New Years Day. JAN. 1. 1995 Sunday.
Cold night last night. Edwards and I watched
T.V. new year programs. We ate treats. Went
to bed about 12:10 A.M. Cold morning. Lots
of frost. We attended all our Church
meetings. We thought it was fast day - Pat
visited us last Sunday. Meetings start at
9:0'clock A.M. Came home - ate lunch & rested.
Evelyn called. Marlene & boys stayed overnight.
Dallen has diahrea. She & boys went home this
morning. We went to Evelyns and visited
a couple hrs. We ate treats. I took films
of Thanksgiving & Christmas and the letter
& the newspaper clipping from Heidi. Bruce
was installing a light in front closet.
Blake, his girl friend Elizabeth & Clay was home.
We got home about 5:0'clock - Brad watched T.V.
Helen Moran called and we chatted awhile.

Jan. 2, 1995 Monday. Holiday because New Year was on
Sunday so some people don't work today. Cold
Hazy & cloudy. Our Bruce called to wish us "Happy
New Year". He was going to buy a battery for their
car today. He is going to drive the fork lift for
a fellow worker as the man had a heart attack
and will be off work for awhile. I've washed and
dried clothes. Vacuumed the rugs. Edwards
arm is feeling little better. He has bursitis. He
is bringing fire wood to the porch. After lunch I
went to Sears and exchange blue slacks for smaller
size and bought a warm fr. for winter. Evelyn was
at Sears also. We were surprised to see each other -

She had her hair cut & styled. She bought green slacks and a vest. She was going to Walmart. I went to Jolene's and bought Tessie's baby girl a flowered playsuit. I grocery shopped at Harmons. We gave Michelle Kenny $16.00 she is going on a mission to Wash. D.C. Leaves for MTC. Wednesday. Blessie Norain spent the evening visiting us. She brought us some candy.

Allstate Insurance

January 3, 1995 Tuesday. Cold morning. Clear sky. I got up early. I made cherry christ cake to take for "tasteri table" for R.S. work meeting. Edward worked in studio while I went to church house to help quilt. Vera Swann, Thora Hill and Velma Naef was there. After lunch Edward and I meet with Reed Bishop - allstate Insurance agent and we are being insured by allstate instead of State Farm. We paid the house and car insurance.

I smoke detector

We bought two smoke & fire detectors at Shopko & Edward installed them in hall & kitchen.
I went to Relief Society meeting. We had a guest speaker - Mrs Wilding.
She was interesting. We ate treats after meeting. Rose Ueling & husband moved to Pleasant View & the talk is Deann Muir has moved to Cinnamon Park.
Evelyn called to give us her new ~~work~~ phone number at work.

Dr. Neill

Temple

Hearing aid

Jan 4, 1995 Wednesday Cold. Wind blowing. We went to Ogden Clinic. Dr. Neill saw Edward told him to exercise. Come to see him in July. Got home & Valerie called to ask if we would like to eat lunch at temple and attend a session. We did and it was nice. The Celestial room has been refurbished. Beautiful. Saw Carrie Wahlstrom & Velma Naef there and spoke with them. Jack doesn't feel very good. We said good-bye & we went to the hearing aid business and sent Edwards aid to be repaired. He was using a borrowed aid. Wind stopped blowing - Clouds & snow flurries our mountains. Edward brought wood into the porch. I built fire in stove. The smoke detector went off as I burned the pancakes black. I thought I had turned burner off but it was on high heat. Smoke in house.

Right 2" snow

Jan. 5, 1995 Thursday 1" snow fell during night. Light flurries during day. I shoveled snow off driveway. Edward repaired the light in ~~basement~~ cellar. We had to use a different cord. Got housework done. Put B.C. spare ribs to cook. Studied S.S. lesson. John 1:1-18.
Evelyn called. She said all is well. Bruce working nights building for Doug. Evelyn has to go to the school to watch the kids playing basketball or recreation program. That is what Bruce was doing. She said Bruce supposed to get $2.00 an hour. I cleaned the driveway two times. I took a baby gift to Brent & Tessie Hansen. Tessie wasn't home. Brent was baby sitting. I talked, dressed & read the newspaper. Light snow fell all day. More expected. I called Bev and she is feeling better.

She said the Ensign came. I had it sent to them for a christmas gift. I read 8 chapters of John in the Bible. It's our assignment for Sun. School next Sunday. Edward & I went with Velma & Farrel May to dinner at Thora & Theron Hill Home. Mel & Ellen Rogers was there too. We enjoyed a chicken, potato casserole, salad, broccoli sweet potatoes, homemade wheat rolls and cheese cake. We visited during the evening. We had a lovely evening. Came home on snowy roads. Farrel backed in our yard & hit and tilted the wood fence. Snowing. Called for an appointment with Dr. Paul.

Jan. 6, 1995 Friday. Snow during morning. Edward used the snowblower for 2½ hrs. I used the snow shovel. Edward also cleaned Boyd Williams driveway. Last evening someone ran over & broke the mailbox post & smashed our mail & paper boxes. The knocked Mrs. Fergusons mailbox down. I called the postoffice & newspaper office. They will not run mail to Fergusons box until we get ours installed. This is the 5 mailbox to be knocked down.

After lunch Elsie Moran went with me to Dr. Paul's office & he talked with me about a hysterectomy. He called Dr. Merrill Godfrey & I go to see him next Tuesday. I returned 2 pr. of slacks to Sears & I bought a mailbox also. Edward has worked several hours tonight getting the boxes ready to put on the post.

Rain

Jan. 7, 1995 Saturday. Overcast. Light rain. 40°
Edward is stiff and sore from using snowblower yesterday. We worked on the mailbox post today. The ground is to hard to dig to put it in. After house chores & grocery shopped at Wanggards. 3 62°
I wiped dishes this afternoon. Evelyn called. She is watching the little boys while Marlene gone to the horse races. Blake & Marlene stopped by a few minutes on their way to the races. Blake said Elizabeth husband Jake she is divorcing called a threat to Blake if he kept selling her. I told Blake she is a risk for him unless it is love. He said it wasn't. Blake said a foot of snow has fallen in Logan. The canyon was bad most of the way down. Marlene will go home with her dad. Bruce hasn't felt very good. He needs more rest Evelyn said. Sami, Heather, Brooke, Michelle & husband Kelly called me from Connie's. The three girls thanked me for christmas gift. I invited them to come and see me. Geraldine Burk & Colleen had been to Connie's but had left for home. Michelle said they got lost last night coming from St George and went to Park City. I think they have to stay over at Susan's tonight & going to visit Helen's sister in Layton tomorrow and on to St George. Michelle said she tried to call her dad yesterday but no answer. The sun shone late afternoon. Edward said Boyd Williams & others were riding snowmobile & 4 wheeler in the Japanese field in back of house. made a mess of the field. Later I went outside & got cord & Mike McClinton was in the field. He said someone was going fast on a snowmobile and

Sunday Jan - 8, 1995. Mild weather. Snow melting. We attended all our meetings.
It was a sad day but spiritual as well because of the Rose family loss. Terry Lanier said she helped the Williams little 9yr. old girl. Covered them with blankets until medical help came. She went with the girl to the hospital as she didn't have a mother there + her step dad was critical. The snowmobile hit Jennifer Hardison Jahna car & demolished it. The snowmobile was impounded & probably have $1,000 damage against the driver.
After Church we visited Boyd Williams + his brother has face + head injuries a leg broken in 4 places. The girl has face injuries.
We visited Elaine + Howard + took them the Minutes of upcoming ward events.
We then visited Elsie Morgan awhile. Later we visited the Rose Family + gave them our sympathies. Hugs + etc / We have felt their sorrow + shed a few tears. We took them a loaf of homemade bread. Their parents + sister came just before we left. Edward called Bruce. Nate answered the phone. Bruce called later. He had been to a meeting. He is working 9:30 P.M. to 6:30 A.M. at the factory driving fork lift.
Brenda is ill. Flu & then infected ear.
Not much snow in Hyde Park. We talked to Evelyn. She was tending the boys as Marlene was with the men there in town to get the racing schedule. She was going to come and visit but couldn't find us home. She said Blake won his race Saturday. They have a lot of snow in Morgan.

50°/43

Monday Jan. 9, 1995 Mild + Cloudy. Few drops of rain. After breakfast I washed the bedspread + towels. Bev called to ask if I was going to town as she would like to go. I picked her up at 10:30. We went to Kinney. She bought Charlie a birthstone ring. ($30.00). I bought two pillows and a comforter to try also a blouse + vest. We went to Crest Store and she exchanged shoes. We stopped at Shopkos + she bought Charlie two pr of sweat pants + thermal underwear.
I took Bev home and got home about 3:30 P.M.
Edward put the mailbox post out by the road. He has boards + rocks holding it up until he can dig a hole to put the post in. I made a jello fruit salad for the Rose family. Edward said Evelyn called to ask how we are doing. I built a fire in the stove. Edward & I

went to the viewing of baby Jessica Rose. a beautiful little Angel dressed in her long lacy white Christening dress.
Edward said Valorie called + chatted awhile.

Saw Dr. Merrill Godfrey 1

Jan. 10, 1995 Tuesday. Mild - Cloudy. Rain After breakfast + prayers we got ready to go to Dr. Godfrey's office. I dialed the address + the time is 1:30. I thought it was at 10:30. I bought + put two new pillows on the spare bed. I put the old ones in the closet for spares. I tried the computer but it doesn't fit so will return it to Provo.

Haircut $9.00

I went to Kings in No. Ogden + bought paper towels, toilet tissue, shoe box, storage box, soap, fabric softener and wash clothes. I left the jello salad at the church house for the Rose dinner. We couldn't attend the baby's funeral because of Dr. appointment.

Jan. 11, 1995 Wednesday. Skies are clear and bright sunshine. mild temperature. Like a spring day. Washed + dried some clothes. I put the cardboard shoe box together + put shoes in it and got organized a number of shoe boxes. Vacuumed the rugs. Edward working in the studio. I went to Lucile and gave her an alcohol rub on her back, shoulder + neck. Washed her dishes + dusted the kitchen floor. She had been resting in bed. She hurts from her fall. No bones broken. After lunch I went to Wangsgards for a few grocery items. I talked to Carrie Wollerton + told her she is to have surgery this monday. She has got to have more radiation treatments. I vacuumed the car and rinsed some dirt + salt off. Boyd Williams brought a note to us. It was on his door. A lady said she hit the mailbox post + left her name

and address. to contact her.
That was nice & thoughtful of her.
Farald Naf broke the fence post out of the cement when he hit it.
I called Zelda Penner & they got home yesterday afternoon. They had a good time in Sacramento except for the rain. Lots of damage & flooding.
After supper I went to Glenn's mom and gave her back, neck & arm an alcohol rub. She said she was feeling better as the day went by.
Evelyn called to ask how we are. She said she was tired and relaxed this evening. Bruce was at the school. Clay in Fillmore for a wrestling match.
Blake had been to Moab and then went to Rogers.
He starts work at 9:30 tonight on the 3rd Meyer store. Should be home tomorrow. I talked to Bev. and she will go with me tomorrow to the hospital to have my blood work & etc.

41° urine test Blood taken EKG & chest X Ray

Thursday Jan. 12, 1995. Mild weather.
Beverly went with me to Dr. Rodgers to get his orders. I had blood taken, urine, EKG & Chest X Ray. Talked to Rena Sully at X-Ray dept. She asked why I was there & I told her I was having Hysterectomy & repair on Monday. We were at the hospital for 2 hrs. We stopped at J.C. Penny store and at J.C. Penny - She got Charlie a birthstone ring for his birthday tomorrow. I gave Bev & Lloyd an anniversary card & duster for their 41st wedding anniv on the 14th Jan. After I came home & ate lunch I opened my pillow and removed some feathers as the pillow was too lumpy. Vacuumed stray feathers. I sorted out old outdated medical bills & hospital bills. I'll burn them.
Edward went to Bev Imports & Michaels.
Lloyd & a neighbor was working with the wood storage shed Lloyd bought. (8×8)
Cloudy afternoon Snow has almost settled on the lawn. I got a casserole recipe from Carrie Wahlstrom. Light rain this evening then snowed a skiff. I called our Bruce to tell him I'm having surgery. He said Brenda has been sick all week. couldn't go to work.

Friday Jan. 13 1995 Mild weather & snow melting.
Dixie changed & washed bedding & mixed bread.
Thora Dill called to ask about the surgery. I called Velma, Velma & Ila Dean to let them know about the upcoming surgery. They were glad I let them know & wished me well.
Evelyn called to say she planned on coming here on Saturday. She is tired. Will have to work at the school tonight. After the bread was baked Edward and I attended a temple session. I had a spirit lady name. I put my name on the prayer roll. We visited a few minutes with Whitney's grandma Judd.
Received a thank you letter from Jedediah. I gave her a hand crochet lace handkerchief to use at the temple dedication. She said she ~~felt~~ thought of her mom and my mother while there & a few tears came. I'm sure she misses having a mom to visit & talk with, especially since she has a daughter. We miss our parents (No) mother is our age. It is raining tonight.

Evelyn had taken her baby + wedding dress to Marlene to use for a demonstration for young women activity. Marlene said she would stop by on Saturday after the races. Velma Ralph + Peggy Rabe called to ask how I was feeling. I have had a pain in right side all day and evening so I have laid down most of the late afternoon and evening.

