~~Thursday~~
~~January 1, 1998~~ New Years Day.
Not to cold. Edward + I relaxed awhile. Read. Ate breakfast.
I washed + dried clothes + bedding.
We showered + dressed up and went to Valarie + Jacks for a lovely turkey dinner. ~~Other~~ Carol-Curt + little girls, ~~Steve~~, Kathy + girls were there. We enjoyed the big dinner and visiting. We left there about 5:30 or so and went to Bev + Lloyds to visit for an hour. Came home + watched a musical on T.V.
I went to bed early. Edward has sore arm from drinking ice out by patio. Talked to Bruce + they are fine. He said Jonalene + Burke done come to Hyde Park. Our Evelyn was at work for awhile. All going to the chariot races called Ray Stevens. He still has mobile home for sale.
Friday
January 2, 1998 Mild weather - thawing.
Rusty Selling + Tyler Bingham came to meet the termite inspector. He looked our house + buildings over very thoroughly. He told us there was no evidence of termites. We showed Tyler the house again. Later I called Rusty to tell him the house insurance due by Jan. 21st + gave him the figures on monthly utilities. I took Bev to the Bank to get money to give to Charlie to

buy a truck over $3,000.00. Then to Safeway & Harmons for groceries. I stopped at dentist office & paid my bill of $22.00. Went to C.U. and our checks were deposited. Came home & made a meat loaf. Talked to Evelyn. She & Madeline are going together to Joann tomorrow. Valerie and I are going together.

50° Saturday January 3, 1998 Mild weather. Valerie called to tell me to come to her place as she & I was going to go to Bountiful with Jeannie & Marian. Mr Bingham called to ask me how much was house insurance & with what company. I told him and then we had a nice visit. He said he had sent for the money to his investment co. & and money should be here within 10 days. He said he was feeling better than when he came here. He has prostate cancer. He offered to let us use his flat bed trailer to use to move. I thanked him. Edward called Ray Stevens & the price deal is the same & he will come up when we get the money. I went with the gals to Joann & Renny's place & we met Ron & Brieda there & we all had a good visit. They just

returned from their mission in the Ukraine. They look pretty good but Brieda a little thin. They told us about their mission, showed us a video tape - pictures and a book of pictures. We all went to Church & Rama to eat. We all donated money to treat Ron & Brieda to their meal. Brieda gave Valerie & I a wood painted egg from the Ukraine. We enjoyed our visit. On way home I stopped for gas. Got home at 6:00 o'clock. Evelyn called & they got home ok. She asked if we would like to trade her kitchen table & chairs. Ours is smaller & so we will trade. I may call my sister. LaVon Bingham called to ask how we are & if we sold our house. She had to have a Cortizone shot in her hip because of arthritis pain.

Sunday January 4, 1998 Sun shone a while today. Today we start new church service time. 1:00 o'clock until 4:00 o'clock. Edward & I attended all meetings. During R.S. meeting our Bro. Edmille Stoddard reported that Brd Bliss died last night. Kaye Leavitt called me earlier to let me know. Brd has been sick. I talked with him Friday at grocery store. His Mother (Elva) will surely miss him. As she will be alone in the house.

Camille Lesson was to start writting a diary. Get started. I also take my testimony in R.S. meeting. Thanking the Lord for my blessings + to let them know that we will probably be leaving the ward. In S.S. we started studying moses. Who we are - where we came from - our goal of eternal life.

I called + talked to Blake + his mom were at work. I called Evelyn at work. They have church early. 8-11. Very cloudy early evening. Snow predicted. Light rain falling at bedtime.

6" Snow

Monday January 5, 1998 Snow. Edward used the snow thrower + I the shovel to clear walks + driveway. He cleared Benny Ferguson driveway as Benny has a sore hip. Later Benny pushed more snow off his driveway edges. A rock lodged in ours + Edward had to work it out so the blower would work. Sun shining and snow melting. Benny's hip feels better + he returned a crutch he had borrowed from Edward. I went to D.I. + bought a metal spoon for Edward to use to dig packed snow out of blower when it clogs. Stopped at Fred Meyers to look at a cupboard but sold out. Bought groceries at Wangsgards. Velma Ralph called and we chatted awhile. She is over pneumonia

now. She is to start at the temple in a week. She is a good friend. She said she hated to know I would be leaving the ward. I was her counselor in R.S. Quarter of a year ago. After supper I showered + washed + dried a batch of clothes. Evelyn called and she wants to buy my hutch. I said you can't afford it. But if I can't use it in the mobile home maybe I'll let her use it. I measured the hutch so she can see if there is room for it in her kitchen. While Edward watched the wrestling on T.V. I got my laundry done. Showered - went to bed. Cold night.

32 / 13 night

Tuesday Jan 6, 1998 Clear frosty morning. After breakfast I went to Church house to help quilt. Thora got sick and went home. Verla Swann + her mother was there to quilt. We have the center to quilt. It is the Hawaiian print top. (Sunbonnet girls). I stopped to see Elva Bliss to offer our condolences of the death of Fred. Her daughter Deanna + son was there. Elva is holding up well. She said she is 86 yr. old and wants to stay in her home. Nick Baker came as I was leaving. I called Zelda Benner. She has been sick for a week but was going over to Becky Knights to have her hair fixed. I called Bev

to tell her I would try to see her tomorrow. Edward + I went to Morgan. We stopped at the store for two loaves of wheat bread + meat for soup.
We visited Jaralene + Kids for awhile. The kids were shy at first but finally let us love them. Burke was at the dentist. They may come and visit while Burke is at school. Edward + I went to Evelyns when she got off work. Jen was there lying in the recliner and watching T.V. She didn't go to work as she + her family went to the airport to see their brother off to Chicago on his mission. Evelyn + I measured her wall to see if the hutch would fit. If she had it in the kitchen then the table wouldn't fit very well. They will have to decide. Bruce came in doors as we were leaving. He has a cough. We didn't stay. Came home about 6:00 o'clock or so. Cold evening.
Received a little note from Lysann Cannon expressing their appreciation to us + wishing us well in our new home.

30 Wednesday Jan. 7, 1998. Overcast.
After breakfast I went to see Bro. Lloyd Aaron was there trying to help unplug the kitchen sink. He couldn't and called a plumber. A mouse left droppings + I disinfected

the drawers. Bro. washed the towels + threw dry food away. I left + came home to eat. Edward, C + Zilda Glenn went to Bridgeport Mortuary to funeral service for Ford Bliss. Short but nice service. Bro. Cannon conducted + also sang a song. Dave Collins spoke. Not many people but a few of us old time members or neighbors. We didn't go to cemetery. On way home we stopped at Carols Grocery for grapefruit. Bro Bruce called to ask if we heard anymore from Rusty Dellery. No news. Bruces house has been set at Big O tires. He said it was ok. He said Brooke called and her granpa Corbin had run over grandma Corbin + broke both legs. She is very frail. He has taken care of her for years. He had told her to stay put by the garage + she didn't, and he backed up + knocked her down.
A gal from I.R.S. work days called me + we chatted awhile. (Ellen Davis). I haven't talked to her for a years.
Evelyn called with news that Clay + Brooke went to the doctor + he said she may have strains. He had heard two heart beats. Will know in a month. Bruces all in shock - especially Evelyn. Says this is exciting.
Bro called about 8:45. The plumber

came & cleaned the sink & put new pipes in. They need a new disposal. Cost over $100.00 I told her I'd help her tomorrow. Before going to Bro. I went to Kings and bought distributer to embroider.

39° Thursday January 8, 1998. Warmer day. Snow melting. We went to Ogden Clinic as Edward had an appointment with Dr Tachman. He had blood drawn. Will see him in a week. Came home and had breakfast. Later I went to Bro. Lloyd & Fran had just got there as Fran had installed a Jed disposal under sink. Bro & I went to Kings store for dishtowels & etc. I visited her awhile. Kathryn was coming to clean her mothers oven.

