Converted Artery check OK

36/21

January 1, 2003 Wednesday, A.  
 A skiff of fresh snow fell during night - on top of the 4" that fell yesterday. It is melting slowly as the temperature is rising. We went to bed before midnight. The first day of a new year. Evelyn called. She is still tending Marian. Bruce and Jen Kunitz got home yet.

Bruce, Brenda + Nate came about 1:30. Surprise as Evelyn came. She wasn't planning to. We enjoyed a chicken - rib dinner. We visited awhile. Evelyn done the dishes. She left to go to hospital to visit Kathleen. Bruce + family left 1/2 hr. later. Bruce should snow from sidewalk. Edward cleared snow off the cement where carport is. He is in studio now. 4:15 p.m.

35  
30

January 2-03. Thursday.

Weather moderated enough to melt snow. After breakfast and house chores I got a batch of laundry done. I made checks out to tutoring rent & insurance of mobile home. I went to Credit Union & we have a \$27.00 month increase on our checks. Talked to Howard James & Bonnie Harrison there. Claire not feeling well. Returned Edward's book to library. Filled car gas tank. Bought more small plastic boxes & put tapes & ribbon in them. Bought a Christmas table cloth, runner & cards.

Edward & I went to Faye m. Preece viewing. Closed casket. Faye had liver cancer. Talked to the kids and Bob & Kathy Preece. Gave them a planter & card. Explained why we would it be to funeral. At 10:02 a small earthquake rumbled & shook our house. Center was in Nanteville beneath the dam.

48  
January 3-03 Friday. Mild clear day. Evelyn called as she was

concerned about us driving to V.A. Hospital in S.A.C. We left here at 9:20 & got there at 10:30. We went thru Beautiful & Beck St. on 3rd West to 4th St. Edward had hearing aid programmed and using the remote helps him control the sound. Was there 50 min. Came home thru Pagon split & So. route ate lunch in So. Ogden & home. Trip was ok. He is in studio painting. I got a batch of laundry done. Jessie really excited & she and I ate a banana split. Evelyn called to ask about our trip to S.R. She and I plan on going to Madeline tomorrow. Bruce called. He worked 10 hrs. today. He got his book contract & 12% of sales. He will at Ogden mall for book signing tomorrow.

43  
30

January 4-03 Saturday

After breakfast & house chores I left here at 9:10 and went to Evelyn. She, Tracy & I went to Madeline's to visit. First we stopped at Madeline as Evelyn ordered some Avon products. All ok. Madeline has a comfortable home. She

3  
Had made homemade beef, veg. soup.  
Homemade crescent rolls & chicken salad  
sandwiches. She had Grandma Judd  
there for delicious dinner and we enjoyed  
a nice visit. Later she made a fire  
in the small stove & it was cozy.  
Whitney came home just after we got there  
for three days. Marlene made brownies  
and they were yummy. Trace bawled all  
the way home because we put his sled in  
the car trunk. As soon as we got to  
Evelyn's he shut up in a flash. He got on  
my nerves with his crying act. Spoiled.

I went to Macey's store where Bruce had a book  
signing. In the last 1/2 hr. there he sold 4  
books. He stopped by here a few minutes. We  
went to Sid & Belle Willes 60<sup>th</sup> anniversary social at  
the Church house. Sat by Phyllis Rasmussen.  
Donna Wilman saw a man breaking in her shed and  
called police & they caught the man. He had a  
pickup loaded with stolen property. Happened at  
3:30 A.M. Tuesday morning. No safe place to  
live anymore if a thief wants to steal. (Guzz won.)

91-96

Alan Christensen came and re-programmed our  
T.V. again. Edward gave him a horse picture.

45°  
32°  
January 5, 03 Sunday. Cooler A.M.  
I have a head sinus stuffiness &  
a cold sore. We didn't go to church.  
Relaxed all day. Edward & I have  
been cold & wrapped up in "throwies".  
We stayed home all day and evening.  
We read, watched TV and dozed.  
Windy tonight. Strong winds in Southern  
Utah.

46°  
37°  
January 6, 03 Monday. A clear  
day. Warm in P.M. About 11:00 clock A.M.  
I took the car to Borgyear to <sup>HAVE</sup> have the  
tires checked again. They couldn't find  
a reason for it to lose air. I was there  
1 1/2 hrs. They were busy. They said to  
bring the car in 3 days and they would <sup>35<sup>th</sup></sup> air  
check it. I ate a fish sandwich & Arctic Circle.  
Bought two frying pans and towels at Shopko.  
Shopped for health supplies at Rite Aid Drug.  
Bought laundry supplies at Harmon's. It was  
4:15 when I got home. I had called Edward

3  
from Stephen. Evelyn called in A.M. They visited Kathleen last night at home. She is alone now but can care for herself. Edward went to Fred Cunningham to watch jazz game. They lost.

44  
36  
January 7, 03 Tuesday Clear day. Not to cold. We slept in. After breakfast and housework I sorted more drawers. Put items in boxes. After lunch I took my ring to Aaron to have it re-welded. On my way home I filled gas tank. Bought a throw to put on car seat at D.I. need to wash it. Evelyn called. She took trace to baby sitter. He likes to stay with Evelyn. They went to Mickell viewing last night. Big crowd. Funeral today. Blake & Jen going. He was a friend of Blake. Bruce called. He talked to Connie. She had job training today & sick with a bad cold. Nate swims on Thurs. in Roy. Bruce car had a repair job & costing over \$400.00.

44  
33  
January 8, 03 Wednesday Foggy morning. Resignated before noon. Big car & truck pileup on freeway by D.S.C. Slick roads also. I washed our bedding. Edward helped me make bed tonight. I made veg. beef soup. Gave a bird

to Healey & Fred Cunningham. I went to R.S. meeting. Helped on quilts. (Helped pin). We had a good lesson and video demonstration about blending and Sabbath day activity. Valerie & I chatted awhile. She is feeling better. Carol is having a party on 1<sup>st</sup> Feb. to see her house. sent a \$95.04 gas (house) check to Quasar. \$25 to \$30.07 increase from last month.

44  
21  
January 9, 03 Thursday Not as foggy but colder morning. I drove Phyllis Rasmussen, Rachel Mann & me to Ward temple service. Later we ate lunch in cafeteria. We enjoyed being there. Several from our ward there. talked to Denise <sup>Rankle</sup> & Debbie (aka). talked to Sylvia <sup>Wright</sup> & Marian Hope. Came home & visited with Shela & Phyllis. Evelyn called earlier. Marlene typed Clays resume to apply for a different job. Marlene applying for a clinic job in Coalville and Park City. Cloudy afternoon. Drive past our odd house. Dale signs out front. Jennie are

Having new front windows installed.  
Bruce & Brenda stopped by about 10 minutes  
about 4 o'clock or so. Nate was in a swim  
meet in Bay & he was 1st. They had stopped  
to see Connie & she has bronchitis & had been  
to the doctor. She still in training at McKay  
Hospital. Cloudy tonight.

31/30 January 10-03 Friday. Skiff of snow  
fell during the night. Overcast today.  
We moved the couch and my table of legs  
had fell on floor & melted on rug (orange-red).  
Edward used a solvent & we worked it out by  
using it & clean cloths. I called Norma Raef to ask  
about the man who called me last night about my  
carpet problem. He said her car is & she gave  
him our phone number. He will be here Saturday A.M.  
Joan Maher called to get address to send information  
about Wana Reunion next July. We had a long chat.  
After lunch I went to D.I. & bought a tall  
table lamp and a floor lamp. Both brass. (\$11.00)  
Went to Woodys and had tire checked. It is ok.  
Evelyn called and we had a nice chat. She was  
tired and glad to be going home.

Edward went to Fred Cunningham  
to watch jazz game. They won. Foggy -  
31/24 January 11-03 Saturday. Not as cold  
A.M. Overcast. Evelyn came and we went  
to Home Depot. Returned a tub support for shower  
bar. She bought it for our Christmas gift. I bought  
a padded toilet seat. Mary stopped at Stage & Shop  
while she went to Office Max. We ate lunch.  
She rested & left to get Maddox to go to Computer  
Class. (2 o'clock). Bruce called. They have 5" if snow  
like Morgan. He was cleaning out the little rental  
house for Judy. Renters shipped out & left a mess.  
Got Reunion jacket from Joan. Sounds fun. We  
received a welcome letter, obituary  
notice from Betty Orgill. The lawyers &  
C.A. are dividing <sup>with</sup> the legal affairs of Rue.  
Edward hasn't felt to go. He hurts. He  
said "he takes pills to stay alive so  
he can hurt & suffer longer".

42/32 January 12-03 Sunday. Partly cloudy  
in afternoon. I was up early and  
attended all black meetings. Edward  
attended Sacramento meeting. a brother

and Sister returned missionaries were the  
speakers. Interesting talks. We ate. Rested.  
We went to Beth & Murdo Walker to visit  
and get "my story". Rosemary, Elizabeth &  
her 3yr old little girl came to visit. We  
enjoyed our visit. Beth has back & better  
pain. We got home about 5:00'clock. Weather  
mild & roads clear. Edward watched gazz lose  
their game tonight on T.V. I watched By 4 television.  
A news program in Alaska.

52/31  
January 13 03 Monday  
Mild - High clouds P.M. We slept late.  
Had breakfast, housework, laundry. Edward  
installed new padded toilet seat in small bathroom.  
He is in studies. He hurts and can't hardly move.  
A concern. I called "Selective" and it is natural. Healing  
spiritual, physical & mental. Edward is aging  
& body parts are wearing. Heck to get old. Evelyn called  
and she said Kathleen came up. He is feeling better &  
having the surgery tomorrow. Blake not feeling well yet.  
She hadn't seen or heard from Marlene. After lunch  
I went to 5 Santa. Jeffy Rubes served Olds. 526.61.  
Broery stopped at Wangeyards.

52/31  
January 14 03 Tuesday  
Mild - High Clouds. Rang Becky Knight  
several times. No answer. I used a hair cut. Edna  
Haf called & we chatted awhile. Read in paper  
that Jerry Younger was shot. 17yr old. I  
called Kathryn and she had killed herself (a gun).  
I expressed my sympathy to them. Told her I  
would try and see her at the viewing tomorrow.  
I wrote to Bawn and sent clipping of page piece.  
Went to 5<sup>th</sup> St. & got a hair cut? Nothing like  
Becky Knight's hair cut. We mostly used electric  
trimmer. I called Becky's phone number for  
2 hrs. no answer. Maybe she was gone or retired.  
I always was satisfied with her services. Stopped  
at Wangeyards & I talked to Glenn Krall there.  
Stopped at Dollar Store. Evelyn called. She had  
a busy work day. Blake visited her and said  
Katelyn is so aggressive for a 2yr old. She had him  
for awhile & went out to see the house. He has a lot  
of pent up energy. I called Kathryn M. Young as Harvey's  
sister. 17yr old son killed himself. (speculate that).  
Edward went to bed early. I saw the news  
then went to bed.

January 15-03 Wednesday. Little rain shower  
in the night. Bright clear day. Breezy. cooler.  
Housework. Cooking. Washed & tried to cut hair. a mess. Bob.  
I went to Anne Jewell and got my wedding rings that were  
repaired. (Barry) Evelyn called. madeline's granddaughter has  
a baby boy. The other granddaughter is <sup>really gone</sup> expecting. Betty & Dennis  
Drill called us. They wanted to know how we are.  
They talked about Rena, the legal proceedings, funeral & etc.  
I told them I had just talked to Jeanne. Elaine does  
have a colonoscopy for stomach pain. they just bought  
a wheelchair to have on hand. She also fell off a chair  
she had been standing on. they are having problem. I  
went to Leavitt mortuary to viewing of Harry Younger  
sister's son who killed himself over a girl. He  
was 17 yr old. Dad. Hard for the family to go thru  
again. remembering Jerome's death. I visited  
Haley & gave her "my story". Barry & boys. Ted &  
family children & Margery Jackson. She is the grandmother  
a big group of people. Edward & Fred Cunningham  
watched the jazz over the game.

January 16-03 Thursday. Little colder morning.  
I slept later than usual. Edward has been  
in studio through out the day saw the

he doesn't feel good. After lunch I went  
to town. Shop's. Stop & Shop. Wang's garden & Harmonia.  
Bought a few items. Evelyn called & chatted  
awhile. She is watching trace until Chaggett  
home from work. I suggested to Edward to go  
to St George to visit Argella while the weather  
is clear. The answer - Mr Bruce called  
they had been to a swim meet. Nate was  
2nd. Bruce, Brenta, Nate and Jason are going  
to Indiana the last few days of February.  
they had enough money to fly from the money  
the airlines gave them when she & Nate  
was stranded coming home for Indiana.  
Edward watched jazz over & I went to bed early.

42°  
23° January 17-03 Friday. Forgot to add Bruce was  
denied to use the calling of General authorities  
by Church officials. He was disappointed. If he  
wrote about the subject he might be in bed  
standing by the Church. The weather is clear  
and not cold. Got laundry & house chores done.  
Valerie called & said Marilyn was flying in  
to the baptism & open house at church on 1st Feb.  
Valerie is curative about the house.

We went to Chuck's home to eat with the group of neighbors (7 couples) nice to visit. we left to go to myers mortuary to pay our respects to Will & Ellen Rogers family as his brother's. Ellen died. Did not see me but visited his sister. Tyler Simpson was there. He shook hands & visited me. He bought our house & wants to sell it. I long to go back.

I watched the program & Edward watched basketball game.

January 18, 03 Saturday. Cold morning but moderating.

Sunshine & clear sky. But housework done.

44/23

Evelyn called & I met her at Gene's library. We first looked at the copy of yesterday's story of living in Palmdale, Blake on the homestead land.

Evelyn went to race to get trace but he wasn't there. Blake won by default. She visited outside & left at 3:45. He said marble has a kidney stone. She had a bag. What's coming in.

Clay may change jobs (welding). Bruce called and invited us to dinner tomorrow (2:00 clock).

A lady from Iowa called for Ben. He wants their insurance card to go to a doctor to check his foot.

4"6" snow there & he is on a bike with a cart on his foot. Brenda talked to mission bus wife & they

48/24

May check on Ben's foot problem.

Jan 19, 03 Sunday 21° F. m.

Warmer today. Sunshine. We went to Sacramento meeting. A return missionary -

(Vienna, Austria) & 4th Councilman were speakers.

Interesting. Came home & rested. We left at 1:00 clock

and went to Bruce & Brenda for dinner. She served

crab pot - meat, baked potato, veg & rolls & rolls.

Tasted very good. Nate & friends in mood for a

missionary farewell. He got home just as we were

leaving. I called Boyd Aaron. No answer.

Bruce showed us e-mail letter to & from Dennis

Harris (Bruce friend & co-worker) on the book

writings. Dennis didn't approve of Bruce writing

to church edgts for permission to write about

calling on Ben. authorities & he was denied.

Dennis said he will not give Bruce anymore

help - quater & etc. He said he wasted his time

helping - Bruce was hurt & surprised about

Dennis. Bruce sent him a grace offering

& hoped the friendship would continue.

No answer yet from Dennis Harris.

51  
I called Barbara Hendricks and she said Boyd has two more chemo treatments & doing well. She said Helen Larsen wife of yours has cancer thru her organs. She had surgery in S.A. & still in hospital, Dad. We stopped at rest home in Regen to visit Helen for 15 minutes or so. He doesn't know what the next move will be for yours or him. He has m.s. in advanced stage. Dad.

