder + crawls on floor to get items he has dropped. Hopefully he can rest now we got the two sheds spotted + cleaned + put on shelves. Evelyn called. She + Bruce had been to a cook out supper at ward girls camp in Harderapple. Adriana's two kids are there. Evelyn said it was cold when sun went down. I heard Bruce coughing while we were talking.

June 26, 03 Thursday. Cool night.
After breakfast I mowed the lawn.
Edward held grass sack. I cleaned
up the clippings & edged the grass.
He doesn't feel good. We ~~have~~ have
struggled to hard trying to clean up
the mess of two week's stuff - but throw
anything away - so it piles up.

I showered & rested. Sent Bud a
birthday card & a letter. Sent Jody & home
a "Red Well" card. Bruce called and he
will here on Saturday. He said Jody a
home and her arm is in a sling.

June 27, 03 Friday. Nice weather
but we have the a/c on. Edward has
been in house most of the day. He hasn't
felt perky. The neighbor next to us has
the roofing crew & Edward had the crew
climb on our roof and he asked if it
was not a very good job. He is from
Wich - name Warler. Bought & home
some home teaching. Lucia was fairly home
evening. They just bought a Chev. blazer.
Afternoon I took Marg Anderson old used
winder to N.S. We went to Union Station to
look at Dave Jackson's pictures on display.
I went to Sub Dept. & got road maps of

84

74

Wich & few neighboring states. We went to
Rome Dept. to get a price on window fan front
room. We do need two run over. I called Mr.

Jeffers office and he won't be in office until Tuesday.

I visited Philo & Aggie Rasmussen. He isn't
feeling well. Diarrhea in leg & ear infection. He has
gout & arthritis & I wanted know areas in lawn.

June 28-03 Saturday. Temp. is rising. Nice
morning but afternoon gets hot. After housework
I went to Carpet center on 12th to make app. to have
the family room - hall & bath floor measured. I
grocery shopped at Dwyer & Shy. Filled car gas
tank at 4th St. Come home & we ate lunch.

Edward said he doesn't feel good all over. Callie
called early & she & Bruce are looking for floor
covering for kitchen & bathroom. Bruce called &
visited ambulance. We went to Quilled Bear store for book
signing. I went & sat with him. Not much activity.

Yvonne came & visited & she brought 2 books. The
only one he sold. I came home & Bruce went to visit Bonnie
Edward in studio late afternoon. Bruce came and
ate supper with us. He picked my first yellow
squash and sent it home for Brenda. I sprinkled
the lawn tonight. Talked to Evelyn and they
went to a few places to look for floor covering.

They decided on Carpet center on 12th to
covering that looks like wood ~~floor~~ flooring is

what they decide on. He may come down tomorrow as Bruce is going to Coonston, Wyo. to horse race. Ethel feels better tonight. He is doing art projects.

94% June 29, 03 Sunday Hot day. We attended
Sacramento meeting. A bw. Watch spoke
of their Church Misconduct Adm. on down in
Ill. Very interesting. Evelyn came a lunch
time and stayed all afternoon. He ate supper
with us and left for home. She and
and families are at horse races in Evanston, Wyo.
Marlene, What + Lynn worth all the folks in
Evanston also. Bruce called to ask how Edward
was feeling. He also talked to Backyn. They was
at their home. Judy not feeling very well - but of
pain in her shoulder.

95% June 30, 03 Monday Hot day. Nice Am.
Edward went to 5 points for staples & to get
pictures in a store but it was closed. I got
laundry washed - put away. Sprayed car part.
I ought to mention that Bud had Mary called
to chat last night. Bud had bladder infection
but better. Jessie Healey called last night.
She has been in hospital for 3 days. She had
pneumonia and bladder infection. She had
fainted down night & when she came to she
called 911. Dorrod never come to get us.

She been gone at different places. She & I
think I should of called to ask how they were.
Daphna called me. De + Elle may come to
dinner on Sunday as he is scheduled to work. He
did w drinking heavy. more drunk than sober.
Murd + Carl are close by to check on him.

Beth Walker called me and she is getting over
asthma problems - on medications. They went
to Elba, Idaho to Walker reunion last week.
Reunary took them. Evelyn called - He had talked
to Marsha + she, Richard, Chad + family are planning
to attend the reunion. Evelyn called. Deird + Adrian's
baby (3 mo. old) has pneumonia in one lung. She
is on antibiotics. She has a bad cough. I called
Victoria and she still has dizzy spells. They are
going to stay with Marlene over the 4th and go
to Provo to see stadium of fire. Don't got tickets.
I watered the lacones flower garden. Edward
watching wrestling on T.V. He took pictures to the
Red Cross building for display. I made an app.
to see Dr. Iborine about his feet next Wednesday.

94% July 1, 03 Tuesday Hot windy.
I had a perm at Becky Knight's = \$27.00.
Paul rent. Edward took pictures to little store
on Wash road. He want to Quilted Bear to lower
price on his picture. Not oxygen supply at Paper
- Mr. Stephenson from R + R. Carpelis came
W. 11/10/03

and measured the bath, family room +
hall ways. I made hamburgers + corn meat
for supper and took dinner to dealers.

72
71 July 2-03. Wednesday up early. I went to
Ogden Reg. Hospital for mammogram. Came
home. We ate lunch and took Edward to
Benise Health Center - a young woman doctor is
working there. She is a professional and helpful.
I took Edward to X Ray for neck spine. Now he
is to go to Ogden Clinic for mercury test.
Stopped at Sears for soap and to get
a can of paint for the trim on house. Had
to mix the right color. Came home and
ate supper. Pam Keller visited me
awhile. Evelyn called to ask about Shirley
and I called Bruce to let him know what
we did today. He said Mom didn't want
Jody to take pain medicine and she didn't
until the other day. Pain is debilitating.

90
81 July 3-03 Thursday I've been busy all
morning. Housework, laundry - cut Edward's
hair - mowed the lawn - swept outdoor grass
on walks. Cooked dinner. Evelyn called to
ask about people in picture of the Klara
family in Saltbrook Blake dry farm. James
came to measure 3 windows -

home company that installed the
other windows. Took Edward to Ogden
Clinic to see Dr. Bahagat? Edward 8-15/190
He said Edward didn't hear anymore. 70
We went to see PA Larsen and he took the
BD again + I was down. No medication.
We go to the Senior Health Center in a
week or half. Stopped at grocery store for
banana + cantaloupe. After supper I
put sprinklers on to water the lawn.
I visited Jesus Realey. Howard was asleep.
She is starting to feel better. No energy tho.
Edward went for a walk in the park.

85 July 4-03 Friday Independence Day. Holiday.
USA 227 years
up early. Showered dressed we went to
Saw what City Park and ate breakfast. 58° Big
crowd. Came home and made bed. I pressed
some clothes. Called Evelyn to let her know I
bought Mom + Dad Dennis' wedding picture she
needed. She said Adriana + David went horse
back riding + something happened with the horse
+ she got deep rope thrown on her hands.
They were trying to distract them. They will
probably thank the kids. We drove three
ponyrides etc. to Rippe Park to Bruce's
place the yard + lawn look nice. He
still has work to do on fence line. Takes time.

Brenda looks good and getting energy.
We took them to Golden Ciral for dinner.
Orrate went to May + Jody's to visit.

Jody has a long incision from shoulder-down.
Doctor had to put in a ball joint + etc.
Rike a hip replacement. She is taking
Thorazine 2 times a week. They invited
to stay for supper but we thanked them
+ came home. They sent 2 bottles of
"Platanoid" to try for relief of leg cramps
for Edward. Got home at 6:20. Hot weather.
We watched old video John Wayne in "Chesuni".
Watched some fireworks from our bedroom window
from Farewell Bend.

July 5, 03 Saturday Holiday. Nice in A.M.
Relief late. Edward up early. At breakfast
made bed Edward in studio. Evelyn come
about 9:30 a.m. We went to Kimber on Navajo +
bed. Loggia made of mom + dad + kids on
the ranch in Halbrook, Okla. Also 2 other pictures.
Barkett + Taylor. Expenses to be paid by reunion
funds. We went to Lamin Club for paper protection.
Also to Walmart. We ate lunch at Applebee's.
Come home and looked at films Evelyn + Bruce
took on Navajo trip. Bedding - Evelyn napping.
She + I wrote notes on pictures for the
reunion. Clay called her and Grace

talked to her to tell her she missed
her and wanted to stay with her awhile. She
went home after 4:00' clock. I landscaped
on yellowcress. After supper I weeded
garden, trimmed the flowers and watered them.
High scattered clouds tonight.

July 6, 03 Sunday. Nice A.M. Hot P.M. We
attended Sac. meeting. Interesting testimony
meeting. Verda Wadsworth spoke about growing
up in Halbrook, Okla. After noon Edward + I went
to visit Verda + Norma and talked and showed
pictures of the house and farms in Halbrook.
She brought the book of Halbrook. I remember
that Gertrude bought one. Come home, rected.
Edward reading. Bruce called this morning to
ask how we are. They got a short letter from her
that said - at the airport I want you (Bruce), dad,
Nate, Peggy + Mami, Ken + Ker. David + maybe anyone
else who wants to come" Love her. We never write
long letters. Warmer night

7/6
July 7, 03 Monday. After breakfast I called
the V.A. office in Salt Lake. Talked to Heidi +
told her I couldn't make connection with Audra
had to change date as Edward could ride the Van.
She is trying to help me. We went to 30th St.
to see doctor Brown + he wrapped Edward's feet
+ filed her nails. See him again in a week.

Stopped at Bio Imports. Edward bought
paint at 2x2x4. Came home - do. hotel.
Andy Archibute called. Each weekend cost 70.00
more than 7 yrs ago. We ordered 3 at 260.00
a piece. Evelyn called and she found the
picture of Branda Wright and she leaning
against his leg. I looked for it yesterday.

Ed called she had it. She said she had called
to be at Madeline's tonight. Put water on lawn.
Called Spidey Reg. Hospital and Connie Walker
had breast reduction surgery today. Janeline
was with her. John has the three kids for a
week. If all goes well Connie may come home
tomorrow. Her grandparents Smith are to be with
her. I think it is Smith museum in Canyon.

Bruce called as he called Janeline at hospital.
He is coming to see her tomorrow. They put
one twin kid in bedroom & putting the other one
in. They got a big package from Ben to Ben.
Mike went to hospital. He has kidney stones.

July 5-03 Tuesday Little cooler
 breezy this A.M. Nice. Edward in
attitude & I got laundry & house work done.
Jesse Realy called and would like to go to
town today. Howard sleeping. He doesn't look
good. Dr. Saffire's office lady called to change
Edward's appointment next week.

We ordered 3 windows to be installed.
Andy Archibute called & he will order them.

Jesse Realy called to come as Howard was acting
strange. He was jerking arms & legs. She called
her son Tom & daughter-in-law. They
took him to Parkside Hospital to stay over night
or so for observation. He thinks he was in the Army.
He has lost a lot of weight in the past year or so.
192 1172 5188. Jesse to come to stay alone.

Bruce came and I went with him to see
Bonnie. She is home and her & her Smith are
with her. She was very groggy & couldn't walk.
We waited here & he left about 20 minutes. Bruce
left a big variety of cheese & strawberry jam.
I left her a card & 5.00 I gave Bruce 5.00 to
help buy food for Sunday brunch. He left for
home about 8:00 clock. I put a little water on lawn.

July 9-03 Wednesday After breakfast I changed
bedding - washed & dried a batch of laundry. I took
Jesse Realy with me to 5 Points. We stopped at
the drugstore & grocery store. Filled gas tank on car.
Washed outside of south window. Edward went to
mechack for paint brushes. Pate watering I trimmed
rose bushes & flower plants. The squash,
peppers & cukes are getting big and tomatoes
are turning red.

Eg. cleaned up - ate late breakfast.

Bruce called & they will be here about 11:00 clock.
Mae, Judy, Nate & Jason & Bruce sent here

about 11:15. Bruce drove in our car to S. L. Airport. We had about 45 minutes wait. We took pictures of Ben + family. Ben looks more mature + reserved. Not funny. He became emotional. Overwhelmed by all of us + the reality of being home. After getting her luggage we went to Freddy Square to Spaghetti Factory + Ben paid for the meal. We wanted to pay but he refused. We left the 3rd floor. Nice to be together. The weather is hot + hot + busy freeway traffic. No garbage trucks. We got home at 4:00 clock. They used the bathroom + had a drink. Ben gave us a hug + thanked us for the money we sent. By the time he left he was more relaxed. He drove his new van home and he had to drive a car again. I called Evelyn to let her know we were home. We are invited to Tracy's 5th birthday in the park but we are tired and weather is hot. Big fire in Saravington Canyon. out of control. Went over to Pealife and kept her spirit flowers off. Edward helped. We moved over lawn and put the change in flower beds.

