Baby Kopper Nellie was born Dec. 17, 1955.
She looks to be about six weeks old.
Picture most likely taken early February, 1956.

I started numbering with the back row.
I found it necessary to split Row 2 into 3 sections.

Dear Aunts, Uncles and Cousins,

Thought all of you would be happy to know we've finalized plans for our Dana reunion. It's going to be held Friday July 4, 1980, at the Lorin Farr Park (across the street from where Grandpa and Grandma Dana lived on Canyon Rd.), in Ogden, Utah.. I have reserved the park from 11 A.M. to 10:30 P.M. for that day. We will have a pool, kiddie rides, swings, slides and etc. at our access.

Our homes will be open to all of you. We feel we'd rather have you plan on helping us with the expense of the food rather than putting out money for the extra gas and shelter. If however you want your own privacy and want to pull your trailers, let me know soon and I will reserve a spot for you at a nice campground off the Interstate outside of Ogden for the rate of \$7.83 a day for full hook up, and \$5.94 for no hookup, plus 75¢ a day for each child over age 6 yr.

So make your plans NOW so you can attend. We are looking forward to seeing all of you. Talk to your boss and schedule your time off.

Save your dollars. Make plans to double up with other family members to conserve on gas while traveling, and PLEASE, PLEASE COME.

Bring an individual snapshot of each of your family members.

Love,

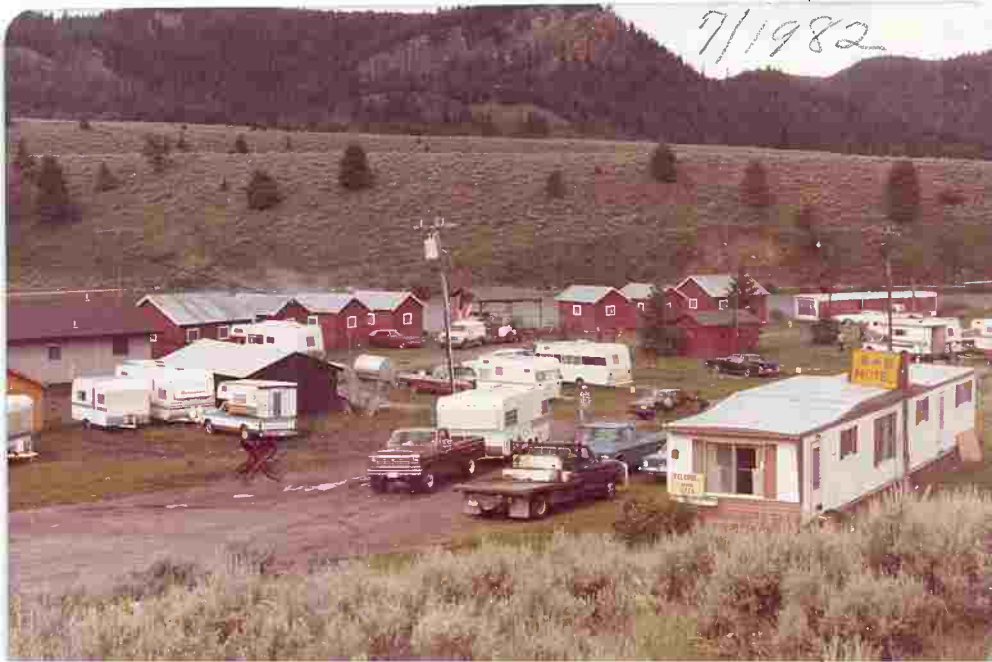

where & when - if you can
help me