We got home at 6:00 clock & called Bruce we were home.  
January 20-03 Monday - Holiday Martin R. King Day - Federal holiday. I went uptown. Filled gas tank of car went to K.I. got few dishes & etc. Stopped at Fred Meyer to look. Home at 1:00 & warmed dinner. Evelyn & Bruce came. Bruce attached the grab bar on wall of tub enclosure for safety in main bathroom. They had been to the movies and he bought shoes at Smith & Edwards. They left to shop before going home. Play called to ask if his folks were here. I visited Martin & Bill Kneghton. He is taking medicine for kidney infections plus he is diabetic & she has hyperthyroidism and on medicine. Neither one feeling good but getting better.

I took her knitted slippers and gave them two big apples. They gave me zucchini bread. Edward intimidates me a lot because I won't take all the pills he sets out. I take Vitamin & Calcium. He says I'll get cancer & I'll die - and all the religious mormons would like longer if they took all the pills he takes. He reads the papers the doctors write - <sup>made order</sup> ~~made order~~ He always says it cost money to go out to eat & can eat cheaper at home and we went out ~~last~~ Friday - 1st time for 3 mo. cost \$2.55. He speaks the recreation of going out as it always has a price tag. He didn't mind we spent \$307.00 on his birthday party in Aug. Bright Blood is showing. He watched jazz min.

1/20  
January 21-03 Tuesday mild weather - clear. I took Jessie Healey to T.H.C. to have blood drawn. We went to Rite-Aid drugstore for medicine & etc. We were gone 1:15 hr. We left Howard alone. I got the housework done making vegetable beef soups. Drove soup to Healey. I shredded bank statement

of year 2002. Kept check duplicated.  
Evelyn called. Marlene feeling better. Said Renee  
Judd sold her 12 acre property. Over \$200,000. What felt  
sad it was sold. His parents are going to build a  
big home near Coalville by the ~~river~~  
reservoir.

51/35 January 22, 03 Wednesday Mild - few clouds.  
After meal & housework I put pictures in  
albums plus other items in books & charts.  
Edward has been reading <sup>new</sup> books. We went to  
Dr. Mauchner - P.O. 159/90 148/84  
Need to stay on oxygen - He said for quality of life  
he thought hip surgery not too risky. I disagree.  
We stopped at Wise Copy for a picture copy. \$3.4.  
Bought milk & bandaids at store. Got home at 2:30  
Evelyn called & I called her to tell her what we  
found out at the doctor. She said Marlene had to  
work today. Read in paper that Don <sup>HAWSEY</sup> ~~was~~ involved in  
a house fire in Ogden. He was a school mate from  
Richmond, Utah. Talked to Phyllis Racine. He said  
Jim Berdus went to hospital yesterday. He is  
dying of cancer. I tried to call Colleen Herold for 2  
days - No answer. I'm sending her two pictures  
2033 last.

-09 Rain

January 23, 03 Thursday. Mild  
52/34 410° when we got up this morning.  
Rained a little during the night.  
Washed - dried & folded clothes. Called  
Mr. John Rowl office and Edward has  
a 2:00 clock app. today. Received letter  
and invite card to Carol Ann home and  
Septim of Auburn on Feb. 1. We went  
to Dr. Lowe - his P.D. checked Edward. He said  
avoid medicine (his mail order pills) with  
iron. He is taking too much & causing constipation.  
Went to Wanggard's and got a prescription.  
(Muralax Powder) treats constipation.  
We talked to Lyman Anderson there. He is  
93 yrs old in Aug. 13. Still drives. He is in  
a rest home on 9th St. I bought groceries.  
Had supper - DeLaford.

13/34 January 24, 03 Friday Mild. Light shower  
Housework done & laundry - I made app.  
at Stacy's school & had a perm. Two young  
ladies & supervisor had to re-roll the  
sides in smaller rods - my hair to start. <sup>(8 1/2 ft)</sup> Perm.  
was there 2 1/2 hrs. Looks ok now. Evelyn

called & we chatted awhile. He said Bruce called her last night. Jazz last game by 1 point. We went to bed late.

45/34  
January 25, 03. Saturday. Overcast. Light rainy mist at times. My legs ached in the night & after turning and tossing I slept in spare bed. Awake a lot. I slept in to 8:45. Evelyn called & I met her at Family History Center. We looked at films for McKay & Milner families. Was there until 2 o'clock. We stopped at S. T. Came home and ate late lunch.

Edward has been in studio. Bruce called to ask how we were. Ben is using a machine on his foot to stimulate circulation. After a nap Evelyn left to go grocery shopping and home. She called to let us know she was home. Blake lost the chess race and the men were upset. They don't like to lose. Marlene wants to go to school and get her degree at S. R. Community college. Jazz last

51/5  
January 26, 03 Sunday Warm, mild day. Weatherman said a change is coming. Hopefully rain & snow. We attended Sacrament meeting.

34  
Harry & Barry Bittens gave good talks - Enjoyable. They had family to sing & play piano. They are talented. Barry is from Smithfield. They came activated in church again since moving here by Verda & Norm Wedsworth & neighbors. We had lunch. Arlene & Don Pennington visited. R.S. They were here 1/2 hr. I gave her a jar of mustard pickles. Sue Stanger called to ask how we are. He & Edward grew up as neighbors. We watched to movies on T. V. evening.

Rain shower  
52/37  
January 27, 03 Monday Overcast. Mild. Talked to my friend & Selva P. Hansen. She has m. issue. (Car problem). She said her spring <sup>flower</sup> bulbs are coming up and fuzzy willow budding on some of her bushes. To warm for now. I grocery shopped at Stop & Shop. Went to Dollar Store. Rain showers. Evelyn called & chatted awhile. All ok there. Sorted pictures and put in albums. More to do. Bruce called to ask how we are. He sent his publisher a summary of his new book "The Bad the Better". They

Have to approve it first. He said  
Denise sent him E-mail and they are  
corresponding and amicable. Glad they  
are keeping in contact & mellow with  
each other. Nate has swim competition  
tomorrow. Rain tonight.

46°  
37°  
20°

January 28, 03 Tuesday. Sky is clearing.  
Not cold. Fresh snow on mountains.  
Evelyn called early. Bruce getting over  
a cold and Clay has one. She & Marlene  
may go to Carole on Saturday.

I sorted pictures and papers and put  
them in order. More to do Edward  
and I went home teaching to Margaret  
& Pat Wingate and Sid & Belle Willis.  
Edward has been in the house all day. He  
says his legs are so weak. a worry.  
We hunted for his hearing aid. 1/2 hr.  
tipped couch over & removed staples to  
move cloth to search. Found it in  
a basket with lotion. Hurrah.

January 29 - 03: <sup>Wednesday</sup> Weather. <sup>birthday</sup>  
Sun shine. mild. I called Mr.

Dr. Puffin Blum - made app. for Edward  
tomorrow. The doctor has to refer Edward  
to Mr. Meyer.

Called W. F. Rite Ins. office. We want to  
have the dividend pay the premium.  
Mr. Richey will get a print out and  
may send an agent here for us to talk to.  
Evelyn called. She plans on going  
to Carole on Saturday. It depends on how  
Edward feels & the weather if I go.  
She said Marlene has a chance to  
work in Coalville at the clinic.  
I called Arthur B. Kroll and we had  
a long talk. He got my picture I  
sent. He has debilitating arthritis  
in hands. Mr. Pres. Bush spoke to nation.  
He wants war with Iraq. Edward watched jazz  
win. He has been in studio today for awhile.  
Pat & Bruce called. He had done very  
well at swim meet. Got trophies.  
One more meet - state finale. Don't know  
if he will get to go. He likes to swim.

Edward  
Blood drawn

53/46

January 30, 03 Thursday. Mild. Overcast  
misty. Got laundry & housework done - Edward  
in studio awhile. After lunch we went to N.Y.  
Life Ins. office, met Craig Ritchie. Edward signed  
paper to have dividend pay Premiums = \$104.15 to be  
deposited in bank. We went to Dr. Saffell. He gave  
him sample test for pain. Ed had blood drawn  
at Reg. Hospital for thyroid & arthritis. We  
talked to Mary Bowen - Diane. Mary having  
oxygen problems. She said needs grass in  
Yuma & coming back in March & may call her  
home & get nursing home. (Scott problems)  
Light rain shower.

54/46

January 31-03 Friday. Mild. Side spring.  
I made chocolate cookies as brownies.  
to take to Carol if the weather is ok. Valerie  
called to tell me how to get there. She meal  
won't be until 3:30. She talked to Edward  
awhile. He has been in studio today.  
Evelyn called & chatted. She said Marlene  
and Clark is going to Carol. Valerie said  
Marlene has been here since Wednesday. She  
is excited about moving back to Utah. They

Sold their Kerasa home and she is buying  
new carpeting and appliances. I pruned the  
two bushes in front of house. We pruned a  
few branches off mulberry tree. Should prune  
one more limb but Edward said no. We  
put things in bag. Jessie & Howard Stealey  
visited awhile while we were outside. The  
weather is extremely warm. Great fall. Real warm

60/47

Feb. 1-03 Saturday Very warm and  
overcast - windy. I didn't sleep very  
well. The smoke alarm malfunctioned and  
it beeped all night. Edward disconnected it.  
We have one but need another one. After  
breakfast I went to Wangsards for a few  
items and went to C.V. The checks are in  
and I made checks out to pay bills. I did the  
brownies. Marlene called to ask me to go to  
Auburn baptism. I didn't park and wait  
for them as the parking lot was fenced off. I  
followed them (Marlene, Evelyn, Dallow & Trace)  
to Fruit Heights. Gregg Bowman baptized her &  
Curt confirmed her. After a long program we  
went to Carol & Curt's new big home (5200 sq. ft.)

We enjoyed a lonely potluck meal.  
Saw & visited family - Marilyn ~~at~~ home in  
Elk Ridge in 6000 sq. feet. I put gas in  
car and got home ok about dark.

The space shuttle exploded over Texas and  
7 astronauts killed - probably cremated.  
This morning, went to bed at 8:30. Edward  
watched jazz lose. About midnight wind blowing  
& snowing. Oxygen concentrator went off 3 times.  
I had to reset it. Then the smoke & carbon  
mon. monitors kept chirping. Low battery.  
I got up twice & removed batteries. Not  
settled down in bed at 1:30.

<sup>2" snow</sup>  
<sup>33°</sup>  
<sup>32°</sup> Sunday Feb. 2-03 Wind blowing. 3" snow  
on ground - colder day. Electricity keeps  
going on & off. I felt tired & headache & stayed home  
from church. Edward went to Soc. mtg. The  
wind blew and the electricity flickered  
on and off several times. Evelyn called  
twice to ask how we are. I called  
her. Bruce coughing. He isn't well.  
watched t.v. and also read. Went to bed.  
No chirping sounds.

<sup>34°</sup>  
<sup>21°</sup> Monday Feb. 3-03 Cold morning  
warming some. Edward in studio. I  
got homework done. I went to Fred Meyer  
and bought a set of sheets & batteries. But  
money in savings at Am. First C.U. Bought  
sympathy cards. Sending a sympathy card to  
Sherwin & Gloria Koenen. Her father died.  
Evelyn called & Bruce not feeling good. He needs  
to see his heart doctor. Keep coughing. She  
said Janeline told Marlene that Burke isn't  
working. He was 46 yr old yesterday.  
Bruce called. He said he earned \$2900.00 last  
year for his book sales. He said the Jupiter  
Island burned down yesterday. Edward went  
to neighbor (Fred) to watch jazz game.  
They left by 2 points. Overcast tonight & light  
snow shower.

<sup>30°</sup>  
<sup>29°</sup> Tuesday Feb. 4-03 Snowed 2" & flurries  
during the day. Evelyn called and snowing  
in Oregon. Marlene got to work ok. I  
went to Sears & bought a set of sheets. Returning  
the set at Fred Meyer. Got new pack of  
90 batteries. Mr. Saffer's office nurse

called and the blood test last week is normal - kidney - liver, thyroid, Osteum, sugar & Rhum - arthritis.

Plad to know they prove normal.

$\frac{28}{12}$  February 5, 03 Wednesday. 1" snow fell. melting off driveway. Colder day. Edward sent for more self prescribed medicine or something thru the catalogs that come in mail that promise youth & vitality (\$60.00) We have arguments over that. Each new magazine has a testimony to restore health. They pray on elderly & sick. He helped me move the sewing machine from little bedroom to big bathroom. Moved the heavy T.V. stand in front room until I get rid of it. Got small cabinet in family room also the record player. My arm & wrist ache from lifting. Got two batches of laundry done. Edward has been in studio. The lady called & Edward has an appointment to have Grace walker checked next Wednesday. At 2:30 I went to RS. meeting. A quilt was finished. A lady and helper had a demonstration on using

wheat and home storage. The food was served. 7 or 8 different dishes - plus cake, candy and each got a small loaf of fresh wheat bread. all tasty & healthful. Got home at 6:35. It is cold outside. Evelyn called. She was tending there awhile. He was tired. Bruce at a meeting. 12" snow at their place.

February 6, 03 Thursday. Cold morning. Sunny and clear. Warming a little. After breakfast Edward ground flapsed. I sorted a few clothes & put in S.T. bag. Repaired a blouse. Got house chores done. Late P.M. I went to Fred Meyer. Returned sheets and got my refund. Took 3 bags of items to S.T. Booked around there. talked to Virginia Shaw. Howell is still working. Edward in studio awhile (\$90.00 full bill) Bud & Mary called from Arizona. They are fine & enjoying the weather. They have been there three weeks. They gave me a phone #. Our Bruce & Nate called. They are staying in some motel as Nate in Orem. The union meet for him (Nate) in late afternoon.

Lucy called at 7:00 clock. She was watching trace. Marlene on her way to get what at S.L. airport. Very cold in margin.

February 7, 03 Friday cold morning

I let cold water taps drip all night. Washed dried sheets. Jessie called to ask if I would take her to town.

We left at 17:00 clock. Went to No. 400 Library, Hastings and Shopko.

Shopko was having a drawing & she won \$20.00 gift certificate. We ate a hamburger at Arctic Circle. She treated. Lucy called from home - she was eating lunch 17° last night she said and about 5° at noon. Our neighbors was taken by ambulance last night. Belle Mentak. I called Jessie Healy to let her know. Jessie has called the hospital. Can't locate her.

Feb. 8, 03 Saturday Another cold night & morning. I had cold water taps drip all night. Our bus called early for motel in Arden. Berenda's brother Steve was able thru his company get the motel room free. Danced \$75.00 (\$55.00 down) because swim team with Nate staying there.

On one event water team was 2<sup>nd</sup> competition on other events start in afternoon. Lucy called she was tending trace and they won the down as it is to call. Men are chest racing. I called Marlene and she will work 1 day at S.L. Clinic. \$75.75 a hour & work in margin a couple days. She also has 5 years students. We received Carol's house - it is for show. She gave current social but Curt seemed friendly. After lunch I went to K-mart as the store is closing. Big crowd & not big savings.

I soon left there. Bought groceries at Stop & Shop. Benny & Luella Ferguson came & visited about 2 hours so. I gave them Christmas gifts. She gave us a big cup & kitchen towel. Lucy called. She tended Clerk kids & trace. He was tired tonight. The two boys are well. He invited us to dinner but I told her I had a chicken roasting & made jello & etc. for tomorrow. I thanked her. Sent Belle a Hot Will card. I let water taps drip again.

Feb. 9, 03 Sunday. Not as bitter cold this A.M. moderating some. We attended Sacramento.

meeting. a couple spoke on Family  
Proclamation. Came home & I prepared lunch.  
Rested. Later we visited Elaine & Edward  
Jensen. She doesn't feel good as her feet  
hurt & Edward says he has to sleep in  
the recliner as he can't sleep in a bed  
because of his back problem. Evelyn  
called & she said Marlene, Whit &  
bege went to Park City yesterday to go  
to movie. She fell in the theatre & hurt  
her leg. It was dark & she missed the steps.  
She should of reported to manager. She  
also received a call from the lady of the  
Park City Clinic & wants Marlene to come in  
for an interview next Wednesday.