July 11-03 Friday. Not weather
but housework done + batch of

laundry - I went to Billiards and leave. Bought light weight slacks + tennis shoes. Ordered lunch. Edip. called. He and Trace will be at reunion the afternoon. We left here at 3:00 clock or so + drove to Cherry Hills. Lacked for the area the reunion was at. Dep. Alice, Evelyn + I met on a road. We got directions to the Apple Pavilion. Most of the family arrived by late afternoon. Jolly, Bob, families + Beth. Nora - Rep. family. Jack, Steve, family - Edie family. Ben, Betty, Ron + daughter - Saw. In ed., Murden, strong - Venenberg - etc. We got to visit. Hoagie sandwiches, salad - dessert + drinks served. Photography - pictures were shown or exchanged with some family. We left for home at 8:30 - was dark when we got home. I went to bed by 9:30.

10/8th Saturday July 12-03. Not weather. We got up early. Showered + dressed and went to Cherry Hills to Sara reunion. We had a pancake breakfast. Visited all families. Took a lot more pictures. Eugene family + our Bruce, Cheka + Reed came. Some went swimming - golf - etc. We had a lunch + big dinner. Chicken - potatoes, hamburger, desserts, salads - veg. drinks etc. A raffle was held. Edward gave 2 pictures. I saw a program embroidered + put them. We missed the

Family pictures as I left before the sun set as I don't like to drive in the dark. We stopped to check tires & put gas in car. Ryan Noble worked in daddy car. He was ok except a bump bump on head & sore shoulder. Probably dented the car.

July 13-03 Sunday. HOT We were earlier when Carolyn rang door bell @ 9:55 A.M. - We hurried & got ready and drove to Hyde Park to Church home to sacrament meeting. Ben gave the mission report.

The milk was faulty and couldn't hear what he was saying. He talked some of course. Sister family & few friends met at Bruce's for rolls, muffins & drinks. Jendene, Buebe & kids come. Later Edward, Carolyn, Flored & Helen & I drove to Richmond to war memorial & cemetery. The grass was brown & dry at our grave site.

Come back to Maj & Joyce for lunch. I visited a short time & left as Carolyn feet are swollen. She & I had a nap before she left for home. She said a lot of smoke in the valley from the Farmington Camp fire. We watched the helicopter being buckets of water & planes using Retardant to help fight the fire. Buebe - had 4 days -

105 on one W. pack thru P.M.

I picked 2 red tomatoes, 2 Cukes & 2 spaced from the garden - Grace Virginia had a cake & eggs. Jessie healthy & I visited Howard ^{Healy} still has pneumonia. When he is well enough he will go to care center awhile.

July 14-03 Monday Hot weather. We went in to town for Edward's appointment with Dr. Shreen - Not doctor. He wanted to make Edward return to Edward said no he would try his old ones. We stopped at grocery store. After lunch I made 4 lbs - frozen strawberry jam. I brought back 9.00 Edward in studio. He had to be comfortable. Early morning I made another batch of strawberry jam. Watered veg. & flowers & lawns. She had to sub the water up. Bruce called and Ben gave Nate the Priesthood Ordinance to be an Elder tonight. I visited Jessie Healy and her sister in law. They had been to see Howard. The doctor is releasing him from the hospital on Wednesday to go to Manor Care for a month to get him stronger and then come home with Hospice care.

July 15-03 Tuesday Hot weather. After breakfast Edward in studio while I did and I got the laundry done. I worked on the theme in family room rug & bell runner. The see three cleaning sticks on them.

State afternoon I went to Kings and bought
2 pr. of pillowcases & glass to embroider.

Evelyn called. She had stopped at Madelyn
to visit Marian, Beth and Wana they said
Valerie was sick. The "Burton" girls are
trying to recuperate from all the work they did
for 3 days and contend with the heat.

Erwin & Betty Ingrid called tonight. They
will be moved in their new house on Thursday.
They gave a lot of stuff away to family.
Erwin's cancer has returned and he is on
treatment. The kind that affects his
muscles & makes him weak. He is a 4 mo.
treatment. Betty had a stress test. Her heart
is ok but having lung capacity.

July 16-03 Wednesday HOT

After breakfast we went to the Dr. Saffer &
he told Edward not to take the one pill
the V.A. prescribed. Tell him to keep checking
his blood pressure. Today it was -

We went to New Kent Mall & Edward went to
three stores and tried on several shoes. He
bought a pr. of insoles at Hobbler for \$6.00
May help him. Walked in Quilts Bar. It
was 3:30 before we got home. Left at 9:30.
Edward weight (113)

ected. At 5:00 Chick we went to Farr West
Park to the Park ^{70 kids there} (Culbertson) to the picnic. Dug
Chicken - all the trimming dug good. My grace was
gladful to take home. Weather very hot.

Evelyn called and she wants to leave early
Saturday morning to go to the other Dana reunion.
David got a mother little dog. & he & I got hot
& killed. I called Mary & Marylene Howard to ask
if they would stop to see if the lady still had
Koreg culture we bought some the last three years.

Went to the Lobbard - Al & Carol antique.

Spent the grass. Went to bed. Sat night.
High the fan on & window open. Jesse Kealey
called me and Howard transferred to Mt. St. Joseph
Cov. Center by Ochsler Reg. Hospital - it is where
Fred Cunningham is. The doctor wants to clean
up the Pneumonia & have P.T. for a month & may
come home.

^{72°} July 18, 03 Friday Hot. After breakfast I didn't expect Carter to look at carpet. Brought sample home - didn't like them. Father Edward went with me. Brought more home & took them back after we went to Eccles Art Bldg. to look at pictures. I brought more ^{new} samples home to look at. The kitchen flooring is yellow & orange and it needs to be replaced. I need to paint the kitchen walls a white shade.

July 19-03 Saturday Hot I was up early to shower - dress - eat I went to Valerie at 9:00 clock & Evelyn met us there. Valerie & I went with Evelyn to Charles Wana family reunion at Wheeler farm. It 6:30 to 9:00. We were early - the family

got there a 11:00 clock a big group. We met Barbara & her Aunt seen or known about. We enjoyed talking and seeing family pictures & books. Evelyn ordered a book of herbs & incense & jewelry. I helped pay for it. Pauline & Beverly came. They went to the Sadwithes. I bought a hot dog. Some family gave us food to eat. All were friendly. While sitting some kid threw a foot ball and hit me in the chest bone. It stung me. Got an ice pack on it.

It brought tears to my eyes. I hid during a fuse melt. All OK. Pauline spilled coke on my clothes by accident. Valerie fell this AM getting a lawn chair to take with us. Hurt her shoulder & scraped her arm. We walked our way home & got to Valerie to recuperate. Stayed an hour. Got home at 6:30 Evelyn called to ask if I got home ok. It was so that this afternoon. Edward enjoyed the day being alone and doing what he wanted to do.

^{92°} July 20-03 Sunday Hot a warm night We had fan on and windows open. We attended Sacramento meeting. We took Jessie Healy with us and she had dinner with us. Later we took her to the Care Center to visit Howard but he couldn't stay awake to talk. We went across the street to say hello to Fred Cunningham. He is ok. Can't

take care of himself. His family had taken him for a long ride in the mountains. His other daughter from Calif. is here. They were celebrating his 81 birthday. Edward ate a piece of the chocolate birthday cake. Jessie son & wife had stopped at Care Center to see Howard - we brought Jessie home. He brought a Skippy on way home to cool us down.

Slept rather in it even hot. We kept the fan on all night and it helps. Got housework done. Edward in studio. After lunch I returned carpet samples to store and ordered the carpet said \$100 in down. Due \$28.00 to be paid Aug. 11-12. Went to C.V. & transferred money to checking. Bought milk & bread. Edward said Gaylyn called. My friend Helma Raef visited in on hour or so. She told me about their tour of Church History night last last 7.4.11.11 to Ill. & Iowa. I told her

I may give the Hadden Epide D. V. B.
Camp again. I called Valerie & she
doesn't seem to good. She says she is
tired. Hanklin left us Raspberry jam
& jar of fruit. I watered Fred Cunningham
flower. They are dying & some dead.

July 24-03 Thursday Not we slept
restless. Set the alarm clock to ring at
5:50 a.m. Got up. showered dressed &
ate light breakfast. We was at 12th while
Lagie parking lot to ~~get~~ Edward ride the
Van to V.A. Hospital. To have his hearing
checked up at 9:00 clock. We were there from 7:20
to 8:15. No van, come home & I left a
message at V.A. hospital. No response.
Don't know what the problem was

Billie & Dallas came. We went to Olyn
Parade lot under a shade tree on 22nd St.
It was hot walking to the car parked on Adams.
We went to Wal-Mart & Billie bought Dallas
pair of shorts & box. We all went to
McDonald's. Stopped at Shell store. I talked
to Chris - my cousin Jack & Margaret Suzanne
daughter & she returned in 1st Saturday in August.
Hope to attend. Come home rested. Dallas
stayed with grandpa and Billie & I went to
Richard Bingham and he named the people

the pictures he gave me a copy of
and a new wrist watch from the daughter Jean.
Come home & tried to call Marlene on cell phone.
No answer. Billie & Dallas went home. ~~She~~
He hadn't been gone a few minutes when Marlene
called. She was in Cedar City. Not driving as
the car quit on her. She was soaking a cloth
to keep cool & drinking water. She rested in
Sellersville. We stopping in St George for water.
He expected to be in Henderson about 5:50.
He will call her mother. They called &
wanted her mother also. We have stayed
in town all afternoon. Early evening Marlene
called from her house in Henderson, Mo. She sounded
discouraged. The rug was black. Hot & stink fetty-
walks. customer dirty. Home left everywhere. So dirty.
I washed the cover of each something & I covered up
helped her. She was going to hot & sleep in a private
place. She was going to call her parents

Billie Dallas & Benny Suzanne visited in a couple hours.
July 25-03 Friday. I was up early. Not hungry
Billie called Marlene called her. Bruce
told her where to go to get cleaning supplies & he would
come if she needed him. I got primer paint on

of paint for kitchen. Carl gas in car. Went to
Wanegards for boxes & corn. Yesterday Bruce
Ruffen called to ask if I would take Chuck Chrusco
and I said yes. Will be ready in 10 days. He
gave me some 2 yrs. ago. Also Juan Hernandez called
me and Howard isn't doing well. She came over in
early evening. She was emotional. He had thought
that Howard's vital organs are shutting down. He is
comatose. The family & Captain are meeting

at the hospital this evening. We went
home teaching at William. Don Burgandy called.
He had splenectomy this morning. Splenectomy
surgery. He had a package & ice pack on the
incision. Glad for him to have it done. ~~Don~~
Received a letter and picture of Annie Little
boy. He is 4 yr. old and cute little guy. Called
at home from Mr. He is teaching Brooke Little girl.

July 30-03 Wednesday. Hot day. After
breakfast I painted the kitchen walls
a shade of white. Brighter than the yellow.
I was there at noon. Cleaned the island.
Prepared lunch. Dated - Edward received
notice in mail he has egg bug 7th to V.A.
in Salt Lake. I checked with them to verify
the ride. Evelyn called. Said little notes had
appendix surgery July 24th. He is home now.

Morgan Co fair & the parade tonight. I went to
visit Juan about 5:00 last night. He, some 4 inches were
there. Howard died at 1:30 this afternoon. ~~Dr~~
Rep. Ellsworth came as I was leaving. Edward
sprayed about rust and trying to get rid of the way
he fell over down chair & broke the leg off. I asked
if he was hurt & he said no. I tried to help
him get a shelf in cabinet he bought. Got one
suggested in it. I showed & helped in making.

July 31-03 Thursday. Hot day. After breakfast
Edward went to call for screws. We worked
on the cabinet he bought. Getting a shelf in it.

I hung a different curtain at picture window.
Picked up of frog. Several house chores.

Edlyn called. She + grandkids + Parents want
to parade bottle over road on a wagon.

She got Rep. Bonin address + sending + sent
love. packets to family.

Phyllis Rasmussen called and we chatted
awhile. She asked about Nealey funeral
arrangements. I didn't know anything.

Later I called to Edlyn + granddaughter said
the family had gone to Sordquist mortuary.

Later I visited Jessie awhile. She is calm +
said she will probably do her mourning after
the funeral services when she is alone. I
called Stone Hill to ask if she needed help
for the lunch they are serving before the family
goes to Alpine for the burial.

Edward got the shelf in the cupboard and
got art work in it. I helped him clean
the carpet. I trimmed Billie's rose bushes
of dead flowers. Cooler evening + feels good.

Aug 1, 03 Friday We were up early.
After breakfast Edward went to Old
Cross building + got his pictures. He went
to Guellet Bar to locate his pictures. Found
them. He wanted to talk to Manogw but he
wasn't there. I went to C. U. Returned
print to Sears + got my refund.

I stopped at office + paid rent. I bought
groceries at Wangegard's. Edlyn called. She was
off work. She says Legere didn't come. She
may go to a funeral for a man that drowned.
He lives in their ward. She said Bleh + Clay
are looking for different jobs. They were ~~not~~
being treated very well. It's a family business
so favoritism is shown. Marlene doesn't like her
job either. too long of hours + menial work.