Rusty Welling came to give us copies of the papers. Both parties signed & he brought us a two hundred check of the Brimhalls but Edward gave them back for $100.00 check. This was earnest money they gave us. He visited us awhile. I called Dr Michaelsen & he gave me a 3 mo. prescription for Estrogen. I went to the drugstore for it. I also made an appointment with Dr. Humphreys for an eye exam next Tuesday. I stamped dish towels to embroidery.

to come down. Whitney came to get his boys as Marlene was at work. Evelyn said she fell last night by back of car carrying groceries. Hit her head and hurt her hip. Shook her up. Blay asked her to go get Brake soon Flourish as she was peevish about him going to enter races. He said he tries to stay her happy but she is petulant. Youth - 1 day need more wisdom. Time will help.
Overcast day - gloomy. Edward + I sit stayed indoors all day except for store + shoeing library.
Sunday Jan 11, 1998 Edward + I attended all our church meetings. Susann Cannon gave the R.S. lesson about Mrs. Brigham Young. Very informative + interesting.
During Sac. meeting Bish. Adamshaf spoke of Gratitude + Service. Valerie called early in the morning to invite us for dinner at 5:0'clock. We went to their place after church services at 4:0'clock. They served a lovely roast beef dinner. Later we sat and visited + looked at pictures. Valerie called Ben in Ariz. + we talked to him a few minutes before we left to come home in a rainstorm. A brief blizzard hit just after we got home. A skiff of snow but ice under it. Evelyn called about 11:30. She was going to rest as she has a cold + sore hip. I asked her if she could put the hutch in the little

bedroom until they remodel the kitchen. She may do that! Blake lost the horse race Saturday. muddy track.
I went to bed early as my sinus was stuffy took a de-congestant.
Monday 12-Jan-1998. The de-congestant kept me away half the night. Edward took a sleeping pill and he is still groggy today. Light snow or ice + Benny Ferguson is blading it off. Re + Luella have used our phone as their telephone line is out. He called repair service.
After lunch I bought a few staples from Wangsgards. Edward + I visited Bev + Lloyd awhile. We stopped at Ray Stevens mobile home and measured the storage shed. I call Reed Bishop and inquired if Mr. Bingham had contacted him. He said Mr. Bingham had stopped by and Reed said he couldn't issue him a policy on our place until he officially owns it. Our house insurance is due 30 Jan. He said if we haven't heard by then to pay a month at a time. It is raining tonight. Evelyn called about 7:0'clock or so + said was at court as the jury was deliberating. Didn't know when she would get home. She got home about 10:30. Rainy night.
Tuesday Jan-13/1998 Mild temp. 42° .62 rain + snow Partly sunny. Edward + I slept late.

Whiteside took an overdose + died Monday. What a shock. I didn't know he was a "junkie". Alma, Karla + her mother is in Layton staying with Glenice + her two little children. The funeral is Saturday.

53° Thursday Jan. 29-1998. Cloudy weather. Our Bruce came this morning + helped Edward sort stuff. He took a load with him to put in junk yard. There is a lot more to get rid of. Edward won't get rid of anything. He still has enough stuff to fill a big shed. Bruce left for Hyde Park at 11:30 as he has to work at Schreiners. After lunch I took several boxes + sacks to the D-I. Looked at Penneys. Went to R.C. Willey + bought a washer + dryer. $706.54 Amana 5 cycle dryer $289-00 amana washer 375.00 I looked for a small tables at both Kleptz stores. I measured them. Stopped at Bagleys for a few items. I had called Bev to ask her if she wanted to go to town but someone was coming to see them about "Project Temple". I called Mary Anderson to ask about garbage pickup. It is Friday. Edward brought a paper to fill out about our rent + etc. 219.74 I'm going to ask why our rent is more than Kloyds. Talked to Velma Ralph + Zelda Penner by phone. Zelda + I may go to Whiteside funeral on Saturday. I sewed embroidered dish towels while Edward read. Our Bruce called. He is concerned about Edward. Back hurting.

Friday Jan. 30, 1998 Rain showers. Edward went to old house + vacuumed the studio floor. He returned cabinet to K-mart + got the money back. He

Evelyn called this evening. Derek + Dallan stayed overnight. They all slept in her bed so she + Bruce didn't sleep very well. They helped Clay + Brooke pack to move. The men lost the horse race by a whisper as they ~~fell~~ feed down. Evelyn asked us to dinner Sunday - but we will get out of church late.

Sunday Feb. 1, 1998. We attended our new ward meetings for 1st time. Farr West 12th Ward. The people are friendly and greeted us. Our membership records will be transferred. Sacral membership line here in the park. We go to 11-2 p.m.

Evelyn came down about 4:0'clock or so. The men were at the Dallen to the horse draw. We enjoyed her visit. She left here to get Bruce at 8:0'clock. We sent two decks + chair with her to give to Marlene. We called Marlene + told her where they would be. Marlene was upset as the boys got a can of paint + spilled all of it on one of their beds. Probably ruined the bed cover. Evelyn said Blake + Jon went out drinking last night. I'm sure this behavior upsets their parents. They weren't raised that way. Our Bruce called to ask about us. He is concerned about his dad's back. He may come down during the week.

Monday Feb. 2-1998 Rain shower early. Mild temp. Edward packed items in van to take to D.I. He went to Layton Back Clinic + the man going to call medi-care to ask

Evelyn left about 5 o'clock + Edward + I got in the Spa. Edward + I talked to an older man up there + he has been here 16 yrs. + concerned about what new management will do here.

April 19, 1998 Sunday. Edward + I attended all Church meetings. Hurried home to eat a sandwitch and left about 3:0'clock to go to Hyde Park. Got there about 4:0'clock. Jonalene, Burke + kids got there same time as us. The Bishop + former Bishop came and they, Maf + Edward stood in circle and Bruce ordained Ben a Priest in Brickhood. John, Bonnie + kids came. We ate cookies + icecream. Good to see family and visit.

Later we went to Maf + Jodys to look at the gas wall heater they put in basement. Edward may have to install one in his studio for cold weather. Nice day. We got home at 8:30.

Monday April 20, 1998 60° Windy warm day. Didn't take to wear a sweater. Edward up early and making nice big lighting fireplace. He went to town and looked at T.V. with hearing jack. Went to several stores. While he was gone I mixed + baked bread. I planted the three bushes: Flowering Almond + Cistena Plum.

Afternoon I took Gene Brinkerhoff some biscuits. He gave us a dish of easter candy and visited awhile. I went to Bible three. She has a knee bothering her. The R.S. Pres. & counselor went with me to see Ber. They asked if I would be in a skit for Home Making program. Edward went over to old place + got the medicine sent in the mail. Edward laying at T.V. at different stores. We got weather stripping around front door.

Tuesday April 21-1998 Warm spring day. I went to our old place + Taylor let me dig up a few starts from pincushion flower. He + I had a nice visit. He has a

bit of weeds and yard work but he worked and got to school so he doesn't have much time. Wanda Jones walked over to visit me a few minutes. She said Don has got more skin cancer to be burned off & he hasn't felt very well. I had to go to drug & grocery store. I was going to help ladies guild but time I had to do shopping & etc it was to late. Came home & planted the flowers. Edward cut the lawn for 1st time & turned water on. I visited Bev in afternoon & went to meet Evelyn after work & we went to Kenology building & she used the computer & worked on MC Kay line for 1½ hr. She was tired & I came home by 7:30. She called later & three searching got the MC Kay line figured out. (Donald & David & Donald) let ka. Talbot I went to sleep in chair & to bed. Edward worked in studio in late afternoon.

Wed. April 22-1998 Clear day and quite warm. Edward went sketching for awhile. I worked in house. Put soil builder in garden area & getting soil in planters. I went to RSP meeting at Vera Swans. Good to visit the ladies. Next meeting at Three Hills - Potluck. I went to Smiths & bought petunias & snapdragons and came home and planted them - also beets. While at Smiths I talked to Elaine & Howard Jensen.

Edward worked in studio during afternoon. Our neighbor Howard Healy visited us while we were outside and Jessie Healy visited later. Evelyn called this a.m. before she went to Provo for training meeting and called at 7:30 p.m. when she got home. She liked her meeting & had no problem driving. Clouds coming in tonight. Our Bruce called this morning to ask how we are. He was going to do yard work before going to work at Chloe factory. All ok at his place. Edward & I went to the Spa.

Thursday April 23-1998 Warm day We worked in yard. Howard Healy & Edward replaced broken pipe on frost sprinker. He is a good neighbor. I put fertilizer on lawn. Set it watered. Visited Bev Kathryn & Jenny were there. They were housecleaning. Bev's knee feeling better but she can feel the lump on her side. She don't call the doctor. Edward looked for our weed eater but someone has ~~stolen~~ stolen it & grass edger since we moved here. It has been used two times. Margaret & Ricky stayed overnight with us. Good to visit with them. Ricky has a meeting in Salt Lake Friday. Jazz lost the game.

