Hello New year. What is in store for us this year? Breakfast but still usual routine for morning. Bruce called early to wish us "Happy New Year". He was going to use snow blower. Evelyn called to say "Happy New Year". They are going to Hawaii for Prime rib dinner. Bruce feeling better. Clay is home. Harrell, Knutson and hired man cleaned driveway, walks and made a path on south side of carport where the drains are to help them drain. I paid Harrell \$35.00 for last month's snow removal and today. Sometimes he doesn't charge. I saved awhile. Took a pr of slacks in and several pr. of garments. They are to large made my brain smaller. Sorted items in a garment drawer. Unplugged the outdoor Christmas lights and put some electric cords away. Cooking house work. Hokey. Late afternoon I watched an old western movie on K.V. for 3 hrs. while Edward at not table. Talked on the phone to my

 Rasmussen. We are all in the same
 situation - Close on this holiday.
 January 2-2010 Saturday. Not the cold and
 a few snow pellets fell. Blue sky and
 clouds. Not Edward in shower - skin

 us for Christmas. Beautiful voice. The
 player uses tapes, disks, records and radio.
 I bought it last summer at consignment
 store for \$100.00. She drove me to Walgreens
 on N. Ogden for skin medication. We went
 to Distribution center and I returned 2 pr. of garments.
 We looked three D.I. came home. They were the

chariot race. Edward at art table for awhile.
 We watched T.V. musical and "Dirty Jakes".
 Went to bed at 10:00. Edward's feet are cold. Poor
 circulation. But 4 hrs blanket on them.
 January 3, 10 Sunday. No shower. Dressed
 before Edward got up. He is weak today. Don't
 know the cause. He says he can't walk very far.
 I went to trotting meeting. Church starts at
 11:00 clock a.m. Went sitting back to Rose Miller.
 Visited with my friends a few minutes.

 feel well enough to go. His appetite is good.

 Edward was sitting in recliner all day.
 I did get him to exercise his legs.