^{Have} Jessie turn on cal + vegetables for her supper.
Diced two ripe tomatoes.

Aug 2-03 Saturday Muggy afternoon. I
was up early. Watered lawn. Edlyn came with
a flower, veg. tray + watermelon. We went with
us to Church house to funeral services for Leonard
Nealey. It was very nice. The family was on the
program spent kind words spoke. Leonard buried in
Alpine. We brought Edward home and Edlyn + I
went to Edlyn's uncle Johnnie + Aunt Del Suzanne
reunion. They had lot of food. We ate + met family
+ they were so friendly with us. met new
members + took pictures. Got some gentlemen they had.
We said our good byes + Edlyn brought me home.
She had to be home to go to Littleton Derby in
Coalville. David bought the tickets. She forgot the
watermelon in the frig. I called her. We did it of me
son. Edward and I went to Dillard's and

I bought cream. We went to Bellini
Store & Michaels. We stopped to
eat tacos. I bought eggs & milk at
Fred Meyer. We watched T.V. & rested.
Hot day. Clear cast sky tonight.

Bruce called. He didn't have to work
today as they worked late last night.
Bob & Brenda at a baptism & Matt working.
He asked what we were doing for Edward's
birthday. I told him nothing. Evelyn said
we could have banana split.

August 3-03 ~~Sund~~ Sunday.

Wg early. We fasted today.
at 9: I took Bob. I felt sleepy and
went in little bedroom to take a nap.
I was in a deep sleep when Edward
woke me at 10:30 to get ready in
10 minutes to go to church. Bob did
I hurry. We made it on time.
Enjoyed ^{the} meeting. Carol & Mont Bruce
spoke and said their good bys as
they are moving to Syracuse.

Just got in house when Evelyn called to
invite us to dinner but we told
Bruce when he called earlier we would
be to their place about 2:30 or so.

We ate dinner & left. The weather

was cooler. It had rained in night
dark earlier. We enjoyed a lovely yummy
Caramel cake & ice cream. Matt made the
cake. It was a treat for Edward's birthday.

We looked at a short video of signing
for hearing impaired that Ben is interested
in doing. Bruce gave his dad chocolate
bar & letter. We left at 5:0'clock from
home by way of Deweyville. After supper
& visited Jenn. She has two grandchildren
with her. A brother & sister. Sam & Blain.
It rained while we were gone. Ogden
area got most damage.

Aug. 4-03 Monday Little cooler. After
breakfast I took Jessie Healey to I.H.C. Clinic
to have blood drawn. We went to Walmart
to buy groceries. I took Bellini rest check to
office for her. I picked tomatoes & squash from
garden & had weeds. Rested after dinner dishes
were washed. Edward has been out painting.

I had my neighbor (Bellie) raked
out of her flower garden. I sat outside
with Jessie awhile as her son cleaned
his ~~car~~ ^{truck} schedule out and divided their
dad's tools & etc. They gave Bonnie
clothes to D.S. except for some things they
kept. Evelyn called and I told her

we would have pizza & salad & ~~bananas~~
split to tomorrow. She called Valerie &
Connie, Janeline, Pearl & Bill Stanger & her
kids.

August 5, 03 Tuesday - Edward's 86th birthday
I was up early & wanted Lavone
to wash a batch of clothes. Pulled wallpaper
down above sink in big bathroom. Edward
out in study. Evelyn called him to say "Happy
birthday". I went to the store to buy ice cream,
bananas & etc. Bought ice cream hamburger & pie.
Bruce Beruff brought me a large jar of chocolate
He went to Cack Valley at his father's place and
picked them this morning. We gave him a
jar of apricot jam. He visited awhile. He is
looking better. On heavy medication that costs
him \$2000.00 a month. He has Crohn's disease
and Colitis. He has been very ill. I
juiced the berries & getting the juices a
Probably make jelly tomorrow. Evelyn, Bruce,
Blake, Jon, David, Adrian, Clay, Brook - Connie &
all kids, Jack, Valerie, also Pearl Stanger came to
Edward birthday party. I had pizza, salad, etc.
Cake & banana split. Edward gave an elk picture
as a gift. All names on bowl & her Stanger drew &
I saw her name on name. He didn't want to take it
but he won it fair. He brought me some peaches &
all gone by 8:30 or so. I cleaned up & was

in bed at 9-45. Aired good time and
Edward enjoyed it. Our Bruce and Marlene
called to wish her "Happy Birthday".

Aug. 6 - 03. Wednesday.

I made 2 batches of chocolate jelly &
Edward helped clean up. Left it for her before
the park turned water off for maintenance work.
Evelyn called to say she didn't leave for
Traci's birthday cake. He gave her fresh flowers
fresh flowers. Peter lunch & resting. I
saw Juice Healey driveway. He visited
in awhile. He returned my dish & gave an
green & macaroni salad. Evelyn & I moved
the grass & I put water on in different areas.
Marlene called from her mother. She is going
to make apple sauce. She said she entered the
bracket blessing dress of hydroic tubes in the fair.
I went to bed early.

Aug. 7, 03 Thursday. Edward up early
He drove the van to 12th St to V.F.W. parking
lot and rode the V.A. van to V.A. hospital
in D.C. He got home at 12:51. He said
he has lost more hearing. Has 40%.
He goes again in 3 months. I did some
laundry. Moved some items from family
room. Juice Healey visited awhile this
morning. She is in London. Evelyn called.

She is a Indian court house for training
they went to Blake + Gene for Cassidy 3rd
birth day. She said Whitney called Marlene
and they have coffee on the Nevada house.
Sharon Naif and I had a long telephone
conversation. She asked if I would like
to go to the Cedar Co. fair. Our Bruce
called tonight. They are fine. We are
busy writing his new book.

I talked to Marlene. She is told she
has been busy hauling sheep to the fair.
Had to be weighed, sheared + shown tomorrow.
Hopefully they will ~~sell~~. She may have to
go to Nevada to work on the house. She
surely needs a full time husband.

August 8, 03 Friday. Wet day. Had
3 front room vinyl windows installed.

Received letter from manager that the house
needs painting. I went to office but manager
gone until Monday.

Calvin called. She watched Nevada kids after
work. Blake + Gene went to a lions
& sales pitch for a time share in Wolf Creek.
They were supposed to get a camera, but
didn't have one - they are supposed to go get one.

I visited Racomerecure awhile. Phil is

planting his house. It looks nice and
the yard is immaculate. Green + even. Phyllis
brought me home as it was lightning.

Hot night. No rain here but in Harrisville.
Aug. 11-13 Saturday

We are disappointed about the windrow
as they aren't like the others with built
in frame. Phil + Phyllis said to get estimates
about painting + siding as they come to look
at the house. He would of painted the trim
but all the house needs painting. Big expense.

Calvin called + the boys, Derek + Dallas took
sheep to sell + Derek was 10th to light so
they will take it to the stock yards. Bruce
was at fairgrounds all day in the heat to be
with the boys. Calvin + Bruce took Clay to the
doctor as he has no insurance. He is sensitive
to laser dye. He has to bath twice a day.

Work with Deb song. Wear white underwear +
light cotton shorts. She has sores on her
body. She is resting today as she is tired.

Bruce came and ate lunch with us.
Edward didn't want to go to family little
page 4th birthday party. He stayed indoors
and watched art video. Bruce drove our
car as it has age + his truck doesn't.

We missed the freeway exit and went out

of our way. We called from West Valley
to Dave Cannon & we got directions found
the house. Bruce's girls and husband is
always more there & Susan. Nice to see
the family. I took pictures. We visited,
Bruce played with the little kids we
ate cake & ice cream. Dan & Jane have a
nice home. 3 bedrooms 2 baths ~~and~~
are upstairs. We left about 4:30

Bruce & Edward removed the toilet but
had to go to Cali for parts to repair the
shut off valve ^{3/2} 01. Made in a
round trip sandwich & Bruce ate his on
way home. Not day & women night. I
visited Jessie Nealey awhile in late evening.

9/11
August 10, 03 Sunday. We were up
early. Prepared breakfast. I attended
R.S. meeting. Came home then Edward, I
and Jessie Nealey went to Sacramento meeting
two ladies from our ward speak about
Strengthening Families - Interesting. We ate
lunch. Evelyn called but kids there to eat
dinner. So didn't say much. She called
later and she was tired & needed to rest.
We were going to visit them but so
much company. David was having
water well problems. Marlene went to
Las Vegas & left the two boys with her

Jabra and they are hard to tend. No discipline.
We were home all day. I did talk to Jessie Nealey.

August 11, 03 Monday. Sat day.
After breakfast Edward scrubbed the stairs
on house & with long pads they come off.
We moved more items out of bathroom &
the vinyl layers came at 1:00 clock. He
pulled the carpet & floor dry. They were
gone in two ~~hours~~ hours. Looks nice.
Edward went to Cali for waf ring & flange.
They put toilet back & Edward had to
hook up the water & tighten bolts. We
had water spray from top of tank & Edward
got it stopped. Mary Anderson came over
while we had the water spray. He visited
couple of hours. He returned the call. We
talked to the managers. Debbie & Allen &
she said to try & clean the outside &
paint the skirting & maybe their son can
paint the high trim. Hopefully we can
do a good job & not have to put siding on yet.
Evelyn called & Marlene & Whit had
car trouble on mt. road & Evelyn & Bruce
had to go rescue them. 1:00 clock A.M.
Marlene looked exhausted. He had to be to
work today. They got a down payment on the
house. Hope all goes well with the deal.

I watered the lawn while Edward watched the wrestling. We received a letter from Dyella & they are settled in the new house & have an interesting garden looking at their former home. The cancer treatment Derrin is on makes his legs weak. I answered her letter & sent two newspaper clippings.

82/6 August 12, 03 - Tuesday Not so hot. Moved few furniture pieces. About 8:30 A.M. a call to lay carpet at 9:00 Club I said come at 11:00 Club. I had a haircut at Buckeye \$1.14 we had a good visit made app. for a perm left 4:00. Come home. Edward worked in front of house. His legs are weak & he shouldn't do it but I can't stop him. At 1:30 a call from R.R. Carpet It is on a truck somewhere. He apologized several times. Time to make appointment when it arrives. I went to town. Filled gas tank. \$33.41 1755 a gallon for 88 Sears. Bought few groceries at Wanggard's. Told to Evelyn she is concerned about our house problem. I called Marlene to ask if I could get the small T.V. stand I gave her. ~~She~~ said "It is an Indian trader." She said you will go up there tomorrow. She doesn't have

to work she has to have lunch at the dentist to have a tooth pulled - & to shop for school clothes. She said their home in Henderson, W.V. She hopes the money comes thru. She made a profit. Our Bruce called tonight. Note had 4 wisdom teeth pulled yesterday. Bruce said he would help us paint on a Saturday. We need his help.

82/6 August 13, 03 Wednesday HOT. I called Andy Archuleta about the windows and he said he quoted the price without the finish frame work. I thought the price included it. He didn't tell me or come to check the other windows. He will come tomorrow. After breakfast we went to Ray's Health Store & had a test to show something or other. I need to eat more fruits & veg. A gimmick to sell their Health Men - \$6.00 or so a month for one person. Evelyn called & she said Marlene had tried to call several times. She was in town and busy all day & could we come to her place tomorrow. I said tell her yes. I bought a gallon of paint at Home Depot for the skirting. \$24.43 Stopped at Walmart for Band-Aids and talked to Dick & Suzanne Trepp. He is a former school mate from Richmond. I received from Dick Stylenberg a paper of names of school mates who have died. I

Had it done to Phil Rasmussen to seal and caulk mobile. He let me borrow a big brush to clean outside of mobile home. He brought in a dozen bush ears of corn. Bane came to Phyllis. He gave me tomatoes. Edward has been in studio painting. I touched up the fireplace with black paint. Painted my house in bathroom. 77° a night. Better record.

Oct 14-03 Thursday We ate breakfast + put stove in van to take to market. Andy McHulata window menager came to look at window they installed. He is having James (worker) put them around + the paint inside like I did the others.

Melba charge. We left here about 10:00 AM when we got to big place she was making applesauce. We pitched in + helped. We cut + quartered about half a bushel of yellow transparent. Paraded disks in between cutting apples. She baked a chicken. I took care + Phyllis + we prepared dinner. She warmed up spaghetti as Archie + Mallon had finished there all day. She had don't do anything + capt + play. Their room are disastrous. The one burger on their table have fell thru but have not been properly enticed. We stopped at Bullyn road

and visited a few minutes. Left a tree decoration to Mr. House. We brought the small T.V. stand back from Mr. House and going to take Entertainment Center out. A Big Rain shower on way home. At 5:00 clock on heavy storm hit. Thunder lightning + rain. Got electricity power from 5 until 1 A.M. we sat outside until dark. Jessie Henley with us. We ate early while light Edward used little light generator. He had to go to bed. He is charging it to be prepared. We got a big electric bill. \$66.85. (A/c. to p. studio).