Right pain
mild
Severe pain
late afternoon

Jan. 26, 1995 Thursday. A warm morning and light rain falling. Edward got up early. He cleaned the ashes from stove + vacuumed the rugs. I still have the pain so I'll rest most of day. I called the doctors office + spoke with the nurse. She said it was normal to have the pain and discharge. If I have a temp. to call back. I'm not running a fever so time will heal the cut + sew. Carrie Wahlstrom called + we had a nice visit. She is taking time from the temple as the radiation is making her very tired. Today is D.U.P. meeting + Velma Nash. I hate to miss it. Evelyn called. She + Bruce had been in Ogden to eye doctor to have eyes checked. Her eyes are ok - no glasses. Bruce has to have new lenses. Dan Bruce called. Said Brenda still has ear problem but getting better. He + Ben have an outing tomorrow at Bear Lake in

canyon - Brooke had called about coming this weekend. They had been to Connies to baby sit while John & Connie was celebrating their wedding Anniv.

Lyman Anderson, Howard Jensen & Bro Nielsen (Stake) Home visited in connection with Ward Conf.

Menno Penner had surgery today - Zelda Penner very sick - Darlene took her to FHR. hospital for an I.V. as she had dehydrated. Diahrea & vomiting. I talked to Roy & Zelda is staying at nights with them while menno is in hospital. Snow. I talked to Velma about RS meeting.

Jan. 27, 1994 Friday. Little colder ~~but~~ sky clearing about 1" of snow fell. I slept late as I was up three times during the night. My legs ached. After breakfast we changed the bedding & got the sheets washed & dried. Edward added fire in stove. We went to the union Station again to look at the art pictures. Wrote a letter to David & sent $5.00 for stamps. I called Rose Chacon to ask about Al & Isabelle. They decided to stay in Yuma. I called Darlene Rackham to ask about her father. She said her mother received two antibiotic shots for bladder infection. She is improving. Her dad done well during the night. She & Shirley were leaving to go see her dad. I walked around the yard several times. I'm feeling better today. The pain is easing on the right side. I need to get out of the house. Ted called in.

Saturday Jan. 28, 1995 - Mild day.

Evelyn & little boys came at noon. We ate lunch. Evelyn took me to the store for a few items. When we got home Blake & Marlene was here. Blake barely lost the race. He said the horses weren't "muddin". We visited awhile. Marlene crocheted me a pretty white centerpiece. She is a thoughtful and talented. She can do all sorts of crafts. Received a short letter from David. Marlene read it to us. He seems to be adjusting. Valerie called to give us information from Pauline Jolley about motels by Glacier Park for reunion. Evelyn called her and they discussed the reunion. Evelyn is going to call Pauline. Loretta Graney called to ask how I was feeling.

Everyone left for home. I was especially tired. Rested in the evening & went to bed at 9:00 o'clock. Beth Walker called. They haven't left for Saint George yet as Gordon hasn't felt well. They thought he'd had a heart attack & did test. Nothing. The doctors think he has a stomach problem and made more tests. They may go to St George later. Rent a motel for a few weeks.

Sunday Jan. 29, 1995 Clear sunny day. Lots of frost. We didn't rest very well. Edward went to Priesthood meeting. I'm staying home until the pain & flowing stops. Prepared a pork roast for dinner. Edward attended Sac. meeting. We left the inter-com receiver with me and I listened to Sacrament meeting. Brother Bruce Griffen gave an inspirational talk about the Saviour & His atonement for us & how we should get to know and honor Him. I took notes. Jack & Valerie Rone and ate dinner with us.

Tue Jan 31, 1995 Mild. Light rain showers.
Evelyn called early to ask how we are feeling.
All ok at her house. I washed & dried a batch
of clothes. Edward worked in studio. I called
Marlene Rackham to inquire about her folks as they
are with her. She said her dad is doing well from
the bladder surgery & she can see an improvement in
her mom. She is keeping liquids down & in. I
did talk to Zelda a few minutes. She sounds
weak but on the improvement.
Elaine Jensen came R.S. teaching. She visited awhile.
Edward went to the library and to get his repaired hearing aid ($106.07). I rode with him
& looked around at the D.I. store. It has been
rainy most of the day. I studied the S.S. lesson
and read scriptures.

Repair hearing aid $106.07

Wednesday February 1, 1995 Mild. Mostly cloudy.
Snow on lawns has melted. After breakfast I
went to Credit Union. My Gov. check hasn't came but the
other three checks are in. I paid utility bills
at Harmons & bought milk. I drove the car. The
first time since surgery. I haven't felt to good. Im
sore. I got in tub of warm water to soak. I'll
do it twice a day. Radenia Palmer & Le Dean
Bingham called to ask I was feeling. Ruth Nelsen
daughter Kathy & Sylvia stopped to visit awhile.
Sylvia is suffering with sciatic in leg. She
is miserable. She should get medical help.
Edward went for a walk to Kah Allen.
Benny & Ruella Ferguson bought a 1986 dodge van.

Payday $89.00

Evelyn called when she got home from work. She
was tired. She has a very demanding & responsible
job. She said Clay was going to Cedar City tomorrow
to a wrestling competition. Buck takes them.
Blake is working long hours. It is at the Ogden mall
removing cement & etc.
We watched TV & read. I'm reading about Gov. Hunters
life. Very interesting.
February 2, 1995 Thursday Mild. Sun shiny day.
Feels like spring. After meals & light housework
I went to the credit union. My Gov. check has been posted.
Put money in savings. Velma Ralph & Ravenia Palmer was
there I talked to them a few minutes. I came home and
checked my vagina to see why I was uncomfortable. I could
see with a mirror I have a white pimple or two so I put
neosporin on it. I go to the doctor in a week unless I have
a problem other than the pimple & growing pet. We ate
lunch and rested awhile. I sent Benny & Sears a
payment. Later I went to mini mart and put 12 gal
gas in car and washed it. I went grocery shopping
at Wangsgards ($55.00) Edward brought groceries in and
we put them in cupboards & refrigerator. I was tired.
Thora Hill visited me for an hour and brought us a
plate of cookies. Enjoyed her visit. Edward watched
Jazz game (they lost) and I read the book of Howard
W. Hunter.
Feb. 3, 1995 Friday Mild and sun shiny day like
spring weather. I slept late and then soaked in the
tub. I'm starting to feel more comfortable. Not as
sore & flow is slowing. Edward gets up early and
reads. I've stripped our bed and washing

bedding. Rung sheets outdoor to dry.
Evelyn called to ask how we are. She said she didn't feel good yesterday - upset stomach. She plans on coming here tomorrow. I told her I might go to Beth Walker birthday party tomorrow - I'll call Beth today & get the time. I called and her party is at Rosemary's (a daughter) and not until 5:30. Beth & I had a nice chat. We talked about grandma Hansen and High Creek. I called & talked to my friend Melba P. Hansen. She was perturbed about her son & wife living with her until their new home is finished. Maybe in a couple of weeks. Expense for her with them at her house.
Also her grandson keeps asking for money.
We talked about her mom and living in Cove.
Edward vacuumed the floors. I dusted furniture.
I've walked a lot in the house and in the yard.
I finished read the book of Pres Howard W. Hunter. I enjoyed it very much. Elaine & Howard Jensen visited us awhile and brought us dessert. Elaine called later while I was in the tub. I called her. She said Zelda went to the doctor. She had to have another I.V. with medication this afternoon as she was starting to dehydrate & throwing up again.
I phone to Evelyn but no answer.

Evelyn stayed here & we visited and rested. I have felt kind of achy today. Be glad when I feel up to par.
Our Bruce called this morning. He had to work from 9:30 p.m. to 6:30 a.m. this morning and has to work tonight also. The company has a big order and all working to fill it. They are fine. Brenda feeling better.
Marlene & boys came here to get Evelyn. She had Blake run the race. I sent them & the home with the girls. Evelyn took the eggshell mattress home to put on Blakes bed. They left at 4:00 o'clock. Quitting at work.
Evelyn & I talked to Adeline Beckham. The home nurse came to see her mother. Zelda is very ill. She threw up again last night. They (girls) feel like she should be in hospital to get test to find the cause of her problems.
I gave Evelyn a $25.00 check to help on David's mission.
I also gave her a 35¢ check to buy a disk to do genology on her computer. I have a few tulips and Nicanthia breaking thru the ground. I soaked in tub of water & went to bed. Eddie Hartvigsen called Evelyn and asked if we had heard from or seen Maf. He was upsetting him as they planned on going to Mexico. Eddie & Evelyn had had on a three week trip to Calif. & etc. & they had bought property at Star Valley Ranch and going to build a home on it.
We talked to Edward awhile.

Sunday Feb. 5, 1995 Beautiful mild clear day.
Lot of heavy frost early morning. I soaked in tub of water. Edward went to P.M. meeting and the other two meetings. I listened to Fast & testimony meeting on the inter-comm. I also watched the "Spoken word" from S.L. tabernacle this morning. After lunch I had

a shut nap and Edward rested. We got ready and we went to Hayesville. We met Evelyn, Jack & Valerie at the church and we went to Carol & Gregg Bateman House where a family pot luck dinner was held after the blessing of Aubrieann Bateman. Some of Gregg family & Carol was there. It was nice to visit Madelyn, Marian, Joan & Jennie & some family. Scott & Jennie five girls are young pretty ladies. Scott is going to work at R.C. Willy selling computers. Scott & Jennie have been remodeling their house. Carol's finished basement is very nice. Lot of storage space. Marian has bought a 1996 Chrysler car. She & Grant are flying to Las Vegas for a few days. Later on she is going to fly to New York for a week.
We got home about 8:0'Clock. Watched movie "Ring & I." Evelyn & I visited awhile. The men came to Ogden to get the racing schedule. She & ~~Madelyn~~ Madelyn came down together.

She had a lung size of pin cushion. She said mrs. muir + Donna Hankey had pneumonia recently. I went to Dr. Olsen office in Roy Utah. (404) Got weighed 134#. Blood checked. He examined me. Said I was healing + I could do some house work + vacuuming + drive car. I see him again in 3 weeks. I stopped at Penny + got a catalog. Talked in cc. mJ. On the way home I put 12 gal in car. Stopped to see Zelda. She is thin + pale but sitting up and can walk around the house. She is eating a little food. Come home + changed clothes to relax. Tired.

Velma Naef called + chatted awhile.

Friday Feb-10-1995 Cooler & partly cloudy. Wind at times. We got up early & dressed etc. We went to a temple session. Our Bruce called this morning. He is planing on flying to Seattle next month to attend temple marriage of his cousin 27 yrs. ago. I washed & dried our bedding. After lunch I went to Penneys & ordered a bedspread & window valances for small bed room. I went to Sears & Walmart & bought a few items. Saw Esther Stevens at Walmart & we sat an visited awhile. Came home & relaxed. Tried to sew the deskcloth but my machine kept breaking the thread. I'll use mothers sewing machine. Edward has been in his studio most of the day. Talked to Bev. Misty put primer on the bathroom walls before painting. Bev. feeling OK.

Saturday Feb. 11, 1995 Snowing & staying on the ground but temps are not. Evelyn called early to ask if it was stormy. She didn't know if she was coming here or not. Snow raining today. Maybe she will stay home & watch her grandchildren. Edward went to the grocery store. Betty & Vernon Ingill called to ask how we are. He is doing fine. Betty said she had another series of tests to see if the doctors can locate why she coughs & can't breath very well. Her sister Rua has uterus cancer and has to have surgery this Wednesday. She is 87 yr. old & very frail. Her brother & sister in law are in a rest home. They have a condo but probably it is collateral for their expenses. I told them of the Penners & Hamblin. Good to talk to them. They want us to come & visit.

I finished hemming the dishtowel on Mothers sewing machine. I stamped one set of seven. Vacuumed the rugs. made a cake. Embroidered on a dish towel. I called Evelyn and she tended Derek & Dallan while their parents came to the races and shopping. The snow is staying on the roads tonight.

Sunday Feb. 12-1995 Snow stopped this morning. 4" on ground. Edward pushed snow off driveway. It is melting fast. 40°! We went to P.H. Class & we both talked in Sacrament meeting. Pres. Edmunds-State High Councilman spoke of repentance & forgiveness. The steps to Gilbo. It was good to go back to church after not being able to go for 3-4 Sundays since the surgery. I still have a pulling pain on the right side today. Hope it soon lets up. The left side doesn't hurt today. I told the Nash & Penners & Jensens & Rebecca about Rua William having to have the surgery this wed.

I called Pa Vernie Palmer to wish her happy birthday. She was 85 yr. old yesterday. Her picture was in the paper today.

I called Bev & talked to her awhile. He & Lloyd was finishing painting & varnishing the mini bathroom. Evelyn called & didn't know for sure if they would be here to visit today or not. Evelyn & Bruce came to visit awhile. Bruce & Edward watched basketball game. Evelyn talked to Valerie about the reunion. We tried to call Debi Dana about the reunion but they weren't home. Sicky Marlene-Mark & Dallan carbon monoxide Poison at their home water heater

has a new companion.