Friday April 24-1998 Rain showers during the night. Partly cloudy. Margaret & Ricky got up

early + left about 6:15 to eat at the temple and attend a session before going to Salt Lake - Edward put new washer on bathroom faucets. Evelyn called early to ask if we would like to go St. George next weekend with them as Brace has a meeting there. We said yes. I'll call Orville to see if they will be home.

Velma B. Larsen called to tell me the class reunion is May 23 at North Cache. I didn't get a letter.

Edward + I attended a temple session. Margaret was there in foyer waiting for Ricky to pick her up so we visited longer. I misunderstood as I thought she was in S.L. at temple or I would of visited with her. I called Orville + they will be home next weekend + we will stay with them.

Saturday April 25-1998 Cooler day. Edward + I went to yard sales in N. Ogden. We bought a T.V. $40.00 + it doesn't work very well. I planted marigolds + we went to Evelyn + we worked at Genealogy. We have research to do. Came home and ate. Edward watched Jazz play Seattle and won. Talked to Valerie and she invited us to dinner on Sunday.

Sunday April 26-1998 Cool day. Edward + I attended all meetings. I'm going to be a R.S.-Visiting teacher as a partner to Jessie Staley. We have 3 sisters in the Ward and failed to see our R.S. Pres. Came home + changed clothes while Edward rested I called Kathy

P

Bruce + we chatted awhile + got J.R. phone number and I called him in Bountiful. He gave me some information from Aunt Vida's book. Evelyn + I should go see what she had. J.R. is having heart problems + needs surgery. He had heart surgery 12 yr. ago. They are doing fair health wise. We asked about Howard Bud. Since we don't have Mother + Aunt Vida we have lost contact with our cousins - family. Later we went to Valerie + Jacks to enjoy a lovely fried chicken dinner + apple pie. We had a nice visit. On way home we drove over to Marriott to see a cowplop old house the Dana family lived in when I was young.

Monday April 27, 1998 Bottle warmer. Edward + I took T.V. over to Radio Shack + the lady looked at it + showed us what to do. Came home + hooked it up + it still doesn't work. $40.00 + lost + it. Later I took Rex to Harmon to grocery shop. I mixed + baked bread + made a cake + a meat casserole. Our Bruce called + he had to have a cortizone shot between toes or foot + he has a nerve problem. If the shot doesn't help then surgery to remove the nerve. He was at work. Dave + friend drove over to Crystal Springs + in Logan he got a ticket for a red light. Don't know the fine.

Tuesday April 28-1998 Warm weather at last. Edward + I went to Sears and

a 19" Philips-Magnavox T.V. for $179.00 + tax. Artist on charge. Left the old T.V. at D.I. Stopped at Arbytes & Dale Cliffords to have him check the wheel on van. He came home with us and drove the van to Rio house. I visited see awhile. Evelyn called later & we suggested we take our car to St George as we have a/c.

Wednesday April 29-1998 Quite warm today. Worked in yard & house. I helped Bev finish wiping bedroom wall down. Our Bruce called and the Beaconsfield C. has the papers. We will probably go to Bruce nut week. Evelyn called and Bruce don't work Monday so we will be gone an extra day. Dale Clifford brought van back & put rear brake shoe on rear wheel & packed bearings ($44.72) Visited at Bev. Kathryn & Jeremy was there to help housecleaning. I planted more beets & carrots. Cleaned outside of windows. We put window film on family room windows. I went with Jessie Healey R.S. visiting teaching for first time. Met 4 ladies & they were friendly. We were gone 2 hrs. They work and so we go in evening.

Thursday April 30/1998 Beautiful warm day. We worked in yard. mowed the grass. Sprayed weeds. Watered garden & lawns. Edward worked in studio afternoon. I visited Brad & Phyllis Rasmussen. Let him read the letter about our 55 yr. class reunion in May. They have a nice small mobile home & comfortable. I went to town to the shoe shop. Megan to buy two pillows & returned the one box of window film. I visited Bev & Kathryn. They were almost thru housecleaning. Edward walked down to visit Lloyd Shreeve he had stroked still hurt. Barth called to tell me about Rafonia. She isn't able to walk alone. Betty Argyle called to ask if we were still coming to stay. I said yes. Evelyn called to say we would leave about 1:0'clock tomorrow. I cleaned the car today.

Friday May 1-1998 Nice weather. We ~~went to~~ Edward got dizzy & threw up just before bed last night. However he slept well but still dizzy. I went to Church sale & bought a few items. Went to Credit Union to pay car loan. Owe $213.00 + it is paid off. Put gas in car. Edward still dizzy & decided not to go to St George. The ride would make him sick. He said I could go & he would be alright. I felt guilty about leaving him alone. I called Bev & asked them to check on Edward. Went to Megan & Bruce drove. Evelyn took time off work. We traveled 75 miles an hour and vehicles passed like we were moving along. Stopped a

few times to use bathroom & ate supper in Cedar city. Left to Orgills about 7:30 or so ate visited awhile. Evelyn & Bruce declined their invitation to stay with them. They got a room at Motel 8 for two nights. We visited and watched 93 game & then to bed.

Saturday May 2-1998. Evelyn came to Orgills & ate breakfast with us as Bruce went to the Convention for the day. She, Betty & I went shopping at Yard sales, Walmart & etc. We all at Carl yR. Never got back until 2:30 or so. ~~Betty~~ Becky & Rose Knight had been to visit Vernia. We missed them. Evelyn had a nap & Vernia went to take care of business as Betty & I talked. We dressed & Bruce came & we went with Orgills to Mesquite, Nev. for dinner & play a few slots & had a good visit and lots of laughs. Left home at 11:0'Clock. Betty & I stayed up until 1:0'Clock to talk.

Sunday May 3-1998 Lovely weather in St George. We ate light breakfast & Vernia had a weak feeling - from Chemo. She lacks color & strength. Betty prepared a dinner which she cooked out in oven: Meatloaf - Potato casserole - baked beans - cake & ice cream. Lovely dinner. I had called Edward every day. Couldn't get him Sunday & called Bev - Edward got the message and he called & Betty answered the phone & said to him "Where in the hell are you" We all had a good laugh. Edward went to Snow mnt instead of church. We all said our farewells. Packed suitcases & left about 1:30. Drove thru Zion & Bryce Canyon & made a few stops. Saw part of "Treasure of the Gods" at Cenemy - Evelyn got a headache. We stayed overnight at Quality motel in Richfield. I was extra tired & went to bed early.

Monday May 4, 1998. Up & dressed. After breakfast Evelyn & I went to Elsinor to visit Carl - Carla & Richard Lovelly found them. Carl lives in a shack. Grand children live in Carl & Carla's old shack as Mark Edward (their dad) is in jail. He broke parole & etc. Carla & Richard's house is much better but she is fed up with her dads drinking & etc. She has aged - more color both & wears glasses but friendly & enjoyed their hospitality. She doesn't want to take her dad to the reunion as he drinks & causes a scene. We said our goodbyes & left. Bruce had burned around town. We left & drove

to Provo in rain showers. Stop stopped at Deck Store + we ate. Stopped to visit Marlene + boys awhile. Got to Evelyns + unpacked. Tried to call Edward. He didn't answer. I got home at 7:0'clock or so. Edward was home. He had been to town + sat in shop. He was feeling better. We sat + I told him about the trip. Ate supper. Read paper + then to bed. Called Elaine Jensen as Howard had been in hospital. Thought he had a heart attack but pulled out that and probably needs his emphysema stretched again. She was coughing bad. So didn't talk long.

Tuesday May 5 - 1998 (New T.V.) Partly cloudy. Mild. After breakfast Edward returned the new T.V. to Sears as connector didn't work + he brought a different one home. I have to program it. I bought rose bush for Brenda + a flowering bush for Evelyn for mothers day at Shopko and flower + veg. + groceries at Wangsgards. Evelyn + Bruce called. told Bruce we tried to phone Michelle for 4 days. No answer. We will go to Bruce Friday. He has to work at Anderson Saturday + Sunday. We went to Temple with Howard + Jessie Nealy. (Word temple: about 15 there) Called Betty Argill. Results of blood work not received yet. talked to Bev on phone awhile.

May 6, 1998 Wednesday. Sunshine in A.M. Cloudy afternoon. We planted tomatoes (Early Girl and Oregon Spring). Squash + cuke and flowers. We ate radishes from the garden. I put two geraniums in pots. took drapes down in T.V. room and put a valance up for Summer. I went to Bev + Lloyds to visit awhile.