Friday August 15, 03. To bed in A.M. for a while but wakening. After breakfast I used Phil Rasmussen long brush + water and cleaned south side of house so I can paint the skirting. Galdyn called and plans on coming tomorrow. Bruce called and said he would come in morning to paint the ~~big~~ high trim. Messie blackout in the East + Canada. Upsterkey - slowly restoring power.

August 16-03 Saturday That we stilling hot up early. I painted side of back porch - water left and some skirting. At breakfast. Buldyn came about 8:00 or so + Bruce came after 9:00 clock. He started in to paint the trim on west side of house + skirting.

Spent more skirting. Evelyn prepared dinner.
It was 12:30 or so when Bruce stopped.
Started to get hot. We were tired. He +
Evelyn rested. I showered + rested.
Bruce called Bonnie + ~~had~~ talked to her.
No answer at grandma's. He left to go
see his friend Dennis Kevin + then
going home. Pam Keller visited while
we painted. Marlene called her mother
and she has a offer on the house in Nev. +
\$2000 in earnest money. Evelyn left about 3:15
to go home. She has work to do. Edward visited
F.V. Jessie Healey visited me in evening. She
is home. Had to get to bed.

August 17, 03 Sunday Little cooler weather
I went to R.S. We went to Sacramento mtg.
Jessie Healey went with us. She had dinner
with us. We stayed in house all day.
Whitrid golf game. Evelyn called at 6:31. They
had been to Coonaton to horse races.
Blake, Jay Clog + Brock also there. She
had what was taking Marlene + boys on
a surprise outing. She hasn't heard from her.
We visited Ed + Phyllis Rasmussen in
the evening. Coled evening.

August 18, 03 Monday Cooler night to
sleep. No a/c or fans on. Left window open.
Arlene Knight called to tell us uncle Roy Knight
's 3rd wife Emma died. Her son called Salvia.
Evelyn 78th birthday was 5th of August.
John Ellsworth called to ask me to join Camp
Carry On - R.S.P. We can't meet or church
building anymore. Meet in home.
I told her I would come this year.
Evelyn called + she got face arm + leg
sundanned yesterday. She didn't use sun screen
on a hot. and she has fair skin. I painted
trim and siding (skirting) on the west and
north side of house. As far as the two tall
bushes on North + Edward will have to trim them.
I painted around front door. Pete Bryson brought
me a centalope. It needed to ripen a day or so
but Edward cut it open. Jessie Healey visited
me awhile. I went to the Credit Union for papers
to have Evelyn put on our account so if something
happens to her she can write checks payable
or etc. She, Bruce + I talked about it Saturday.
I grocery shopped at Wingsyards. After
supper I put primer paint on new window
sills in bathroom. Sprayed weeds in lawn.
Helene Jensen called to remind of fish fry on
Saturday evening.

August 19-03 Tuesday

Cooler temp at night. Had sleeping ~~with~~
 little smoke from forest fires in Montana
 (Missoula - & Weying - Yellowstone). After
 breakfast I painted skirting on East +
 North side of mobile home. Edward held
 the shabby back with his crutch. I
 got scratched on arm. Should of worn a
 long sleeve shirt. Painted until 11:30.

Baked dinner. Washed a load of laundry.
 Took a short nap and phone ^{with} the neg.

I called R.R. Capital + the neg. is
 and to be laid tomorrow about noon.
 Jessie went with me to merrym -
 Old a Keller + Leav. I couldn't find a rug to match
 the one I have so I bought two at Saria.

August 20-03 Wednesday

After breakfast we moved few furniture
 items in front room. Edward had 10:00 class
 app. to have face maker checked. Norma
 May called to ask if I could go to Hogan
 Temple with her I said yes. She brought
 layer some and he would help with more big
 couch + 2.4 + entertainment center. He
 called for someone but I called our neighbor
 Bob Bishop and he came and helped. She

is Randy Widen - one of the owners came
 to late! He looked at my buckled carpet
 in front room + need to have it pulled
 up + new pad + stretched. \$261.00.

Wishes to be done. I went to Hogan Temple
 with Norma. We enjoyed the session +
 we sat in Cathedral room + meditated.
 We ate a sandwich at Dad way. I treated.
 Got home. Later I vacuumed new carpet
 it is nice. Cleaned the mess in driveway.
 I did paint around front door early morning.
 Edward went to Walmart + bought a fan.
 Henry to take it back as it is noisy.
 Callen called and Blake + Clay will come
 after work Thursday to load + U us

Jessie Healey visited us awhile in evening.
 Thursday Aug. 21-03. Warm morning.
 High clouds up early. After breakfast I
 left books a library in office building. Talked to Debbie
 Mitchell. told her we were painting a house - need to do
 more. She seemed to be in a grudge + said I could
 see inspector. She is having 14 starting next Friday +
 be out of office for 6 weeks. I left her home cherry tomatoes.
 I thanked her for telling me about Home Depot matching
 paint. I went to Home + returned 2 rugs. Not required.
 Also to me Her the Hospital + had blood drawn to
 check thyroid medicines stopped a long + brought

the different throw rug for Ed's room to say they
stopped to pay off carpet bill but she had to
figure out why. I have the original bill.

Edward traded the fan for a larger one at
Walmart. He has been taking every thing out of
his studio so he can put the old carpet in there.
He is making a big job of it. I cleaned the
walk & windows blind in family room.

Four or five or so Blake & Clay came to help.

They got the entertainment center & file cabinets in
the truck to take to who wants them. I called
Marlene to ask if she needed the entertainment
center & she didn't. The boys moved the
furniture in family room & Blake hooked up the
TV. They helped Edward by putting the rug
in his studio and put the heavy items in it.
Evelyn has called several times. Wanted to know
if the boys were here. I paid each \$15.00.

Worth it to move heavy items. Received letter from
Betty and Debra and picture of their new home. They
plan on coming up this weekend. Dinner in evening.

August 22, 03 Friday. Warm morning.
Blake in 34th room.
I put items of furniture in family room.

Blue helped Edward put all of the
books, papers & some other art supplies
in studio. He worked all morning
cutting the rug to fit. Big job.

Delma Neff brought me a jug of Pottomac
honey this afternoon. She & granddaddy
visited then. So thought full of her. She
stayed and needed for an hour or so.
enjoyed her visit. Jessie came while she
was here. A rimstone pit. Some
bladder & hard wind. Evelyn called to
ask if we were getting things where
they belonged. She said it is Blake's 34th
birthday. Time to fly by.

August 23, 03 Saturday. Mild A.M. but warmer
afternoon. We were up early. After breakfast
I washed two batches of clothes & bedding.

Helped Edward a little to put items in studio.
Sorted more items. Evelyn came a few
minutes and she went to the gym to watch boys
play football. They don't feel good. (Last game.)
Wickie is home. Marlene called me twice to
tell her mother where the game was at.

I went to Wagonwade for sugar & pectin.
Returned rug to Rugs. Took a load to D.T.
Paid \$24.28 to B. & S. Carpet. Paid in full.

Not an estimate what new padding in frontroom
will cost. Need to make an appointment to have
it done. Called Bruce & Brenda. He will come and
do quilt next Saturday. In getting them a lamp
table & lamp. I made one batch of plum jelly

Hermin + Betty came to visit and Evelyn
came back from Saginaw Mill. There in a
context and room (two trophies + crown)

We all visited a couple of hours. Evelyn +
her dad went to 5 points to get his pictures
from a store going out of business.

Sister Edward + I went to Jansen to their
fish fry party. People there I didn't know.
But fun to visit those we know. Helped
put food in her fry. Gave home. Read
paper. Rested. Edward worked on his T.V. +
fouled something up + no sound. Cooler night.

August 24, 03 Sunday. Nice 71 m.
My spouse + prepared breakfast after
four come on after 10 AM. Betty + Hermin
+ Jill came to have breakfast with us.
They went to Sacramento meeting with us
+ left for St. George from church. Work to
have them here awhile. Jessie Nealey
went to church with us. Came home +
ate lunch. Edward + I talked to Blake + of
Edward sent reset the T.V. Blake will come
+ help. Said tells to Evelyn a second. I
needed Reule mann. She isn't well. She is taking
lots of tests. Little cooler evening to sleep.

Aug. 25-03 Monday. Left for breakfast and
house chores I made 8 yards of Potawannic Plum jelly.
Sister Edward + I returned the big relay fan to
Walmart. We bought 16" fan at Rite-aid.

Bought a few groceries at Wagners. We ate
lunch. Edward remodeled his old art table.
He said it saved him \$60.00 buy any another one.
Evelyn called. Bruce is coughing again. Could be
medicine is causing a reaction. Blake + Jen
got the rebate money on two kids. They are
taking them to have pictures. Blake didn't
come tonight to adjust Edward's T.V. Probably
had other commitments. I washed the eider
+ cleaned the windows. Took a walk + talked
to Margaret Wagners. He is going to trial in Oct.
with a park problem. I went to bed early.

Aug. 26-03 Tuesday Cooler 61 m. Edward
remodeled art table and painted it. Mess.
I went to Home Depot for 1 gallon primer +
paint. Need to buy primer for the shed. I checked
two other stores for primer + paint. Edward had
bad spasm on the outside T.V. No cable power.
After lunch I finished painting the house
kitchen. Blake + Clay came to work on Edward's
T.V. It works. Blake measured the shed so
I can buy primer. Window worker (James)
brought the trim + will finish the windows

tomorrow I gave each boy an oak T.V. Tray.
We had four. I kept one for me & one for Edward.
I have painted his remodeled art table
white. Jessie brought Edward a choc.
cake & 4 rolls. She & Ruth Stecker
went to Walmart & out to eat. I went
to Ruth Vicin & bought 5 or 6 new
clothes home to try on. She is selling
them - cheap prices. I was tired
and went to bed early. James -
brought the window trim.

Tuesday August 27, 2003. Not a hot
day. I slept in little bedroom as I had leg
ache & kept turning and disturbing Edward.
Worst thing I got up as he left one hanging
aid on & it was squeaking and the fan
was on. I tried the clothes on from Ruth's
and two outfits fitted ok. As at the laundry
done. Took Jessie with me and we went to
the credit union. I transferred some money
into checking and she did some business.
Left items to the D.V. I bought primer to put on
shed & studs. Had Jessie to Walmart to exchange
a water hose. We went to Antic Circle to eat.
Evelyn called Marilyn Howard & no honey
yet. They plan on going to Boise over the

holiday weekend. We may go to see them
middle or so of September. The potato plant
chase Nov. 15 & 2004 will retire. He has the
year & time to get retirement wages.

Edward still remodeling the eye in studio.
We went to bed early. Cooler evening.
We did see the Blount Wrens several times.

Wednesday August 28, 03. Warmer weather.
I slept later than usual. After break-
fast and house work I got ready to go to
Evelyn. He took the day off work. We had
planned to go see Bonnie Lise Husey. Evelyn
called her. Only an answering machine. So
we went to Marlene. Evelyn made stuffed
peppers. I took banana bread and soda pop.
The boys were in school so we had an
enjoyable visit. After lunch we went for
a ride in the hills to look at the new home.
We went in their old red truck. It was
smoking when we got back. Part of steep hills
to climb & use brakes. Marlene is
hoping to get a job at another abuse in Park City.
No word yet. Their house is to be finalized
tomorrow & not final yet. She is improving the
kitchen on bath. Ben Whittney may get
to be a captain. We took Herb to a friend's
home on way home. Marlene's body friend had

of Calor cones. the first had.
When I got to Duden I got 2.00 gas
in CV. 8.189.9 a gallon. Edward & I
mowed the grass & I watered it.

The window were finished this A.M.
with the plastic trim. Looks better.
Edward watched wrestling. I read.

8/26
Friday August 29, 03 Demi baby girl born.
She called me. She weighed 8.9th big baby.
But we doing well. We were up early.
Went to V.A. Clinic in Duden for a Physical
& blood work. Edward can take 4 tylenol &
1 quinine every night. We stopped to see
Mrs Cunningham & ^{5th} daughter. She was there.
She going to live with his daughter Cindy
& husband in a couple of weeks. They are
remodeling home for him. Sold his truck and
5th wheel to help pay nursing facility.
We stopped at Albertsons for meat.
I painted the inside of window. Looks better.
Cool day. Windy. Few rain drops.
Edward had a nap. Evelyn called to ask how
we are. The neighbor - her gave us 6
green red tomatoes. I called Evelyn to tell
her Sam had a baby girl today. Edward is
repairing the garbage can.