Monday Feb 13-1995 Mild. Snow melting.
Evelyn called early to tell us Marlene, Mirth and Dallan had gotten ill from carbon monoxide gas from faulty gas water heater. She had tried to light it several times. (She had called her dad to ask how to light it). It finally lite but fumes didn't go up the flew. She & boys got dizzy & they fell asleep fast. She crawled to phone & finally after 3 times to get her folks & they were at Marlene's. Evelyn went to get them to talk to her as she was crying. She talked to Blake & told him how they felt and she felt like fainting & real sick. He told her to come on the way & he & golf Lind & Clay drove to her place (raced). Bruce & Evelyn got to sheriffs office in Morgan & called ambulance (Coleville) & Bruce called Marlene's neighbor to go check on her. They did. Marlene was on the floor & he carried her outside & his wife got the little boys out. Blake got there & the ambulance. Evelyn & Blake went with ambulance to Primary Hosp. & Univ. Hospital. They were treated after & then they released them & they are at Evelyn & Bruces. Doctor discovered Marlene has a heart problem. She has a test at Univ. Hosp. tomorrow. She is very peaked & weak. The nurse came & checked her today. She isn't to do anything strenous.

Marlene & little boys Carbon monoxide

Evelyn & Edward went to Marlene to get clothes. (The gas is off at there house). Evelyn got car stuck in snow & locked keys in car.) They had to wait for Bruce to come with his keys & get car backed out of snow. I stayed with Marlene & boys & they wouldn't let me

told them. They wanted their mama. I washed, dried & folded clothes, prepare lunch and washed dishes. I guess Whitney folks are coming to get the boys tomorrow. Whitney & Bruce worked today. The phone rang constantly. The R.S. was bringing supper in tonight & tomorrow. This ended a horrible tradegy. Marlene has a P.N. Blessing, big neighbor's. We are all truly blessed. Edward & I got home at 5 o'clock. We called our Bruce to let them know & I also called Bev. Elaine Jones came R.S. teaching & brought a Valentine candy & card. I told her about Marlene & boys. Watched the news and supposed to snow tomorrow & Evelyn, Bruce & Marlene has to go to S.L. Hope the roads will stay free from snow until they get home.

Home Cleaned little bedroom

Feb. 20, 1995 Monday Presidents Day. Holiday. Frost early a.m. but clear + warm rest of the day. After breakfast I cleaned the walls + windows in small bedroom. Washed + ironed the panels. Later I pressed the new window valance + pressed the ruffle on bedspread. The bedspread + valance have blue + rose flowers. Marlene wants the older bedspread + curtains. I went to a few stores looking for a blue braided rug - couldn't find one. I bought a Carbon-Monoxide detector at Sears $40.00 I stopped at Fred Meyers + Kathy Young was there and we had a long talk. She was buying house plants. I called Belvie place to ask if she wanted to go with me. She

wasn't in the house. Edward took a walk while I prepared supper. Edward has canker on his gum and raw butt. He may have to go to the doctor. He watched Wrestling. All he seems to like in (Sport?) Play acting.

Tuesday Feb-21-1995 Partly cloudy - Warm. Windy weather. Edward installed Carbon Monoxide ~~dete~~ detector - It takes him a long time to put five screws in the wall ~~ev~~ even tho he reads directions.

Installed carbon monoxide detector.

I dusted the furniture + vacuumed. I raked rocks off front lawn. Needs to be raked again.

I talked to Bev awhile by phone - She finished painting one bathroom + going to start on little bathroom. When I called Lib yesterday she was vacuuming + didn't hear the phone ring.

Evelyn called at lunch hour - They got Marlene + boys moved back in their house at Wanship. Yesterday Got bed put up, clothes put away + vacuumed. I told Evelyn I called her + Marlene today. No answer. She talked to Marlene this morning. All ok. She + Whit in Park City today.

Edward + I visited Menno + Zelda Penner for an hour or so in the evening. They are gaining their strength and looking better.

Thursday Feb. 23, 1995 Beautiful clear warm day. Edward + I went to Marlene's to help. Got there about 10:0'clock. She is peaked and not much energy. I took my older bedspread and curtains to her and I hung the curtains in her bedroom. They look nice. I washed + dried 3 batches of clothes. Hung the sheets outdoors and they got dry. We took three and 2 other little boys to Bri-scobol then Marlene, Dallas, Edward + I went to lunch at Spring Chicken Inn at Wanship. We paid the bill. It went the furnace + water heater the men had to put a chimney up through one of the boys bedroom. Bruce is going to block it in. Each boy has a bedroom. Whitney got home about 3:0'clock. We had to be to work at 5:0'clock P.M. They were going to take a nap + We

left and stopped to see Evelyn at her work. She looked rested. She said she re-arranged her front room furniture. We left & stopped at Lloyds Clinic & Edward has an appointment for a physical on March 13. We came home after stopping at the gas station to go thru the car wash. Rested during the evening.

Friday Feb. 24, 1995. Clear & warm.

After breakfast & prayers Edward went to studio to paint. I got the laundry done. Hung sheets & white clothes out on the clothes line to dry. Made the bed. Vacuumed the floors and the car. Redung the kitchen curtain. I shoveled some grass out of the bushes. Talked to Bev awhile by phone. She bought new carpet for the small bathroom. Ted is supposed to lay it tomorrow. She & Lloyd are still working in the other bathroom.

I called Marlene & read to her what the medical book information about Diabetic Insipdus. She was upset that she couldn't find the boys birth certificates. She said she prayed & searched. Later I was checking in phone book to call Human Services how how to help her. She called back & said she found them & was going to Coalville to get copies and send them to Insurance Co. She said she would be ok as Whit will be home about 3:0 clock. After lunch I finished painting the kitchen ceiling. Need to paint the hall ceiling. Showered and dressed. Edward went to drug store for his medicine.

Really warm day. As I walked around the yard I pulled the dead grass out of some flower plants.

Saturday Feb. 25, 1995 Another warm clear day. I attended the Harrisville Stake Women Conference at the Stake Center. Vivian Cline from Draper, ut was the guest speaker. Her theme was building a valiant family. She is a motivational speaker. I really enjoyed her talk. She kept looking at me. Later the Bishops & Stake Presidency served We had a pasta salad, croissant filled (ham or chicken) cake & candy flavors. Very tasty. After the meal I went to the table to tell her how much I enjoyed her presentation. She got right up from her chair & gave me a hug. I told her I thought she kept looking right at me and she said "I was". I thanked her for coming to speak to us & ~~thank~~ her I enjoyed her. Come home & change clothes. I went to Shopko & to Fred Meyer. I bought a curtain rod & 5 primrose plants. By spending $3.00 the store gave us $5.00 off the purchase. Evelyn & little boys were here. They were in the tub. They opened the foam bath bottle & poured half of it out for the dog & in the tub. They are unruly. Jumping on beds. I gave each one a smack on their butt with a ruler. They toned down. We went outside & played in dirt with boys. Evelyn & Dallan had a nap. He didn't have a diaper on & peed on the bed. I had to wash sheets, bedspread, blanket & sponge mattress. Evelyn & Derek went to store for diapers. Clay & Bruce stopped by & brought Marlene here. She laid down & she tore up Dustin. They had been to races. Blake & Homer won their races. They race tomorrow. Marlene & boys stayed with her folks last night & tonight. Whitney is working.

I dug the holes & had the little boys put the flower plants in & cover & water them. After having something to eat the family went home about 5.30. I am so concerned about Marlene. She is a sick girl & needs medicine to help her. I know she should have a Priesthood blessing.

Our Bruce called to ask how we are. He had worked during the night. He said Brenda wasn't feeling too good. He said her Brother Mike was in the Hospital. He has pneumonia. Been in Hospital 3 days and he is improving. Bruce & family might come here next Sunday.

Sunday Sept. 26, 1995 another warm day. Cloudy. Valerie called early to ask if we would come to dinner at 1:15 today. We said yes. We attended all our block meetings. Our Sacrament meeting was about missionary work. We have new people coming to our ward. After church we went to Valerie & Jacks for dinner. She served salad, chop suey & rice, cauliflower & rubbarb cake & ice cream. Very tasty. We visited until about 5 o'clock. Jack has a cold. He hasn't felt well for a couple of weeks. He had been to the doctor for medicine.

Before we came home we stopped to visit Curly Bamble. He is doing well since heart surgery. We relaxed & read paper during the evening.

I had a sitz bath as I'm sore.

Flora Hill called and if it doesn't storm Thursday the ladies are going to Swan Lake for quilting ~~material~~. We went to Police station to ask about loud music & officer said you have rights - call us & we will take care of problem.

Feb 27, 1995 Monday. Clouds & showers. Mild. After breakfast Edward trimmed the Red Twig bush. He is painting pictures. I do washes & dried some clothes. I hang a curtain rod in the kitchen & put the white curtain on it. Puttered around the house. Made a meatloaf & pudding cake for dinner. I called Marlene & she is tired. Her mother helped her yesterday. Marlene had a presentation at church & she was nervous & cried & her heart raced until late evening. I told her I would come & help her but she was resting & the boys playing. I suggested she get a Priesthood blessing. She was going to call the insurance company to see if they have insured yet so she can get the test & medication next Wednesday at the University Hospital. I hemmed & ironed transfer patterns on dishtowels so I can embroidery on them. Sun shone late afternoon. Evelyn called late evening. She was tired after a long day at work and taking care of her family. She said David sent a letter and he was skipping because he had to go with his companion to an interview with the mission president and he wanted to do his thing. Evelyn said the increase in sending David on his mission has increased to $375.00 a month. Thayne $325.00 he sent $35.00 and Sloane send $35.00 (the Sloans are Russia & family - David's girl friend). I told Evelyn I had talked to Marlene & she was tired & resting.

Elsie Swain called & chatted. Edraine Jensen told her who her new neighbors are - Mr & Mrs Pat McFarlane. I finished painting hall ceiling.

Feb. 28, 1995 Tuesday. Bruce is 47 yrs. old.
53° cloudy/sunny We gave him money. He said he bought a ~~shirt~~ shirt. I worked in the house. I finished the painting on kitchen + hall ceilings. Need to paint the ceiling in the small bedroom but not now. Edward + I attended a temple session in afternoon. We went to driver's licenses bldg. and got a form to take to doctor for handicapped parking. Spent the evening reading + embroidering.

Dallas in 3yr. old
March 1, 1995 Wednesday. Partly cloudy but mild. Worked in the house. Went to the credit union to check if the checks were deposited. They were. Went to Mormon to send the utility bills off + bought groceries. I gave the new neighbor Beth Fedchero + girls to the grocery store. After lunch I went to Penneys + paid off my account. I stopped at Fred Meyer for a few more groceries. They have a big one stop shopping store. Edward + I walked to Nelsons. They are hauling branches away to city dump. They have worked hard + steady to clean up the yard while the weather is clear + warm. Kathy young one Jenny came in on the way to her parents. She made me a wreath to hang on front door but the bow was to big so she will make me another one. She is going to make me a flower decoration for my kitchen table.
Evelyn called + she checked on a train ride to Montana reunion. 2 day ride.
They are going to Dallas 3rd birthday party. We were

invited but Edward didn't want to go. Bruce took Marlene to new hospital. Maybe they gave her a test. She called the insurance company + they will pay for the test.
Thora Bill called to ask if I would like to go to Idaho to buy material. I told her I would let her know later tonight.
March 2, 1995 Thursday. Partly cloudy + cooler. I went with Thora Bill, Velda Swann + Velma Nay to Swan Lake, Idaho for quilting material for Relief Society, 20 and ourselves. The place is a little country store. We left at 7:30 A.M. Thora driving. It is 101 miles from our house. We ate lunch at a truck stop. Had fish + ate French toast, tea + milk. We stopped in Tremonton to look at material at two stores. I bought baby quilt material. We got home about 2-0'clock. A nice day with good company. I called Evelyn she wasn't there then but she called me. Marlene had to have blood drawn about 5 times yesterday + came home very tired. Evelyn said she looked sick. She made the same test on Fri + sat. I told Evelyn to encourage her to go or else that is the only way she can find the cause + get treatment to get better. Evelyn said she will watch the boys + I told I would help just let me know. We are very concerned about Marlene.
I talked to Beth Walker + she has genology of Brenda's person on computer. She + Brad are going to buy a computer for genology. Edward dug up candy tuft plants for me. They have to big + spreading into other plants.

* Pres. Hunter died this morning.