May 7, 1998 Thursday Evelyn's 52nd birthday. Time goes by so fast. Our kids are in the ½ century mark. Edward and I went to the C.U. transferred money into savings. We bought a couple flower plants at Fred Meyer. We bought a few more flowers at Wangsgards and gravy shopped also. While at the store I visited Colleen + Glenn Krall. told them we had moved. She is having trouble with her foot and painful to walk. may have surgery. Invited them to come and visit. talked to Beth Saunders and they sold their land down 2nd St. + may sell their house and looking at property at Farmington. talked to Mike Chase and he said their folks didn't stay only a few days + went back to Yuma. Good to visit friends. I went to meeting house for R.S. Social. I was in a short program. Portrayed Naomi in Bible. a nice evening. Evelyn came to see it + visited. Home

Called Betty + Glenwin. He said the test showed he has active cancer. Can't give him a treatment for 2 mo. He was discouraged. Betty has to go to heart doctor. a pretty letter by address book Sue + Jacket packet + a bush to plant.
Sent David + Marlene a birthday gift.
She said Bruce told her to get a new dish washer. Edward + I planted flowers and a squash plant + put flowers in petro pots.
We watched Jazz win the game by one point.
I read + watched skating on T.V. Edward mowed grass.

Friday May 8-1998. We were up early. After breakfast I washed white clothes. We went to Bruces to visit. Have Brenda a blue rose bush. Talked to her on the phone as she was at work. Bruce home from work at Cheese factory - No order. He explained the Insurance Corp. We wrote the check. $1156.01
Later we went to K.F.C. for lunch. We drove home by way of Pondyville. Few rain showers. Bruce gave me a $25.00 gift certificate from Anderson's for Mothers day. We stayed home during the evening. Rain during the night.

Saturday May 9-1998 David Miles 23rd birthday
Rain showers during the day. Nice sunshine late afternoon. Got housework done. Edward worked in studio. Talked to Delma Neff by phone. She said Elaine Jensen told her about Glenwin as Orville called them. Elaine has to have more throat surgery. I had called Thora Bill to ask about the new surgery but no answer. Luella Bergeson called. They are still having their family problems.
Benny still working at Harmon.
Bev + I went to Walmart. We bought cards + I bought a blue area rug for the kitchen. Bev bought flowers + bird. I stopped at the store for milk + etc. Edward and Jandene, Burke + kids stopped by. She left me a gift. acute pitcher magnet. I thought of them.
Edward + I took Bev a card booklets + hot pad.
I cut + rolled her hair. She gave me a pretty card and bouquet of flowers. Edward + I ate radishes from the garden. The Jazz lost the game.

Sunday May 10-1998 Marlene 28th old. Also it is Mothers day. Cool showers. Windy. We attended all our meetings. Had temple Recommend interviews with Bishop Stephens and Counselor Bro. Beuhler) of Stake Presidency. Met Pres. Petersen (counselor) and he is a cousin to Scott Petersen (Marilyn Hobbs husband). Evelyn called early to say 'Happy Mothers day.) She got a new dishwasher + Brent a Remote Control T.V.
Came home + cooked dinner. Called Evelyn and no answer. Strange Mothers day.
No kids around or family. I visited Bev + Lloyd. She lodge in her side pocket. She said she

would call the doctor to make an appointment. I hope she does. Edward watched Jags game + they won. Bread awhile. Bruce called to say Happy Mothers Day after he got back from work. Thoughtful.

Monday May 11-1998 Nearly Rain showers. Overcast. Getting housework + laundry done. Evelyn called to chat a few minutes. Edward talked to her + told her I felt bad as no kids here to see me yesterday. Later she called to say she would be down. He made her feel bad by telling her how I felt as I didn't say anything. He caused a problem. Evelyn came and brought an Azalea plant + pansy. She said she didn't mean to hurt my feelings for not coming on Mothers Day. Edward shouldn't of said anything. Evelyn + I looked thru genealogy. I called my cousin Dawn + the three of our deceased research + Dawn will share us the information she has. Dawn has her condo for sale + going to live in Retirement Center in Mesa, Ariz. She learned Ellsworth's wife died in March.

Edward + I visited Don + Wanda Jones and Elaine + Howard Jensen. Elaine had laser surgery on her throat (inside) today + still coughing.

More eviction letters being sent to people in park for different (violations). Upsetting to the residents.

Tuesday May 12-1998: Partly cloudy but mild.

Evelyn called + I was telling her about calling Elaine C. Wilde in Centerville as she worked on Kane Furniture line and Evelyn called her last night and we are going to see her Saturday morning. Verla Swann called to ask if I was going to LDS Jubilee on Sat. and I told her I wouldn't. I talked to Bev + she had me call Dr. Sabotka + can't get an appointment until June 2nd. Five weeks away.

Luella Ferguson called + chatted.

Edward + I went to Anderson Lumber and I got a wheelbarrow with the money Bruce gave me for Mothers Day. Gift Certificate We went to Bloomquists to get paint for Edward. Edward + Jay Schoonmaker went home teaching. Phyllis Rangton visited me + Mr Rangton visited over the fence. They got notified to paint their shed or be fined. He is going to put new siding on his mobile home + shed. The new lady manager doesn't have any diplomacy + everything is by letter instead of face to face. They are causing lots of problems with the residents. Don't know what will happen. I mowed the grass + cleaned around the sprinkler heads.

RAIN

Wednesday May 13, 1998 Rain during the night and day. Housework done. Washed & dried bedding & etc. Ironed & dusted. Wanda & Donald Jones visited about an hour. They were going to Sears for a small cultivator. They invited Ed to go to dinner when we can make arrangements. A lady from the park (Mary Strong) called as they want to have a Park newsletter so people can become acquainted & would like to visit us. Ed Monday is the appointment. Snow on high benches & mountain tops.

Thursday May 14, 1998 Nice weather. Edward's hip & back hurts. He soaked in tub of Epsom water & stayed indoors most of the day. I worked in house. After lunch I took Bev to Provo to pay on her bill. We grocery shopped at Albertsons. I drove around 7th street & up around 22nd to look around. I bought some petunias at Jerry's Nursery and planted them. I trimmed under the bushes. Worked in yard all afternoon. Bruce & Brenda stopped by a few minutes. They were attending a lunch at Mt. Jordan school for retiring teachers from school district. Mary is retiring after 27 yrs. Might go up to Bruce's Sunday Monday Evelyn called to ask how we are. Blake & Jo were cooking supper. She said Joralene stayed at Court house & she was still peaked and not feeling really well. The baby was sick. She said Michelle hasn't had the baby yet. Anyway now.

Benny & Luella Ferguson visited us during the evening until 10 o'clock. Thor's Bill home from hospital.

Friday May 15-1998 Rain during night & and morning. Washed & dried towels & etc. Edward in studio working. I talked to Velma Ralph by phone. She is feeling better. She said Amber Baker (Norma's girl) is getting married next month. She's been 19 or 20 yrs since Norma, Velma & I were in R.S. Presidency. Where have the years gone? After lunch I went to Provo. I mixed Bev a supplement powdered - ice cream drink. I don't think she wanted it but she drank it. Lloyd just got home from grocery shopping. Edward went over to town to have copies made of art work. I swept the carport. Removed cover from tomatoes to get sun when it shone. Cloudy afternoon.

Saturday May 16-1998 Evelyn & I went to see Elaine G. Wilde a relative in Centerville who had devoted many years in genealogy & she has many books of records & Evelyn bought a packet for $2.75 that she will send her a copy so we can find what we need to research the McKay line. We spent 4 hrs. with her. Enjoyed meeting her & the informative visit. Later Evelyn & I ate lunch at Subway & visited Joan & Denny Weir a few minutes before they left for the temple. I got home about 5:00 o'clock. Visited Bev & Lloyd

awhile. Edward watched Jazz ~~was~~ wing the game - 112-97
Read + watched T.V. Received a letter from Ref + Ellie
about the Casa Reunion in Rare Hot Springs.