42  
5/19  
February 10-03 Monday warmer morning.  
milder temp. Overcast. Edward didn't feel  
very good this morning. He is trying to repair a  
leaky faucet in bathroom. Jessie Nealey came  
over this A.M. We moved a big container filled  
with Howard's rooster book. I brought them here  
to sort thru them. She is trying to get rid of them  
as he doesn't read & can't comprehend anymore.

I sorted & got rid of old car insurance  
papers & years old income tax papers. Jessie  
Nealey went with me to 5 points to Walmart,  
Brite Aid and Wingsards. We shopped  
for house, personal items and groceries.  
I put items away. I figured checkbook  
lost statement in mail that the policy from  
N.Y. Life Insurance Co. is paid by our dividends.  
Edward has been home watching art tapes.  
He finally felt good enough to go to stadium  
about 4:00 clock. Benny & Luella Bergman  
came out for a few minutes. He is going to get  
a wood rail on my house to replace the pipe on  
He had to measure it. I called Elaine Jensen  
& she had been to the doctor & can take measure  
for her foot problem. I told her I had western  
books for Howard. Evelyn called. She & Bruce  
may come to Ogden tonight to get her <sup>magnifying</sup> glasses.  
Bruce has an app. with Dr. Cody on Wed.  
She wanted a few books with Indian stories.  
February 11-03 Tuesday milder weather.  
High clouds. Edward tried to fix the lamp  
switch & blew circuit breaker. He didn't try again.

I trimmed his hair. His knee  
& back hurts. He doesn't feel too good.  
Prepared lunch. Edward invited the neighbor  
Fred Cunningham to come over to watch  
the jazz basketball game with him. Jazz won.  
Evelyn called to ask how we are & she talked  
to Edward.

February 12, 03 Wednesday Clear & not too cold.

Edward awake in night as his knee hurts.  
He takes sleeping pills & doesn't turn or move,  
so he is in one position all night. He keeps  
having problems. I brought step ladder in  
and used it to take the long hanging lamp  
down & put the smaller lamp up.

The lavender lamp switch is broken. Edward  
is in studio to get his art supplies in cardboard  
& on shelves. He ~~was~~ uses them & lays them  
around until he can't locate them. Evelyn  
called to tell us about a man in Grove who  
might be able to help Edward. He will send us  
the information. He is going with Bruce to  
the doctor this P.M. Hope the doctor can  
help Bruce feel better. A concern: ~

I went to Layton mall. Walked & looked.  
Didn't find any bargain items that I needed.  
Came back to Ogden and filled gas tank \$1.69.9  
a gallon. Bought stamps & milk at Harmon.  
Howard & Elaine Jensen came for awhile. He  
sorted thru the sack of books & took a grocery  
bag full. Bruce called & all ok. He is working  
on his book. He said he would take the two  
bushes out for me. Edward had to put the  
battery charger on the car. Battery died as  
he hasn't started it for a month or so. He  
took it for a drive after starting the motor.  
Evelyn called and Bruce had a check up and needs  
a nuclear test next Wednesday. He takes a blood  
test tomorrow. Marlene had an interview at Park City  
Union & may know if she has the job in a few days.

February 13-02 Thursday Rainy. After  
breakfast I went to the temple (Ward Day).  
Called Rozelle Mann invited her but she had  
teeth problems & Phyllis Rosmanian - vision problem.  
After the session I ate lunch in cafeteria. Dropped  
papers & lamp at J. I. Evelyn had just called  
her dad & I called her at home. Marlene

got the job in Park City medical clinic and starts Tuesday. Evelyn said her dad information about the job clinic in Brem. Marlene called me on cell phone on way home to tell me she got the job. I told her I'd call her at home as we were losing contact in canyon. Tried for 2 hrs. to get her in home at home. Wonder if she had to go to S.L. airport to get Whit.

47/30  
February 14-03 Friday. Up early - both laundry done & fresh sheets on bed. Edward went to town to Library. Misty day. Edward bought tube lights. He went to Michael's and Ogden Blue for paint & pallet knife. Jessie & Ronald Nealey took us to dinner at Chuckwagon. We drove. We overate. Home at 5:15. Cloudy. Evelyn called. She was tired. She & Bruce was going to watch Porter awhile. I talked to Marlene & they went out to get last night. She & boys went to S.L. Evelyn & I might go to Marlene's tomorrow. I called Bruce & Brenda. They are fine. He was going to come Saturday but I told him we would be gone.

50/31

February 15, 03 Saturday. Mild weather - like spring. Edward & I put the T.V. table in van and we left here about 9:10 A.M. Picked Evelyn up and we drove to Wendling to Marlene's. We visited awhile. We went to Park City to shop. I bought a yellow tee shirt. Evelyn & Marlene bought clothes for kids. Whitney met us in P.C. He is home for 12 days. Edward stayed at the house. It was so nice there. I bought 2 pig pizzas for our lunch. We said our goodbyes. Let Evelyn off at her home. She and Bruce were coming to Ogden. We stopped at Library and Edward got his book. Got home at 5:00 clock. Edward put new tube lights in hallway fixture. Doesn't work yet.

51/33

February 16, 03 Sunday. mild - Windy and rain showers. We attended Sacrament meeting. H.C. Warr spoke as did a young man. Returned missionary. Their subjects were "Follow the Prophet". We ate a nice cooked dinner. I liked Edward

said it was. Jessie Nealey had not  
take her tutoring course. Edward gave it  
to Brent Bruce - 2<sup>nd</sup> year in Bedquick.  
Nealey was going to then son home for  
a B.N. Ordination - birthday dinner. We  
watched F.V. & read. Strong wind.

Presidents Day - Holiday  
Friday February 17, 03 Colder & colder.

45/ Edward in studio to sort & inventory.

36/ Evelyn called last night. They had electric  
outage. Talked to Bruce & they had stormy  
weather. They talked to May & Jody Sunday &  
the storm subsided in Indiana that school  
& church meetings cancelled. Edward & I  
went to Michael's for art supplies. We delivered  
3 or 4 oxygen canisters to Interwest medical.

Edward hasn't used them for 6 months or so.  
We ate & tacobell. Bought bread & came home.  
Howard & Jessie Nealey visited us awhile.

Edward in studio late afternoon. Elaine Jensen  
called to say Wanda Jones came home today  
from Arizona. Howard isn't feeling good. Sick.  
Evelyn called early evening. She worked in her  
house all day. Computer guy came to work with

50/27 we her computer. Edward went to Fred  
Cunningham to watch jazz game. They won.  
Feb. 18-03 Tuesday. Nice day. Sunshine  
Edward had check up at Ogden V.A. Clinic.  
Ready (P.D.) told him to take care  
for pain. We stopped at Stig & Stig for  
apples ate tacobell. Edward got motion  
light secure to wall. Won't come on.  
the carpenter has condensation & leaks on  
lower & ranted water heater vent.

Edward made cover to divert water  
running on light and water heater.

The light works now. May finish job  
on the cover tomorrow. He was in studio  
available. Evelyn called and she was tired  
and glad the time was soon passing so she  
could go home and rest. She wanted to know  
what the doctor said.

Feb. 19-03 Wednesday Colder morning  
but warming as the sun is shining. Got  
breakfast & housework over with. Made  
corn meal muffins. Called Elaine Jensen to  
tell her of new information at V.A. Clinic.

We went to Dr. Alving's office. Edna's  
Red Face maker checked. It is ok.  
We bought a vent cover & brace at Home's.  
At lunch. Boyd & Frances came home today.  
I visited Dealer & took V.A. application to her.  
The water pipe kept leaking at 4:45 p.m. I  
called Dennis Moss the plumber and  
he came to repair the pipe that had a break.  
Cost \$45.00 High but he is a pro. and we  
can't fix things anymore. Bruce called  
to ask if I wanted him to come and cut  
the back door & we decided to wait until  
next month after they come back from  
their trip to see May & Jody Lamb. Evelyn  
called also to ask how we are. She had  
Trace there. He has a cold & coughing.  
Clay was out doors helping with the chares.  
Edward invited Fred Cunningham to come over to  
watch jazz basketball game. They lost.

February 20, 03 Thursday. Sun shine. nice weather.  
After breakfast Edward put shell & vent cover on  
water heater door & caulking. Got housework done.  
Elsie Jensen called me last night to tell

We would love to see home but in hospital.  
I called Barth and he told me Edna's  
Room number. He said he would call Marvin  
and Betty Drigill tonight & let them know I  
called Wanda at hospital & talked to her and  
daughter Shanna Shen. That one ~~is~~ being  
taken to find out why she has a pain in  
bone and grain. Wanda is 84 yr old.  
Edna stopped to visit us awhile late  
afternoon. She had attended a work  
meeting in Rayton. Good to visit her. I sent  
a steak with her. Edward said she ~~was~~  
very well. She said the older lady at Park City  
is busy & Marlene is the boss & she told the  
lady that hired her she would not work with  
that lady & make a change. Bruce called.  
He said their renters check bounced & Bruce had  
written 6 checks & they bounced. He talked to  
renters & each going in half to cover Bruce  
checks that the bank charges for bad checks.  
Betty & Marvin Drigill called tonight. They  
will be in Ogden next Tuesday. They have to  
take care of their income tax. May stay

Here Wednesday we plan on going out to dinner. Barth called + talked to them tonight to tell them about Wanda Jones.

February 21-03 Friday. Clearcast. mild.

$\frac{48}{40}$  After breakfast I got laundry done.

$\frac{48}{40}$  Got dinner on the crock pot. I went to D.T. + left the sack of paper back book that Jessie Nealey gave me. Went to Blehine Clothing and bought Edward two pair of garments + one tie. Doing shopping at Stop + Shop and Fred Meyers. Bought a pretty towel + 2 wash clothes at Fred Meyers to prep up bathroom. Got home at 1:30. Edward rested and went to studio. Evelyn called tonight. We decided not to go to Rogan tomorrow for Bruce's birthday. He said to celebrate when they come back from Indiana in another week or so. Marlene was at her mother. She invited us to come and stay overnight and go to a swim meet or something with her kids tomorrow. She likes her new job in Park City. Evelyn said Janalene brought Emma to the clinic as she fell + banged her face badly.

I called Bruce to let him know we wouldn't come tomorrow because it is supposed to storm. He received a \$457 + regatta check from his "Mary" book sales. He was happy.

$\frac{48}{38}$  Feb. 22-03 Saturday. Breezy and snow flurry this A.M. melting. House work done. Barth called. He had talked to Wanda Jones and she is to move in the Hosp section of hospital. Evelyn called and she and ~~the~~ Trace are going to Coalville to meet Marlene and family to go swimming. (No swim meet). Morgan has snow + wind blowing. Edward went to studio for awhile. Late morning + late afternoon. Read + watched T.V. Long day - colder day. Kept furnace register higher.

$\frac{48}{30}$  February 23, 03 Sunday. Colder. N.W. breeze blowing. We attended sacrament meeting. Sister Irene Coxson + Helen Krosberg gave good talks + Betty Hackett played piano medley. She is talented. Came home and I prepared lunch. Valerie called to invite us out as Carol + family to be there but I thanked her + told her we was going to hospital to see Wanda.

14/2  
Jones. We visited Wanda & daughter  
Shanna Dean at hospital. She looks pretty  
good. She has I.V. The leg swells but  
doesn't know why. She can be there for 2  
weeks. Her daughter said they would like  
Wanda to stay in her home and have someone  
to live with her to help her and monitor her  
~~her~~ medicine. Valerie called to invite  
us out in afternoon as Carol & family would  
be there. I told her we had plans to go to  
the hospital and it would be too late & I didn't  
want to drive back at dark. She said she spends  
lots of time with Carol since she moved closer.  
She said Marilyn & Scott is driving in and  
leaving another car & to be in Elk Ridge.  
They will be in Utah to live in a month.  
February 24, 03 Monday Colder morning  
and day. Edward is in studio article.  
Evelyn called and 14 in Morgan. The grand kids  
went to Coalville to swim. All enjoyed the water  
except Carolyn. The family went to <sup>SPRIMING'S Restaurant</sup> ~~to~~  
eat for Racing banquet. She said the food  
was good. The restaurant is being enlarged

It will be closed for 6 weeks. He said  
the Gabley family sang at sacrament meeting. They  
are good singers. Adriana said the baby  
could be born anytime now. He is due 13 March.  
Bruce isn't well. He stayed home from church.  
That is ~~unusual~~ unusual for him. He  
has this cough. He takes a stress test  
on Wednesday. Got homework done and  
prepared dinner. Called Jessie Dealey  
and she has a stuffy head and doesn't  
feel good enough to go to town today. She  
said maybe tomorrow. Got cookies & bread  
at Elkhorn & gave some to Dealey. Dealey  
overcast late afternoon. Called Aron Bergendy  
to tell him about Wanda Jones. He is trying to  
get V.A. help as he has a hernia to be repaired  
and tooth problems. He sold two of his cars and  
bought a newer one. He is remodeling the apt.  
next to him. Edward watched jazz game at Fred's.  
They lost. Nellie Bergman called to tell me her  
brother died on Saturday from cancer. They have an  
old homeless man staying with them until they can  
find a place for him to live.

35/8 Feb. 25.03 Tuesday. 1" snow fell in night but melting this late morning. Got housework done. High snow flurry afternoon. After lunch I went to Stage Stacie beauty school. Had my hair trimmed. (\$4.00). Stopped at drugstore for a few items. Bruce had called & talked to his dad. He called me later. He said the \$50.00 check he received was from China account. The Chinese publisher bought permission to publish Bruce's "Mary" book in Chinese. Bruce is trying to get more information about it. The publisher is working on the cover for his "Night" book.

Carolyn called and she said Trace had an infected ear & his parents had to take him to the Peyton after hours clinic. He is on an anti-biotic. Carolyn is getting a hair cut tonight 7:30 p.m. Berwin & Betty Ogill called to tell us they decided not to come to Ogden because of the bad storm in S. Utah & Snow area. I didn't want to take the risk of driving. They will come in good weather.

37/25 February 26, 03 Wednesday Cooler and mostly cloudy. After breakfast I gulled wallpaper off wall above kitchen cupboards. It had recess of different colors and I replaced it with a more subtle pattern = cream background & tony design of yellow, orange & lavender. I touched up the paint on cupboards. I took Jessie Healey to N. Ogden clinic. She has infection in <sup>arm</sup> ~~arm~~. She had cancerous breast removed & the arm is swollen. We stopped at grocery store. Got home about 2:30. Evelyn called & Bruce had the tread-mill test. Get results tomorrow. He is to see the Dr. in Morgan to see if he can prescribe something for his cough. He had gone to bed & Evelyn was going to bed. She took the day off from work to go with Bruce. Over Bruce called tonight to ask how we were and to say goodbye as they leave early in the A.M. for Indiana until Monday. They are excited. I read while Edward watched jazz game. They lost again. I have a sore knee from climbing up on ladder. We didn't get to viewing of Ruella Bergman's brother.

42°  
25°  
February 27, 03 Thursday Sunshine  
After breakfast I wiped front of cupboards  
and walls of kitchen. Doing spring cleaning a  
little at a time. Edward in studio. Bruce,  
Brenda, Nate and Jason flew to Indiana early A.M.  
Prepared lunch for Edward and I  
attended N.W.P. meeting. Interesting.  
Lonely lunch served. Glenn Kennington  
wiped to me she asked to be released  
as P.S. President she will be missed. But  
she is involved at Family History center  
plus going with slow-cowboy factory.  
Eulynn called. She had a very trying day.  
I worry about her as her job is so stressful.  
I wish it wasn't so demanding. Bruce  
had a good report on the stress test. He  
said he wasn't going to take High Blood  
Pressure medicine any longer. That is a  
concern. They were going to watch Carter while  
his parents are at the temple. Our Bruce  
called from Indiana at 7:00 a.m. & Jodye 9:00 p.m.  
there. They were tired. Long trip. Lot of  
snow there and cold.