March 3, 1995 Friday: Our prophet Pres. Howard W. Hunter died about 9:00 Klock A.M. this morning - 87 yrs. old.
He was in office 9 mo.
84 Gordon B. Hinckley probably be new prophet.
Valrie called to let me know as it was on T.V.
She said Carol told her Michelle is expecting a baby in August I called Bruce & he said he told me Saden he called me three days ago. I was attentive saden he told me. Michelle was keeping it a secret & going to call on her birthday. March 6th but Lavell Smith called Jaralee & Connie & they called their dad. She let the secret out.
I got the laundry done. I worked around the house.
It is showery at times. Edward has been in the studio painting all day.
After lunch I picked Bev up and I took her to Fennys to pay on her bill. We went to Ernst looking for white wicker chair - none. We went to Fred Meyers and I bought undercounter light - caulking & tooth brushes. Bev bought groceries. We talked to Evan & Janice May & Vivian at Fred Meyer - It has been raining at times.
Evelyn & Bruce took Marlene to the Ipric Hospital and she had the blood & urine test during the time she was there & that completed her test. Now the doctor has to determine what is wrong with her. Rained, hailed & snowed in the evening.
March 4, 1995 Saturday. Skiff of snow but sun came out & melted it and weather warmed.
I moved the kitchen curtain rod & put it lower. Had to do it twice. Didn't measure correctly. Edward put the light under cupboard. Evelyn called and then she came here after shopping at Sears for a wedding present for her co-worker daughter. After eating lunch she & I went to Shopko and I bought another under counter light for less money than I bought at Fred Meyer. We stopped to grocery shop at Harmons. Evelyn said Judd brought the boys back today & Walt & Marlene were at her house.
Connie called to ask if her dad was here & coming down & I told her he wasn't coming as he had to work. After Evelyn left I took the lamp back to Fred Meyers and got my money. I stopped to buy bread at bakery. We received a picture and letter from David. Liked to hear from him. I stopped at Vanessa Palmer & she gave me quilting material. I visited Louise Morris awhile & Our Bruce called they may come down on Monday.
March 5, 1995 Sunday Cooler - Partly cloudy.
We attended our meetings & bore our testimony of the gospel & gave thanks for our blessings - We came home - ate dinner. Read & rested awhile. We visited Jensens. Elaine has swollen glands & sore throat. We visited Fennys etc. They are fine. Boyd Williams (neighbor) had his lawn boy or so loud it vibrated in Fennys house & could hardly talk. Wayne & Edward went to Boyd & asked him to turn it down. He still had it to loud. We will always have a problem with him. He isn't considerate of neighbors. He & brother & girlfriend are drinking & partying.
Edward & I watched a Wild West movie. No storm

5. Fenny & Edward went to Boyd & asked him to turn it down

the weather is clear Connie called to ask if I would help Terence hook the 7 Home movie of family pat-a-roll / video tape. I said yes & later for dad went to visit her I sent 6/10.00. She said Tami was test for Hyperglycemia. She hasn't felt very well. Hasn't got the results yet.

Evelyn called. They went to Marlene yesterday after church and Ed dad got the chimney pipe hooked in. Natalie Judd asked Marlene to sew her wedding dress. Hope Marlene doesn't wear herself out doing it.

Edward, Bruce & I put caulking compound up on space by ceiling & cupboard. Looks better. Did more.

Edward hauled wood to woodpile that was on the back porch. If we need it cold can go to the pile. I swept the porch. Looks better. Bruce went to see Connie & kids and Janalene at work. He took Jacob Easter candy. He came back and we ate lunch & visited. He took Mag home with him.

March 7, 1995 Tuesday Clear sky. Little cool.
After breakfast and prayer I started to clean the ceiling and walls of the bathroom. Washed the curtain & hung it outside to dry. Still have to clean the cabinets. I took Katrina & Jeff Palmer to see their doctor. Jeff has blood in urine. We went to McKay hospital to get a preparation kit (to clean Jeff's colon & have a test). Had him pre-registered also. Took them to grocery store & then home. I ate

hair cut (short hair). Stopped at Mangerard's for a tube of caulking. Stopped to see Lois Stigler to express our sympathy as her sister died & visiting tonight. I went to Relief Society birthday activity. Camille Stoddard's friend Johanna gave an interesting talk about her conversion to LDS while a young girl in Holland. Her life in America. She gave a slide presentation that was about life of Christ. The theme was "The Master Touch". Refreshments were served.
Edward said Evelyn called & the doctor is supposed to call Marlene about the test results. Her Dad told her to plan to have another test while Evelyn is at the hospital.

March 8, 1995 Wednesday Nice weather. Breezy at times.
After breakfast Edward pulled the boards off the wooden fence and one section out. We plan to putting a chain link fence in. He cleaned up the nails and such. While he was outside I cleaned the cupboard & cabinets in the bathroom, sink, tub & toilet & floor. Smells & looks better. Washed & dried towels. Edward & I watched funeral proceedings of Pres Howard W. Hunter on T.V. Lovely services. He was an inspirational man of God. Marlene called to tell me the Dr. Mason called and all is normal except she has Hypertension & she is an anxious person. He prescribed medication to calm her heart & She takes the medicine for a month then sees the doctor.
She said she was concerned that she had something wrong that couldn't be helped. What a worry she had. She tried to call her mother but she wasn't at her

office.
Marlene got the hospital bill for the 4 hrs she & Dwyn spent there the night of the 8.
$1100.00 for Air, $500.00 for pilot & $800.00 ambulance.
They will have to pay the bill.
It was good to talk to Mr.
I walked to Rovina Palmers to see Jeff was doing with the food & drink schedule prior to his test. I also visited Jessie Morain awhile.
Velma Ralph called & chatted awhile.
I returned Kathy Youngs call. She has my St Patrick wreath done.

Thursday March 9, 1995. Mitchell is 21 yrs. She called me this morning to let me know she is expecting a baby Aug 12. I told her knew but glad to hear from her. She is fine and no morning sickness. I told her we would see her if we came to St. George next month.
Evelyn called. The car had to pulled to Morgan and a mechanic is going to check it. Then Clays car had a flat tire. Problems keep arising.
I told her I had talked to Marlene.
I went to Church House to help the ladies quilt. Peggy Rose came for awhile & brought the little ones. We almost finished a baby quilt.
Jack Pabst was here when I came home. He ate lunch with us & visited awhile.
I washed the shirts & hung them outside to dry & they dried quickly in warm wind.
Edward went with me while I went to Dr. Godfrey for a check up. He said I was

healing fine & could resume daily activity and not lift anything over 30#. I have to take some iron tablets for a couple months to build my blood.
We talked to David Anderson in the lobby. He was going to see Dr. Rowe as he was having pain in his stomach. Edward and I went to Grant and bought lawn fertilizer and peat moss. We stopped at Bev Imports for a tube of oil paint.
We put gas in the car and had a bite to eat at McDonalds. Read & embroidered.

Temple

Friday March 10, 1995 Windy - mild. After dressing and breakfast we attended a Temple session & took a Sconner Name. They like to help to attend temple wedding of Daryl & Carol Sconner son - George & Rockham Robert. I brushed our Temple dress & trousers & did hand washing. Hung them outside to dry. I went to the drugstore to get 30 iron pills. I paid $10 for them. I went to Vons grocers for a few groceries.
During the afternoon I finished embroidering the dish towels. Watched T.V. & read awhile.

Boyd Williams final music

Edward & I are upset as Boyd Williams has his music on & the base sound of his boom box really vibrates in our house. Don't know the answer to the problem.

Light rain

Saturday March 11, 1995 mild light rain.
After breakfast Edward put fertilizer on lawn. He went to auto at Wash. Service to buy two air purifiers. Burned & painted. I prepared lunch. Evelyn and Marlene got here in time to eat with us. Marlene said she was starting to feel little better.

Intrigue Lawn

Whitney + little boys are in Evanston visiting.
He was going snowmobiling with brothers.
After lunch the gals went to Harden + Rose show at Weber Fairgrounds. Not as many exhibits or people as the weather is wet + cool. Steady rain afternoon + Evelyn + Marlene left at 2:00 o'clock for Rose as Ray was going to repair on Marlene van. Whitney + Partner are putting on a dance at Coalville tonight. Edward working in studio.
I went to the store + drug store at 5 points. Rainy night. Boyd Williams - our next door neighbor had the town boy on so loud I went to his house + he was having a drinking birthday party with brother mark, girlfriend and his friend Lenny with him. I ask them to turn it down + they did 2 notches. I tried to be nice + they were nice to me. However the music wasn't turned off until 10:00 Ugh. We are at his mercy. Don't know how my nerves will take it year in and out. Sylvia Knight called to let us know Aunt Cindy in Roding, Idaho died early this morning. Funeral on Fri.
Lyloid, Ruth + her daughter Kathy attended the funeral of Bro. Howard W. Hunter. They stood in line to get inside tabernacle for 3 hrs. They also went to the cemetery, + had their pictures taken. Sylvia is feeling better. She had a Cortizone shot to relieve pain in leg.

Sunday March 12-1995 No Visit - Edward + I attended all our meetings. New installed Elders Quorum Presidency spoke at Sac. meeting. We ate lunch - Rested.
We were going to Bell + Gordons but she called to let us know she was sick. Valerie called to say Judy + Dana is supposed to be coming in a week or so to

their sons Neils wedding in Logan Temple.
Marilyn, Scott + 5 kids will be to Valeries + Jacks next Friday for a week. I went over to Boyd Williams to talk about the reason for the base music but he wasn't home but his brother + friend was there. I explained how I thought the noise penetrated our house. They were cordial to me. Later we called to Bruces. We went to their place. Got in rain at Wilhelm. Bruce + Brenda + kids were at Ramba eating + visiting. They came home + we visited - Brenda made a cake + we ate some then left. Drove thru to Devenyville way. Got in rain until we got on this side of mountain.
Got home about 7:00 Clock. I called Evelyn to let her know about Aunt Cindy + Judy. We read paper and watched Nature program on TV. I went to bed at 9:30 and asleep before 10 o'clock.

Edward Physical

Monday March 13, 1995 Frost early morning. Cloudy: Not to cold. Edward had a complete physical at Ogden Clinic - Dr. Alice Quigley. We have a prescription for Synthroid. (.15). Kathryn + grandson Brady came. He brought my St. Patrick Day wreath. It is green + white ribbon and clover leaf decoration + she re-arranged my bouquet of flowers for my kitchen table. Cost of wreath $10.00. Enjoyed her short visit. She was driving a 1995 Black Toyota Recreation vehicle. (Russed it.)
I pulled the strip of border off small bathroom wall + took pictures + etc. down so I can paint the walls. After lunch I went to Wallpaper Warehouse and looked at borders and after looking at samples I bought one roll border $9.99. I went to K Mart and bought a shower curtain (white). I stopped at the store for milk.

I walked to Palmira Palmer and visited awhile. Edward watched the wrestling on T.V. Elsie Morain visited until 11 o'clock last night. I served ice cream nut sundies.
Evelyn called. She was tired and felt like she was getting a cold and going to bed early. Blake was leaving to work in Rogan. Bruce got their car repaired. Had to have a timing gear.
Micron going to build in Rehi. More jobs.

Thursday March 14, 1995 Mild day.
We got up early. I went with Velma Hill, Verla Storrer & Velma Daly to West Point and we quilted on a quilt for Cloy Payne. Barbara Payne came to help us. We worked until noon. While I was gone Edward went to the temple for baptistary work.
When I came home I painted the little bathroom with the paint I bought to put on kitchen wall but decided not to. I painted over the paper so I can see the seams - at least it is clear.
Washed three washer loads - towels & work clothes.
Edward & Alan Critchlow going home teaching.
Edward opened the back fence so we can get out on other side. I called Evelyn and she was feeling fine. She was nurtured yesterday but got a nights rest. I sent her a check today. $100.00

Wednesday March 15, 1995 Few rain showers but weather mild. Evelyn called to ask if I would help her hang the curtain in kitchen on Saturday. I said yes. She is feeling ok. I put the mirror, light switch cover & towel rack in bathroom. I was going to put the border on wall but paint isn't dry enough.

Edward temple 63° 38 night

I've started to put items I don't need into D.I. or M.S bags for charity. Edward measured to buy material to put the wood fence up. He put one form in. Late evening he & Benny Ferguson worked together to put the mailbox on a metal stand. They have more work to finish them. Ate late so dug.
Strong wind blowing tonight. May get showers.
I went to Valeria Palmer to help about Jeff's doctor visit. He has to see the doctor in two weeks.

Thursday March 16, 1995 Nice weather. Edward and Benny Ferguson put the mailbox post in front of our place. Still have to put the paperbox on post. Edward bought cement & lumber. He set one post in cement on our fence line. After lunch I returned a shower curtain to K-Mart. Talked to Ellen Raven awhile a few minutes. Stopped at the grocery store. When I got home Edward had boards on fence & they didn't match others & we had a big disagreement about it.
My left breast has sharp stinging pain in and around nipple. I have had it 3 days. Boyd dug old mailbox pipe out & hauled it away.

Friday March 17, 1995 Nice weather. Edward got up at 5:30 a.m. He took boards off the fence and put them on like rest of fence. Need two more boards on it and then boards need to be sanded and painted.
I called Dr. Hodgson's office. Closed for a week. I called Dr. Paul & he said discontinue Bextra & see if pain leaves the breast. I washed & dried clothes. Hung sheets outside. Edward went to see Dr. Neil about his hip. Evelyn called & thanked us for the money.

Dr. Neil had Edward have another X-Ray & showed it to Edward. Everything looked alright. He told Edward not to use the 5th metatarsal on his leg. To be careful not to lift heavy objects or to climb. Edward got a more fenced-in back & he got a handicapped parking card for a year. Later he put the fencing up and helped Benny Ferguson install the mail box & paper holder on the post. I trimmed the rose bushes & the bushes in front of house. I sprayed the grass and weeds over fence in back yard. My wrist isn't hurting tonight. I'm not taking any estrogen pills. Clear mild day. I walked down North Crest and met the Laba family that moved in house across street from Nafe. Also met their three teen age daughters.

March 18, 1995 Saturday Mild but cloudy. Bruce called to ask how we are and he will be here on Monday to help put roofing on studio roof. Edward got the roofing. He had to have a new muffler & tailpipe put on the truck at Master Muffler.