Sunday May 17, 1998 Partly cloudy. Edward is
kept headed. I went to Stake Conf. Sat by
Steve + Dorthy Miller + Don + Arlene Pennington. a
very nice instructive conf. Enjoyed it. I
prepared dinner before I left. We ate + relaxed.
Early evening we visited Rusty + Dyce Neeley
and returned the dress I borrowed. She showed
me the quilt she won at the D.U.P Jubilee on
Saturday. Glad she won it. We are taking
them to dinner on June. We then stopped
to meet Orval + Cordelia Sanders + Jarold
+ Delora Naef for awhile. We enjoyed our
visits with all of them. Our kids called
to ask what we had been doing during the
day.

Monday May 18, 1998 Nice warm weather.
After breakfast we called our kids + told
them we were going to Rare Hot Springs.
We did. We checked reservations at Rare
Motel + went to Rare Motel + reserved the
last room they had for 3 - 4 July - Joan, Jason,
Debbie, Dennis are there also. Rex in campground
in back of motel. Places are filled up for the
holiday + We went there by Wasatch and came

back thru Grace + Preston. Edward bot $5 worth
on lottery ticket. We came to Five Points.

It was a nice service. We got to visit some former neighbors + friends. I talked to Lloyd by phone. We went to Montpelier yesterday. Evelyn called. She was going to Columbia to watch Dallan + Derek play ball tonight. We ate cooked beets + greens for

supper. Edward painted awhile in studio.
Thursday July 9-1998 I was sick all day
Called Dr. Mickelsen office but he didn't
return my call. I wanted to get an
anti-biotic for sinus infection. I had a
fever for 3 days & chills. Temp 100.7. but
ten o'clock last night the fever broke and I
started to feel better. I slept in spare
bed last night so I wouldn't disturb Edward.
He mowed the grass & in studio awhile
that day. Evelyn called in morning. She &
David & Blake suffered with the heat.
Our bldg has no a/c. They use fans.
Friday July 10-1998 Cooler morning. I'm
feeling much better but have draggy now.
Edward went to Layton for a back treatment.
I stripped both beds & washed & dried the
bedding. Washed blanket & pillows. Worked in
the house. Made banana-nut bread with
bananas Ferguson brought us.
Our Bruce called. They may come down this
week if he doesn't have to work at Schreibers.
He said he talked to Scott Law about investments
at the reunion. He said he was in stock options, &
Scott said that is the "risky business". Scott flies
all over the country holding Investment Seminars.
Edward washed the car. After lunch & a rest
Edward & I went to 4th St. station and he put
air in tires of car. We grocery shopped at Kroger
talked to Zelda Cinnon a few minutes. We
stopped at Harmons to send mail. We sent a
$112.00 check to Co assessor for property tax & mailed
Home. I took a bowl of chicken noodles & piece of
Banana nut bread I baked today. A few sprinkles
of rain but warm late afternoon.
Saturday July 11, 1998 = Clay & Brooke 1st Wedding
Anniv & spending it in labor at hospital since last night.
Edward & I went to a couple yard sales
to look for a/c. None. We bought a chair.
We went to Sears, Home Depot & Walmart to
look for small a/c unit. Came home &
I prepared lunch. Our Bruce called & he
was going to come down & I ranted about
looking for a/c & he said he has a small
one so we will probably go get it after
Church tomorrow. Evelyn called from Hospital
as Brooke went in last night. I went up
about 2:0'clock to see. Lois came & broke her
water & contractions came. Evelyn came
home with me for a nap as the baby isn't
expected for a few hrs. Her mom-sister &
Grandparents are there. Clay is there & he
was resting. No sleep last night.

Hot weather & Grace Hilee born 8:45a

Sunday July 12, 1998 Grace Hilee born

Evelyn called at 5:00 o'clock A.M. and Grace Hilee born about 4:30 A.M. by Cesarian Section after Brook couldn't dilate enough and high blood pressure. Evelyn, Grace, & her family were there with her. Margene (Brooke mom) was in operating room. We are thankful the ordeal is over & baby fine & that Brook will gain her health & strength in due time. Edward & I attended all our meetings. We ate lunch, rested and went to Grace & Brandie to get the a/c unit. We had a nice visit. She baked brownies & served them with ice cream. Mof & Jody & kids came to visit. Clay had been to Stake Pres & wants them to help at church Store house for a church calling. Mof will probably & Jody stay at Distribution Center where she has been 8 yrs. Bruce let us read his new writings about Mrs. Mc Conkie Quotes.

We left & went to Columbia Hospital to see the Baby & Brook. Bruce was just leaving & Clay holding baby. He let me hold the cute precious baby. He has brown hair & cute features. Such a joy to hold. Brook went to sleep. Clay was going home to sleep when her Mother got there to stay. We gave $10.00 to Clay to buy a meal. as we were leaving Rickie & family were in parking lot. (Brooke aunt). Not leaving. We cooled home & watched T.V. News and to bed. Answering.

Monday July 13-1998 Hot weather.

We got up early. Edward before me and he read. After breakfast Edward went to Layton for back treatment. I went with Kathryn and Bev. to Col. Reg. Hospital and she had a test of a light down to stomach by Dr. Dibotha. She has blisters on her stomach from aspirin use. He put her on medicine for a week & to eliminate aspirin for pain. No lumps or etc. While she had the test Kathryn & I visited Brooke & baby a few minutes. Margene (her mother) & Clay was there. They tubes are off Brook & she was going to a shower & maybe try & get baby to nurse. Got home about 1:15 or so. Edward was resting & then out to studio. I put new light weight bedspread on our bed. Edward & I went to swimming pool & hot tub for awhile. Sat outside for awhile. Pulled carrots from the garden & soaked the garden & flowers. Bed went to bed about 10:45. Nights & mornings are cool.

Tuesday July 14, 1998. After breakfast I pulled beets out of garden. We cut the tops off. I may have enough to make 2 pints of pickled beets. Edward in shop awhile. I cleaned

2 quarts of pickled beets before lunch we had beet greens + fresh carrots from the garden. After lunch I sat in chair to read + went to sleep for an 1½ hrs. Evelyn called but don't know when the little boys are coming. Evelyn, Bruce + Marlene brought Dallan + Derek about 9:30 or so. They visited awhile + went home. We got the boys settled down about 11:0'clock after I read them a story.

Wednesday July 15, 1998 Another hot day. After breakfast + housework we got ready to play. Edward went to Layton for a back treatment. I took the boys to Kinsman Park. I don't know if they enjoyed the display except for running around. They left the trail + came to the display creatures. Derek waded in the little creek + took the plastic snake out of the water. I gave him a paddle for running off on his own. I took them to McDonalds to eat + play 2 hrs. Came home. Rested. We ate supper + later we went swimming for an hour. Evelyn called to ask how we were doing and talked to the boys. Edward bought a thermostate + put it in van.

Thursday July 16, 1998 Hot day. Usual work in house. About noon Bruce + Joan Griffin brought us a sack of fresh cherries

he has picked off their tree. So thoughtful of them + good to see them. After lunch I took the kids to Ogden + put gas in car + went to three parks but the play equipment was in the sun and too hot to play on. I took them to McDonalds + they played in the play area for an hour. Came home + rested. Prepared supper + later took kids to the pool to swim for 1½ hrs. They watched T.V. + went to bed at 10:0'clock but kept disturbing each other so I had to put one in my bed. They are to much alike + try to be the boss. Evelyn called to ask how we were getting along with the boys. I told her we were taking the boys home tomorrow afternoon.

Friday July 17, 1998 Hot weather. Edward went to Layton for back treatment. I got bedding washed + dried while the house is dark. The boys slept late. Whitney called to ask about boys - Marlene will be home late afternoon. Dallan's coin vest was at office - someone found it - We ate lunch - rested + left here about 3:0'Clock Stopped at Ogden Clinic to learn X-Rays of Edwards hip replacement. There was a family gathering. I had helped Betty prepare a meal to take to the family at their Mothers home. After hugs + goodbyes we left about 8:45. We drove over to Richfield and visited Carl. He looked fairly well - Wasn't drunk. He has a lump on his side + it hurts. Don't know if he will go to the doctor. We visited Richard (Carla's husband) + his brother Paul awhile as Carla wasn't home. We stayed about an hour. We got home in (Lot of traffic thru Salt Lake) about 4:45.

about dark - I called Evelyn + our Bruce to let them know we were home. Weather is cooler here. turned furnace on for evening.

Sunday Sept. 27, 1998. Cool morning. Had furnace on. Valerie called + we told her about our trip. She said she, Jack, Curt + Carol are flying to San Diego + meet Marilyn, Scott + children for a holiday but to attend the temple sealing of Carol + Curt - same date as their civil marriage. We attended all our meetings. Later we visited Bev. + Lloyd. Bev looked a little better + she said she felt fairly well.