42°  
February 28, 03 Friday Sunshine.  
After breakfast I did more cleaning of  
cupboards in kitchen. Got small bathroom  
cleaned. Washed shower curtains need  
to hang it up. Went to Fred's for  
new shower rod and hooks & few items.  
Edward has been in studio most of the  
day. I called Valerie & Jack and told them  
Kember was taking Bruce, Brenda & baby to  
Jack's hometown of Noble, Indiana. I visited  
Margaret & Pat Wingate. Pat had dental work  
last Friday (surgery). She is doing ok.  
Margaret's daughter Terrie may buy a home  
in Plain City and let Margaret & Pat live in it.  
I called Eulynn. She went to the doctor as she had  
a deep pain in shoulder area. Had EKG & etc.  
Normal results. She has large breasts and needs  
a good support bra. She also is thinking of looking  
for a different job as she is under a big stress.  
Both she & Bruce don't have great health.  
I am concerned for them.

36/28  
March 1, 03 - Saturday Snow 3" or  
more early A.M. The roads had to be plowed.  
Bob Bishop cleaned most of driveway out.  
Edward helped. I shoveled a bit to clear lower  
driveway. I called Evelyn about 8:30 to tell her  
it was snowing. She called later and to meet her  
at Skillard's. I did. She bought a fitted bra and  
ordered one. Expensive. \$90.00 for two. She needs  
a good support bra. I bought two fleece bed jackets,  
and wood napkin holder. Evelyn took me to lunch.  
It was tasty. (Soup & salad). I went to C.U.

I bought a pretty bed comforter set. Edward  
said he would help pay for it.

Evelyn got an application from Jerry's nursery. She  
seems serious about changing jobs. She left at 3:45  
to go to race track to get trace. Championship  
races going on. Sun shine + snow melting.

We watch a ~~documentary~~ <sup>documentary</sup> program on T.V.

35/28  
March 2, 03 Sunday. Colder morning but  
warmer during the day. Sun shine. We  
attended Sac. meeting. Arlene Brinnington +  
Carol Price Released as R.S. Presidency. Debra  
Wright, Play Bittner + Donna Weaver new R.S.

Presidency. I also bare my testimony.  
Came home + prepared lunch. I called  
Evelyn and Marlene + boys will be there  
about 3:00. Edward watched jazz with  
We stopped at Clubhouse to a 85<sup>th</sup> birthday  
party for Melva Watson. Lot of lovely  
food. We ate a few cookies, nuts + candy. We  
went to Evelyn + visited awhile with she +  
Marlene. Dallas is 11 yrs. old. Kasey is 5<sup>th</sup>  
Edward ate ice cream as cake was baking.  
The boys, Cassidy + Trace play rough.  
Play came home from chariot racing. (They lost).  
He had his feelings hurt at the track. Brooke  
works on weekends. Said hello to David +  
Adriana. The doctor might start labor Wednesday -  
We didn't stay long. Stopped at hospital to  
visit Wanda Jones. She is doing better. She  
is going to have a knee replacement soon.  
Going to sell her house + go into assisted living.  
Her daughter + son-in-law was there. We  
got home at 6:45. just dark. We watched T.V.

47/29

March 3, 03 Monday Warmer High clouds.  
After breakfast we went to doctor to

Bruce - Brenda - Boon Home P.M.

"Bullied Bear" + Edward had manager reduce price on his picture. He asked about Bruce. Left book at library. Went to two health stores. Edward bought of (MSB-?) Returned two items to Fred Meyer. Did business at C. U. We stopped for tacic for lunch. Edward rested awhile. I got the rest of laundry done. Vacuumed the car. Helma Naef called + we visited awhile. She has been here + we weren't home. She had received a letter + clippings from Betty. Evelyn called. She was home and nauseous. She

Bruce, Brenda, Nate + Jason stopped by at 5:20 p.m. on their way home from Indiana. They looked tired + anxious to get home. They gave me a ceramic bell with a red cardinal bird on top.

Evelyn called in afternoon. She was home - nauseous. She used Bruce's glasses at work as she broke here and that might be why she doesn't feel good.

If not, she may have a flu bug. She told her boss she was in stress on the job. Maybe she can help Evelyn. I called to let her know Bruce's family was here. I took a bowl of beans + newspaper to Healy's. Bruce called to let us know they were home.

51  
29

March 4, 03 Tuesday. Skiff of snow melting. Mostly cloudy. Wrote letters to Riley Moffat + Marilyn Woodard for genealogy information. Kathryn M. Young called and we had a long chat. Harry in Ok. Ariz. working. She is in new house but going to sell it. She wants to travel and be with him. Sharon + Heather sold their new home + going to build again. He + Charlie works in Coenator, Wyo. Drive there everyday. Kathryn, Sharon, Amy's mother, Mary + a sister has Aaron + Amy's 4 kids. Amy + Aaron are drug addicts + don't know how to take care of kids. Bad situation. Ted + Heather trying to get Army disability. I wrote to Riley Moffat to ask if he did temple work for Lloyd + Ber. I also wrote to Marilyn V. Woodard to ask for information about Uncler's Vane. Evelyn called and she received a letter from Virginia R. Symon + she said she remembered her cousin Edward + I up in High Creek. She + cousin Diane + Glenn Vane's daughter. They are both doing genealogy - Evelyn is going to invite them to our Vane Reunion. They are having a reunion later in July. Evelyn feels better. She is

Using her old glasses & she is getting by. Bruce still coughing. They are calling Marlene to make an appointment with a doctor in her clinic. Jessie & Howard Healy visited us & brought us a loaf of bread & apple cake.

March 5, 03 Wednesday Ducting of snow.

41/2  
22  
Cloudy cold. Got housework done. Read in paper that Monte & Gene died. They were close friends of Frank & Maria Sherten. We have been of a fucking trip with them. I went to R.S. meeting and social. Edward went to Fred's to watch jazz game but not televised. They won.

March 6, 03 Thursday Not as cold. Windy.

51/3  
Evelyn called P.M. She is sick. Went to the clinic in morning but she was going to see the doctor today. Very bad headache & sick. Concerned about her. Adrienne went to doctor. He may start her labor tomorrow. I went to C.V. to get corrected statement. I grocery shopped at Wingsards. Wanda Jones was sitting in lunch area while her daughter shopped. She may have knee surgery in

a few weeks. She has to get off Prednisone. Our Bruce called to ask how we are. We made plans to take them to dinner Saturday for his birthday. I told him Evelyn was sick.

Evelyn called in afternoon. Bruce had called Marlene to ask what to give her. Marlene told her the medicine to take as she probably had a sinus headache. She took it and starting to feel some better. Hopefully she keeps improving. Bruce has an appointment next week with a doctor when Marlene works. Marlene said she is very busy at the clinic. She said the land sale deal of Renee's judge fell through.

(The 12 acres). I called Marlene Kewat to invite them to reunion - already there.

March 7, 03 Friday Mild Overcast.

51/3  
34  
Got housework done. Edward in studio. I rang Evelyn's home - no answer. She probably felt better and at work. Evelyn called at lunch time. She had worked half a day.

No more headache but weak. She is to go back to work for an hour or so. maybe.

I went to Sullards & bought a yellow sham

to try - Ordered a breakfast at Merynie,  
at the sale price if it is stock. Looked  
at R.C. Willy cigarettes. Washed car.  
Bought greeting cards at Dollar store.  
Edward & Fred watched jazz lose in O.T.  
I watched a movie. We went to bed late.

5/32  
March 8, 03 Saturday. Warm spring day.  
Pearly weather. Evelyn called to let us  
know she would be down but later in A.M.  
as she tended trace until Clay gets  
home from ball game he was in. Brooke  
at work. They had trace at emergency  
last night. He had pneumonia. He is on  
anti-biotic. I had called Brenda to let  
her know we would be up. Evelyn came  
and we left at noon. Stopped at Cheese  
factory purchase. Called Bruce & they met  
us at Kelden Corral for lunch. Later we  
went to their house to visit awhile. He showed  
us letters from the Publishing Company & etc.  
They told us about their trip to Banks.  
We left and stopped at a store & Evelyn &  
I bought reading glasses. \$1.00 a pair.

6/32  
Went home at 5:00. He left for home. I  
left our cheese in her car trunk. She said  
Adriana is to go to hospital tomorrow early to  
start labor. She also said she paid Blake &  
Gene spending ticket of \$75.00. We drove fast in  
Morgan street. We celebrated Bruce's  
birthday by having lunch at Kelden Corral. We  
treated. Edward over to Freds to watch jazz last  
March 9, 03 Sunday. Mild - overcast. We  
went to Sacramento meeting. Just got in home  
at 12:30 and David called to let us know  
Adriana had a baby girl about noon. She & baby  
are fine. Evelyn called at 1:45 to let us know.  
They were at Marlene's to go to church with her.  
David had called them but they were in  
church. We ate lunch. Edward rested. We  
went to McKay-See hospital to see new tot.  
grand daughter. She weighs 8 1/2" & lot of black  
hair and round cheeks. Adriana's mother,  
Gen & Adella were there. I took a soft  
yellow & pink flower baby quilt & little yellow  
& white baby slippers. I held the baby. We  
stayed 1/2 hr. Adriana looks good & feels good.

We visited Howard + Elaine Jensen  
while they had been to some church  
meetings.

March 10, 03 Monday mild temp.

5/31<sup>1</sup> Like spring. Evelyn called at lunch time.  
She had been to the doctor again - she  
has acid reflux. He gave her medicine to  
take to see if it helps. She isn't well.  
She called later. She made an app. with  
the guy in Grono to try his method.  
we will have to leave here by 8 o'clock  
A.M. Depending on the weather.

I sawed the live bushes down and trimmed  
the branches. Edward helped me put  
them in sacks. I also had grass from  
flower plants. Evelyn received a call from  
Virginia H. Byman (cousin) to invite her to  
her place to meet + do genealogy - but Evelyn  
had a court to hit. Edward went to bed early.

64  
37  
March 11, 03 Tuesday. Mild. Sunny day -  
Spring day. I went to Golden Hour center and  
Mr. Dalton prepared our income taxes.  
We should get a refund of \$107.00. We usually

pay. It was a surprise. I had copies  
made of D.V. P. history of Elizabeth McKay Bugmore.  
I filled gas tank of car. Went to Dillards and  
bought shoes, cloaks + two blouses. Returned a  
shoe. Checked on bedspread at m. Kroger. Called  
Valerie early A.M. Busy signal. I called Steve  
+ he said Jack moved the phone and out of  
order. Valerie getting new counter top for  
cupboards + Steve painted the kitchen.  
Joan Griffin had been here and brought  
us choc. Candy kisses. Jessie Nealey had  
sent ham + celery to us. I called Phillip  
Gasmussen. He had called earlier and we  
plan on attending temple on Thursday.

I'm stiff from working in yard yesterday.  
Evelyn called + she said her throat felt better  
but she has sinus problem. Valerie had called to  
thank her for the letter Evelyn sent about genealogy.  
I told Evelyn I contacted Steve + he told me  
about phone problem. We watched T.V. Program.

61  
38  
March 12, 03 Wednesday Spring. Warm day  
We left here at 7:45. Evelyn drove car car  
to Grono. She had made an

Appointment with a Mr. Darrell  
Stoddard a pain management specialist.  
He worked with electrode-tape + magnet  
like pellet. Evelyn had a treatment also  
for her left chest + arm area. \$45.00 a  
treatment. Plus a book for \$10.00.  
He has helped Bracie friend and others  
in Morgan. His house is easy to  
get to. 4-5 blocks N. of B & U stadium.  
We stopped in Heber for 77 F. Evelyn  
treated us. We stopped by Marlene's -  
Not home. Stopped to Adriana's to see  
new baby and Marlene + Jen + kids  
there. I took Porter + Cassidy for  
walk around house + saw the rabbits.  
Blake + Co-worker left early A.M. to go  
to a city by Seattle to get parts for  
the company. We went into Ogden  
to a couple stores to buy apples.  
We have been 130 miles. Got home and  
Bruce called to ask how we are. They  
are fine. He + store clerk said they found  
Elizabeth Smart in Sandy, Utah.

We watched T.V. report of her capture  
by law officers. So happy for her family.  
Edward went to Fred's to watch jazz swim.  
March 13-03. Thursday. Spring like weather.  
Warm and breezy. Evelyn called. She said  
she could smell a little bit. Maybe the  
sinus is clearing. Bruce had to see Mr. Cody  
today. I called Valerie and she was waiting  
for the workers to take rest of formica off walls.  
Marlene + family leaving Hawaii early in the  
morning to live in Elk Ridge, Utah. Judy Bracie  
mother-in-law died and graveside service  
in Brigham City.  
I went to Wood temple session with Phyllis  
Baumgardner and Leslie Mann. We ate lunch there.  
57°  
46° March 14-03. Friday mild. Rain showers.  
After breakfast I got 2 batches of laundry  
done. I went to Hillards + returned 2 pr. slacks.  
Stopped at Mervyn + bought a comforter for  
small bed to try. Bought bread at bread store.  
Broovy stopped at Wanggard's. No luck +  
directed. Bruce called to ask how we are.  
He has to work tomorrow. He may lose some

work days as the company is replacing some floors. His book is at the publisher. His friend Chad Daybell's new book is banned at Desert Book. He is bewildered & he has been a writer who sells books.

Evelyn called. She was tired but starting to feel a bit better. She thinks the pain in high chest area is from using the computer to type reports & etc. She is going to S. L. C. with Bruce tomorrow. He wants to see Mr. Cady. Bruce has high blood pressure. The doctor put Bruce on H/P/S medicine.

Marlene is going to see if she can make app. to a lung specialist. Bruce could see Mr. Voucher in 5 or 6 weeks. Bruce has a cough. Edward

~~was~~ went to Fred's to watch T.V. Jazz game (Pact)

March 15-03 Saturday Partly cloudy. Washed bread sheets & etc. Prepared lunch. Edward in studio. I went to Fair Grounds to Home & Garden Show. Lot of vendors. Stopped at Home Depot to look at blinds. We ate lunch & rested. Rain showers.

Evelyn called late afternoon. They got home from S.R. She went to Rest. Bldg. She

read thru New York Word word. She recognized old friends names. Bruce had a school meeting. They ate supper at Spring Chicken Inn. She said Blake arrived home Friday night. She also said Darian started to walk and kept going. She explored their house. Edward & I went to Club House to association St. Patrick Party. It was get luck & lots of yummy food. 66 there. He didn't stay for games. I took a Pasta salad. We sat at table with Hermine & Witten. Larry Bitten is from Smithfield so we had place & people is common. Hard rain & windy late evening.

51/37  
March 16, 03 Sunday mostly cloudy. I attended all block meetings. Edward came to Sacrament meeting. Enjoyable meetings. ate lunch. read newspaper. I took salad, cheese & candy to H. & Adele & visited them awhile. Evelyn called evening time. She didn't go to church as she slept twice trying to feel better. They had the boys & family to dinner. She said Bruce was feeling better. Derrin & Betty Cargill called. They will be here Tuesday night to stay 2 or 3 days with us. Glad to have them here. 9/23 Last.