Truck muffler tailpipe

Helped Evelyn paint

Went with Boyd Williams

I went to Evelyn's to get a caution up, but she started to paint the kitchen wall but she needed to put a primer on it. We went to the store in Morgan & got the paint & rollers. I put the 1st coat on. She prepared sandwiches & took care of the little boys while their parents went to the temple & to the horse races. Blake & Bruce went to the races. I left at 3:30 or so. Stopped at Brad store. Edward had the neighbors next door help put the rolled roofing on top of the shed. They have their boom box loud & Edward went to their house to tell them to turn it down & they said they would play it as loud as they liked. Edward said there is a nursing home & they said "go ahead and call". Edward said you make the neighbors hate you" & they said "they didn't care". He'll more we say anything the older & moldier they get. Life isn't pleasant here or peaceful any more.

Sunday March 19, 1995 Kettle cooler. Jacket weather. We attended our church meetings - Stake Pres. Ron Devries & wife spoke at Sac. meeting. Came home and prepared dinner. Evelyn and two little boys - Chad & Dallan came and ate with us. They are hyper-active. We didn't watch their Disney movies. They wanted to play outdoors. I called Sylvia Knight and she was home and we went to visit her a couple of hours. She told us about aunt Cindy's funeral in Roding or Erie. She saw family and visited. She said she went to Alma for a ward function and to Elba for a wedding. She stayed overnight with her sister in Bridge. She has been busy visiting and looks and feels good. We enjoyed our visit except the little boys were keeping Evelyn busy tending them. We got home and they left. Later we & Penrods went to Jensens and visited for an hour or so. We went to Cannons for ice cream & cake. Penny has a cold. The neighbor kept the music down today & evening. Nice.

Roofed side of Studio

So Monday March 20, 1995 Mild: Windy.
Bruce came about 10:0'clock and he and Edward put metal edging on the studio roof edge and put tar paper and the rolled roofing on the So side. Bruce ate lunch and left about 1:20 as he had to be to work at 2:0'clock. Edward worked putting roofing around the chimney and repaired other area. Edward had to climb up and down the ladder several times. I helped clean up paper, old roofing & etc on the ground. They took the dried down. We have the north side of roof to roof later on. The weather is supposed to be stormy. I returned the roll of plastic sheeting & got the money. I went to True Value store and bought 2 bags manure @ $1.79 a bag. Howard Jacen put it in the back trunk for me. They were there to buy manure. I went to Ernst and bought heavier plastic sheeting to put on dirt cellar also rose food. Baked a cake and took it to Feather family. She still has pneumonia & down. Her husband is home this week. She had been to the doctor & taking different medicines to help her. Velma Nalf visited awhile. I told her I couldn't go to help quilt tomorrow as I had appointment to get income taxs prepared. I dug dandelions & weeds out of lawn. Had two big bucket fulls. Both of us are tired tonight. Bathed & Rested.

INCOME TAX Prepared 63° Rain

Tuesday March 21, 1995 Nice warm windy day. Multiple Sclerosis society truck picked up the items I bagged for them. I went to the Valley Manor Center and Mary Hatch prepared our Federal and State Income taxes. We owe $4.00 more (1,100.00 total). While I was gone Edward mowed the lawn and they look nice and green. I dug a few more dandelions and edged flower beds. Edward put a few small wood slats thru the little wire gate he made in back fence. Beth Walker - cousin called and wanted Genealogy so Bev and I went to her place. She is going to put information on computer. I left her my family Genealogy book to get the information I had. We three had a good visit. Gordon came about the time we were ready to leave. He had been to Lucerne the nice big van they had just bought 1986. They are selling their car. Gordon had built a small room on the south side of trailer home & putting a little patio on east side. He is busy. It was raining hard when Bev & I left. I took wrong exit to freeway and was at Hillfield base. I had the guard at gate tell me how to get out. Drove home in rain. I stopped at Bevs for 15 min. Glad she went with me. Edward enjoyed working in his studio this afternoon. Evelyn called this morning to ask if Bruce was able to come and help Edward. Snowed during the night - about 3".

5

51° 3" snow

Wednesday March 22, 1995. Snow melted by Noon. Cool breeze. Edward went for morning walk. I got the laundry washed - dried - folded. I went to Verla Swanns to help ladies quilt for LDS. Quilt. Came home at 12:30 or so. We ate sandwiches for lunch. Beth Walker called to ask about more Genealogy information. I called Colleen Leavitt (Debra Hansen step-daughter) to ask about

genology of Betty + Maryard Wemple. She is going to call Maynard for information. Colleen is separated from her husband (he was abusive) but they both are in counseling and may get back together eventually. Stacie Mahin came and visited about 3 hrs. She gets lonesome.

Thursday March 23, 1995 Jandinia 23rd birthday. I called to wish her Happy Birthday + told her I had her a gift. (set of dishtowels) Evelyn called. They will tend the little boys next 3 days as Marlene + Walt + his family are going to Calif tomorrow morning. I got the bedding washed + hung outside to dry. I went to the church house to help bodine quilt. Lot of work on it. I didn't get one block finished. Later I grocery shopped at Marygarde + drugstore for medicine. I took Adrienne Palmer Relief Society visiting. I hemmed dish towels and stamped a set + she started to embroider them. Rain + thunder tonight and snow later.

Friday March 24, 1995 Snowed 4-5" during night + melting this morning. Edward + I pushed snow off driveway. Snow plows pushed snow off fences. Evelyn called early. Marlene brought the boys + them last night. They were to leave airport for Calif - at 7:0'Clock A.M. They will be back Sat. night. Mr. + Mrs. Sloan are watching boys until Evelyn gets off work at 5:0'Clock. She said they didn't get as much snow as we did. I made veg. noodle soup this morning.

Neighbor Williams + brothers are partying + the music is loud.

Saturday March 25, 1995 Partly cloudy - cool - Evelyn + little boys came late morning. Dallan was very not enough sleep. Burke, Jandene + Chelsea came. He has a perforating gob in a tooth or so on a loose in front. They stayed for lunch. Later Evelyn, boys + I went to the Z. Boys got a toy. Derek got a little wallet + found over a dollar change in it. Dallan + Evelyn slept a couple hours. I trimmed ends of Evelyn hair. She had given herself a perm + hot dry ends. Stacie Moran took Edward + I to dinner at Nordic. Later she + I visited + looked at photo album. The music boomed all day + evening at Williams. My nerves can't stand the boom.

Sunday March 26, 1995 We enjoyed the day. No one at next door + no booming music. Edward doesn't feel to good. He went to Sac. meeting + I attended all three meetings. Later I called Connie to see if she was going to be home but she was going to Jandene but coming to see us Monday. We visited Jack + Valerie a few hours. Wardley, Scott + family left for Kansas Saturday morning. We then went to Bev + Lloyds and spent an hour with them. Our Bruce called Saturday to ask how we are - He had raked grass at dept.

Monday March 27, 1995 Connie is 23 yr. old today. I have a set of embroided dishtowel for her.

Bruce went to work

Connie 23 yr. old.

Evelyn left for moab.

Evelyn called just before she + Bruce left for Moab this morning for a week training. Marlene came for the boys yesterday. Evelyn said she looked very tired. Hard trip to Calif. in short time. I helped quilt at Viola Jannin for 3 yr hrs. The quilt is pretty and almost finished. Ila Dean Bingham called + we chatted awhile. Edward is light headed + resting a lot. She washed + dried clothes. Called Dr. Hoffman office to tell them the reaction I had to the Hormonin. Nurse will call me when she talks to the

doctor. Connie, Jacob + Kiersten got here after 4:0'clock. We had a nice visit. She brought us a family video. I gave her a set of embroidered dishtowels and two crocheted doilies that my mother made. The kids are cute. Jacob looks like his dad. He is mean to his little sister. He has blue eyes + Kiersten has dark brown eyes like Connie. We ate a sandwich. Connie looked thru the photo albums. I gave her a couple of pictures. So nice to have their visit. Late evening our Bruce called and they bought the van from Mr. Baston. He will sell the little old truck. It need work and license this month.

Tuesday March 28, 1995 Windy wind blew all night and so far today. It is cold. Edward is still light headed. He spent a few hours in studio late afternoon. My back and leg has ached most of the day. I've rested a lot. Read + embroidered today. I went to Chyles and exchanged a light bulb for undercounter light. Stopped at the store for milk. Mr. Hodgeins nurse called and he wants to try a hormone patch to see if I can tolerate the hormone. Probably get it tomorrow. I made a raisin-nut loaf cake. Boyd Williams had the music loud loud in his truck for about ½ hr. before he left. He isn't very considerate. Don't know if my nerves can tolerate his loud music. Windy tonight.

Wednesday March 29, 1995 Cold breezy day. I slept restless uprising about the neighbors and loud music. I have sciatic pain in my rear end + down my leg + foot. Edward cleaned the bathroom heater. It was full of dust and didn't have a good connection and it wouldn't heat. He also cleaned a heater fan.

Isabelle Chacon visited

Isabelle Chacon came to visit a few hours late morning.

Carolyn + Dave got home from Moab.

Temple session

I called Bonnie, Elaine + Bessie and they came over to visit us. Howard didn't come. Al didn't come as he and Tom were going to the golf course. Isabelle is feeling fine. They came to Alta sisters funeral last Friday in Wells, Nev. They are going back to Yuma tomorrow. Surely enjoyed her visit. Edward isn't as light headed today. He didn't take Meclizine and not groggy today. I talked to Marlene by phone. Whitney was working a 16 hr. shift. She was feeling more rested. Evelyn called about 9:0'clock to let us know they were ok and would be home late Friday night. She had tried to call her boys and I tried calling them - no answer. I gave Isabelle $3.00 to get Wanda Jones for Isabelle. Elaine gave her $20.00 to buy dates.

Thursday March 30, 1995 Clear weather and little warmer. I helped the ladies quilt for a few hours. Edward took the car to have wheel alignment. Charge $7.00 + didn't do any adjustment. Edward went to talk to them + he said they used the machine + that was the cost. Upset Edward. Money wasted. I went to RS meeting at Viola Swasini. Nice meeting. She served fruit dessert, wheat roll + candy. Later I put Jar in car and took a sack of items to the D.I. Clay came about 4:30. We went with him to the Credit Union to cash a $48.00 check and took him to Arby's for something to eat. He went to the Fairground to High School rodeo.

Friday March 31, 1995. Clear mild weather. After breakfast I changed bedding and washed

and dried clothes. Hang them outside on line.
I was busy today. Replanted 3 plants along north fence line. Need to work the ground in corner of lawn. I cleaned the back porch and put the blue outdoor carpet down and swept the patio. took the plastic off the last windows and cleaned the blinds. Evelyn called us about 4:0'clock. She didn't have class and they left early this morning for home. Had a broken water hose but got it fixed temporally until Bruce can replace it. They stopped to see Marlene and Whitney was going going to work so Marlene + boys came to stay overnight with her folks. She + Clay in town to get Clays tuxedo for his dance.

Temple. Edward + I went to a temple session. We talked to the Nacis there. We took Renners names. We stopped to the store for a few items to make Rozanna tomorrow.

Pres Conf. Problem with B Williams Police officer here twice. Saturday April 1, 1995 Nice weather. After breakfast and normal housework I made Rozanna + put in frig. I went to the Credit union. The checks were deposited. I paid utility bills at Harmons. went to Payless drug store for medicine to help my Sciatic pain. I ~~Peggy~~ grocery shopped at Vangegarde. Edward worked in shop. watched Pres Conference Session.

Clay-Junior Prom After lunch I decided to go to Evelyn. Our Bruce called to tell us he would be here in Monday. I went to Pennys and paid my bill + stopped at Sears to on my account. Marlene. Whit. + boys were at Evelyn + Bruces. She had helped Clay shop for his clothes for Junior Prom. She also cut his hair. They left to meet Ranee Judd at Echo junction to leave the boys with her to stay overnight while Whit + Marlene put on a dance at Coalville. Evelyn + I measured the patio window + she has a rod to fit for the curtains. Clay dressed for the dance. Black hair, boots + hat, white dress shirt with black buttons + tie + black jacket. He looked so clean cut + handsome. He double dated with friend Brian Bowse. I came home at 6:30. Edward went with Wenna Renner to Priesthood meeting at Church house. When he came home he said Boyd Williams + gang had the music + bass loud turned up and Edward called Police. An officer came out + he came + stood by the house + heard the loud music. He went to Boyds house + told them to turn it down. all quiet until 10:0'clock P.M + they cranked the music up again. This time Zelda Archer called police. An officer came right out. He talked to Edward a minute + heard the racket. He went to their house + we believe he gave Boyd a citation. The officer took name + Renners address + phone #. At 11:0'clock the base was turned on again but we went to bed. What a problem.

Sunday April 2, 1995 We watched morning session of Gen. Conf. I prepared dinner. I prepared a plate for Boyd Williams + called over the fence to him + asked if he would like Rozanna + garlic bread + he shook his head + finger at me to indicate No - and stay away. He is mad and uncooperative. Bad neighbor. Evelyn came down + we watched more Conf. We called Bruce to let him know we were coming up. We listened to rest of Conf. on radio. Left to Bruces late after

4:0'clock. When we left Boyd & gang had music on loud & all sitting by our fence drinking & partying. Bruce & Brenda have a lovely nice Van. 1985 Chevrolet Safari. They took me for a ride in it to the Richmond Cemetary & we looked at the headstones of Mom, Dad & family. We stopped in Smithfield to eat ice cream. We stopped at Ramada and visited and ate slice of warm baked bread. The van rides fine. They are pleased with it. Cost $5600.00. Bruce sold the little truck for $125.00. We got home at 7:30. Evelyn left for her home. We've had a nice day with our family. I bathed & exercised in the water. Read paper & watched a nature program.