78 SD Monday Sept 28, 1998 Beautiful weather. Edward worked awhile wrapping water pipes. He went to Home Depot to buy another roll of insulation. He stopped at Macays for juice. I mowed the lawn. Cleaned a few windows. Swept the car port. Vacuumed the car. I've been busy. I let Jessie Hadley use my sewing machine. Evelyn called tonight she had computer problem and it pikes her work up. Clay and baby was there. She said Derek has a sore lump on side of his head. Marlene said she should take him to the doctor. Valerie called + Rachea, Marva + Carla stopped on their way home. Marva + Carla came to get Rachea as she stayed in Provo to help Beverly + kids as Bev. got in a wreck when Rachea came to get Rachea when Ron + Freda went in mission home.

81-51 Tuesday Sept. 29-1998 Beautiful weather.
I went to the DUP museum and helped for 4 hrs.
Viola Swann, Cindy McClean & Susan Cannon were there. We are tour guides. Sandra & Barbara friends came to the museum. Harold Nay in hospital. He had 8" colon removed because of a large growth. He hasn't felt well for a long time. Reg. Cannon came to museum. He said Wanhafe have moved. It was nice to visit the old ward members. Clara Stone, Rita Critchlow, Barbara Payne & Karen McFarland. Later I went grocery shoping & rent bills in the mail. Edward has worked getting insulation under house. It is hard to crawl & fit it around pipes & etc. I don't think he needs to do it but he insists. Dr. Siddaway nurse called & Edward has to have a positional test next monday & he can't lay down for 2 days. Jessie & Howard Healey visited awhile. He brought my sewing machine back. I let her borrow it. Evelyn called & would like to go to Vernal, Idaho this weekend as Bruce & Ray are going to horse races in Pocatello.

Wednesday Sept 30-1998 Lovely weather. Edward worked another 2½ hrs. putting insulation along the side of mobile home by the pipes. He said it would take 15 min. I helped him put tools away & boards & etc. under house. I dug the squash & tomatoes out of garden & cut them in small pieces & we put them in garbage sacks. I left the carrots in the ground. I finished cleaning the windows. Vacuumed and dusted furniture. Did laundry all day. Edward & I took a nap. I visited Bev and Lloyd awhile. Ted was there so visited him. He is on a veterans pension. Evelyn called and all ok there. She was tending the baby. Glen helping haul hay and Brook at work. Evelyn will come down Saturday morning and we will leave for Idaho. Luella Bergen called. They came to see us Sunday but we were at Bevs. I called Elaine Jensen and she has a hernia on her side from falling in the tub when she had the stroke. She is in pain pills. They see the heart surgeon on Monday & maybe they can get a surgery date. She has last 30th & Howard 20th. They are having testing at different times. I told her I'd prepare something but she said they don't have an appetite. I told her about our visit with Dewin & Betty. The guys from our ward are draining & covering air conditions for the people from the ward who needs help. A worthy project.

Thursday Oct. 1-1998 Lovely Fall weather. We trimmed the tree and bushes in front of house. Raked up the trimmings. Edward had to stand on ladder to trim. It is hard for him. I finished cleaning windows & put garden supplies away. I went to C.U. after lunch to put money in savings & get some cash. I visited Howard and

Rcd. letter from V.A.

Elaine Jensen. She is thin + white color. She has multiple problems of health. Heart Valve has a leak, blood in urine and a hernia. They met with heart surgeon on monday. Howard can't rest because she doesn't sleep to good + he is afraid she will fall if he isn't where he can watch her. Their kids will have to help. Doug is moving the barns. I visited Ben + Floyd awhile. Kathryn didn't come to give her a perm.

Janalene called me to ask where we bought our windows. They want to install two front room windows. She also said she is a month or so Pregnant. She had been to see Dr. Nisbet. Baby due in May. Our Bruce called twice to ask how we are. He is off work for 3 days and working on his house + yard. Getting ready for winter. He ask us to come up if we don't go to Idaho.

Oct. 2. 1998 Friday Nice weather. We went to Struck rummage sale. Saw Valerie + Harriet there. Valerie called later + chatted. Marilyn + Scott will be a there house on Sunday for a 3 day visit. We went to V.V. + I put money in savings. We went grocery shopping at Harmons. Talked to Benny Ferguson. Evelyn called + she will be here in morning. Dee washed + dried clothes. Edward has drained the water-anti-freeze in the van to try to stop a leak by putting a can of liquid repair in. Later we went to the Spa + the water was hot but to much Clorine in it. I didn't stay in as it was to strong and stung the eye. Came home and showered to get the Clorine off our skin. Edward received a letter yesterday from the V.A. wanting to get more detail information. Mrs. Virginia East visited awhile. They are leaving for Ariz. in 3 weeks. They said Ray Stevens was over to Marg. Andersons for 4-5 days. He never walked over to say hello. Don't know why.

Mr. East came + showed me how to take the windows out so I can clean them.

Saturday Oct. 3-1998 Rainy cold. Snow on the high mountain peaks. We got ready to go to Idaho after breakfast. Evelyn came. She drove. and we left about 8:30 or so. By the time we got out of town the sky cleared and no rain. Before we left home I called Marilyn Howard to get directions to her house in Rupert, Idaho. We got to her place about 10:30 or so. She has a lovely Pre-fab home 3 bedroom + 2 bathrooms. They have a metal shed + horse corrals on 3 acres of land. She likes her new home + area. We visited her for 3½ hrs. and enjoyed it. We all went to a Burger Bar in Rupert for lunch. Mat was at work - We said goodbye + drove over to Heise. Stopped to visit Smith + Ada Searle. He was in the recliner as he had a knee replacement. We enjoyed our

short visit with them. We drove to the Basin and it was cold there. After a visit with Margaret we pitched in and helped with evening meal. Roast ~~turkey~~ Turkey, Potatoes, gravy, sliced tomatoes, homemade bread + oatmeal + raisin cookies. Margaret has a new pellet stove for heat in frontroom. We were all tired + we went to bed. Evelyn slept in frontroom on a foam pad. Margaret slept in basement + me in her bedroom. Slept good after we got bed warm. Potatoe harvest is on. We bought honey in Rupert.

Sunday Oct. 4-1998 Cold frosty morning. Ground white Edward got up at 4:30 A.M. + had light on. He wouldn't stay in bed until morning. Margaret heard him + saw the light + got up + got fire started in kitchen stove. Then Evelyn got up + I got up and I was mad as he was so inconsiderate at someone home. Next time we should go we will get a motel instead of disturbing people. We ate breakfast early and K+ Carol came to visit awhile. We left about 9:0'Clock or so - stopped to visit Beatrice Robinson - She said he had a heart attack last fall + had a angio plastic at Salt Lake. Her son Ray and two Stokes men are in Dairy business. Want to have a 4,000 cow herd. We then drove up thru Albion + Malta. Stopped at Snowville. We got home at 1:15. Evelyn left for home. I had a bath + a short nap. Cold + stormy. Rain here.

We watched last session of Gen. Conf. I stayed up late evening to watch the movie "A River Runs through It". Like Mom + the pets since Edward got surgery up at 4:30 A.M. He wasn't apologetic, just said "I didn't know I was so popular".

52/33 Mon. Oct 5, 1998 Frost. Ground white Cold frosty morning. Flowers + tomatoes froze. I removed the flowers that froze. Washed + dried a batch of clothes. We went to Ogden Clinic + Edward had a balance test. He has to keep his head upright for a couple days. Rebecca is in recliner. I wrote a card to Angelo. I talked to Elaine Gerber. She doesn't feel good. Has yearly heart doctor today. Called Nafe and Jarred just got home from 2 weeks stay in hospital from colon surgery. Evelyn called. She bought her curtains + tended baby last night. Mrs. Folks + girls got home from Bradville last night. A turkey got seriously hurt + the house destroyed. Marlene has 6" snow at her house in Wardship. Ferguson visited on crutches. Tues. Oct 6-1998 Not as cold. Slow warming trend. Edward has to sleep in recliner for two nights because of the balance test. We went to Lowes + Edwards and bought a butane stove for his studio. It wasn't what he wanted. He returned it and bought an electric heater. Don't know if it will work or not for him. The studio is to cold in winter. I rode to Hill Field with Bro. + Kathryn to get Bea's medicine. We stopped at McKenzie and to grocery shop at Harmons. We were gone about 4 hrs. I cut the

flowers down in garden. Edward + I attended temple session with the ward. about 44 present. Came home and ate + read paper. I talked to Elaine Jensen + they set the doctor on Friday to schedule a surgery date for hernia. I sent Brenda a birthday card + money. I sent a card to Virgille.