44  
41

March 17, 03 Monday Overcast. Windy.  
may storm. We changed some furniture  
around. I went to N. Ogden to Therapy  
Office to ask why they haven't got insurance  
money for my therapy a year ago. She said not  
to worry as medicine is slow in paying.  
I went to Shog's & Walmart. Bought a few  
groceries at Wangegarden. We ate lunch &  
rested. Edward in studio. He says his leg  
doesn't want to move. I think the nerves  
coming out of his spine is being pinched.  
He has stenosis of the spine. A big worry.  
Evelyn called and she said she is almost  
100% feeling better. She hasn't felt very well  
for a month. She said Bruce is starting to  
feel better. She saw trace but he was  
allergic and he is starting to improve.  
Eyes. Bush spoke this morning and gave  
Sadlem H's house to leave or dream of we  
are in war.

March 18, 03 Tuesday Windy, cool day.  
Few drops of rain. After breakfast I got  
a batch of laundry done. Put fresh sheets

on bed. Edward went to town. Bought  
film & left a roll of film at Inblyp. He also had  
enlargements made of his drawing. Plus he  
bought an item at drugstore. I went to Sears &  
Merrys. Didn't buy anything. Bought tomato  
sauce and bedsheet & sink mat. made  
a meat loaf for dinner tonight in case  
Sherwind Betty & Jill come. Glad to have  
them here. They were tired.  
Snow & rain on the way. We ate  
a nice dinner. Victor's went to bed.  
Betty used Edward's eyes during the  
night. They brought an oxygen  
concentrator but forgot the connection.  
March 19-03 Wednesday Cooler morning.  
After breakfast Sherwin & Edward went  
to Ogden & bought the oxygen connection.  
Selma & Val came to visit  
awhile. We called Zelda to make  
arrangements for a neighborhood visit at  
her house. She was gracious to have us come.  
Dorothy, me, Jennie, Wanda Jones & Velma  
Ralph came. We visited, took pictures.

Had pie, cake, ice cream and  
brother floats. Good time. Came  
home + watched jazz win the game.

March 20-03 Thursday. War started.  
Our guns are firing on Iraq. Not a  
full fledged fire power. We watched  
T.V. coverage. Remain up early and  
went to his CPA to complete income tax.  
I cooked sausage, toast, fruit + cereal +  
left to have a D.K. at Bucky Knight's (9<sup>th</sup>)  
He visited Marvin + Betty for lunch  
so they could visit with she + Rec.  
Then they are going to visit Howard +  
Gleim Jensen. Come home and they are  
taking us to dinner tonight. Evelyn  
called last night and she said she  
was feeling much better + Bruce to.  
Evelyn called this afternoon to ask how  
we are. She is feeling better. Dallas broke  
his ankle playing basketball. His grandma  
Judd took him to Ojo clinic where his mother  
works. He swollen to get cast on. He didn't  
plan to be in much pain. He will be

the subject of the school. Mr Bruce  
called. He plans on being here tomorrow  
after work as he can't come Saturday.  
Marvin + Betty took us to Chuck + Dana  
for dinner. Big meal. We watched  
T.V. war news from Iraq.

March 21-03 Friday Nice weather. Betty  
had a sleepless night and up a few  
hours. She is not well. After breakfast  
we rode up to Sunterville to look at  
the dam, school and <sup>one</sup> Mc Kay home.  
We stopped at Concession store for a treat  
of ice cream. We stopped at Care Center  
on 9<sup>th</sup> St. and visited Ryman Anderson  
& their lady friend from St. George  
a surprise for them as they thought she was dead.  
Later our Bruce came to get Quaker  
and books he bought from Maria. Bruce  
met us at Diggler and we bought dinner.  
We all came back to home to visit. Bruce  
fixed the tube lights in hallway. He  
called later to let us know the key had called  
him to let us know Karen Dana died at noon time.

Karen Dana died. She was 89.

Don't know when the funeral will be.  
We watched more war news. The conflict  
is going on schedule & the coalition is in  
command.

63/41  
March 22, 03 Saturday. Warm: Nice.  
All of us up early. Showered dressed.  
Betty & Merwin left here at 8:15 A.M.  
to go to Bountiful temple. His granddaughters  
& husband are to be sealed. A family lunch  
later. Then they will visit her son Doug &  
Phyllis. Will be back here tonight. Evelyn  
came about 9: A.M. We called Marva &  
Richard answered the phone. He has the place.  
We called Ruben to express our sympathy.  
No plans for services yet. Evelyn went  
with me to our Stake R.S. Conf. Allen &  
Suzanne Okmond were our guest speakers -  
very interesting. They have 8 boys. He  
has m.s. & uses a cane. Their mother  
Diane had a stroke over a year ago and  
bedridden. She & George live in a care  
center. Lonely topped salad in <sup>facu</sup> bowl & cake  
was served. Very tasty. She & I went to

Walmart. She bought Easter clothes &  
dove for herself. We stopped at Wallace's & home.  
No luck. Left home about 3:20. After Evelyn had  
a nap she left to go to see if the men ~~were~~  
were still at the chariot races. Betty & Merwin  
got here at 8:15. We visited - watched news. Bed.

63/46  
March 23, 03 Sunday. Cooler, breezy & overcast.  
We were up early except Betty. Another bad  
night for her. Prepared breakfast. Later  
Merwin loaded their car. They left at 11:15 A.M.  
to go to D.H.C. to visit his sister awhile and  
then to St. George. I stripped beds & put  
fresh sheets on our bed. Too late to go to church.  
Read in paper Blake won his race yesterday.  
I washed & dried the sheets. Later I made  
a chocolate cake. The war news has been  
on T.V. all day <sup>our</sup> men are getting killed.  
Helicopters going down. Ambush & prisoners.  
Evelyn called. She tended Caready. Men at  
Chariot races and Blake won. They run horses  
next weekend. Barth called to let me know  
Wanda Jones to have her replacement on April 21.  
Rough day as we got up early.

50° ☽ March 24, 03 Monday. Sunshine.  
32° Was busy doing lot of laundry. Edward  
helped me put clean bedding on small bed.  
Bought new bed skirt and pretty appliqued  
sheet & shams on it. Looks nice.  
Edward in studio awhile. He says he  
is tired. I went to Home Depot to buy  
a room darkening blind. The man didn't cut  
enough off so have to take it back. Bought  
Edward a magnifying glass. Bought groceries  
at Stop and Shop. Saw T.V. war news.  
I went to bed early and Edward watched  
jazz win their game.

March 25, 03 Tuesday. Sunny nice day.  
After breakfast Edward & I put the new bed  
skirt & cover on our bed after I pressed them.  
Later I took the window blind back to Home  
Depot to have it cut shorter again. I brought  
an area rug to put in kitchen to try it.  
Bruce called to tell us Heather called him  
and she is 2 months pregnant. Baby due 13th.  
He also got his box of his new book "The three  
Negatives". He said Guy called to ask if anyone

coming to funeral so his son Trent  
could ride with them. Bruce said none  
coming. I sent a sympathy card and  
check. Evelyn called & she sent card  
& money. Kelly had called also to find a  
ride for Trent. She said they could do it  
some as they were just getting over a  
sick spell. I made a meat loaf and  
Phyllis Casmussen brought potatoes & I  
baked them & cooked mixed veg. & she  
& I took the food to Valerie Wight.  
War is taking more lives & wounded as  
the fighting, sand storm & storms  
going on. Warm night - overcast.

54°  
37°  
RAIN  
-33 Rain  
March 26, 03 Wednesday. Overcast.  
Rain shower early A.M. We slept  
later than usual. Edward watching  
war report on T.V. Showing bombings  
& war equipment. Relief force getting  
food & water to the people. We removed the  
kitchen <sup>carpet</sup> rug & cleaned floor and put an area  
rug down. It is beige, yellow and rust-  
dark umulsion flowers & green leaves. Cleaned ☽

throw rugs. Edward out in studio. He went to Fredi to watch Jazz in the game.

March 27, 03 Thursday Cooler A.M.

<sup>43</sup>/<sub>30</sub> Breezy. Partly sunny. Edward went to town to see Blaine & Ingham at Inghams to learn how to use video recorder. I got the house work done. Made chocolate pudding. Cleaned mirrors. I went to D.V.P. meeting. I read History of Elizabeth on May Quignone, my 1st Grandmother. I read it long ago at a different D.V.P. Camp. I sent a sheet with she, Jonathan, family & home to the group to look at. A lesson was given. Interesting. a light yummy lunch was served. I stopped at Peterson to get an application for Clay. There is a heavy freeze now. Called Evelyn and she has a sinus headache but at work. She picks Trace up at baby sitter & keeps him until Clay gets home. I called Betty & Derwin Ogell. She is still tired from the trip to Ogden. I cut obituaries from newspaper of people died that she knew & will send them to her.

like last here race.

<sup>48</sup>/<sub>26</sub> Friday March 28, 03 Cool. Mostly sunny. Laundry & cleaning before noon. Edward has been in studio all day. After lunch I took the lawn mower to Sears to be serviced. Took a few items to the D.I. Grocery stopped at Wanggard's & talked to Blaine & roll there. Colleen is house-cleaning. He said the house is now dirty. I gave Barth Wardle a ride home from store. Stopped at a carpet store & they gave me 5 samples. We watched T.V. news & read awhile. Saturday March 29-03 Cool A.M. but little warmer afternoon. Evelyn called and she was going to horse races with Marlene. Bruce came about 9:30. He brought us his new book "The Three Nighties & Co." and several packages of cheese. Edward didn't want to go with I and Bruce as he wanted to paint. I drove & Bruce & I went to Evelyn's to visit and he gave her his new book. We went over to Adriane to see the kids

and I held the baby. She is growing.  
Porter has found out he can scream.  
Evelyn had trace & Marlene had shells.  
He has a hairline bone crack & he  
can walk & she put a wrap on it.  
They were leaving to go to horse race.  
We said good-bye and went to Janeline.  
We went to "the Neli" where Janeline works.  
Bruce bought 3 pizzas & I bought the  
desserts & drinks & went back to the house  
and ate. Connie & 3 kids came. This  
was their birthday (Janeline & Connie).  
He gave them a variety of chuses.  
Later they went over to the park to play.  
I stayed in house to visit Lucy, Burk &  
Emma. The baby has ear infection & bad cold.  
We said goodbye & went to visit Bruce's  
friend Dennis & Ann & they talked about  
references & etc. In Bruce's new book he is  
going to write plus we all visited. We  
got home at 5:15. A nice day.

Sunday March 30, 03 Really warm day.  
We attended Ward Conf. Sacrament meeting.

Big Ellsworth, Rebecca Coffey and Bruce Stone  
Peterson spoke. all interesting talks. Ward  
Choir sang two songs & Pres Peterson's daughter &  
friend sang pretty song. We ate dinner.  
Evelyn & Cassidy came. Men folks from ward  
3rd in their denims. They received blankets,  
buckle & trophy. I played ball with Cassidy.  
He was cute little fellow. Allen & Don Hemmington  
came home teaching. They are fun to visit with.  
Evelyn had a nap & they left at 4:45. The war  
is going on trying to get to Baghdad.

March 31, 03 Monday Warm spring day.  
After breakfast Edward went to studio to  
paint. I used oil furniture polish and put  
it on all the doors inside & out and the  
laundry room cupboards. Later I weeded  
Jessie Healy's flower bed in back. I visited them  
awhile. Was going to use their fertilizer spreader  
but their son has it. Opened the window to get  
fresh air. Used rug scrubber to clean the  
rug runner in laundry room. Bruce called  
to ask how we are. They were going to look for  
carpet. Evelyn called. She was going

Went to the Clinic to get sample of medicine to help the pain in arm. The bachelor neighbor came over and trimmed the tree a bit. I raked the few spots in lawn. My friend Phil Rasmussen is going to buy the fertilizer and put it on the lawn for me tomorrow. Phyllis R. brought my dishes to me and gave me a recipe to try. I'm tired tonight. Went to bed early. Bud + Mary called + they will leave Arizona in a couple of weeks. They are fine. Melba P. Rosen called + we had a good visit. War still going. Heavy fighting.

6/30  
\* April 1-03 Tuesday Warm + windy. Dully. Phil Rasmussen, my school friend came + cut the lawn and bought the fertilizer + used his implements + put it on our lawn. He offered to. Wouldn't take any money but I gave them a large case of cake + cheese. I went to C. U. The checks are in. But money in savings. Went to Wagonwells + put food, house products + personal items.

Stopped at office + paid the rent. I'm still tired. Resting late afternoon and evening. Evelyn called. She went to the clinic + got different medication that hasn't upset her stomach.

6/30  
April 2, 03 Wednesday Hard wind blowing. But the laundry washed-dried folded. Made a casserole for dinner. Phyllis Rasmussen receipt. Edward in studio. He got the acrylic paint away and took his heater out and he can use oil paints now. A brief rain storm. It was a muddy rain at first. Lot of dust in air. The rain showed trees down + vehicles blown over. I went to R.S. with some ladies. a good meeting. Evelyn called + wind still blowing in their area. I have a runny nose + scratchy throat. I gargled + used nose spray. Our neighbor Fred Cunningham called us tonight. He is in Ogden Reg. Hospital for a couple of days. He was weak + couldn't walk. He is having lots of test. He has two cancers in his head. Can treat with medicine. Edward went to his house twice + called.

Snow

3 1/2  
29  
April 3-03 Thursday Surprise  
3 1/2" snow fell during night. Blizzin today.  
I have a head cold. Feel yucky - We folded  
& put away clean sheets & etc. I washed A.M.  
Edward watched T.V. news about war. The 19 yrs old  
woman from America rescued & in Germany to  
recuperate from wounds. 11 other POW killed &  
reclaimed. Evelyn called to ask how we are.  
I had a long nap and went to bed early  
as I'm not feeling well. Jazz was gone.

3 1/2  
26  
April 4, 03 Friday. Snow is melting. The  
weather is warming up. After breakfast we  
went to Pres. Church to annual sale. Valerie &  
Dorset was there. I got a nice jacket and  
a number of blouses. On way home we stopped  
at ~~Weg~~ Weg Shop & Shop. Bought a few groceries  
and paid off my visa bill at Villards.  
Edward bought a step ladder, hat & suspenders.  
Came home & relaxed awhile. I prepared lunch  
& washed & dried the blouses. Evelyn called.  
You're having Harvina's birthday party tonight.  
Sunshine. Our Bruce called. He  
mentioned about coming down and going

to G.W. meeting at the State House.  
But that is a long trip at night. Edward  
told him he appreciated the thought.  
Hard for Edward to get around & to hear.  
He got a letter from Ben and he has the  
cast off his foot after 4 months. I  
received a short letter and obituary notice  
from my friend Wanda Anderson Jensen.  
Jan B. Roylance died - cancer. Laurel  
Hylenberg has memory problems -  
Ben Webb has cancer. All are school mates.  
I called Orla Rasmussen and Melba B.  
Larsen and told them. Melba said she has  
a picture of dad, Ambrose Larsen & her dad  
when they were young. She is getting me a  
copy. Edward watches jazz game.  
Edward's friend Sue Stanger called & heard  
Gard were coming to visit but I told them  
I have a cold & they declined. Jessie  
Peakey called & said Howard can't drive  
anymore. He almost caused a wreck yesterday.  
He tried to shift gears and the car is automatic.  
I went to bed early. Edward watched jazz later.

105. Conf.

April 5, 03 Saturday Breakfast Cooker.

42/30 After breakfast I met Evelyn at Prespt. Checked she got some nice items. I sat in eating area while she looked. Came home and prepared lunch. Received a letter from Paul & Jolly. She sent obituary notice & funeral of Lakus Sona & thank you note. Evelyn & I had a nap. She left here about 4:00'clock to go home. We did watch afternoon conference. I've felt miserable for three days. I believe I have sinus problems. In bed early.