Van $5600.00

April 3, 1995 Monday. Lovely warm day. Cooled morning. Bruce, Ben, Pete & their cousin John came about 9:30 o/cs. Bruce & Edward finished putting the rolled roofing on north side of studio roof. The pot roofing on cellar roof. Bruce & I laid Bleep plaster shielding on the dirt cellar to keep weeds under control. The boys played & roller hockey on driveway & over to Japanese parking lot. Nate & I went to the Bakery store for bread & cookies & to Harmons for milk. We all ate lunch. I talked to Bonnie by phone. Her dad & boys went to see her when they left here. Edward paid $115.00 to have new "idle arms" on Bruce van. Dale Coldiron got them at a discount & installed them for him today. Bruce moved back boxes & I moved front boxes then I cleaned the mower of grass. Bruce & Edward put the T.V. aerial up on the studio roof. We all have been busy today. We appreciated Bruce's help. We didn't have to work at cheese factory today.

Edward. Dr. Allen skin

Tuesday April 4, 1995 Nice weather. Edward saw Dr. Allen and he burned small skin cancer and prescribed some cream medicine for itching. I took the insurance check to Ogden Clinic for Dr. Alice Quigley. We ate lunch & I worked in the yard. I went to Edwards house to the R.S. Anniversary dinner. "Book of Mormon Feast" was the theme. We ordered from a menue of B. of M. Scriptures numbers. We didn't know what we ordered but it was fun. Later we were served a regular dinner. Bishop Doug Cannon was our speaker & his talk was interesting. Nice evening. Talked to Evelyn. She said Blake got a bad sun burn. He worked without a shirt over in Windsor taking cement out as a casino is putting in big parking lot. He was sick when he got home.

Wednesday April 5, 1995. Another nice day. Edward worked on the studio roofing. Sealing the edges down with nails & screws. He & I worked on the T.V. aerial, trying to get a picture. He climbs up & down the ladder & on the roof and I worry about him falling. I put spaded peat moss & manure on some flower beds and spaded the ground out by north fence line. I went to Ward. Lent him $8.00.

Thursday April 6, 1995 Partly cloudy day but nice. Evelyn called early. Blake went to work but sunburn hurts. Marlene had a doctor appointment & she still takes the heart medicine & in a month she has to have a "tilt test" changing position causes heart problem. She had a fire blowout. Was in garage while going home. Evelyn has lots of worries & concerns about her kids. I helped ladies quilt a few hrs. this A.M. Went to bakery, grocery store & drug store. The car trunk

lock broke + Edward couldn't get his key out. He took the car to A1. Keysby on 22nd I took the car to the shop + they installed the repaired lock. $13.00.
We called Betty + Vernon Ingrid + we plan on going to St George next weekend for Easter to stay a few days with them. She said her older brother fell out of bed this morning + broke his arm + waiting for surgery. His + his wife are in a rest home. [illegible] C. Clifford Young and spoke on [illegible] gave no estimate for Bruce

1977 Chev. Re-alignment B.O. Tires

Friday April 7, 1995 Overcast but mild.
Edward had car realignment at B.O. tires on Wall ave. They are going to kill B.O. on Wash. Blvd.
We went to Presh. Sale. Got a few items. Saw Valerie, Karen + marian there. Evelyn came but she was late. We ate some lunch and she left to go to Sears and work. I washed + dried clothes + bedding. Hung some clothes outside on line. The line in by front of Boyds came to ask if the music was loud. We said the base is what bothers us. He was nice but told him we have right to. I could hear the beat. He said Boyd has a number of problems:
Car broke down, Grace won't let him see his kids - Girl friend left him. I said we all make wrong choices + we pay for them. Then he said Boyd was at doctor for tread-mill test. His problems haven't anything to do with the loud music.
I had a nap and went to bed early to rest my leg ache. Reading the flower bulb aggravates the nerve. Edward watched the fights on T.V.
Saturday April 8, 1995 Thunder + rain early morning. Ground needs the moisture. Bruce called early and they will be here for awhile on their way to Morgan to see Jonaline + family. Evelyn called and she and Derek will be here this morning! Bruce, Brenda + boys + Evelyn + Derek came about the same time. We visited awhile - I prepared a meat loaf - baked potato + etc. dinner for all of us. Later Bruce, Brenda + boys went to Morgan to visit Jonaline. Evelyn, Derek + I went to Bev + Lloyds to visit awhile. Evelyn got the name of the stain for cupboards. They have the house + yard looking nice. Lloyd + Bev sold their house on Oak St and Donna has moved into the house that mother + dad lived in, only in the apartment that Lee + Nona lived in. Evelyn left for home. Edward + I went to Mary Rustons 90th birthday party at her daughter Kay Hardy's home up on east bench above the univ. They had a lovely assortment of food to eat. Mary looked so good and happy. We stopped at store for milk and candy. When we got home Bruce, Brenda, Boys + Jonaline + Burke + Chelsea was here. Chelsea is starting to talk. We visited + they all left for home. I made a pan of brownies for lunch tomorrow. We watched a musical on T.V. I embroidered on dish towels.
Sunday April 9, 1995 Stormy day at times. Rain, snow windy + cold. We attended all meetings. We ate lunch + rested. Jack + Valerie came to visit all afternoon. We talked about the [illegible] in Glacier Nat. Park in Montana. We have to rent a motel for 5 nights plus gas + food. Expensive.
After this Lil + we went to viewing of Norma Stevens at Lindquist Mortuary. Big crowd as there were 4 viewings there. She looked so peaceful + younger. It was 8:00 o'clock when we got home. My back + legs painful. The odometer on our 79 olds turned over at 80,000 miles. We watched "Sound of

music" on T.V. Jack called to give me phone # of motel in Montana.

Monday April 10, 1995 Clear - windy + very cool. I went to store for groceries. Baked a cake. Vacuumed + changed furniture around in frontroom. Vacuumed back porch rug. Edward painting in studio. I took the cake to Church House and Edward went to funeral service of Norma Stevens. I took Lavenia Palmer to Fine Points + to Gardeners on 23rd to take 3 quilts to be quilted.

Margaret Wells + Ricky Spurin visited us a couple hours. They had been to S.K.C. overnight. Ricky attended a Hospice meeting. Sure good to see + visit them. They left about 6:00 Clock. I invited them to stay overnight, but Ricky needed to get home. I rested rest of evening. Elaine + Howard Jensen brought my dish home + visited. Boyd Williams had his Radio on quite loud. He is trying to irritate us. I talked to Evelyn + Blake by phone. All ok there. Pat Dean Bingham called and we had a nice talk. talked to Bev on phone.

Tuesday April 11, 1995. Worked in house. Sanded the plant stand. Talked to Bev. Misty + she was going shopping. Elaine Jensen brought Easter treat ~~cake~~ for R.S. visiting + we visited awhile. I hoed a few weeds from flower beds. Called Becky Knight to get my hair cut. Edward working in studio. After dinner I went to Becky Knights and had my hair cut ($9.00) Later I went to Sears and exchanged a pr of boxers. I stopped at Fred Meyers to look at flower plants. We ate supper and Edward and Allan Cuthbert went home teaching.

The weather is mild.

Wednesday April 12, 1995. Warm day. High clouds. After breakfast Edward took the 79 Olds car to Dale Clifford to have lube oil + tires changed. I washed a batch of towels + etc. Hung some clothes out on line to dry. The tulips are blooming out by east fence. Roses are leafing. I went to Dr. Paul as I have sciatic pain in rump + down back of my leg. He checked blood pressure also. I am taking medicine to protect stomach (Prilosec 20mg) 1 a day and Flurbiprofen (ansaid 100mg) 3 x a day. I stopped at Wangards for a few items. After lunch I swept + vacuumed the cars. Edward mowed the lawns. The lawn mower doesn't pull very well.

Kathryn Young brought the Easter Wreath she made for me. $12.00 She is so cute. She stayed to visit for a couple of hours. Enjoyed her visit. Edward + Allan Cuthbert went home teaching and all their assigned families were home. It has been overcast and mild. Warm night. The neighbor next door hasn't turned the music loud + I think it was because I was cleaning the car and then Kathy came to visit. He drove in + out of driveway but he never spoke + neither did I. Bad situation because of loud music + booming bass. Doug Payne + wedding reception tonight.

Thursday April 13, 1995 Warm weather. Strong South wind. Worked + dried bedding. Packed suitcase. Dale Clifford replaced oil sending switch. ($13.00) Talked to Bev awhile on phone. Walked to Lavenia Palmer to get some material she gave me. I went to Jensens to show them the Easter wreath and Wanda Jones was there to see mine. She looks good. They come home

Friday April 14, 1995 Brie 13th birthday. We gave him $10.00. My sciatic nerve still hurts. went over to Dr. Poulos office and got another B12 shot. We put suitcases + jackets in car. Edward called Betty Argill to let her know we were leaving. We called Bruce N. + Evelyn to let them know also. Left at 8:45 or so. Started to storm but mostly fog from Farmington thru Salt Lake. Big wreck on opposite freeway + were stopped for miles. We had better weather from Sandy on. Stopped in Fillmore for a sandwich. Put gas in car at Delta. Met Dewain + Betty Argill about 5:30 or so. Glad to get there. They had a nice dinner prepared for us. We visited the rest of evening. Made a bed on hide a bed in front room. Edward had a stiff neck + I drove all the way. Car ran good. Kat tried splattered. Rua gave them her 88 mercedes.
Saturday April 15, 1995 After breakfast we went up by Art Center to the art festival + looked at the displays + listened to western music. Dewain bought a big print picture he has wanted for a few years. 155.00 The weather was nice. We went back to house for a quick stop and then went to the Entrance to Zion Park to the theatre to see the huge screen for the production of "treasure of the Gods". It was very impressive. Edward got dizzy when the scenes moved fast. Cost $7.00 apiece. Later we stopped for dip yogart ice cream cones. We then drove the opposite direction + went to Beaver Dam + saw the flood damage. Then on to Mesquite, Nv. + saw all the new homes built and being built + the new casino + ito being constructed. We went to the Oases + spent 2 or 3 dollars. Came back to Argills + ate supper. Ida Bell + Ede and Terry came to visit us. I gave her the embroidered dishtowels + Edward gave them $20.00 for her birthday. They look happy + she felt feels good. Baby is due in Aug. Went back with them to look at their studio apt. It is nice for them + a few blocks from Argills. We all got to bed at 11:30. Betty served icecream + cookies.

Easter day

Sunday April 16, 1995 We slept well. Got dressed + ate. Edward + Dewain went to P.M. + Betty + I went to the Retirement Center to attend Sac. meeting with our husbands. Dewain is the branch president. The mayor of St. George - Mr. McArthur was the High Councilman speaker. He is about 40 or so. He gave a very interesting talk about the pioneers settling St. George which his Gt. Grandfather was one. Had he sing a long. He has a good voice. I spoke with him after meeting to tell him how we enjoyed his talk.
Edward took the Argills + me to Easter dinner at Dennys. Later when we got home Bettys sister Rua,

their niece & girl friend come to visit for an hour or so. Good to see Rua. She is feeling fine. Later Sherwin took us to Snow Canyon. During the evening we watched the T.V. movie "Joseph". It was good. Sat to bed about 10:30.

Monday April 17, 1995. It was raining lightly. We ate breakfast put suitcases & jackets in the car and said our good-byes to Betty & Sherwin & thanked them for their hospitality to us. We left at 8:30 A.M. But in fog about 25 miles from St. George - going to Cedar City. About 4" snow fell. Snow plows busy. We had fog, snow, rain & hail until we got close to Provo. Weather good from there to Ogden. Edward drove to Fillmore & I drove rest of the way. We stopped at Maple for a hamburger & $5.12 gas. We drove speed limit & little over it & cars still whizzed past us. We stopped at Ogden Clinic & he saw Dr. Quigley in hall & he told her about his stiff neck & she felt the cords & told him to put moist heat on it. We stopped at Wangsgards for a few groceries. We got to our house at 3:6 o'clock! Unpacked suitcases & put clothes in closet & drawers. Had a bath. Edward put heating pad on his neck. It had sprinkled here early A.M. I called our Bruce to let them know we were home. They went to Sandy for Easter dinner - he said Jonalene, Burke & Chelsea and there to. I called Evelyn but no answer. I called later & Clay answered but didn't know where she was. Later Evelyn called. She had been to have her hair cut & then she went to visit Marlene and Abby went to Park City. Evelyn had Norsen, Ray & Kathleen for Easter dinner. Marlene, Whitney & Boys have gone to Judds in Evanston.

Home from St. George

Tuesday April 18, 1995 Mild - Cloudy. After breakfast I washed & dried the soiled clothes we brought home from St. George. Hung some outside to dry. The tulips are blooming by east fence. A few rain showers. Edward still has a stiff neck. I called Dr. Paul's office and it is his day off. Made appointment for tomorrow. Edward has been using moist heating pad on his neck. I went to Ravenia Palmers and borrowed quilting frames.