Saturday August 30-03 Good Friday, 11:00.
I called to Bruce and Brenda Bremer the
phone. Said Bruce left at 8:15. He said he
needs to work on his book. Bruce he couldn't
spare the time to help us. He is a willing man
to help. He got the east side of trim & rest of west
side painted. He got the trim on skids. I
prepared a new lunch for us. Later he showed
and took his few chapters to Brenda and going
to Bonnie as it is grade 12th birthday. We
didn't get an invite. I got Primer paint on
the north side of porch. We cleaned up the
brushes until this week when I got more paint.
Evelyn called. She won't be here as she is working
there. Bruce & Evelyn was going to have for the
new butcher door. Evelyn had gave us fresh carrots
from his little garden. He said Bruce and gave them
a long table and lamp. To crowded in front room.
Jessie Healey visited in evening. I put
sprinkler on the front lawn. Edward watched
wrestling. I read awhile. In bed at 9:30
Sunday August 31-03 Quite cool A.M. 70
water. We sponged bathed from water storage.
We attended Sacramento meeting. Bro. Reed Brown
spoke. Interesting speaker. Subject: Archiving
your home against the evil. Satan. Come home
and ate lunch. Evelyn called to invite us to dinner

but we had left our here. I called her to tell her we planned on going to matinee to see the show Sea Squirts tomorrow & out to see the Sledgehog Theatre. Blake Jan + Dick are going camping with Gaillyn at Sandcamp.

Jessie Blakey called and told me about her day in Oregon & out to lot.

Elmore Jones called to tell me they got an increase in property tax & they are going to protest. They are \$1100.00. Wanted to know what we ^{could} do for our town for.

Valerie called and talked a hour. She wanted my mustard pickle recipe. I repeated it to her 3 times. She said Carl is getting a book published. "Secrets of Living Now - Hell". Kind of wacky. Rex typed it for him. We visited Phil + Phyllis Ruessens whole. We returned in secret church + I gave them a jar of ^{potter's home} ~~potter's home~~ jam.

8 1/2
Sept. 1-03 Monday. Labor Day Holiday.
Cooler morning - nice. Showered + dressed. Cooked pancake breakfast. Bat Elmore's hair. Washed two batches of laundry. Gaillyn called. She was going to mailboxes and they were going to yard sales in Park City. Jessie called and would like to go to the movie with us today.

Gaillyn may come down Jesse went with me to Bob-Aid drugstore at Pine Grove. We got home at noon. Edward worked in studies.

Gaillyn + Dallas came and they went to the movie "Seaside Suit" with Elmore, Jesse + I. Pretty good show. Gaillyn + Dallas went home as Marlene was to get Dallas. Jesse took Edward + I to Auto Circle for hamburger + milk.

I watered front lawn. Calculated our monthly expenses. It was high because of new windows + carpet. Bruce called tonight.

Ra and Brenda went out to eat + grocery shopping. He buys base frunk in.

He is working on Chap. 10 of his new book. Has two weeks to do 3 more chapters.

Sept. 2-03 Tuesday Pleasant weather.

After breakfast I helped Elmore get a package ready to return medicine for points to supplier.

I sent it at parson. Did to be accepted. I went to C.U. but had quite some money on change.

Stopped at Wampyack. Bought 1 qt. paint for porch. Cooked dinner. Dusted. Gaillyn called. Marlene came for Dallas. He has diarrhea. Bruce worked on new door. need wood to make it fit right. He finally stopped, no energy. I bought a qt. of outdoor paint (\$6.00) and after lunch we painted the bottom part of porch on north side. (white)

The park water was off to repair a broken line so we worked outside. My neighbor Brent Williams brought me 3 bags of lumpy tomatoes to make chili sauce.

I need to get a gallon of paint for the shed and another qt. of white for porch. Edward in studio late afternoon. Elder David B.

Daught is 77 yr old. He is from Oakley, Idaho.

Sept. 3, 03 Wednesday Nice weather

After showers and breakfast. Edward & I prepared vegetables for chili sauce.

I canned 6 pints of sauce. I went to Jessie Healey's and we sat on the porch and sorted books - mostly paperbacks that Howard had in storage shed under the house. He had 5 big ones.

Erlynn called and Bruce worked man on the phone. He went to work and forced himself. He said he is to independent to have huge help.

Jon has a bad cold from sleeping in the tent by the canyon for Labor Day holiday.

Marlene hasn't decided where to work. She was upset as her lady friend's funeral was yesterday. A young mother of 6 kids.

Edward has been in studio awhile. I went to Home Depot for outside paint - 1 gallon + 1 quart. Come home and rested. He ate supper. I sorted

more books at Jessie Healey's. He visited awhile.

Sept. 4-03 - Thursday. Cool morning. After breakfast we painted the stable & shed walls. I painted the high area and Edward used the roller on the rest. Still need to paint up around the high window. Maybe Bruce can help me again after he finishes his writing. I don't mind painting but the clean up is messy. We rested after lunch. I washed & pruned dahlias. Jessie Healey visited awhile. I washed the north flock where it needs painting. Howard & Elaine Jensen brought Edward a bucket of concord grapes to eat. They didn't stay to long. Neither one feels good.

Howard is thin and in pain from his back and shoulders. He doesn't eat much or sleep.

Erlynn called. She was going to social of the Book Club. She had made a shrimp - Mac-salad. She said Marlene gave 2 weeks notice at the Park City clinic. Don't know where she will work.

I went to bed early.

Sept. 5, 03 Friday Nice weather. Cooler rain shower afternoon. I got bedding changed. Washed & dried laundry. Edward took the van to be inspected. Brake problem. Went to take it tomorrow morning for another check. Hal Clifford may look at them.

I took Jesse today to IHC Clinic for blood check. We went to area for groceries I finished painting the shop well and the rail on porch on Northside of house. Still have to paint the rest of porch. maybe next week. Randy Knutson Co. from WA. Edward has to (2 a day) evidence the Niacin 1 mg pill each day to Lones Christened. He needs in surgery a vitamin pill. (2 a day) they will make app. in 3 months. Called to Eudyn. Bruce the the sat-flouring on. She flour cooking will be done next Fri + Sat. Eudyn talked to Geraldine. She is busy cleaning. She said Toni may name the baby Morgan.

Sept 6-03 Saturday, Edward was up early and in the night. I went to bed early. He took the tires to have brakes checked + didn't pass. He will call Bob Clifford and ask if he will change them. I got some light home work done. Eudyn came with Trace and we went to the Dollar Store and Walmart. She got some Christmas shopping. Trace ate hamburger there. We went to Plain City to see part of football game of Derek + Dallas. So had to sit on bench. Called to Marlene. She

said the Home in Park City offered her \$17.00 and then for 6 hrs. + will pick off. She said put it in writing if not she will go to Morgan. The paper came on the Woods home. She has to have it retrofitted + ~~make~~ maybe it will be final. Whether is home visited Tuesday. He has to go to Arizona for training to become airline Captain. She falls bought him a truck to haul gravel for them + gave him the truck. Edward stopped at Quilled Bear to look for his picture CD. Morgan gone for this week. a few. I went to take a meal to Belle Wilcox
who is in hospital. He needs 3 hypodermic surgery.
take a meal in when she is home. I went to
her house and knocked - no answer. I
took two walks and talked to Byrnum.
Buddy called. trace was climbing on tree porch
and lost his grip and fell on cement & cut
his head open. They took him to Oglethorpe
hospital & called Brodie & Clegg. Don't know
if he had stitches. May hear about it ~~tom~~
tomorrow. Edward felled out order blanks
to send for all the wonder drugs he needs
in mail order doctor magazine. We have
capboards & drawer full. Make me
suspicious as he doesn't know what he needs
or takes. He is a Kays contractor.

I'm reading a good Indian story.

Lost of the breed: Not worthy a printable.

Sept 8-03: Cooler - Cloudy - windy - Rain shower.
My legs ached & I slept in spare bed to
free and turn. Edward got early. He went to
Dale Cliffards in van and they went to
Phucure for brake shoes & parts for van.
Dale brought him home while he worked
the brakes. I got home three dogs and
vacuumed the car while Edward went in
studio to paint in something. He sent
a big order off to get his miracle
drugs - \$10.00 worth.

I'm in an undruggy state. Tired of
peeing & painting this place. Snow & gold -
We had all summer. I'd like to go and
visit Bud & Mary awhile. Valerie called
from McKay Hill hospital - wide hole surgery
to replace the shunt from his brain to stomach. -
He has been sick some time. & at the hospital
twice before surgery. He is 48 yrs old now. I made
cards to cover the church magazine. Edward has
been sleeping since dinner. He woke up & he
made a foot thing to get to a different Chiropractor.
He did an X Ray - made an app. for next few
Wednesday. This make 4 or 5 Chiropractors
he has gone to. I had ~~my~~ surgery & he
thinks he can help him. I hurried home & went
to Dale Cliffards in one hour. Sister Belle

brought the tree to us. He took it over to
Jeffy Lake after getting mud brush shown it.
They wouldn't give it saying it needed 3 or 4
wreath of pine + etc. Dale took it to blessed
Carly + they passed it. Park + John to Dale Dale
\$35.00 (cost 1/19.00) total. Dale gave me
about 7 trout + a bag of peaches.

September 9-03 Thursday. Coolish.

Overcast. Rain late afternoon.

After breakfast I gleaned the best of the
peaches and canned 5 pints. I went to
Sinn Baints and bought the vegetables for
mustard pickles. After lunch I pruned
them to within salt brine overnight.

Jesse Harley brought the Church news paper and
magazine. She visited awhile. Gully called.
She isn't as tired today. Bruce called. He
finished writing his book. He was sick yesterday
and today - feels better now. He stayed home today.
They all went to Andrew's tonight to celebrate
Dodie's 68 birthday. Ben had his girlfriend there.
They were holding hands. I called Valerie to
ask how Mike is. He can't urinate on his
own yet. Also has an acute. He's here IV.
He may not come home for a few more days.
I'll not see him tomorrow. Surprised!
Bud called me and we had a good chat.

Also talked to Mary + enjoyed the talk.
They had an unexpected call from Dick Orin.
He's Aunt Sara + Uncle Orelia son. He is 71
yr. old. Retired + lives in Lower St. Leon, Idaho.
He wants to come to see them. He was asked
about me - He also knew Ben had died.

We talked further on tonight to take damp
chill away. The weather will warm up again
in a few days.

Sept-10-03 Wednesday Cool + overcast. Turned
foggy on the morning. After breakfast I
finished the mustard pickles - (8 pints). I
browned 2 lbs. of tomatoes from Ballie to make
them. Jesse went with me to Shoghs and
drugstore. I went to O.V. to pay the visa charge.
The drugstore didn't have my prescription filled
they have to call the doctor again. (Hyprail).
Gully called. He is painting the new
pitcher door after work. He said Marlene
is staying at Park City Clinic. She will
get at 11:00 am hour + work 6 hrs a day
on no weekends. Her boss said in
Nevada + waiting for the money. Edward
got home at 4:00. He got last year
to Layton Chiropractor. Made it home at
after 3 1/2 hrs. He goes again tomorrow.
Called Mike Hobbs room (2217). No answer
at 11:14. See Hobbs

Dr. changed it to Lyntobrid. Brought sugar
at Harmon. At 1:00 club I took Edward

to Hayton. Valaw told me to take 335 9th.
Took the night on and bus to get to
the Chamberlain office. Edward had a treatment.
We went to Ladden's Bingham for 1/4 bu. of pears.
We visited them & they told us about Jeff &
Annie's family. We went to Pottingville &
bought a bag of peaches, ^{apples} pears & cantaloupe.
Prepared supper. Returned them to Billie
and she gave us tomatoes & peppers.

Bredyn called. He said she talked to Virginia
Hoyden & Eleanor (her sister) plane or be
visiting in Oct. & wants us to come and
visit and eat lunch. I talked to Valerie &
Mike in progressing much better. Edward
wanted to bed early. First time in months.
I stayed up to watch movie "my fair lady".

Sept-12-03 Friday 50° A.M. After breakfast
I canned 7 qt. of peaches and few left over
to eat fresh. Edward got pictures in the
van to try and sell at Mike's yard sale on
Saturday. Beth Walker called. She

said Rosemary went to temple two weeks
ago. They are happy for Mr. Kelly's new
wife may be baptized also. Missionaries
are seeing them.

Jessie Kealy called to chat awhile.

I used Phil Rasmussen spreader and
fertilized & watered lawns. used Scott's
fertilizer. Weather warmer this afternoon.
Calvin called and men are at her home
putting new floor covering in kitchen and
bath. He also said a race isn't
developed enough to go to school so they
are checking Read Street.

Johnny Cook & John Rottler died.

Called Valerie & Mike. came home yesterday
afternoon and doing well. I froze some
bell peppers and summer squash.

Sept-13-03 Saturday 50° A.M. & day.

took a lot of pictures to the Back Yard Sale
& I took a few items. He sold 1 picture (\$20.00).
I sold a 7.00 item. I spent \$10.00. I
went to Morgan's Backlog. He has a nice
door in kitchen and the flooring looks good.
We stopped to eat a ~~piece~~ slice of pizza we
went to Coalville to watch Markham boys
play football. The sun was bright and

We left in 4 p.m. Writing came
the news for Anne for two weeks training
to earn his Captain status. On my home
we visited Janalee, Bruce & Bick. A
nice visit she gave me a bottle of
Elderberry jelly. She said Michelle
is Prob. 4th one.