April 6, 03 Sunday Day light

32/30 Saving time. I turned the clocks ahead 1 hour. I got up early. One nostril is more open than other one. I got a roast ~~and~~ vegetables in oven. Evelyn called to ask how I was feeling. It has snowed lightly during the day. Weather is colder & damp. Pres. Pickley alluded to the war in Iraq. Be peaceful people. Pass faith. We watched conference on T.V. I had two naps. Went to bed early. Edward watch jazz late & the war news.

42/30

April 7, 03 Monday. Shift of snow and misty a.m. Weather warmed later. I forced myself to change the sheets as I prepared during night. Washed truck & etc. Evelyn called. The men went to look at a bull in Kamee & she, Adriana & kids stayed at Marlene. Bruce called. He is to go to St. George on May 31<sup>st</sup> to book signing. He said the water pump is being replaced in his truck and a gasket & etc. replaced on car. Big expense. Edward went to 5 Points to drug & grocery store. Bruce said Connie called him as his name in paper yesterday. Talked about his "Mary" book to be published in China & a book signing in Logan. I still have a stuffy head & coughing. Not much energy.

April 8, 03 Tuesday. Frost last night.

Sun shine and warming. I slept late and feeling much better. Still have stuffy head but can breath easy. No appetite. Sweat during night. Washed a batch of dark clothes

and some hand laundry. Edward is trying to get an order of medicine to send ~~for~~ in the mail. Jessie Healey visited and brought me baked chicken and celery. She is to start physical therapy in a week to help her move better. I'm taking her to McKay-Dee hospital tomorrow for a mammogram. Fred Cunningham's daughter Sherol visited. Her dad is on Radiation and therapy in Ogden Reg. hospital for cancer. Marlene called to ask if we would lend her \$650.00 for school tuition at S.S. Community College, starting in May. We said yes. She will work at the clinic two days a week & three days in school. She wants to get her degree & train for Utter Sound. I went to C.V. to check on a transaction I couldn't account for. All checked ok. Don't owe any money. Washed car at 4th car wash. Weather is warm & nice. Edward outside doing oddwork. The war is speeding along. Airfield in control. Palace in Baghdad bombed. Casualties.

70°  
39°

April 9-03 Wednesday Warm lovely day. Spring. After housework I pressed clothes. Edward went to Sears to get the lawn mower. He went to Michaels for art supplies & then he went to Ogden Regional hospital to visit our neighbor Fred Cunningham. He just had radiation treatment for brain cancer. He is having test to find out why he is spitting up blood. He is far from well. I took Jessie Healey to McKay-Dee Hosp. for her mammogram.

I made banana nut bread. I gave Jessie a loaf. I took Phyllis Rasmussen a loaf and a pkg. of cheese & we visited awhile. Roked at grade school picture. Evelyn called and we chatted awhile. She was tired.

I sprayed dandelions at neighbor's place. Phyllis, Rosalie & I are going to temple tomorrow.

72°  
42°

April 10-03 Thursday - Warmer temp. Phyllis, Rosalie & I went to wood temple session. I had to suck on cough lozenges to keep from coughing. We ate lunch at cafeteria & visited awhile before coming home. I was.

Edward undercoats painting. I did light house work. I dug 2 old plants out of flower garden. Checked Kealy's awhile. Evelyn called. She had a busy day to get ready for court tomorrow. She was going to R.S. activity tonight. Bruce + Baz going to Wagoner to look at a bull. Melba called and she may go to S.S. tomorrow & cancel our get together tomorrow.

11/3/44 April 11-03 Friday. Another warm early spring day. Worked in house A.M. Edward Rec spent the day sharpening our yard tools. After lunch I went to Fred Meyer and bought flower plants. Grocery stopped at Wangeyards. Early evening I planted pansies & snapdragons. Another city in Iraq (mosul) is free but the people are looting & destroy places. I went to bed early. I read for awhile. Evelyn called. She was babysitting Tracy. Edward watched jazz vid.

12/50 April 12-03 Saturday. Warm and windy. After breakfast & house work I got a batch of laundry done. Raked dry grass out of one big spot in lawn so sun could get to it.

Evelyn had a mammogram at McKay - Lee Hospital. She came here. Later we went to Jerry's nursery to look. We for a ride down by 12th St. New housing area. Bought chicken dinner at K.S.C. ate & rested. Edward outside doing art.

14/46 April 13, 03 Sunday Windy - warm. We went to Walton Ward to Sacrament meeting where David & Hilie named & blessed their baby girl. Her name is Sydney Hilie. She is so cute. She wore the long white dress trimmed in lavender crocheted by Marlene. Later we went to David + Adriana's to a pot luck lunch. Blake cooked the hamburgers & hot dogs on the grill. Pot of rice food. I made baked beans & took olives. Big family gathering. Marlene had to take what to airport. We went to Evelyn's for awhile. Looked at Kenelopy and pictures. Marlene is having family to Easter dinner next Sunday. We furnished the ham. Windy + cooler in Morgan. Came home. Watched golf game. Mike Weir won. Bruce called to tell us about the book signing yesterday. They are fine. Ben's 21st birthday tomorrow.

9/5

April 14, 03 Monday Ben is 21 yrs old  
windy + warm - Sent him \$25.00 check.

Edward outside painting a picture.

I got housework done. Regard paid shop  
dinner. Saw Dr. Michaelson in the  
clinic. He put me on <sup>Dynabac</sup> antibiotic +  
cough syrup, \$12.35. Put money from  
ERS Refund in C.U. \$107.10. Bought

groceries at Wangsgards. Saw Ruth + Lee  
Gutierrez + Stella Atencio at the store +  
visited them. Al Chacon in min.

Called Evelyn to let her know I had been  
to the doctor. She is going out to eat +  
to Teresa Chaybana with Bob Clark ladies.

Jessie Healy called. She has spots on her  
breast + needs another mammogram tomorrow.  
Josee tree taking her to O.T. today. She  
brought me the paper + rose spray today.

Edward watched jazz lose the game. I  
went to bed early. Rain during night.

April 15, 03 Tuesday Rain showers -  
Alder. Bot house work done. Edward  
put his heater back in studio until the

8/4

weather warmed up again. My  
cousin Dawn Lynn called me from  
Phoenix, Arizona and we had a long visit.  
She is feeling as good as can be expected.  
Her daughter Michelle is close by and  
takes care of her needs. Michelle's husband,  
Richard is the bishop of a ward and  
teaches two days at the college. Got to  
hear from her. Our Bruce called  
and we chatted awhile. They are having  
flooring a new carpet laid the 1st week  
end of April. Nate + friend Jason are  
going to S.H. for Spring break tomorrow.

April 16, 03 Wednesday Sunshine - warm.  
Nice weather. Edward had a urine problem  
in bed. at 3:45 A.M. He had to change  
clothes + I had to re make the bed + put dry  
bedding on it. He had leg cramps + I had  
a coughing spell so we had a wakeful  
night. I slept later in morning. I washed  
3 batches of laundry. I raked more dry grass  
of the bad spot in lawn. Edward turned water  
on and I watered the spot twice today.

Out +  
Pound money  
Water m.

4  
Bud and Mary came in afternoon.  
We visited all afternoon. They stayed in  
Brow last night and staying at Sleep Inn  
on 2<sup>nd</sup> St. We plan on going to Cache  
Valley tomorrow. Bud put the tube lights  
in the hall fixture & cleaned the glass.  
Evelyn called to ask how I was feeling and  
she talked to Bud & Mary. I called Dr.  
Wahlens office & have app. on May 22<sup>nd</sup>.  
April 17, 03 Thursday windy, cooler.  
Got house work done. Bud & Mary came  
about 10:15 or so. We went with them  
to Cache Valley. Visited Glenn Hansen at  
Care center in Logan for 1/2 hr or so. He  
was glad to see us. talked of old times.  
Edward went dizzy & we brought soda pop to  
get caffeine down him. Went to Richmond to the  
Cemetery to see Mom, Dad - grandparents &  
Hansen graves. We bought war memorial book  
at Richmond City office & read names on the  
new war memorial. Met to Barbara & Doug  
Hendricks for an hour. Fun to visit them.  
Drove up by Joan Allen's old home and down

by our old home. Lots of trees down &  
bare looking along the creek. It was raining.  
Went to Capt. Hansen. Not home. I had called to  
let him know we would be up to see him. We  
visited Sherman Hansen and then back to Boyd's.  
He wasn't there. Mary left a note. We went to  
Bruce & Brenda to visit. We all went to Kadden  
carral as it was just 6:00'clock & we treated  
ourselves good. Said our good-byes & got home  
at 8:05. I called Evelyn & left a message  
that we were home. I went to bed early  
& read war memorial magazine. Evelyn  
called. They had gone to a wedding reception.  
She felt like she was starting with a cold  
& had a sore throat. Rain showers.  
Edward taped a nature show - movie.  
April 18, 03 Friday. Heavy rain & some  
snow morning hours. I got laundry done.  
Edward & I changed bedding. Edward went  
to town to see about his hearing aid -  
from Burgandy came & brought us an Easter  
gift. Pretty cage filled with candy. He was  
taking Mary Anderson to see a relative.

4

I put a pr. of grey sweats + 5/4 bill  
 in a sack + put it in his car. Sun  
 shining now. Elaine Jensen called to ask  
 about chills. I told them Norwin son-in-  
 law was driving them to Jackson Hole on 15<sup>th</sup>.  
 Bud + Mary came about 11:30. It had stopped  
 raining. We visited + took pictures.  
 They left at 12:00 clock. Edward came at  
 12:30. He had waf in hearing aid +  
 had new tube put on. Cost \$20.00. He visited  
 Fred Cunningham at hospital. Fred moving  
 to a care center for two weeks. His daughter  
 + son-in-law come to check his home + I gave  
 them Fred's mail. I went to drugstore  
 for medicine + grocery shopped at Wangyarden.  
 Our neighbor Hilda Christensen brought us  
 potato cream soup + rolls from ward social  
 last night. I make fruit salad for brunch  
 at Club house tomorrow. Evelyn called. She  
 worked all day. Has runny nose - eyes +  
 sore throat. Probably sinus problem.  
 April 19-03 Saturday Sun shine and  
 warmer. Up + showered - dressed. Called

5/34

Evelyn and she is feeling some better.  
 She is taking her grand kids to Wash. Terr.  
 Telephone to see "Wizard of Oz" tonight.  
 Edward + I went to Clubhouse for hot lunch  
 Easter brunch. Good variety of food. more  
 than I could sample. Edward won the  
 table decoration. Easter egg tree. a nice  
 group attended. Kathryn + Larry Young  
 sent me a beautiful easter card  
 bouquet. She is so thoughtful.  
 Beth Wardle called to tell me Wanda  
 Jones isn't having surgery Monday. She isn't  
 eating well or walking + she is in a ~~bad~~  
 mental state. I called Kathryn and  
 thanked her for the beautiful flowers.  
 She has two of Aaron children and Sharon  
 + Heather has two. Amy - the mother is in  
 jail. Don't know where Aaron is. Harry  
 will be home from Ariz. next Friday. He will  
 oversee the Walmart store - (construction). I went to  
 bed early and Edward watched jazz here.  
 April 20, 03 Sunday. Easter Holiday.  
 Warm and sunshine. Lovely weather.

5/38

We went to Sacrament meeting  
5 youths spoke + two song. Nice program.  
I baked a ham while in church. We came  
home and changed clothes + left about 12:30  
and went to Marlene + Whitney's for Easter  
dinner. Took ham + olives. Her parents  
and brothers + sister + kids + Uncle Ray were  
there. We enjoyed a lovely meal. Ham,  
Chicken, veg. noodle soup, veg., salad, rolls +  
fruit cobbler. I gave Evelyn a bath set,  
nylons + hand cream. Gave Marlene pillowcases  
and nylon. We wrote her a \$50.00 loan to go  
to school. She is getting a permit. Whitney said  
his mother + her brother traded land. He has the  
land west of Whitney's house + she got the land  
east of the house + up the canyon. She is going  
to sell the small piece of land down by the road.  
They can't build until she sells that land. We  
said goodbye + drove through Wash. Terrace +  
couldn't find the care center that Fred is in.  
Sheila thought they had locked themselves out of  
their house but after 2<sup>nd</sup> try with keys, he got the  
front door open. Bruce called to say "Noggy"

Easter He had talked to Tami and she  
had to have Gall bladder surgery. She had  
the sound and going to have a girl and they  
are excited.  
Monday April 21-03 Nice spring  
day until late afternoon and then  
cold. Got homework done + made scalloped  
potatoes + ham. Jessie Dealy went with me  
to Zine Brite. I went to C.V. to transfer  
money to checking for the check to Marlene.  
We went to Stringtown + I bought a  
spring door decoration for Evelyn's birthday.  
Bought folding chairs. 2 for \$10.00. Put gas  
in car and in can for lawn mower.  
We got the lawn edged + mowed grass.  
Trimmed more dead branches from Palae  
tree + I should show to dumpster.  
I took Jessie to McKay Hill Hwy. to have  
her memories again. Edward outside painting  
a picture. I'm tired tonight. So bed early +  
Jazz last again. Dad called + they got home at  
Tuesday April 22-03 Rain in night  
Overcast this A.M. made banana nut

08  
RAIN.  
53/44

Bread & cooked prunes. Edward painting a picture. Called Becky Knight to have a Perm on Thursday. Forgot to add that Bud said Jim & girl friend are splitting & he is looking for an apt. He hasn't had a successful love life. They spent time with their grandson on Saturday. Home on Easter day. Sadie had called & she had grandkids last night. She still isn't feeling very good. She said Garter was sick. I talked to Shannell & her mother Wanda. You isn't doing physically well & going into a care center for a month while Shannell & husband goes home for awhile. I gave Wilda Christensen a loaf of banana bread. She has given me food. Dan Bruce called. He has a book signing in St. George 31st May. I called Betty & Druvin Orrell to make arrangements to stay with them. He had no PSA test & it is stable. The trip to Wyo. to bury Russ was fine. Weather cooperated & it was for family. Evelyn called & feeling better. Garter probably has strep throat & on antibiotics.

He was feeling little better tonight.  
April 23, 03 Wednesday Cooler - overcast.  
After breakfast I went to Ogden to my friend Melba Bruce Larsen and got two pictures & two newspaper clippings - picture of dad's school motor in front of Coe school house. He about 10 yr. old. Clipping of low Ward Berkepe with Lt. Uncle John G. Larsen. We had fun looking at picture albums & talking of old times living in Coe. Stopped at IFA for bird feeder & bought 2 flower plants. Prepared lunch. Read paper. Edward out painting on picture today. Fred Cunningham's daughter came for kids mail. He is in care center & seems to be improving. Evelyn called & we chatted awhile. She was going to Family History center to look at a film. We watched a "shotgun western" on T.V. Then to bed.

4/26/03  
April 24, 03 Thursday. Warm - sunshine day. After breakfast I went to Becky Knight for a hair cut & Perm (\$27.00) We had a good visit. When may move in July & pay in June?

Went to Kings & bought Billroosen +  
visited my cousin Naomi. She is busy with  
volunteer work. Bought a few groceries at  
Wonggarke. After lunch I vacuumed +  
dusted car. Planted 6 more flowers +  
put fertilized water on them. I took a  
loaf of banana- nut bread to Phil + Phyllis.  
She has sciatic + he has gout in foot +  
looks bad. Edward outside in studio painting.  
Got films back of Christmas, try to make  
and up to see Gene Hansen + etc. We ate  
and I went to bed before 8:30. Tired.