Wednesday Oct. 7, 1998 Brenda's 38th birthday. Mornings are cold but warms during the day. Evelyn called. She had Ben to help Clay clean the house. Brooke at work. Clay tending baby. They are deep in debt + no way to get out. Evelyn told them to declare bankruptcy. They have big truck + car payments - rent + insurance + living expense. I suggested she talk to Kathryn, + to talk to Human Resources. Brooke can get on the Wic program. We are concerned for them but can't help with the huge debt. Edward + I went to Brite Boots at Wangsgards to have copies of V.A. information. We are writing them a letter. We walked aways after supper. I gave Healeys each a piece of choc. cake. Howard Healey came with his air compressor and blew our sprinkler lines. We used to put the elec tape on water line. I called Evelyn but got the impression she couldn't say much so I said I'd talk to her tomorrow.

Thursday Oct 8, 1998 Beautiful fall weather. Up early. Washed + dried clothes. Ironed + sorted clothes in closet. Spaded the ground where flowers are. 10/45

Mr. Healey said he would till the garden spot. Edward wrote the V.A. and sent more paper work to them. I went to the office + Mrs. Mitchell got me a copy of a letter we needed. I made veg. soup today. Gave some to Healeys, Mrs. Brinkerhoff, and took a bowl full to Bev + Lloyd. I rolled Bev's hair. Lloyd showed me his bank statement. He makes about $1850 or so a month + Bev. gets $ + S.S. They make about $200 a month more than us. Edward is working at putting electric tape on water pipe. He finished it. Hope it is on right as we would have broken water pipes. Evelyn called and Clay + baby there as Brooke at work. Evelyn called to get Kathryns phone number.

Friday Oct. 9-1998 Beautiful fall day. After breakfast + some housework we took Bev and Lloyd to Cache Valley to visit. We ate at Arbys + went to Willis, to visit Lloyds 3 nephews who have a car dealership. They have only been there 7 mo. they are Dorthys two sons and Marybois son. They seemed pleased to see Bev + Lloyd. We stopped to see Bernice Frandsen Dockins + Nota's all but they weren't home. We drove to Richmond Cemetary to mom + Dads graves. On to High Creek + visited the young women who own our old place. They have remodeled it. We went to Coves + visited Boyd + Carol Larsen. He always says he is going to stop farming but doesn't. He has bad knees + back. We also

visited Kine Karen. He has MS and can't walk. He drives around in the old g.m. truck. We enjoyed our visit. Wanted to stop at Doug + Barbara Kendricks but didn't have time. We drove up to Franklin + they spent a few dollars gambling. We got home about 6:15. We did stop at Chicken factory for chicken + ice cream cone. On way back from Franklin we visited Bruce + Brenda. They were doing yard work. Cleaned out the pumpkin vines. We took the a/c to them but he didn't want it. So we brought it back along with an electric heater. Bruce has to work Sat. at Anderson. They invited us for Sunday. A big day but enjoyable. Early morning we went to St. Paul Lutheran Church Rummage sale. Got a few goodies. Visited Valerie + Garnet there. They were out yard selling.

Saturday Oct. 10-1998 Nice weather this A.M. Edward was up early. I've changed bedding + got the laundry done. Edward is putting things under the trailer for winter. He found the siding he tore + he started to duck tape it together. He plans on finishing Monday. He has both motors + chains + etc. under trailer + it is hard for him to get them. It is problems like this I wish we were back in our house. But bigger problems there.

After dinner while Edward slept I took Jessie Bailey with me. We stopped at Ryle Dahle for onion + squash. We left couple sacks of clothes to the D.I. She bought yarn and each of us got a sweat shirt. Evelyn called + she was going to the deer cabin with Marlene + Whit. Maybe other men folk to. She said Brooke + Clay are sick + her mother has the baby. I spaded most of the garden.

Sunday Oct 11-1998 We attended all our church meetings. It was ward conf. Bsp. Stephens + Stake Pres. Ewer spoke in Sac. meeting. After dinner + a rest Edward + I drove to Morgan to visit Burke, Geraldine + kids + I gave her 2 boxes of canning jars. I played hop scotch with Colleen. I gave her a dollar to buy candy. They have a new computer "Gateway". They showed us how it operates. The kids had a cartoon + I got a recipe off the Internet. We enjoyed our visit. Evelyn called at Geraldine's and they had been to the deer cabin + Marlene + Whit got some wood. We stopped + visit at Evelyn awhile. Clay + baby there. Clay is a good father. Changing diaper + feeding Grace. Brooke at the grocery store working. I brought my jacket + hair dryer home. Nice day. Gets dark early. I started to knit slippers.

Monday Oct 12-1998 Grace Riley is 3 months old. Just as we finished breakfast Evelyn came + ate breakfast. She had to take Brooke + baby to her mother in Bench + work at Fox studio. She (Brooke) couldn't get a vehicle started. It is Columbus Day + Evelyn didn't have to work. Edward were under

trailer to put the insulation in place. Slow process. He was under in again this afternoon. He said he needed to finish it tomorrow. He gets so stiff & sore to crawl under. I wish he didn't have to do it. I made a stew & after lunch Evelyn & I went to Walmart. I bought lawn food, duck tape, & bought some diapers, wipes & food for Grace. Clay & Brooke are in debt & may have to take Bankruptcy. I gave Evelyn a pr. of black patent leather shoes that was to big for me. She went home. I mowed the lawn & ran gas out of mower for the season.
Our Bruce called to ask how we are. He had to work at the cheese factory. He said he has their place ready for twenty-nine. All ok at his place. He had called Jandene & she told him we had been there Sunday - talked to Mike Ryan at Walmart

Tuesday Oct. 13 - 1998 Warm fall day. Edward 72°/46° has been under the house to repair a heat duck pipe. We went to Herricks for a expansion bond. Exchanged the heat tape at Walmart. Stopped at Home Depot. Tried to help him with the heat pipe but he has to put screws & wire on it first. I vacuumed the vehicles while he had a nap. I helped Jane Brinkerhoff dig up hollyhock plants. LaDean Bingham called me & had a nice chat. She & Bill went to Windsor one day & she won $60.00 above what she spent. She ordered a rose color headstone & the mortuary installed a grey one & her grandson-in-law is a lawyer &

he sent a letter to replace it or refund the money. It hasn't been settled yet. Edward & I worked under trailer to repair the heating pipe. We went out from under it several times. Dark on knees & arms & neck. He also bought some more pipes. I hope we have it more winterized than when we bought it. Later we showered & dressed. Went to Fred Meyers for milk & bread. Brought an Arbys sandwich for Edward & each of us a Turnover. Edward said Clay called to thank us for baby supplies. We appreciate him calling. I went to sleep on the couch. Then awoke when we went to bed & took me a long time to fall asleep. Warm night.

Wednesday Oct. 14, 1998 Beautiful fall weather.
Clear sky. I slept late. After breakfast & shower prog & washed & dried clothes. Edward is in studio 64°/39° sorting & storing heaters & etc. under house. He also built a wood closure for his studio to keep heat in and cold out. We had our flue shots at the Club house. Evelyn called. She said Bruce talked to Clay about his finance problems. Don't know what the results will be. I told her we appreciated Clay calling to thank us for the baby supplies. Bev. went with me to Wangegards & the grocery shopped. We drove to Mrs. Ogden to look at the new acres grocery store. We stopped at Harmons to visit a bit. Said hello to Bruce Griffen & Benny Bergeson - Edward & I visited Bev. & Lloyd awhile.
Rain & snow predicted for this weekend - Yuck!

medicine. Life is a challenge to stay well. Brooke & baby stayed with her family in Hanford while she rests her back. Evelyn was tired as it was court day. Snow on mountain tops.

Saturday Oct. 31-1998 Halloween Partly cloudy but nice. 54°/36° Edward & I went to Sioux Points early to E.V. Bev. checks aren't deposited. We got his prescription filled at drugstore. When we got home Evelyn was here. She & I went shopping for Christmas in town and Smith & Edwards. She bought little propane heater to keep the hands warm at the horse races. I talked to Janalee & Marlene to invite them to thanksgiving dinner. Connie wasn't home when I called. Will call later. Our Bruce called & he has the flue. Edward & I went to Sioux Points again to get copies of information he needed. No one came for trick or treat.