Calvin talked to Bruce and Nate got
rejection letter for his mission because
of his headaches. They will see the
doctor & maybe he can help. Bruce
also called Edward today. Calvin gave
us a few papers, cake & peaches.

I stopped at Home Depot & got a white
kitchen cover. Talked to Patricia & Larry Young.
They are raising Annie three kids. She is
in jail & Andy is on drugs & rooming.
She hasn't got her father's temple work
done. Larry still smokes - He is heavy
and quite grey & big bushy beard.

7/4 Sunday September 14, 03 Sunshine Warner.

We attended Sacramento meeting. It was
a spiritual meeting. Young man, a convert
from Italy. Now living in Brigham City spoke
of his conversion. A faith promoting experience.
Jessie Realey went with us and she had
dinner with us and visited awhile. I

called Sabra as we were going to visit
them but they were going to home late dinner
with Carol so we said we would try again.
Peter we went to visit Lee & Pearl Stanger.
Their daughter Marlean & Carter's son was there.
He picked us a bush of tomatoes. We
visited for a couple of hours. Pearl slipped
her leg through an opening in a foot bridge
and bruised her leg. It is swollen & discolored.
Probably needs to see a doctor. Mary Anderson
gave me enough peaches to make jam.
Her neighbor has a big peach tree. I need
to buy more jars.

7/5 Monday Sept. 15, 03 Warmer day. Lovely
weather. I called Jessie Realey to invite her
to go to Rice Pointe. We went to Harmonie Kenney
store to shop. I bought 3 green peppers & vinegar.
Edward went to choir in Layton. He got there &
back home safely & he remembered the road.
I made 6 qt. of chili sauce. Later afternoon
I put a coat of paint on inside of porch.
Needs another one. Maybe next year. Budyn called
and trace won't be in school this year. Can't afford
that start. She talked to a school person and
answered her question. He has no structured
home life - no rules; Larry carrying mother.
Maybe he will be ready for school next year.

Eudora has been very concerned and trying to help. She received a letter + copy of a picture from mom. They are in St. George + working on the new house. He reminded me that we are going to Virginia next Saturday.

Mom + Aunt had another surgery today (Cancer)

September 18-03 Thursday Colder morning. Heat felt good. Later I uncovered the garden plants. Bruce was out. Got home and down. Edward in studio. Later he went to Dayton.

for Chamber treatment. When he hatched out of
carport he hit the one metal support and
bent & twisted & punched a hole in it. Then he
went on opposite side & ran over the books &
punched them aside. They protect sprinkler
head. Fire perpetuator is bad. He never
could back up very well, even when he was
younger. I went to D. V. P. at 7 am West City
Office. Not many there. \$ 15.00 dues. Later
I chased from Pottsville, Wm. & Wanggard
looking for cakes. Had some at Dalke. Had to
get Pickling onions. I moved garden plants
straight. Tomorrow the weather was warm, this
afternoon - Edward did go to meekack for joints.
I went to bed at 9:0'clock.

September 19, 03 Friday Not as cold as m.
I woke up early and was up at 5:30.

he helped me peel pears. I canned 7 qts.
Got the rest when ripe. Was there by
8:0'clock A.M. Allowed up the ditch.
We put new felt on furnace. Jessie Stealey
called & she tried calling Annabelle Baker.
No answer. I believe her husband Carl died
last night. Yesterday his daughter said
he was Comstock.

After dinner we went to meekack for
out supplies. Chisel on window frame at Auto Zone.
Went to Harmon & Wanggard & Fred Meyers.
Home at 3:45. Edward replacing an electric
switch. Weather is warmer.

September 20, 03 Saturday. We were up
early. Edward put pictures in van and
went to Weber Co. Fairgrounds to around swing
meets to buy and sell. I dressed and got
house work done and went to Fairgrounds. Had
of vendors. I bought a few trinkets. Sold
to Edward. I left to go to Valerie. Had
there by 10:0'clock when Evelyn & Madeline
came. Evelyn drove & the four of us went
Virginia R. Ryan to meet Eleanor & eat lunch
and visit. Haven't see Eleanor for 30.00 yrs. since
we have changed. We all reported something of
our lives. Interesting. Virginia fell a few days
previous of our visit and injured her breast
and it was very bruised. It filled with blood
from broken vessels & huge & black as her
arm. side. She required hospitalization &
transfusion. It will take time for her to heal.
Her daughter Jessie prepared a lovely lunch.
Eleanor husband died 6 yrs. ago. She must be
financially secure as she has diamonds and
travels abroad & U.S.A. We said our goodbyes &

left for home. A soon as the gas from Edward + I went to Park association social at Clubhouse. Patis bar, Chik. - In P.m. a sing along. Come home as the aft. was on + we got chilled. P.kie day.

September 25.03 Thursday. Lovely fall weather. After breakfast I trimmed the lawn & cut the grass. Edward helped me. I got more good work done. I called Valerie and gave her the news of Nate's mission call and Ben's wedding date. She called me back and herie getting married some date as Ben. (Beautiful temple) I painted metal trim on So. carport to the front nest. Edward bill the ladder & sprayed for ants - maybe Bruce can fence about 6ft more. Evelyn called. She said marble bright paint & material to redo kitchen walls. It cost them \$1,00.00 to lexicon & etc the gravel truck to haul gravel. It cost him 500.00 to repair the car. Something major brake going over the rough road up on mtns that to see the leaves. Always an unsolicited bill to buy the ~~same~~ purple amygd. Talked to Jessie Pealey and her brother died Thursday. Service on Saturday. Bruce called. He had his eyes treated and needs changed lenses. Nate's eye isn't getting better. He has a change in medicine for them Bruce will be here Saturday to finish the painting. Watered lawn.

September 26, 03 Friday Another lovely fall day - After breakfast I got two batches of laundry done. Changed sheets on bed. Edward & I moved mattress around. Jessie Pealey went with me to Wangsford's grocery store. I needed stamps and caulking. Added to Mary Bowen there. Edward outside doing artwork. He said his back hurts today from the treatments. We measured & cut the window film and applied it on the north window of dining room. We had a problem. maybe it will look better tomorrow. Our new neighbor Beth Miller came to visit awhile. I left a summer squash & tomato on their porch. I took a meal to bed & Belle Willie tonight. She had 4 heart by-pass surgery little over a week ago. She looks good & feels good she said. Big long incision on her leg plus the chest. Evelyn called & didn't talk to long. She said Brooke's family are at Glay & Brooke's home re decorating & repair it. Trace got stung by a hornet & it hurt. They put soda pop on it & made him feel better. Cheryl's Paemosew called. She has been in the hospital three days. She doctor had to scrape gunk off her lung. She is starting to feel better but on medicine.

September 27, 03. Saturday
Beautiful fall weather. Bruce
got here about 10 o'clock or so. He painted
the strip of ~~the~~^{metal} on the morning and the
rest of the shutters and a strip above the
studio. He put the nail in rain gutter
that kept falling out. There is one more
strip of trim to be painted and the water
heater cover to install. It was 12:30
when he finished. We ate lunch then
I went to Morgan and visited Jonathan
at work. Took the kids back to the
house and they played outside with Bruce.
Barke came home from a meeting so we
left and went to visit Budyn. ~~She~~ She
had been over to town. Bruce brought all
of us butter + cheese. Edward + I held
the ladder steady for Bruce. He put it
away. Edward put cover on air conditioner.
When we got home I visited Phyllis + Phil
Rasmussen. She is peaked and doesn't
feel very good. I gave them a jar of
Elderberry jelly. After supper Julie Healey
brought us Annie + dog. She visited as usual.
We had been to her brother funeral service
in Centerville. Gave Bruce \$6.00 for gas.

September 28, 03 Sunday Another
lovely fall day. We attended R.S. B.H. and
Sacrament meetings. We ate lunch. Ruled
books. We went to budyn. She had family plus
Ray + Kathleen + Emma. We all went down in
the front field and sat on hay bales and
had pictures taken by marriage friend who is
a photographer. The sun was bright and
weather hot. We were glad to get back to the
house for a drink + we visited awhile.
I could see budyn was getting stressed
with kids around + bawling + etc. I was
hungry when we got home so prepared
supper. Betty + Service called. He fell
tripped on a piece in sidewalk + hurt his
arm. He has a big hematoma that needs
to be operated on when they come back from
Bales - to see his brother who had colon cancer
surgery. Good to talk to them.

September 29, 03 Monday + Semi 26th birthday
64 Another lovely fall day. After breakfast
I worked in books. Dorey + Lisa only company.
Edward went to Repton to Photographer. I took
some butter + feed to Phyllis Rasmussen. Their
daughter was there to help. Phyllis has a milk
bottle. Phil was ready to paint back of shed.
While I was there Nedra Wright (R.S. Bros) brought

her a pretty yellow bowl + can of chicken soup.
I fried trout for lunch. I went to road show
practice at church. It will be fun when
all learn their parts. In to be dressed
like "Minnie Pearl" + hold signs up instead
of speaking parts. Only singing + dancing.
Edelyn called. She turned her oven on to self
clean + got a fire. She got it out the
smoky house. Clay called her and made her
apart. Brooke wasn't there yesterday to
be in the family picture. Clay + Bruce
was by themselves + he said are you
going to keep our pictures? And she told him
"Clay you are family - were keeping the
pictures". Brooke chose not to make an
effort to be there even tho she knew what
her cousin's egg. Bruce told her not to be
upset. Nothing could be done about it.

Josue Healy + I were playing or writing Unsuble
Baker but she has impy - maybe next week.
She is alone as Carl died a week or so ago.

SE 1/2
September 30-03 Tuesday. Lovely fall
weather. We woke up early. I didn't
Dad to use bathroom 3 times in night.

Got housework done. Edward put caulk
around outside kitchen window. He went to
Chiroprator. I trimmed the evergreen tree.

Got a touch of white paint between
windows on west of house. Scattered fertilizer on
the spots I mowed and watered.

Byrd + Bonnie Jackson came from trucking.
Their last visit to us as the winters are
assigned to us. I totaled up the figures of
Sept. expenses. Edward in studio late afternoon.

I went to bed early. Saw cast late night.
October 1, 03 Wednesday.

Cloudy. Few drops of rain. After breakfast
Edward held ladder so I could finish painting
the trim on Dr. carpenter and room on east side.
The rest is to high. We trimmed the bushes
off in front of house - broke nest. Edward
didn't go to Chiroprator + he wants him to take
more - at least to get 12 treatments. Jesse
Healy went with me to Fire Centre. We went to
the Credit union, drugstore and grocery store.
I paid the rent + nothing. Later she and I
went to R.S. meeting. I helped make scarf
for Beahgi Night. We had ice cream + cookies.
Edelyn called. She is doing all she can at work.
She is getting excited about trip to Calif. tomorrow.
He talked to Marlene and most of pictures didn't
turn out - too much sun. I pulled a muscle in
my back so it hurt. Went to bed early but slept
in other bed as it is softer. Still I turned + tossed.

October 2, 03 Thursday mostly cloudy
early & few drops of rain. Clouds & sun shine.
After Rosewood I went to drug and grocery
store at Pine Pointe. Shopped lunch &
rested later. My back feels better standing
or walking than sitting. Edward has been
in stabs. He says his side hurts to.
Edlyn called this morning. She had the
suitcase packed. She had been to margin
and also got some yard work done and
house work. They are to leave for the airport
around 1 o'clock & catch the plane
for Calif. 3-3:31. They fly to Los Angeles
and rent a van to Corveta to stay for 4 days.
We read in paper that Fred Cunningham died
last Saturday. I tried to call his daughter
Sharon or answer. She called me at
lunch time to tell us about Fred. He had
cancer tumor in his throat. He had a surgery
or two & died shortly. He was 62 months - no
service held. Cyndy plans on taking his
casket ^{over} back to W. Calif. later. The electricity
went off about 4:20 for 3 hrs. etc etc
early so we could see. Dan Bruce called
to ask how we are. He invited us to come
up Sunday. It is Mary Anne's birthday &
Brenda's on the 7th she will be 43.

Nate got me Temple recommended. He said
Nate got a loan so he can buy Tiffany a ring.
I have started to considering pillow cases for
R.S. project. The young lady from
R. & R. Carpet called to tell me I
was delinquent in paying my account.
I said no. I'd had been to the
office three times to get my account
settled. She said I owe \$108.00.
The one Wilson Owner - (last one
I talked to - said he would give me
\$25.00 credit on bill owing). He
said two statements was sent and I
told her I hadn't received any. She
said I'll talk to some one and call
you back I wasn't going to be here
so she is supposed to call me Friday
afternoon - Oct. 3, 03. What a deal!
They want me to pay for their error. -

October 3, 03 Friday Cooler weather. Nice.
Sleep restles on my back hurts. We were
up early. Showered, dressed. We went to Ruthless
Church Remembrance. Edward got books, winter
shirt & socks. I got rain gutter drain & sink stopper
& brook thread. Home home. ate breakfast. I got
laundry done. Cyndy: husband & Sharon & Fred
Cunningham family came into clean yard-porch

and home. They gave me a small
rocker for my ^{dad} & good neighbor & friend to
their dad. I went to bed. My end. Rested
Part afternoon Bruce & Ben called. He came
to see Tiffany as she had surgery on her
teeth & he stayed here overnight. I put
fresh sheets on his bed. We left the
door unlocked. We didn't hear him come
in. At least he locked it when he came.