April 25, 03 Friday Nice weather but  
breezy. After breakfast + house work  
I visited some of (Billie) a neighbor flower  
garden by our fence line. I told her I cut  
some of her garlic plants out. She is on oxygen  
and weak. She loved to take care of her flowers  
but can't now as she would faint. Edward helped  
me bag them. Prepared dinner and rested.  
I called Sami + we chatted awhile. Her  
baby isn't due until summer. I told her we  
was excited she is having a girl and to invite

Then to the Sara family reunion in  
July. I tried call Jeanine - no answer.  
I trimmed dead branches from two flower beds  
for Billie (neighbor). I took chicken to Jessie  
+ Howard for a sandwich. She gave us celery,  
celery and trail mix. She is a good neighbor  
and friend. I took in bed as I was sore  
and stiff. Sam Bruce called. He has to  
work Sat. morning and a book signing at  
Walmart in afternoon. He had done some  
yard work. He asked us to come w/ Beth  
walker called and we chatted awhile. They  
went to Calif. to Phillip's wedding last month  
and had a good time.

52  
35 April 26, 03 Saturday - Cold stormy breezy  
morning. Edward had leg cramps twice in  
the night. Disturbing both of us. He took a  
Quinine pill three A.M. Valerie called and  
Methodist church sale today. She + Barnett  
was going. Edward went. I took Jessie  
Kealey with me + went to Church House to  
Word B.S. Women's Conf. A lovely brunch.  
Ham, rolls, fruit plate. musical program

a talk by Carol Bruce and Mrs. Nedra Wright. We were home by noon. I went to the Chivalry Club & bought a pack of stationery, clothes, books, Sewing - wrapping paper, & etc. Came home and got my laundry done. Sun shine in afternoon. Evelyn called. She was going up to market as the boys had a game & she was going to a baby shower. Clay lost his job but he thinks he has a job at Wilkerson Court in Morgan.

He never took the job in Rock Cross. This is probably a blessing in disguise. Hopefully.

Jack & Valerie came to visit in the evening for a couple of hours. Good to have them here. They had beer to Utah Noodle to eat. I served candy cake & ice cream. I went to bed early while Edward watched jazz even by 3 points.

April 27, 13 Sunday Cool morning.

Sun shine afternoon & little warmer.

We attended Sacrament meeting.

Bro. & Sister Paulson of Ogden Temple Presidency spoke of temple & Nauvoo. They served a mission there & Glenair, Colo. Very interesting.

Jim Bort played beautiful organ medley. After dinner Arlene & Don Remington came home teaching & gave lesson about temple attendance. They are such fun to visit with. Evelyn called & talked a few minutes. She said Clay may go to work for Berry Creek in Theafer. Grandma Fox is close friend of the owners. Marlene was at her folks and wanted to speak to me. I told her to cash the check as the money was in the bank. She said she would probably send it back as started to cry and said she needed to spend more time with the boys. She thanked me for the pillow case & soap. I'll try and call her tonight. I called Janabea and talked awhile. All ok at their place. Kids are well.

April 28, 13 Monday Little warmer A.M.

Sun shine. I found digging weeds from Bullard (neighbor) flower bed except for bagging them. Wound and ironing. Edward painting on a picture. Evelyn called & she is to get a perm Wednesday. She & Bruce are leaving for Knah & St. George on Thursday.

57  
35  
44

and be back Monday. I called Marlene and she decided she can't spend time away from the kids all summer unless she can get someone to watch them. I told her to destroy the check (burn it) if she isn't going to school. Jazz last.

48/39  
April 29, 03 Tuesday Beautiful clear day w/ hot late afternoon + looks stormy. Edward went to Marriott to do all day painting + had to come home as he forgot his paints and brushes also his crutch. I went to Sears and took the little hand vacuum as it quit charging. They couldn't find where I charged it last Sept. so they gave me a new one. So nice of them and I didn't have to send it to the factory for repair. I bought a few items at Dollar Store and few groceries at Stop + Shop. I finished digging the weeds from neighbors flower bed + we put them in garbage bag. Fred's daughter came for his mail. He may come home in a couple of weeks.

Bonnie + Boyd Spackman come home teaching. He is going to redo our sprinklers - talked to Bruce and he got his new computer. Nate + Brenda in town looking for Nate a graduation suit. Max + Judy thru with their mission tomorrow. Evelyn called. She was walking with another person in hallway at court house when this dirty, unkempt person asked her if she knew him? She didn't + he was Patrick Dillon - (Kathleen's son). He is 43 yrs old + hounded in from Calif. Evelyn called Bruce + they checked to see if he had a police record in Utah. Now - they took him to Ogden to St. Anne shelter. She gave him \$7.00 to eat. He had no coat only 100 of cigarettes. He has been in Calif. 14 yrs. Hope he isn't trouble for the family. Kathleen was afraid of him - why did he show up in Morgan? Because Kilo's family is there. a concern. Wind blowing tonight. We went to bed early.

57/37  
April 30, 03 Wednesday Cool morning. Sunshine. After breakfast Edward hung new vacuum charger on wall + we put handle on + hung vacuum to charge.

I raked Belle's flower bed & it looks better. Still some grass among flowers but the bending over is to hard for me. I got some work done. Edward had been sewing & etc on a project of something & now he hurts and give out. He make himself a job and pay for it. Besides it isn't important the thing he is repairing. Evelyn called in evening. She had a perm after work. Clay helping David doing electrical work (pulling wires). Gizz lost. I have auto sprinkler working. One is wrong.

<sup>45</sup>/<sub>3</sub> May 1-03 Thursday. Rain showers. Sun shine. I worked with sprinkler control. Still can't get one to work. After house work I went to C.V. Checks are deposited. Paid rent. Bought items at drug store. Evelyn & Bruce left for So. Utah for 4 days. I had weeds out of flower bed. Cooked dinner and supper. Read & watched some T.V. news and Pres. Bush spoke from a ship. (Abraham Lincoln). Major military action in Iraq is over. Lot of work to restore government & secure peace. Jessie Rudy visited.

May 2-03 Friday. Sun shine. Pretty day. House work done. Dusted furniture. Make Banana Nut Bread. Put a little fertilizer on the one big bed spot on lawn and watered it down. Kathryn had picture in paper of memorial of Deep dying 2 yrs ago today. I went to Fred Meyers and bought 3 flower plants. I bought a few groceries at Wangyale. I planted the flowers and dug up dandelion plants. Nilda Christensen came to visit. She said the house next to us has sold to people from Preston, Idaho. I called Bruce & he is working tomorrow. We may go to see them Sunday. I'll take chicken Enchalladas. If it's too stormy we won't go. Lambie are in Nauvoo & going to see Ben on Sunday. Water off all evening.

May 3, 02 Saturday. Windy. P.M. rain. I got house work and laundry done. We went to Michaels and Edward bought a tube of paint. We visited Fred Cunningham at Care center and took his mail. He may stay there several weeks. Bought a few items at grocery store. I made the filling for the

Exhilaration. Shortened Edwards Coarsells +  
and some mending. Watched horse race - 1 Kentucky  
Derby. The favorite lost.

Rain May 4, 03 Sunday Overcast + then rain.

55°  
43 I made the enchiladas + we got  
ready + left at 10:40 A.M. for Creek Valley.

Met the Bruce's at 11:40. I put the food  
in oven to bake. The family got home  
from church at 12:15. Nate was dressed  
in a tuxedo. He had worn it to the Senior  
Gown last night. He had been to a party,  
rats, dance + etc. He took a girl from  
Madison. 16 yrs. + sic. in his family.

After dinner + visiting we went to the  
house. I helped Bruce pull new carpet  
+ padding. He has a lot to do as the  
carpet layers will be there Tuesday.

I think Hank will be home Thurs. or Friday.

We left at 2:30. Met in a heavy hail  
+ rain storm in Logan. I pulled off the  
road until the worse passed. Little  
rain in Canyon. We got home at 3:40.

Bruce gave me a planter of flowers.

Suzie + card for Mother's Day. It is  
so thoughtful. Rain on and off during late  
afternoon + evening. Evelyn called about  
6:00 clock. They had just got home from  
St. George. They had a nice time. She visited  
mom and Judy awhile. They went to Frank  
and stayed overnight with Paul, Mike + wife.  
Went to Pipe Springs, Mesquite - Spring City  
Marlene + then home. She buys + family at  
Sibleys except Clay.

57°

May 5, 03 Monday Partly cloudy.  
Little cool. Bot house chores done.

Put a beef roast + good vegetables  
in oven to bake. Sent Evelyn +  
Marlene birthday cards. After dinner  
I went to Fine Points to drugstore and  
Wenger's for groceries + etc. I went to  
Walmart and bought Evelyn a blue-flower  
dress for her birthday. Got Marlene a T-shirt (pink).  
Talked to Ruth + Lee Peterson at two stores.

Went to Club house with Stella Christensen +  
got assortment of cookies. Took a job to Healey.  
Jessie has R. arm swagged to help reduce

swelling. Should wear it two weeks.  
Evelyn called. She is thinking about cancelling  
the trip to Nauvoo next month. So much  
work waiting for her when she gets back.  
Clay hasn't got a job yet. Needs to take  
more Resumé's to work places.  
May 6, 03 Tuesday Sunshine. Little  
cool. After breakfast and house work, I  
washed a batch of dark colors. wrapped  
Evelyn + Marlene birthday gift. Sorted  
pictures and article about Cove, vital and  
sent a group to Bud. Giving some to  
Evelyn and Bruce. Edward repaired rain  
drain. He is out painting a picture.  
Destructing tornadoes in Mo. + Kans. Town  
levelled. Loss of lives + property. Evelyn  
came after work to visit. She ate  
supper with us. We gave her a blue  
dress for her birthday. She left at  
8 o'clock. I received an invitation to our  
60<sup>th</sup> High School reunion in Smithfield on  
May 24<sup>th</sup>. Took it to Sheli Rasmussen  
to read. I was all visited. I met the

couple that might buy the house next  
to us. Kellerin from Breston, Ill. She knows  
Sherwin, Karen. Bruce called and the  
carpet layers have worked all day and will  
be there tomorrow. Bruce + Brenda also  
bought the kitchen table and chairs \$495.00.  
He is excited to move in his house.  
May 7, 03 Wednesday Evelyn 57<sup>th</sup> birthday.  
Rain She called at noon to say she received  
her birthday card. David called her to  
say "Happy Birthday". She said Bruce didn't  
sleep well. I got a batch of laundry done.  
Edward couldn't get phone to work and we  
went to Radio Shack + bought another one.  
Couldn't get it to hang + took it back + the  
guy changed something. Came home and  
couldn't get a dial tone as the panel on wall  
where the jack fits in is broken on one  
side. I went to Radio Shack to call Best Repair  
service. Don't know when they will send  
someone out. I called Evelyn to tell her we  
don't have phone service. Rain shows we  
can't cut grass. Received graduation

66  
33

Announcement from Nate. Received a call from K. Mills. He wanted Evelyn's phone #. She sent him a card for his birthday & he wanted to call her on her birthday. There is 9 mo. different in ages. told him to say "hello" to his mother, & we would be by the summer.

54: May 8, 13 Thursday. I missed going to the temple with Phyllis & others but I wanted to be here when phone repair man came. He got here at 10:10 A.M. Had to put a new circuit plate on wall and the jack was broken. We put old phone back on wall. I returned the new one to Radubuck & the salesman called me a liar without saying it. He said I put the plate on back of new phone & he didn't. It would of been there had he done it. I told him he didn't & he said he did. I got my money back & left. He was the liar. Edward said he didn't put anything on the phone. I went to the store again. I went

to Wally's & returned her pictures I took copies of. She & I want to go to our 60<sup>th</sup> call reunion. Hope we can. Came home and I edged & mowed the lawn. Edward held the rock for me. He said he didn't feel good today. Got grass swept off sidewalk & sto & stoeds mowed. Sun shine this afternoon. I visited Dally awhile. Her arm is losing flesh and she is glad Evelyn called. She & Bruce are going to Park City to the clinic where Marlene works to see a doctor about Bruce's lungs. Evelyn said he doesn't feel good and constant coughing. Hope the doctor can help him. She did talk to K. Mills. They have 16 grandchildren so far. Berice called from ~~May~~ his house. His phone is in. She flooring is in. Carlo & Nate helped move beds in. They took the old sink out of the laundry room. They have a lot to move yet. The new table & chairs was delivered. He has Friday off to help move.

36/45  
Friday  
May 9, 03 Edward 28 birthday  
Rain during night today. We went to the  
Brethren Church sale. Edward bought sharpened  
saw blades & clamps. I bought Christmas  
Ribbons - Toys. Stopped at two garage sales  
& nothing. Stopped at grocery store. Came home  
and ate late breakfast & done housework.

It is raining all afternoon. Talked to  
Evelyn twice. Peter called and Bruce  
has sleep apnea. He has to go into hospital  
to have the test. He probably will have  
to be on oxygen. She said Clay is working  
with Blake. They can travel together to  
work. Marlene said Mr. Herold from  
Las Vegas called & offered to buy their  
house in Las Vegas. Maybe they can  
strike a deal. Hope they sell it.  
Don't see worry for them. I called  
Brenda & Bruce at their house. They have  
the frig, washer & dryer in. They were  
sweeping cupboard. They have utensils, food,  
bedding, towels etc. to move in. They are  
excited about moving in.

46/35  
33 Rain  
Saturday  
May 10, 03 Marlene 33<sup>rd</sup>  
birthday. Rain early A.M. Evelyn called -  
she won't be down. She had grocery shopping -  
cleaned house - made rolls. Bruce not feeling  
very well. I called Marlene to wish her "Happy  
birthday". Whitney home water tomorrow.  
She is going to look for the phone I gave her.  
I'll use it as she sent. If the doctor decides  
to buy their home in Las Vegas they may fly  
down to make arrangements. Hope the sell.  
I went to grocery store (Wenger's). Talked  
to Bob Knight and Bluen getting married in  
June and Jay in July. Bucky will be busy.  
We went to Michael & Sean. Edward bought  
a saw guide (\$50) Heavy traffic on Riverdale  
road. Sunshine this afternoon. Warm.  
64/38  
Sunday  
May 11, 03 Sunshine - Warm.  
Bruce called to say "Happy Mother's Day"  
He gave me flower planter, guggle and  
a card. They stayed in their home last  
night. Moved his bookcase & computer  
in big laundry room instead of kitchen  
kitchen. more room. May & July get

Home around noon or so & glad to be home. They got released by State President. Their son Steve & boy & Silvia came to greet them. They gave Brenda their sofa that needs to be cleaned. They called Ben early A.M. We went to Sacramento meeting and it was interesting. Mr. & Mrs. Vandergreiff spoke. The mother received a lovely basket by Neil & Maxine. We went to Evelyn & Bruce's for a lovely homemade noodle & chicken & rolls & etc. Had a cake & soda pop. All the family was there except Witting. Bruce has a bad cough & looks bad. He didn't visit. I left for Marlone & she kept us entertained with Judd stories & more. We said our goodbyes. Evelyn gave me a ceramic shoe with pretty roses in it & a pretty card. I gave her a wall hanging - Spring. We stopped in ~~the~~ car center to see Fred Cunningham & the fire department was moving him to the hospital with much chest pain. His daughters said it could be cancer, pneumonia. Called at Bruce's - No answer.

90° at home

12/45

May 12, 03 Monday. Mild. Sunshine. Left later than usual. Cooked breakfast. But house work done. One batch of laundry done. Edward outside painting a picture. Evelyn called and the doctor has ordered Druggen for Bruce. Don't know how he can work and use the tank. Bruce is depressed. He hasn't felt good for a long time. I bought a few flowers, two tomato plants, one cherry tomato, one squash & 3 pepper plants. Got them planted this afternoon. Bought soap & paper supplies at Fred Meyer. Jessie Nealey visited and invited me to eat banana cream pie tonight. Wanda Jones daughter. Shenna Dean called and said her house is sold & Wanda will be moving to Emmerich Estate on N. Wash. Blvd. next Monday. Shenna Dean has been here 4 months taking care of her.