Edward and I visited Ronald & Wanda Jones awhile this afternoon. She gave me a gift of a special dish cloth and an angel pin. I went to Jensens to get the dish towels Elaine got for me while they went to Logan. ($19.16) for 4 towels. Late evening this afternoon Edward put a "For Sale" sign on the truck for $3000.00. I borrowed Ravenia Palmers quilt frames & then I had her come and help me put the quilt on the frames. Boyd Williams left doors open on his truck with tow motor. We closed door it over to Jones while we were there visiting. Wanda said "We'll call police if he didn't shut in door."

Rain / Edward saw Dr. Paul 4/17

Wednesday April 19, 1995 Rainy day. Evelyn called early. All ok. David wrote he might be moved. He wanted to get a bike for his birthday to see if he could get a lot of weight. I went thru my diary to check on date that we had to tell Boyd Williams to turn tow motor door. A man came to look and drive the truck this morning. He left his name. Edward drove the

truck on the lawn & I got upset with him as the ground is soggy and still raining. I went to Bev and Lloyds for a 2 hrs. She gave me a pretty Easter card & bowl of candy. She got flowers - candy & Easter tray. She had Easter dinner for her family. She are tending Aaron 3 yr. old girl. She is cute.
Edward went to see Dr. Paul. He gave him 2 prescription - muscle relaxant & anti-flammetary.
I tied the baby quilt today. Need to hem it.
Car bombing in Oklahoma City federal building. Destroyed large part of building. People killed and trapped. 167 dead, hundreds injured, many badly damaged. Terrorist are suspect. Tradegy. Little Children killed & injured in day care center at the building.

Thursday april 20, 1995 Overcast. Storm coming. Velma Day called to tell me she wont be quilting as she cut her finger on right hand. Glass broke while washing it. She had to have stitches. She is putting the UP Quilt in Quilted Bear for a few weeks to try and sell it. There Vell, Verla Swann, Peggy Rose, Lillian Day, Zelda Benner and I quilted until noon. Lot of quilting on the quilt.
I made Chocolate chip cookies after lunch. Mrs. Ferguson came and visited awhile & ask me to get their mail & paper for 3 days while they are in Colorado. Evelyn called this morning. I'm going to help her on Saturday to pull wallpaper off the soffit in kitchen. She is tending her grandson while Marlene & Walt go with Bruce and Ray to St George for a horse race. Edward has been Nauseous from taking the medications. I made a big pot of vegetable soup and chocolate chip cookies.

Edward took a short walk and I went to Barbara Palmer to return her stapler. She gave me three pieces of material. Our Bruce called tonight to ask how we are feeling. He is working different shifts - day or afternoon. Nothing permanent. He has inquired about another job - a company based in Boise & they are going to build in Rubi. I finished the baby quilt.
Lot of news on T.V. and papers about the bombing in Oklahoma City. No more survivors found yet. A very sad & tragic for the whole country. Unfathomable that people could hurt & kill innocent people.
Friday april 21, 1995 Cool wind blowing. No storm. Edward went for a walk while I washed & dried sheets & etc. Hang sheets outside today. I sorted the material Barbara Palmer gave me. There is large & small pieces. Edward & I had a few words yesterday & I don't feel like talking. My sciatic in butt & leg doesn't feel much better even after taking medicine for a week. Edward's neck is painful. He has stayed in house most of the day. I vacuumed & dusted. Home teachers came (Howard - Rayner). I went with Minnie & Zelda Benner to the Logan temple to wedding & sealing of Bryan & Barbara Cutler & sealing of two children. Large crowd & room so people from our ward. President Orel Ballam officiated at the sealing. I spoke to him. Had to tell him who I was. He gave me a hug. He used to live in Cove while his dad was the Principle. We went to grade school together. Got home at 9:0'clock. A lovely evening.

April 22, 1995 Saturday.

Edward got up early. After prayers + breakfast Edward put the step ladder in the car trunk. I went to Evelyns. We pulled + scraped wall paper off the walls above the cupboard + around the window. It was stuck tight. We worked several hours. She served soup, crackers + pudding for lunch - She was tired also + we rested awhile. She was thinking Derek. He stayed overnight. Marlene + Dallas came to get Derek. She finished the one wall for us and glad to have her help us. She is feeling pretty good. Whitney at work. Brian + Rod went with Kathleen to the horse races in St. George. They left at 4:30 A.M. I got home about 4:30 or so. Then went to Harmons for groceries ($38.00). It was raining. I cooked potatoes - eggs - cake - made broccoli salad. Called Valerie but Jack answered the phone as Valerie was babysitting Carah Beth as she is enrolled with Miss Raypaille pageant. I asked if they would like to come to dinner tomorrow. He will talk to Valerie + call me. The neighbor next door had 2 big loads of cement delivered + poured his patio + driveway. Edward said he spoke to him + the guy that lives with him - Evelyn gave me a picture of Clay + his date at the Junior prom - He read Claudia letter. He bought a bike to ride. He has enough money saved to fly home if he decides to come. Hopefully he will finish his mission. I asked Bro + Lloyd to dinner but they were going to Kathryn + Barry.

April 23, 1995 Sunday. Rain + frost. Had to scrape frost off car back window. Edward went to P.H. + Sac. meeting. I attended all block meeting. We enjoyed Sac. meeting. High Councilman Bro. Rushton spoke about road to perfection - don't get discouraged but believe Jesus Christ and let him help.

Jack + Valerie came for dinner. I served B.B. potato salad, broccoli salad, pork + beans - jello and cake. While we were eating a man came to see the truck + drive it. He bought it. He lives in Hurricane trailer park. He will take it tomorrow.

Valerie + Jack got an invitation to Neil Stevens (Judy's son) to temple ceremony at Provo in a week or so. After Jack + Valerie left about 4:15. Edward had packed his sack + we called Jack + my cousin Margaret Duggmire and went to visit them and return Bear Lake Review Book that belonged to Aunt Lil. Their son John wife + two children were there. We enjoyed our visit. Jack sold his truck to Lawrence Saunders + bought a motorhome. We got home about 7:45. I called Evelyn to ask if they would like to come + eat but they had eaten + going to take a nap.

Jeff Roberts sold us the truck

Monday April 24, 1995 Cloudy + cold. Jeff Roberts came from Hurricane Trailer Park came with Elza Brown to pay for the truck Edward sold him. Edward got up early and cleaned the camper. The owner took truck to have it inspected and new sticker. Edward went to deposit money in Credit Union. Then he went to look for another vehicle. Evelyn called to ask how we

are. He said she got some rest yesterday. She wants us to go to the temple on thursday with her after work. After dinner Edward & I mowed the lawn & the mower kept clogging. While Edward watched the wrestling on T.V. I returned the quilt frame to Rovenia Palmer and visited for awhile. She isn't feeling very good. Dizzy. Julie took her to the doctor but couldn't find the cause. I visited Blessie Morin awhile until Ron & Gene came to see her. Watched the news - read - went to bed.

Thursday - Partly cloudy & cool. April 25, 1995

After breakfast Edward & I went to several car dealerships to look at mini-vans and cars. They are expensive. We went to the credit union to see about a loan if we buy. We got 3½ hrs. Will will check the ads in the paper. We stopped at Jims Burger to eat lunch. The men who bought the truck left our old license plates by the door. Edward & I relaxed & put heating pads on our sore spots. For neck & my hip. Blessie Morin came to visit for a few hours. She brought us a slice of banana cream pie. She had a perm today & her hair looked nice. We mostly talked about her 3 marriages. Edward watched the boxing on T.V. Overcast & few sprinkles.

April 26, 1995 Wednesday. Clear & few clouds at times. We called two people with vans for sale. We went to Provo to look at a van. We drove for an hour and asked directions 3 times. a neighbor lady drove to the address & we followed her. The van is 1989 Plymouth Voyage and in good condition. We drove it & offered the young lady at price. She will talk to her husband and call us tonight. We got

home at 12:30 or so. Ate lunch & rested. Rovenia Palmer called to ask if I wanted flower starts. She feels better today. After lunch we went to Riverdale Road to 2 couple of car dealerships & looked at more vans. It is a tiring job. If we had more money we could buy a late model vehicle.

April 27, 1995 Thursday. Nice day. Warmer. After breakfast I went to church house to help Thora, Vera Zelda & Thelma quilt until 11:30. Thelma brought her 1st Grandson (8 mo.) with. He is a good happy boy. Came home. We ate lunch then I went to Rachel Bromwell for our D&C meeting. There was 14 in attendance. Rita Bridgelow told us about the silk worm project the pioneers tried. Alfie Sterling gave the lesson about Welch concerts and the Handcart treks they made to S.L.C. Rachel served a tasty salad, rolls, pickle, cheese & sprite.

Started Naprosyn 2 a day 7/43

I went to Bayless drugstore for Naprosyn. I called Dr. Paul & told him the Anexia didn't help so I'll take the Naprosyn for a couple weeks. I grocery shopped at Harmons. Edward sanded the old chipped paint off the wood fence. Boyd Williams told Edward he got fined $100.00 & 6 mo. jail & needed to get a lawyer. Edward said we asked quite a few times to turn the music down & we called the police once and the neighbor (Romona) called 2nd time. She don't believe he got that big of a fine if he turns the boom box up & the police have to come to talk to him again he may get a big fine. He said he will have to get a lawyer. Time will tell. I said "talk to Boyd and said "the cement looks nice" He said "thanks". He mostly ignores us. He cussed the problem & blames us. I soaked the flower planter - basket & trees.

6/5/2

Wanda Jones and Blessie Mrain visited us awhile this evening. Wanda brought us a bottle of Vanilla. Bud called tonight while company was here. I'll call him tomorrow. They have been home about 3 weeks from Arizona.

We called Bud & Mary at 9:0'Clock. Bud had been sick in Arizona. Strep throat & arthritis in his ankle. She broke her rib. They plan on coming to Utah next month. She said Jim is engaged & may get married in Sept.

Bud called Bev and had a nice talk. They were sick while in Ariz. [redacted]

Friday - April 28, 1995 Bought 1991 Dodge Caravan

After breakfast we started looking at used van from Roy to Layton. Drove a few.

We bought a white 1991 Dodge caravan S.E. for $10,000. Pd $3000.00 down & by the time we bought 2yr-warranty-taxes + etc. We still owe about $8900.00 for 5 yrs - or when we can pay it off. We were at the dealership - Layton Hills Dodge - for 3 hrs. or so. Edward drove it home & I the Olds.

I went to C.U. & transferred $3000.00 from our savings for the down payment - Monthly payment $208.00.

I had a bad headache when I got home. We ate & laid down for awhile. I went to Wanda Jones to R.S. Meet. She came home with me to see the van. Benny & Ruella Ferguson came over to visit until 9:0'Clock. It is cloudy and cool.

Bought van 1991

April 29, 1995 Saturday Cloudy - few rain showers. Evelyn came about 8:30 or so and ate breakfast with us. Bruce left early (4:30 A.M.) to go with Roy & Kathleen to the flat track races in St. George. Nonie Randall ran horses running. Clay is in Cache Valley with a friend to rodeo. Blake stays with friends. Evelyn worries about him as he drinks. Our Bruce called early they were going to some race but we decided to go see them to drive the van. Evelyn & I drove. Bruce drove it to Logan and back to Hyde Park. We all ate at Arbys. We paid $20.00 Bruce, Sandra, boys, Evelyn, Edward & I. We had a nice visit. Watched a church video "Come unto Christ." The van drives nice. Hope we like it. Evelyn slept on way home. She left here about 5:45. for her home. I received a letter from school mate Laurel Bjellerhog. Class get together 27 may at 1:0'clock. I was tired when I went to bed. Jazz lost. 140-126

Sue Elaine Jensen called to ask if we would like to ride to Salt Lake with them to Brown Temple wedding. I told her Wanda Jones asked me but thanked her. Elaine had skin cancer cut from her face & shoulder on Thursday.

50 miles to Bruce home from ours

Edward took Boyds brother & Robin to town where they did music down & they did

April 30, 1995 Sunday Cool - partly cloudy. Edward attended all meetings. I visited R.S. We had an informative S.S. class. Studied about Christs miracles and transfiguration. (Clergy-glorified) Rock means revelation. We enjoyed Sac. meeting. Relig missionary from Australia spoke of missionary work as did Doug Ogden the Ward missionary leader. We ate dinner & rested. I got last pad or pay back. We visited Howard & Elaine Jensen. She wasn't feeling to good. Her stitches were pulling.

Edward & I went to drugstore for the medicine she gave for her. We came home & looked it. We went to Bruce & Boyds to show them the van. Bessie, husband & two little boys

and Charlie was there to eat a pork roast dinner.
We stopped at Ralphs. They weren't home. The boys next door (Robin & Boyde brother & a girl friend) had the music turned up & sitting by the fence in driveway and Edward told them to turn the music down and they did. He told them to listen to it up in the house.
We will always have a problem with their music.