October 4, 03 Saturday Edward up
early as he needed to be more to get his
pictures ready to take to Ballot Club sale.
I prepared a Pancake-Sausage breakfast.
Edward left. Ben got up after 8:00 clock.
He had a Instant Breakfast. Had a long
shower, dressed & he left to go to Tiffany's to
watch conference. I went to R & R Carpet center
and settled my account & paid what they
said I owed him. He said error was there
mistake. He - Mr. Wilson was trying to be
very nice. He knew I was upset. I paid
the 117.00 - He signed the copy of the
agreement. - 0-balance. They had been a
customer. I went to Church rummage sale.
Bought 3 audis. Went to Bishop's & we
practiced for the road show. Later
I bought a few groceries at Fred Meyer.

Epelyn called from Calif. They are enjoying
their trip. They went to the beach & enjoyed
the sand. They picked up sea shells. Bruce &
Linda was in here track. They may go to Knappa
Berry Farm today. Got to talk to her.

Jessie Dealey took Ruth Staker, Edna and
to Hidden Lake for dinner tonight. We enjoyed
the meal. Ben stayed overnight with us.
Oct. 5, 03 Sunday. A rainy weather. We
all showed & Bruce. I made blueberry
muffins and they were all Ben ate. He
left to visit Tiffany and would be D.S.
Her. Conf. We worked it until 11:30. She
took Jessie Dealey with us and left her at
her home in Riverquille. We were late
getting to Randa for dinner. They were just
getting there as they finished eating. Bruce
said he called our house as he was worried
as we were late. We enjoyed a roast beef
dinner & the cake for dessert. I took map
a jar of mustard pickles. His 68th birthday.
Kare Brenda 10⁰³ for her 43rd birthday &
red brown & Bruce some hair prof. We went
to Bruce. He bought 4 piece living room set.
It is ^{leady} ~~red~~ & matches the rug. Big & comfortable.
Later we went to Dumbo for homemade donate that
Nate made. He likes to cook. We said

I thanked and good-bye. Left home about 5:45. Brenda & Nate stayed at her folks house so we didn't get to visit them. I feel bad for Bruce as it wasn't family (his family) get together.

27. We watched a family video before bed.
October 6, 03 Monday Nice day.
Brady temp. Edward has upset stomach. I think it is pills he takes. We see the problem stop and again. After breakfast I got washing done. I took Jessie Dealy to Clinic in Dr. Spidel to have her blood drawn. We grocery shopped at Warehouse. On way home I made app. with Anne & Andrea Copito to have someone come to measure front room to find out how much padding I need. I went to Rock Island practice at Church. We are improving from last practice. Edward had been in studio. Boyd Spelman was supposed to come and install drain drain sprinkler heads. I called him from No show. No Mr. We came while I was gone & Edward was in the house. I took Ryan to Belle & visited awhile. I went to see Reseda Mann. She wasn't home.

John called while I was walking. I called her. They got home about 5:30. They had a good trip. Saw races and horse sales. Espinosa to be in Calif. They are glad to be home. He talked to Marlene. She was at the airport to get Whitney. What was throwing foot ball to the boys & hit Dallas in the eye. He had him to the doctor. No serious damage. but took Ibuprofen for pain as inflammation. Paulyn going to the bathroom to get family history.

Oct. 7-03 Tuesday Nice cooler weather.
After breakfast Edward and I went to City office and voted. Mayor & Councilmen. We came home and mowed the lawn. I swept the walk & carport. I went to see Reseda Mann. Her daughter was taking her home as Pascale just had a growth removal from her breast. She also has a blood condition that the doctors are having more test. Suspicions of Myeloma (cancer). I'll see her tomorrow when she feels well enough. I also visited Jessie Dealy awhile. Reed & Mary called. Dick Bruce (Cousin) and Toni visited Hank for a few hours. They went to dinner. They live by Con. Johnson, Idaho He is retired plumber. Jim & Trana had been to visit his parents. Mary hurt her arm. Michelle

broken. all ok. They finally got some rain. Evelyn called. Being at work. Her boss - Stacy has to do more work to help Evelyn which she was supposed to do months ago. She got called on the carpet. She was told - do your job or you don't have a job. Evelyn has been trying to bring the food for 2 people. Maybe she won't be so stressed.

I sent ~~her~~ a baby card \$10.00. They are expecting a baby boy next month. I took Igackman a card, bottle of home made Chile sauce + tomatoes. I visited Phyllis + Phil Rasmussen. He had his lungs checked again but doing better.

10/8
10/8 October 8, 03 Wednesday. Lovely weather. Worked in yard awhile. I got photos + jewelry papers in books. Had more pictures to put in photo album. Wanda + Jones + Don Cox sent me arbitrary notice of school mate - Kenneth Webb. He died last Friday - Corner. I visited with him at School reunion in May. He told me he stopped taking more ^{convex} treatments - I called Igarrona + come + measure my frontroom also America Carpets

I visited Rosalee Mann, Rasmussen + Marg Anderson. They all have health problems. Have Phyllis R. a bottle of homemade chili sauce. I took pretty roses to Rosalee and she gave me two crocheted hat pads she made. Evelyn called + ask about going to Berkeley, Don + Shoko. I called Marilyn + Mary Howard and we will stay with them Saturday night. Called Evelyn to let her know.

Valerie called and we chatted awhile. Mike has gone back to work. He feels good. Bruce, Brenda + Judy home stopped by. She had made an app. with Mr. Lou + Dr. Meyer for later this month.

Jessie really came to visit but I didn't visit much so I have been using the phone.

10/9
10/9 October 9, 03 Thursday. Very warm day. Unusual for late in year. After dressing and breakfast I vacuumed the car and went to the parko water station and washed car behind the windward. I climbed the ladder and put dark stain on wood trim about the north and south windows in front room. Not much difference. Prepared lunch. Later I called and talked to my friend Melvin P. Larsen. Plan on bringing her out here next week to visit. Picked tomatoes. Water the lawn. Edward in studio all day.

Eudyn called after work. He said Blake & Shelia has interested blue-Marlene took Whitney to airport. He will be gone for a few weeks. She is giving the R.S. lesson tonight. I have embroidered or pinned cover article.

Oct. 10-13 Friday Cooler & breezy. ^{stuff}

Got house shares done. Vacuumed & dusted. Melba B. Hansen called. Her cousin died. He was raised in Cons. Norris & Luella Bruce's son. After lunch Edward & I went to the C.U. He ~~she~~ cashed refund check on the pills he sent for. I cashed \$5.00 check from insurance co. Pearl Stinger called to ask if we would take some tomatoes. We stopped by their place & she gave us tomatoes & carrots from the garden and gave the wind blow down. We also visited awhile. Her brother-in-law died yesterday. Margaret's husband. He was out on the big tractor somewhere. We didn't see him. Eudyn called. She made copies of Charles Dana book. Bring to take it & other gene. to Marylyn. I told her we would leave here about 10:30 A.M. tomorrow. Edward taking

a few pictures to show mother of she is there. I called Wanda A. Jensen to thank her for sending the clipping of Ken Webb. We had a good visit. Wrote to Howard & I to come and visit her. He said Allan - his brother has Parkinson disease. He still is in cattle raising (Black Angus). She said Boyd Hansen still driving the school bus. He is 75 or 76 y. old. Doesn't need the money. Cold night. Covered 2 tomato plants.

Oct. 11-13 Saturday Sunny day. Cold morning. 2 roze squash name & one tomato plant. No squashes on the vine anyway. Gas company employee put new dial on meter. Can he read from the truck motor reader. Bought few slacks, medicine, art pictures & etc. Bruce called and she told him we were on our way to Idaho. He is going to Hawaii for blessing of baby girl. Morgan Hope Cannon on Sunday. Guelyn came & was left at 10:30. Stopped at Brownville to Millie's cafe for pie, cream & malt. Went to Marylyn & Marya about 1:30. Eudyn & Marylyn showing genealogy papers. Mop was home and we all visited. At 6:0'clock or so Marya drove and we went to Beverly to see Bruce

food. We treated. We didn't eat too much. Not hungry. Went back to their house and visited and watched a TV program awhile. Went to bed. I sleep restless.

Monday Oct. 12-03 Edward woke up very dizzy. Had a drink of hot coffee down him. Put him on the couch & put oxygen on him & he said no naps coming in line. I worked on tank & line & got it working. Probably had an air lock & he didn't have it working all night.

By 7:00 he was fine. Evelyn went to church with Marilyn & me. She put a bed next to each other & could all night. I cooked potatoes & carrots while they were gone. We had a lovely dinner & she also had apple pie & ice cream. Later Edward, Evelyn & I went to choir ward & visited Betty & Sister Weymout. She has a bad back. (Arthritis & diabetes) He can't see well enough to drive.

My plan is going to Quartzsite, Ariz. & sell their place (Haskell house). Their son Hal is taking them to Ariz. We then visited Bernice Robinson. She is 88. She looks pretty good. Doesn't do chess anymore. She still lives in her old shack of a house. But

she said "Ole Home". Went back to the house & visited. Read some family history and genealogy papers. Hate going to bed.

Old wind blowing -

Monday Oct. 13-03 Columbus Day, Holiday. Max & Marilyn up early as he had to go to work at hospital. She plant is clearing MW. He said he had 8 weeks vacation pay at maybe \$1,000.00 home. Len drew \$20.00 a week unemployment. They are thinking about moving in Boulder area & raise house. Time will tell Marilyn & I went to the people who sell honey & I bought 5th honey 5th 14-57. We packed our things & said good-bye. Home to Oakley - The Basin - visited Kay, Jerry and Margaret. So good to see them. Jerry is retired from 20 yr. Nat. Guard.

Still works for Evigation Company. Not enjoying retirement from 20 yr. ag. teacher. They were going to basin in Cotuitfield to get a tree overhanging over door.

Margaret is aging. She kept rubbing her eyes. Wanda doesn't work well. She had Barkenier disease. Edward took pictures of the gray heron. We enjoyed a short visit. Went to Oakley & bought sandwitches & chocolate milk. Saw three City of Rocks

14 miles of rough wash board road. Drive slow - Check car. Drive by Uncle Floyd's old house. It looks nice. Stopped on oil road & backed track to Elba & drove on old paved road (82) to Lenoirville. Stopped & used bathroom & had gas done in home. We unpacked & she went home & called when she got home. I tried calling Bruce twice. He called us. We went to the Canon baby blessing yesterday. He stopped here yesterday. He wants us to come to temple in Rogan tomorrow for Nate's ordainment at 5:30. We will.

I was in bed at 9:30. Colic night.
October 14, 03 Tuesday. We slept in later. Edward doesn't feel too good - upset stomach, side hurts, tired. The long ride yesterday over rough roads. After breakfast I got the laundry washed, dried & put away. Vacuumed the car & got it washed. Inward & Elaine Jensen come. He had an amplifier to put on phone but we have one in the phone. It was thoughtful of them to wanting to help Edward's ^{hearing} hearing problem. I gave them a jar of Elderberry jelly. Edward had been to the doctor & had

his heart medicine changed and he looks better. Evelyn called. Marlene said what is still good. She wishes he works for in merging with another airline & he probably won't get left. Evelyn told her the night to get a local job & be home to help take care of his father duty to take care of the boys & women. She also said Clay has an offer for a different job but will be in Lenoir once a month, but there is trace to think about. He is so dependent on Clay.

Jessie Dealy called & she fell in her house and had difficult time getting up. Her bone mentioned she may consider going into an assisted living care. She was shocked. Well winter coming on, snow, cold, etc. they are concerned about her. She is 82.

Edward & I went to Rogan, Utah temple to attend Ordainment lesson for Nate Dana - Jody, Mary Lou, Bruce, Brenda, Bev, Tiffany, Edward & I + cousin of Brenda's. I also talked to friend from High Creek - Nita Robinson Allen. Had to wait with her. After the family was going to eat but we came home by 8:30. Dark & quite a bit of traffic. Called Evelyn to let her know we were home. She had been to see

Marlene. Anne Co. Whit flies far are
morning & he may not get his promotion.
Mother decided for them.

Sam Bruce called also. We left a message to
let them know we got home ok.