69°  
49°

May 13, 03 Tuesday. Warmer spring day. After breakfast & housework. We went to C.U. to card refund check from Edwards. We

we went to Shavers mart + the man  
cleaned Edward's shower. No change. we went  
to Dr Saffer + Edward saw him. He gave  
Edward Vixy to take a week for H.P. pressure +  
see him in a week for a checkup. we saw  
neighbor Fred Cunningham at Hospital. He has  
lung cancer in right lung. Cancer seems to  
be spreading. He may have more radiation.  
Came home. We left car at Dale Clifford  
for a checkup. He brought it back and  
ate lunch with us. I took him home.  
He gave us 3 trout. (No problem with car.)

I went to C.U. + put the money back in  
savings that Marlene was going to borrow.  
She didn't use it. Evelyn called and an  
oxygen tank was delivered for Bruce + he  
has to have it on at night. He goes into  
Hospital Wednesday night for Sleep  
Apnea test. Edward went to Julliet Club  
meeting + demonstration. He is getting 3 paintings  
in Red cross bldg. in July.

May 14, 03 Wednesday Warm spring day.  
Saw show. I changed bedding + washed

+ dried clothes. Got house work done.  
Wiped inside of vehicles. Edward outside  
painting a picture. Fred Cunningham daughter  
called + he has a blood clot in lung and may  
have some in legs as they are swollen.  
Evelyn called about 1:00 clock and she was  
upset and didn't go to work as she is so  
concerned about Bruce as he is getting worse  
and he was talking about dying. I suggested  
she take him to emergency, but he is stubborn.  
He'd even went over to school to help unload  
grocery supplies. They called Marlene + the doctor  
wouldn't be in until 2:00. I'm concerned  
+ hope he will seek help. I called Evelyn  
at 7:15. She said Bruce went to hospital  
to have the Sleep-apnea test tonight. He tried  
to call Kaucher + he didn't talk to Bruce +  
the doctor in Park City was upset that Mr.  
Kaucher didn't talk to Bruce. Hope the test  
will help find a cause to help Bruce.

74°  
55° May 15, 03 Thursday. Warm spring day.  
After breakfast + housework I trimmed  
and mowed the grass. Edward held the

bag while I put grass in it. He hasn't felt very well. He said he was weak.

I went to Wangeards for a few groceries. Phyllis Reamus visited awhile. Evelyn called & said Bruce didn't hardly sleep last night. He had to mang monitors on him. He came home this morning & went to bed for awhile with oxygen on.

Bruce called to get a phone # of Claire Revott. The old group was to get together tonight at John's. He called Steve and no answer. Eclipse of moon.

May 16-03 Friday Rotten breezy but nice. Got the black clothes laundered and put away. Boiled potatoes, cauliflower and make sweet-sour pork ribs. Edward said he blacked out again. There is something wrong for him to do that. I made appointment to have my teeth checked & cleaned and complete physical next week. I took Jessie & baby to her physical therapy session. We were gone for 2 hours. I then took Edward to the

Order to look for a shower. We went to Walmart and he bought shower heads. He had to get a wheelchair as he kept having blackouts. When we got home he put the painting supplies & etc. away. He had a project to do this morning. Remodeling a different paint box. We didn't go to the neighbor's lunch as we were too busy.

Evelyn called & maybe Bruce has a throat problem. Another symptom to check. Sky and David & Adrian are going to the B.S. Wrangler program tonight. Marlene is going to watch the kids.

May 17-03 Saturday Overcast. Not cold. I left here at 9:30 A.M. & went to Valerie. Met Madelyn & Evelyn & the four of us (Madelyn driving her new Chev. car.) went to Linda, Mad - By Pleasant Home to Virginia Kristoffersen Rymans place. She lives in his apartment in bottom of her daughter's house. We also met Sky Sybil (Klens wife.) He died & she removed.

66  
50

Her three daughters, Cheryl, Sheri Sicking & Glanae. It was so much fun to meet them & to get acquainted. We talked of family, genealogy - looked at pictures - she showed a lovely house. Dried salad, veg. tray - milk - cake. We visited 4 rooms. Came home & delayed on freeway 40 min. because of a wreck. We all got home ok. Our son called & he was at John Brockbank's to a social of old friends - Clara, Elsie & Mary. Evelyn called and she will go with us to Hyde Park as Bruce & Ray are going to Brentville to race. He is coughing hard. Edward went to a yard sale. Jack called him to check on him. Valerie has a pretty kitchen now. New countertop - stove & paint. I put sprinkler on about 5 min. tonight. I went to bed at 9:30.

May 18, 03 Sunday We were up by 6:00 clock. Not ready to go to Hyde Park. Evelyn was here by 7:25. We got

2477 25  
 59  
 42

to Bruce at 8:30. The flooring & carpet is very nice. We all went to Church house. Max & Judy Lesh gave their homecoming report of their mission to Indiana. Interesting. Their mission Bros. daughter says a pretty story. Big crowd. Family & friends went to Rambo for a brunch. Fresh fruit, muffins rolls, drinks. It was cold outside. Stiff breeze. Later we went to Bruce to visit & rest. I left Nate's graduation card & money. We all went to Rambo to eat a big lunch. Salads, EG, beef sandwiches. It was good. We said our goodbyes & drove to Mantua - no one at home at 4:00. Came home & Evelyn left by 4:00 clock. Evelyn called about 5:15. On her way home she went to talk with a lady cr. woman & told her she needed help with all the work and she can't do more and no help, or back up. She lady said she would follow thru and get someone as she could see Evelyn was under stress. She said don't quit I try to help. I'm released and see you Evelyn. I told her to keep the "iron in the fire" to get help. Evelyn looks strained & tired.

Petty & Armin Drigell called to ask if we were still planning to come down the end of the month. They are still looking at houses. She has an appointment with a heart doctor to check x-ray of her heart. Plus she has a constricted lung.

I returned Elaine Jones's phone call. She fell on her tail bone & hurt it. She got dizzy & fell helping Howard in garage. They went to yard sale at Wanda Jones & said she looked confused.

10/3  
May 19, 03 Monday <sup>PROST</sup> It froze the leaves on a few little flowers & the squash plant. I covered the tomato plants last night and glad I did. I put liquid fertilizer on veg. & flower plants this A.M. Evelyn called and she is taking Bruce to the doctor in Park City & may go to University Hoag in S.D. She will call later. I also hope she can get help at her job. Edward is outside painting pictures. He said he might go to Golden Home Center to

paint. I hope he does as it will be interesting for him. I got the paint out and trucked up some bare spots on cupboard doors. Bruce called to ask about Edward & Bruce. He said Nate was surprised with graduation gift & plan on sending "thank you" card. Bruce has a water leak in basement. I called Julie to ask if she wanted to go to store. She said yes. I helped her get her arm sleeves on. We went to Peter Aid and Wang's yard to shop. I planted a back cube. my squash & few flowers got frost nipped. Marlene called around 7:00 clock to tell us her dad was in Salt Lake Hospital and very sick. He may have cryptic fibrosis. She was on her way there & will call later when she has more information. We are very concerned. I tried calling our Bruce - no answer.

I got a call from a lady in Richmond about Dad & Budi's name on war memorial & whether their names can be added to it. She is checking for me.

68/39 May 20, 03 Tuesday Clear warmer day. Edward up early. He went to Golden Hour Center to get a while. I called Evelyn at 7:30. She & Bruce come home at midnight or later. He had tests and a Pulmonary specialist was in hospital and he checked Bruce & told them to make an app. next week for extensive check. He made an exemption or it would of been an aug. app. Bruce is on anti-biotics to help clear up an infection. He was going to school not to work but a meeting. Evelyn was going to work.

I had a complete physical at Dr. Michaelson's Clinic. Blood - X-Rays - Pap smear & etc. He said he was going to Montpelier for the 63rd class reunion. He also started me on Quista. He gave me a month supply. I also had my checkbook checked at First Am. C. U. by Barbara Hansen. I have it folded up. I put 500.00 in checking to be on safe side. Evelyn called afternoon and

Bruce has a sinus infection, Hyatal Hernia plus a lung infection. If it clears up then he won't have to have the test. I also talked to Marlene & she said the same thing. She had the day off. Edward cut more wood the size of pictures from the wood panel he bought. I helped & helped clean up. I served a dish of ice cream to Neely, Mrs. East & me. We sat outside to enjoy the sunshine. Fred Cunningham's daughter came to get her dad's mail. He isn't doing very well.

May 21-03 Wednesday Up early - Edward said Dr. Saffer. He had blood drawn - E.K.G. wt 170". He wants to have Corbair Artery checked & Elec Cardiogram. We waited Fred a few minutes. He is weak. Come home and ate breakfast at 11:00 clock. I uncovered tomatoes & squash. Watered some lawn last night & this A.M. Evelyn called & Bruce didn't cough as much the medicine is helping. He went to the school & they sent him home to recover. I went to Dr. Vozge to have my teeth cleared & X-Ray. I tried calling Bruce. No answer. He called

And we told him about Edward's doctor app. They are still working in the house. Nate graduates from LWS Seminary tomorrow night. Bruce invited us but Edward has the 4:00 clock doctor app.

May 22, 03 <sup>wed</sup> ~~thurs~~ warmer  
Went to see Joann's Dadley & had thyroid check up. Reduce the Synthroid to 6 days & stop Sunday.  
Blood Pressure - high (154/84)

Check it each week for 6 weeks when I go in for another check-up.  
Edward bought more gly wood 58<sup>th</sup>  
Eudyn called & Bruce home to rest.

May 23, 03 ~~thurs~~ warmer.  
Edward had Carotid artery checked at Cy. Reg. Hospital late afternoon. I mowed the lawn & Edward held the bag to help. I watered the lawn. Eudyn called and she is facing herself on the job and Bruce is doing better. Not well. Marlene called & we had a nice chat. She was enjoying the weather. She works

10 are a day 3 days a week. Her boys are out of school tomorrow for the summer. Nate graduated from Seminary. May 23-03 Friday Not day. Edward had Echocardiogram at Cy. Reg. Hosp. Heart unit. Later we visited Ned Cunningham. Stopped at garage sale. Nellie Beanfield was there to help her daughter-in-law. I bought a child book & toys. Took Edward to Cals to buy a brace & screws. He is putting more support for a shelf & kept blacking out. He tries to care for things around here & hasn't got the energy. Jessie, Virginia & I sat outside to visit a while. Eudyn called and said Jo had ovarian to doctor & he said she might have cystic Fibrosis. They need to get a test & etc. to find out why she has a running nose. She doesn't cough. a concern for them.

90/51  
#1  
May 24, 03 Saturday. We left here at 11:30 & I left Edward at Bruce while I went to Senior Center in Southfield to my 60<sup>th</sup> High School Class Reunion. Some I knew & others I didn't remember.

I was interesting to visit and look.  
Some are really aged. Grey hair, false teeth & wigs  
& wigs. A Dutch oven dinner was served and  
it was good. Potatoes, chicken, green salad, fruit  
salad, rolls, drinks & fruit cobbler & ice cream.  
I was a potato salmon & greenism. I went back  
to Bruce to get the flowers, Edward & Bruce went to  
Richmond Cemetery to get flowers on mom & dad & grand ma  
& Brenda Hansen's grave. Bruce bought us a treat  
at J.D. Driacorn. We stopped to say hello to Jody  
Lamb & see their new white chrysler van. We  
said goodbye & drove home. Went to Clubhouse to the  
tail end of the Park Association Party. Mexican party.  
South wind & dusty & little cooler.

May 25, 03 Sunday. Hot afternoon. We went  
to Sacramento meeting. Edward & I went  
with Bruce to cemetery to get flowers on Janice  
grave. We ~~met~~ met Connie & kids there and visited.  
We stopped at Dennis Davies to get a book & tape.  
I gave Bruce 12 books to help on his writing. We  
left for home. Ronald & Janice Healey took us to Walker  
Carral as a treat. So nice of them. Later I watered  
the neighbors lawn & over the. Christy brought Eudyn

8/62  
called this morning. Nothing new.  
May 26, 03 Monday. Jun 58 Wedding Ann.  
Plus it is memorial day. Weather is  
hot. Eudyn invited us to a lunch at 1:00 clock.  
We went to Michael's & Edward bought 4  
tubes of paint. We went to Eudyn's and  
she had ham, hamburgers, baked beans,  
Potato salad, & etc. for the lovely meal.  
I walked over to David where he and  
Adriana was installing a chain link fence.  
I asked Bruce how he was feeling and he  
said "I'm alright" without thinking I said  
"you're a liar" & Adriana said "he sometimes  
doesn't tell the truth". I should not of said  
it. He never carries on any conversation  
with us. We feel very uncomfortable around him  
like he doesn't want us around. Like we are  
a thorn in his side. We left after eating.  
Just driving in the driveway as Lee & Pearl Stanger  
drove in. They visited an hour. He just had  
his 89th birthday. He looked tired. Later I  
tried to clean the grass out around sprinkler  
heads. Have more to do. Just a busy day.

88

May 27. 03 Tuesday Left car at Doug Seay's to have ap. + etc. checked. Took flowers to mom + Dad + Ben + Doyle + Grace. Got laundry done. Cut more grass + sprayed around sprinkler heads. Edward painting. Put heavy bedspread in closet. apc motor not replaced. \$137.44. Doctor Saffer nurse called + needs another test.

May 28, 03 Wednesday I called nurse Vivian and blood + cortisol test ok. Dr. Saffer may order a different test. I called Bruce last night to tell him I probably won't go to St. George. to hot + Edward doesn't want to go. Evelyn called + Darion had sweat test yesterday + Bruce has results of sleep test + will talk to doctor today. Spent more time teaching yesterday. He said he would fix our sprinkler to drain. Neighbors are moving in today. Evelyn called + Darion doesn't have syptic fibrosis and we are relieved. Bruce called + I told him we won't go to St. George. Ben has been transferred. Water graduation tonight. I grocery shopped at Wanggard.

May 29. 03 Thur. Brought a different house + will move in 2 weeks. I told them we would be down with Bruce. Bruce called and he is using mafia truck + will leave tomorrow and stay with them + back home on Sunday. Evelyn said the report of Bruce's sleep apnea is minimal. Use oxygen at night. moved the lawn. Edward watched basketball game on TV.

May 30, 03 Friday Edward getting pliers on paint boards. He still has blackouts. Bruce stepped + started and left us butter + cheese. He left at 10.00 AM. He is driving mafia truck. He will stay with Orgill tonight. They are anxious to see him. He is staying with Michelle on Saturday. Evelyn called to see how we are. He called at 6:00 PM from Orgill. He didn't have any car trouble. may need a tune-up. But will get it done when Bruce gets the truck back.

Donal Healey visited us awhile. He set outdoors the introduced church to the new neighbors last night.

Keller.

May 31-03 - Saturday. The weather is about  
10° cooler. We were up early and Edmond was here  
by 7:30 A.M. She had been to Walmart to buy  
a couple summer outfits. The three of us went to a  
church sale on 2<sup>nd</sup> street. I bought a new toaster and ~~some~~  
~~scale~~ scales. We went to the Eagle sale & bought a  
few items. Came home and had pancake breakfast. Vesta  
arrived & Evelyn went home as she had to watch Trace as  
his parents were working. Later I grocery shopped at  
Hug & Shog. Stopped at Wang's garage to return a car stereo.  
Got to talk to Callen & Glenn Kroll. She was limping and  
walking slowly. Just had a knee replacement. Did a  
batch of laundry washed & dried.

Mitchell & Bruce called at 9:30. He  
was enjoying his visit with her & the girls.  
Betty & Sherwin took him out to eat Fri. night  
and breakfast this morning. He gave them a race.