Sunday Nov. 1-1998 Overcast day. I woke up light headed again. Stayed down all day. We didn't go to church. Edward has had a long nap. Called Bev. They had 20 kids for Halloween. She said Kevin Taylor & Pat Bice visited them. (N.B. bishop) & the sacrament is being brought to them. I'm glad they have contact with the church. (L.D.S.)

We called Bruce. He is feeling better and worked at Andersons. Edward & I went to Valerie & Jacks for dinner at 6:00 o'clock. Steve, Kathy & Terry were there

also. We enjoyed a lovely Sun dinner and visiting. Jack doesn't feel very well. He looked peaked & didn't talk much. We got home at 9:15. I ate well but have a stuffy nose tonight.

Monday Nov. 2-1998 I have a head cold & stuffy nose & light headed. Stayed on the couch all morning. Edward went to Dr. office and had the pace maker checked. He had his B/P. checked & high. In afternoon we went to Dr. teaching office & had his blood pressure checked again & it was down. They said to get it checked in a week. We stopped at C.V. & the checks are deposited. Went to Radio Shack for T.V. connectors & Edward hooked the T.V. & VCR. It works. Evelyn called to ask how we are. They went to Marlene's yesterday. The boys had been to Ocean City & Coalville trick or treating & had lots of goodies. Bev called and she has a pain in her foot that started early this A.M. Garth Wardel called & Sid ordained Jeff a Priest yesterday & he is pleased.

Tuesday Nov 3-1998 Voting Nice weather. I feel a little better today. Changed bedding and got it washed & dried. Made checks to pay rent & utilities & Tithing. Edward & I went to Ryan School to vote. I voted straight Democrat. We went to Kings & I bought Christmas paper & a towel set. We stopped at Harmons for soda pop. Evelyn called to ask if we would like to go to St. George with them next week as she has meetings next Tuesday. I don't think we will go.

I made a hair appointment with Becky Knight next week. She said Jay is done off his mission and he will report next Sunday & invited us to it. She said Ty Reese will be home in 2 1/2 weeks. Valerie called and we talked a long time. I got very sick last night. Chills & fever.

48° 28° Wednesday Nov. 4-1998. I feel better today. The fever broke last night & I slept better. Hope I'm on the mend. I've sorted and wrapped Christmas gifts in tissue paper. Will put outside Christmas paper on later. I felt good enough to cook dinner today. Edward has worked in studio today. Howard Dealey came to visit and to check on us as he hadn't seen us outside. It was cold last night and white frost early this A.M. Edward & I changed some furniture in front room to make more room to use the table when we have a group of people to eat. Phyllis Langston - neighbor visited us awhile. She had put reflectors along the sidewalk. Evelyn called & she had to be at court house for the voting and had to be there early A.M. One of the ladies in her office lost her election. Evelyn got in safe. She was tending the baby as Clay went to see his friend who has a broken foot. She said Blake is trying to stop smoking and she is encouraging him. He has put in for a different job. Hope he can get it for his

Nov. 5, 1998 Thursday. Weather is mild & getting ready for snow storm predicated Fri. & Sat. I worked in house & Edward in the studio. The router line connection broke under house today. Howard Healey & Edward got it repaired. We are going to check it a few days before Edward makes the line stable. We surely have had water problems. Edward has been in studio awhile. Bev went with me to No. Ogden to Kings & we bought Christmas gifts and paper. We stopped at the drug & grocery stores for a few items. Bought bread at outlet store. I dug some carrots for stew tomorrow. Bev had been shopping with Ken at Kmarts. I wrapped a few Christmas presents.

Nov. 6-1998 Friday: Light snow fall early A.M. Melted by late afternoon. I've felt light headed all day - no appetite. Made a pot of Beef-Veg. Soup. Wrapped Christmas gifts in afternoon. Made an appointment for physical on 16th Nov. Insurance will pay for eye exam in January. Edward in studio for awhile. Evelyn called early & they have snow but roads are clear. I called Wanda Jones & she isn't feeling very well. She is taking therapy. She wants to go to Yuma but they can't for awhile. Health problems. I called Elaine Jensen & she said she is feeling better each day as far as the surgery for adhesion problems. Still has to have heart surgery.

Nov. 7, 1998 Saturday. I slept until 7:45. Not so light headed today but still little wozzy. Evelyn & Dallas came and stayed until afternoon. They ate lunch with us. Evelyn had a headache and laid down awhile. She & Edward went to a yard sale - nothing. Velma Naef called to tell me Alberta Barton died this morning. Funeral at Meyers on Monday. Snow is predicted. It is cloudy & cool wind blowing. Leaves blowing around. Edward & I went to 15th Ward Thanksgiving dinner. So fun to visit our former ward members and friends. The dinner was nice. I asked Bren Griffin the protocal about coming back to the ward & he said it is a process of the Stake Pres. of the Stake has to give the reasons & fill out a form to send to Headquarters & they have to approve it. a red tape deal. That is if you live in one ward & go to another ward. I talked to Wellings & told him to keep his lists open in case a house comes up in the ward we might could buy. When we got home a package was on our porch. A little singing Christmas tree. I called a Bro & Thom was there. He brought us the gift & I thanked him. He had called me today. He also gave one to Wanda Jones & I called her.

11/8.1998 Sunday Rain during the night. Mostly cloudy + quite cold. We attended all our meetings. Evelyn called early. Edward called R. Wells in Idaho. He is back teaching school after a heart attack caused by a bacteria. After church we drove to Evelyns. She was asleep + I went to Clays as he was home tending the baby as Brooke at work. I washed + dried lots of dishes while he fed the baby. Evelyn + Edward came + Evelyn dressed the baby while Clay + Brooke cleaned up as they were meeting her dad in Riverdale as he was treating them to dinner. Evelyn + Bruce was going to meet Marlene at Cozy cafe to get the car keys that Marlene took home with her. Edward + I stopped to visit Madelyn + Darrell. He is feeling a little better. He has a battery operated cart to travel in to ride instead of walking.

Later Bev called and we had a long visit. I'll try and see her tomorrow. I called Lylia Bright. She wasn't home + I left a message + she returned the call. She is doing fine. Staying busy. She didn't have a picture of John Knight and Eleanor Burkett. I called Betty + Vernin Ingill. He has a doctors appointment this week for a physical and to determine what kind of treatment for the cancer. Betty is taking breathing treatments 3 times a week. She said it is hard + wears her out.

Troy Dale - her grandson is living with them now. He has a job at Smiths grocery store in meat dept. They seem to be adjusting.

She said Rita made a payment on the care center she is moving the 1st Dec. Don't know what she will do with her house. There was snow on the ground in Morgan. Edward + I stayed in house to stay warm + read while we came from Morgan.

Monday Nov 9-1998 Weather has turned cold. N.W. wind blew. I was light headed awhile today. 36/25 Edward put more insulation on pipes + suggested some of the pipes under the trailer. I called some members of our D.U.P. camp to tell them about giving some money to D.U.P. as a memorial to Alberta Barton - former member who died Thursday. I went to Myers mortuary to Alberta's funeral service. Very nice service. Only a few old work members there. I took my little vacuum to the shop + the man adjusted the spring connection + it works. Edward + I went to Ogden to Albertsons + Wangsgards grocery store for a few items. Albertsons are so high on price.

Jean Hruffe called + we had a long chat. She is a choice friend as well as Bruce. I do miss them. She said she misses me in the ward, + hopes we can move back. Edward put a light bulb in studio to keep his paints from freezing. I've knitted on slippers + watched t.v. Cold night.

Tuesday Nov. 24, 1998 Edward didn't hear a
strong wind blowing + I rose up at 4:30 checking
to see if the house + carport was intact.
I stayed up + the wind made me nervous.
It died down about 9:00 clock. It caused
damage + power outages in the state. Edward has
started to re-arrange his studio + the carport
is cluttered. The studio is to small for all of
his art supplies + etc. He was going to take some
big pieces to the D.I. but to late tonight. I
took Bev to the grocery store at Five Points.
I asked her why Lloyd + Ted didn't take her
but maybe she didn't ask them. I visited
+ Gladys Taylor + husband at the store.
Came home + trimmed Lloyds hair. A man came
+ measured the roof + gave them a bid
for a new roof. I made pie dough + baked one