October 15-03 Wednesday. We didn't
sleep well - worried. Called Dr. Louie
office & made app. today for Edward. He
has black stool & stomach problems for
two weeks. I took Jessie Dealey to
Kington Optical to take her eye
prescription in. We grocery shopped at
Wenegaards. Later Edward & I pulled tomato
winn & squash mine & put them in garbage.
Fly free. We went to Dr. Louie to
have Edward checked. The Dept. Bismal
make with stool black. His B/P is little
high. Scheduled to have EKG tomorrow A.M.
Evelyn called & I told her what we have
done & where. She said she was tired.
She has a stressful job.

Oct. 16-03 Thursday warm day. We were awake
at 4:30 A.M. up at 5:45. Showered, dressed & left to
go to Ridgeview Clinic in Le Ogle. Very dark outdoors
I got lost, missed the turn & went down White Hill.
Able at convenience store we were late. But Edward
had the test. Put him asleep & put tubes down his
throat & stomach. He has like acid reflux.

Gasburn & irritated & little restricted. Mr. Krue
started him on Nexium tablet - 1 a day in early
morning. 1/2 hr. before breakfast. Avoid coffee,
tea, chocolate, fried foods & coke products.
Edward likes all of them. He was groggy until
afternoon. I poked lemons & lemons. Put some raisins
down at Jessie Dealey's & man. Evelyn Rasmussen
visited a while & brought banana bread she made. It
is good. Evelyn called & Blake & Jen took Marlene
to doctor. She has pneumonia & strep throat. On
medication. Evelyn roasted chicken & vegetables for
them. I was going to take their jello, appetizer
& cookies but decided not to get it paid. We were
going to help Jen with housework. Whitney is home
& helping Marlene remodel the kitchen. They are
going hunting in back of the place. Jenn visited
awhile. She had me spread from DVD today. We
went to bed early.

October 17, 03 Friday Warm fall weather - lovely.
We mowed & trimmed the grass. I cut more flowers
down & raked. Edward changed the lawn mower.
Maybe this will last grass cutting this year.
I soaked front bushes. Cleaned weather of the
car. The nurse called from clinic to ask how
Edward was. Our neighbor Jen has had breathing
problems and ambulances took her to the hospital &
then to V.A. hospital in D.C. He is on high oxygen.

Evelyn called. She is tending to trace as the men are up to the deer track for the deer hunt. The weather is pleasant. It has been 3 days since rain and none in sight. I & Jessie Sealey went to Walmart. I bought a sponge to clean windows, furnace filter & 2 punches for Edward. Jessie bought food. We bought some apples from Taylor Prepared Suffer. Watched T.V. while. Read & also embroidery on the pillow case.

October 18, 03 Saturday. Deer hunt opened. Threw out breakfast. Called Evelyn. She was in bed. Told her car would be up after a yard sale. We went to Kirtle (N. Spkn.) & I bought a few items. Stopped at Walmart for a grocery item. We took Evelyn & Trace and went to Marlboro. Bruce & Sips are at the deer club for the hunt. Whit, Marlboro & Kellan had been hunting. Later Whit went to the place where his parents are going to build to move dirt. We ate lunch & went to Park City to Walmart. We each bought something. (A few Christmas items). Evelyn bought us soft drinks. Edward stayed at the Power to rest. We sat outside and enjoyed the beautiful warm weather. Come home. Edward shaved & we went to the

club house to association pot luck party. Cooked food. We painted pumpkins & then decorated them. It was fun. I bought 1 for \$1.35 + one for 25¢. Some went for \$5. Evelyn & David each got a deer. Our Bruce called. He said Heather had a little dog by Cundictors last night at 6:00' clock. 10/17/03.

October 20, 03 Monday. Truly fall day. Warm. After breakfast I got light house work done and the laundry. Evelyn called. Bruce home from deer hunt. Wild but got 2 deer. Barbara is eating and starting to feel well. He said Bruce noticed the difference with no oxygen and high altitude at deer shack.

We talked to our Bruce and Bruce Reardon
is their new State President. He is Bruce
Euler's cousin. (Uncle Rutherford son). Evelyn
called Virginia Symon & she is having problems
with equilibrium since she fell. Also she
doesn't feel good. The doctor increased her
daughter's medicine & she is very puffy.
Plus she is taking some kind of Chem pill.

10/21
October 21, 03 Thursday Unusual warm
day. Edward went to the new chiropractor
(Mr. Meeke) at Five Points. Maybe he
can help Edward's legs. I went with
Phyllis Rasmussen to Orinda temple. Enjoyed
the session. We ate lunch in cafeteria.
Talked a few minutes with Nancy (cousin).
Mrs. Robert Nelson and Annette Weibel.
Come home and Edward held the ladder while
I touched up white spots on ceiling beams.
Edward had a nap.

I forgot to write that Betty & Darwin Doyice
called us last night from St. George. They
had called Joanne to tell them they couldn't
go to Yuma in December. The chemo that
Kerwin is on has affected his leg muscles.
and he falls easily. He uses a walker.
She said of the new wheel chair she can't push
it because of her lung problem. She said
them miss the old neighborhood friends.

I told her we were making mouse
when we had parties - traps & the church
function. Evelyn called and said she felt like
she was getting a call. All at home. Bruce
called to get Mr. Louis' address as Judy
Lamb has to have her throat (leopoldine)
stretched. Nathan & Arlene Hansen came
Dore teaching tonight. This is the first
time they have been called to Dore teach.
We enjoyed their visit. Nathan and I
are cousins - (page 3rd). I soaked the
shrubbery & garden plants prior to turning
water off tomorrow.

10/22
October 22-03 Wednesday another warm
foggy day. Got the laundry done. Vacuumed
and dusted. Sent pleather pretty bad card & so on.
Edward has been in studio. Kn back & leg hurt.
Ground is support ball so he can use it.
Evelyn called & she said is getting worse. She
may take the afternoon off work. She said
Marlene & Betty plan on going to Lake Tahoe
to meet while this weekend if she can get
seats on plane.

We received notice from MHC office. Rent
increased 1.5% a month. Will pay \$30.00 to line Ave.
Starting Jan 1-04

We turned outside water off and drained
the water hoses & put them away.

23/10 October 23-03 Thursday. Little cooler but
since weather. We got up early. Dressed
etc breakfast. We left here at 8:35 + went
to Jim Brink. Edward had 2nd chrysothrix
treatment. Dr. Meke. His office in the
Main Mall - across from Harmon store.

I grocery shopped. We went to drug store.
After lunch I went to McKay. She brought
to Dr. Wahlen office for blood serum for
thyroid test. Filled gas tank at Coles.
I went to Hinge and bought yellow wax
and glue to insulate. Strong wind blew
about 1/2 hr. Lot of dust. Cooler tonight.
Evelyn called. She took ⁴ ^{1/2} bath + went
to bed. Miserable cold. She called from
work today + felt some better.

October 24-03 Friday colder morning.
But warmed up during the day. Worked
in house. Bruce came at noon. He and
Edward put a cover on water heater +
they plugged the electric tape in socket
to keep the water line from freezing.
After lunch + reading. Edward dug the
plum back stump out and the two bushes
in front. I went with him to Connie to
visit her and kids. He took them halibut
canily + decoration. He also bought them

bratwurst + chicken nuggets + ~~and~~
Bonnie said Michelle is having a boy this
pregnancy. We had a nice visit and came
home. Later Edward + I went some teaching
at Margaret + Pat Wingate. Edward has
been in studio awhile. I called America
carpet + going to have the new bed put
down on Nov. 4.

59/35 October 25-03 Saturday colder morning +
breezy here + windy on the mountain. After
breakfast we went to No. 9000 - two yard
sale. Very cold wind there. I bought a nice
handmade sweater. Bought kid shoes - 25¢ a pair
as they have nice ones. We went to Michaels
for art supplies + new brush. Evelyn came.
He isn't perky. Had a cold. We ate lunch
+ she had a nap + we all rested. Colder out
here in country than at airport or in town.

I turned clock back 1 hour. I went to
bed at usual time after showering.

57/35 October 26-03 Sunday. morning are cold.
We attended R.S. P.H. + Sacrament meeting.
Very interesting + informative. Same from
during 55. I called Jess. she has a cold.

She is planning on going to her home ward + dinner.
She has urinary infection and on antibiotics. After
lunch and resting we took a ride. We visited
friends Reg + Stella Gator in Electroville. She

is 80 yr. old and two months ago had
appendix surgery. Ray looks better. She
was preparing to go fishing to Wyo.

October 27, 03 Monday Warm nice day.
After breakfast we went to Deer Cuts
to Chrypater for Edward's treatment. We
went to V.S. office to ask if V.S. would
pay for Nelson's title. They will call
when the doctor checks. We went to
Sh. Home's office & they gave Edward two
more boxes of Nephin to take before he goes
to see the doctor. We stopped to 3
Lorain station to get air in three tires
since the air didn't work & the last one
we had to pay 25¢. I bought milk & etc.
at Wainwright. Spitting the laundry &
bedding washed & dried. Evelyn called &
she isn't feeling so good. A cold. I got the
laundry done. The bedding also. We pulled
washer & dryer out on hall way. The plastic unit
was broken & lint at under machines & clogged
the outlet. It was the aluminum band. I
went to Home Depot for another one & more steady.
We worked in close quarters to ~~attach~~ attach it.
put a hole in one end so will have to work on
it tomorrow. So difficult for Edward to get
up & down but he insists on doing it himself.

The nurse called & I had to take Lisa to school
so went to drugstore for 275 strength. Take them
1 or 5 weeks & get blood checked again. Calorie
called to ask me to go to temple with her
tomorrow. Said I would. Sent telephone bill
and cost 98.10 for the collect call from Evelyn
in Calif. (M.C.D. W.D.)

October 28, 03 Tuesday Nice weather
Valerie & I were going to the temple but
Jack called to say she was sick. After
breakfast Edward tried to put the dryer out
on and his hip went out again. Very painful.
It doesn't go out of the socket & sleep. It goes in.
No more for him to try and repair. He won't
again & isn't so good. I went over to Home
Depot & found my hip & bought another flexible
unit. There is flexible metal one but I don't
know where to find it. I called Blake last
night and he will come and install it. Bruce
called. He said he would come if Blake can't.
Bruce received his copy of new book.

I had free chat at Clubhouse.

We went Home Shopping at Keller's in Waltham.
Evelyn called and she is feeling better. I was
in bed at 9:30.

October 29-03 Wednesday Nice morning.
After breakfast I went with Edward to the
Chiropractor for a treatment. He is
fixing a brace problem. Exp. Ellsworth went there
also. I went to the Kollar store for bathroom
items. Told to relatives - Chas. He said her
dad (Jack Pugsore) had a bypass heart
surgery 2 weeks ago. None + progressing.
Alois Swans was picking grapes so we get a
few from him. Jessie Healy visited awhile.
I called Valeria and she is feeling better
but has arthritis pain.

Phyllis Raemus and I went to the Stakes
bakery to watch dress Revival of the
6 words roadshow. There was the best
performed - costumes - acting + music.
Some words read from script, music people
didn't show. All prepared. Still fun to
watch. Wind still blowing.

October 30, 03 Thursday Cold - blustering.
rain then snow. Edward is covered.

Edward had Chiropractor treatment. He also
had his feet treated. The doctor talked to me.
He said Edward has lots of back problems
not of spinal surgeon (S). We stopped at
drugstore. After lunch I went to Becky
Bright's for hair cut. 9:00. Will have a

person Nov. 18. Evelyn called. They had a
nice word dinner last night. David - Blake and
arrived went. Blake is helping David on a house.
Sent V.A. check for \$63.11 - Edmund's medicine.
Got notice in mail from Bob manager about getting
changes in living here. Snow on ground.

October 31-03 Friday Snow on the trees +
leaves haven't fallen. Some one has stolen
our good snow shovel. Lot of stalling in the
park. We had to use boards. Bobson + dust
pan to get snow off the front porch. Howard
Jensen called early to ask what kind of particle
deck we have. They are getting one. I brought
my little tree in shed + brewed it. Can't get a shoe
on. Put me on it. It is swollen - black + red hurts.
Evelyn called. They have snow. Can't have Nancy get
back party at lunch time. I lounge cooking dinner.
trying to dry off my foot this afternoon. Blake, Jen,
Cecelia + Bobson come in. Kids had their costumes +
candy buckets. Have them Butterfinger bars. Bless may
put dryer under toner so he has to work at plant.

November 1, 03 Saturday Cold morning.
Don't jumping but doing my work. Evelyn
called. She had grocery stopped early. Marlene
coming to her place. Bruce called to. all at
there. Jessie Healy called. I have been looking

then the back management packet.
They ~~was~~ sales & requirements. All must be
signed as an agreement. by end of year
I have made a big mistake selling now
some & choosing to live here. Bruce has
called us several times. She sent three
copies of his latest book with Ben &
Fufflyn. They came to get a couch and
low seat from the matter. We drove to Sears
to buy a snow shovel (\$1.25) Went to Home
Depot & they have the for \$11.00. They plan on
getting snowshoes with a curve handle later.
It be a snow afternoon.