May 1, 1995 Monday We got up fairly early. We didn't sleep very well. After breakfast I called the business manager at Peyton Hills Lodge where we bought the van & told him the van wasn't clean. He contacted the service man (Ron Brooks) and he called me. I told him we were embarrassed when people looked inside the van & he said he was embarrassed that they didn't clean it. Edward took it to them & they cleaned it good. He was gone 4 or 5 hrs. I made checks out to pay utility bills. I went to the credit union to ask if Kev. checks were deposited. They were. I went to Harmons to pay utility bills. I grocery shopped at Wangegards. I talked to Mary Lee Wayment — B. and she said Beth-Slater & Byron are ok but Elsie Wayment is in Rest home in Berley. She is having memory problems.
I mowed the grass. Hard to do as the mower doesn't pull. Have to push it at times. Edward ate rested and went out in studio to work. Evelyn called early. All ok at her place. She had car trouble going home Saturday. She got to Nevada Truck Stop with the car & went home with a friend. A hose had broken & Bruce repaired it. $8.00.
Edward said he bought accidental insurance for us on the van $10.00. The weather is cloudy - few rain drops. mild-

May 2, 1995 Tuesday Heavy rain at intervals.
Edward has been in studio working. I washed and pressed temple clothes. Also pressed and cut the dish towels getting them ready to sew and put transfers on. Velma Ralph called to chat and ask if I was going to the temple for Bowen marriage & sealing. I told her I was going with Jone. She called Wanda Jones & Wanda had room for Ro. Nice for us all to get together. I hemmed the two sets of dishtowels. Vacuumed the floor. I called Bev and she was baby sitting 2 great grandchildren. Heather and Shaun are renting a mobile home and Misty & Travis are buying and moving in Heather's present place. Ken & Sandra are buying and moving in Misty & Travis mobile home. Bev said she would take me to see their homes when they get settled. I stopped taking Naprosyn to see how I feel on Monday.

Started Naprosyn

May 3, 1995 Wednesday. Damp & Cloudy day. My sciatic is miserable so may have to start taking Naprosyn again. Edward took the van to Hale Clifford to check it. He couldn't today so will leave it overnight & he will check it tomorrow. I cleaned the main bathroom this morning and did light housework. Edward working in his studio. Evelyn called. She & Bruce are going shopping for David & Marlene's birthdays. Marlene wants a set of Dorothea David needs socks & ties. I invited Evelyn & family for dinner on Sunday for her 49th birthday. She wants a pretty pair of pillowcases. She said Marlene's little boys locked her out of the house & she gave them a spanking & tied them to the chair for a few minutes. Good for her. They need to know she is the boss.
I made brownies this morning. Stopped at the grocery store

after I went to the credit union. Bernice looked at our van. I took the van to Dale Clifford to have him check it.
Edward got sick in afternoon. He threw up and started to feel better. We believe the new medicine he started to take made him ill. He won't take anymore pills. I took the Jones, Bennions + Jensens a cup of strawberries. I brought more than we can eat. Jazz-95 Houston 82

Bowen sealing

May 4, 1995 Thursday We awoke at 5:30. We got up about 6:45. I showered and dressed to go to the S.L. temple to attend session and sealing of Eugene + Mary Bowen. Edward didn't go as he didn't feel good. Velma Ralph, Retta Draney, Harold Nay and I went with Wanda Jones to S.L. A nice group from our ward was there. Bowens had Shirley, Cindy + baby ~~Bob~~ boy sealed to them. A lovely session. On way home we ate lunch at Chuck-a-Rama in Bountiful. We enjoyed a variety of food.
I washed sheets + hung them outside to dry. Washed and dried towels. Edward + I walked to Dale Clifford to get the van. He checked it thoroughly. Packed back naked Mandarin oranges. Bruce Morain went to Provo for a visit. Cost $17.00
Our Bruce called. all ok. He wants to have Dale Clifford to put chains on his van tomorrow if he can.

Red Wallop our Allstate Insurance agent came to take a picture of our wood stove in front room. He also said we would get a bill on the 1991 van. Ours capped up until Sept of July. I went to Blessie Morain's mail box to pick up her mail. The Robins guy next door met me at their front fence to ask if I could hear the music and I told him I haven't been home. We both complained about the music asking us to tell them to turn it down if it gets too loud. I said no need to turn it down if you don't turn it up. I told him 3 police officers had talked to us + we will do what they ~~to~~ told us to (to call them + they would take care of the problem) but I didn't tell ~~them~~ him all that. I said Boyd has lived there a year + twice asked him 10-12 times to turn music down.
They are blaming us for the problem they cause. Time will tell how this situation with them will turn out. Boyd won't talk to us.

Neighbor Robins talked to me about music - Boyd won't.

Dale Clifford brought the van of Bruce's here at 5 o'clock + Edward took him home because it was raining.
Saturday May 6-1995 Rainy morning. I called Evelyn to tell her we would not be home until now or so. We took Bruce's van home + brought our car home. Bruce had to work until 4:30 or so this morning - 16 hr. shift. He got a few hrs. sleep before we got there. We visited awhile. The boys were cleaning their bedroom + Brenda was vacuuming the rugs.
It rained + light snow to Hyde Park. Rain on way home to Willard then sun shone. I left Edward off and I went grocery shopping to Wangsgard's. We ate lunch.

Mother died 6 yrs. ago.

May 7, 1995 Sunday = Evelyn's 49th birthday.
The weather is mild = Edward and I attended all church meetings.
Evelyn, Bruce, Clay, Blake, girlfriend, Marlene, Walt and little boys came for Evelyn + Marlene's birthday dinner. I prepared a roast + chicken dinner. (KFC chicken). We gave Evelyn a book "Believing in Christ" 20.00 + a dollie mother crocheted. Gave Marlene 10.00 + a dollie mother crocheted. Evelyn + Bruce stayed until 5:0'clock. Boys had basketball game.
We enjoyed having Evelyn + family here.
Later Edward + I went to Bill + Gordon Walker's to visit and get my geneology book. Elizabeth + husband were there. He is black. Don't know his name.
We went to Jack + Valerie for a short visit + show them the van. She served ice cream + cake. We wanted to take them for a ride but it was late + dark. Got home at 9:0'clock. Busy but enjoyable day.

Planted geraniums + dahlias + snapdragons

May 8, 1995 Monday. 50 yrs ago World war II ended.
Evelyn called this morning to thank us for dinner + gift to her birthday yesterday. She is enjoying the book we gave her.
I washed + dried blankets. Planted geraniums in front of house. Planted snapdragons + dahlias in back yard
Edward worked in studio. After lunch I went to Fred Meyer to buy paint primer, weed spray + etc. Went to Boise West and bought 5 fence boards. Had them and had wrong kind. took them back and exchanged them for dog ear fence.
I took a walk to Ralf's to look at her flower beds and then to Da Venice Palmers to visit. Boyd Williams had stereo music loud with patio door open while he was on north end of his garage roofgarding. He is a bother and not considerate.
Valerie called to tell us Ken + Betty are coming to L.K.C. to see an eye specialist for Betty. Don't know when. Soon I imagine.
May 9, 1995 Tuesday: David 30th birthday.
Evelyn called. David's companion was transferred two others Eldres moved in. David's landlady isn't nice to David + blames him for the transfer. He is very unhappy. Makes his parents concerned. Don't know how the problem will be solved. A worry.
I helped Edward nail 5 more boards on fence line. We also sanded the short boards for awhile. A big job and his back hurts. My rump and leg hurts when I walk.
Sprayed weeds. Weather is nice.
After lunch I went to Fred Meyers and bought a gallon of primer for wood fence. Bought one more fence board. Bought 6 tomato plants. Edward + I mowed the grass + he cleaned the mower. Howard + Elaine Jensen visited for awhile. I went to their place to look at her flowers.
I went to R.S. work meeting. We had a cooking demonstration by Becky Knight. It was interesting. She made quiche, lettuce and duck cake. They had a self improvement lecture and painting of small flower pots. Then a tasters table.
A nice evening. Edward watched T.V. and read.
May 10, 1995 Wed. Marlene's 25th birthday. We gave her money for a perm. I talked to Evelyn and she was going to baby sit the little boys while Marlene ~~was~~ were getting a permanent. I washed + dried clothes.

I took Jeff & Valerie Palmer to Dr. Robinson. He is in McKay Bef. Bldg. I helped her fill out forms. They are new patients & had to give information. Stopped at drugstore for Jeff medicine. Got home at 12:10. Few rain showers. While waiting for Valerie & Jeff to see the doctor my cousin Fern was in the doctors office so she & I had a long visit. She said she had to have more surgery to stop the bleeding.
Mickie daughter (Ted's model) is to be married July 6th. Michelle son to be married June 29. Mesa, Ariz.
After lunch Edward & I went to Jerry's Nursery and bought petunias & geraniums. I just started to plant them when Sylvia Knight stopped to visit. She had been to Provo & Marcie Bingham. It was Marcie's 82nd birthday. Sylvia had been to Burley twice to see lawyer. A couple is buying the house in Almo but she has to probate to make the land clear & legal. All niece & nephews will receive notice to see if they contest the will & if they do all they will receive is $1.00. Ruth Woodbury sent her a payment for the lease on the ranch. She still owns 85 acres in Junction Valley. If she doesn't sale the ranch & other she will leave it to the LDS Church.

Edward & I went to drugstore & he walked home from trailer court & it hurt his legs. We went to Jensine's. It is Howards birthday. Gave him after shave & Elaine a flower vase. I visited Glenn a few minutes. He got home from Provo late afternoon.

May 11, 1995 Thursday. Edward got up early as usual. After breakfast I went to church house to help the ladies quilt. We quilted until noon. I came home and prepared lunch. Later I went to Mervyns & Sears & bought 2 pillow cases & ordered a queen sheet. Edward went to Dr. Quigley. He thinks he has a pinched nerve in neck. He will probably have physical therapy & has prescription for Naprosyn 500 mg. Edward drove to Dr. Sederoys & they are to call Edward.
Edward went to Dr. Sorensen the dentist & he had to have an impression made & new connector to be made to hold his partial. The metal crown broke off two days ago. He left here at 10:0'clock - one hour to early and home by 2:30.
Our Bruce called to ask how we are. They plan on coming to visit Saturday. He has been working odd shifts. He received a letter from Micron in Boise for an interview a week from Friday. They will go on Thursday afternoon. Glenn Morain visited a couple hours during the evening. Showers.

Saturday May 13, 1995 No rain - Sun shining
I made a fruit salad for RV & Jubilee. Zelda Bender went with me to the RMC dinner (Pot luck for our camp) and program at Waterville. Thora Hill won a prize (Corning cookware) Husband & wife played instruments & he sang - Western songs. We enjoyed a lovely meal. Blonde cake given for ladies over 80. Our camp got an hour for having 4 new members. I went to the store for getting soil & put gas in car. I went to Jones & they did getting their frontroom and hall painted. I took the flowers from RV & to Rebecca Palmer. When I got home the neighbor Boys Williams had 7 or 8 cars & people (Green) in here his driveway - but the music was up - they turned it down some. Our Bruce & family came. They gave me two flower plants to plant along north of house. I got Brenda $3.10 & a couple plants I had left over. Bev & Floyd came while Bruce was here. Bev gave me a fern for the house. I gave her blue house slippers. I served Brownies & ice cream. We all had a nice visit. Edward & I went to the Tabernacle to the singing group - "The Four R." sing a farewell performance. We thoroughly enjoyed the program. One couple is leaving on a R.S. Mission to Nauvoo. We got home about 9:20.

Mother's Day
Sunday May 14, 1995 Cloudy morning. Cool.
We attended our church meetings. The primary children sang a song at Sacrament meeting. David & Celena Neff were the speakers. They spoke about their mother and grandmother. Very interesting. Each mother received a booklet "Motherhood" by Brig Gordon B Hinckley.
We went to Evelyn & Bruce for Mothers Day dinner. I took Fruit salad & cheese. Evelyn served lasagna, garlic bread, salad - cake - vegetables. We worked all day Saturday preparing the meal. All the Neff Nieces, Ray, Kathleen, us & Dr family were to eat. We sat and visited. David called at 3:30. We got to talk to him as did all the family. Trevor Olsen (Cheryl friend) came to talk to him. Evelyn gave me a pretty card, 2 tapes & a white swan plastic flower container. We gave her a pr of flowered pillow cases. We left about 5 o'clock. Nice evening. We stopped to visit Howell & Madelyn for ½ hr. All are ok. They have had pneumonia. Howell's dog Sadie has a yard in front of Harrels house.
Edward & I stopped at Ogden City police station & talked to an officer & we asked what we could do about the loud music. He said if we hear it - it is to loud & to keep calling the police & let them take care of the problem.
We got home at 6:30. All quiet here. We ate light supper. Watched a Nature program.
Monday May 15, 1995 Cloudy Ogden work day.
I slept late. After breakfast I worked in office. Edward in studio. He is still groggy from taking medicine. Evelyn called to ask how we are & if we went to police station. I said yes. I thanked her for the lovely day & gifts yesterday. She went to

bed at 7:30. I cashed the Snipes refund check. Paid paper + fuel bill. Planted the flowers Bruce + Brenda gave me. Edward went to have therapy on his neck. (Heat + massage). He was gone for 1½ hrs. He also had the dentist grind on the tooth. A quick storm came. Thunder, lightning, rain and hail. Then sun shone.

Boyd Williams was on his garage roof to shingle and he had his radio on stereo on in his family room with patio doors open. Edward called up to him to turn it down and he decided to close the patio doors of the music was on.
He said "wanted it as quiet as a church mouse".
Edward said the police told us if we could hear the music in our yard, the music was to loud.
And Edward said he would call the cops + ~~told~~ again
Boyd said "will see about that."
He went down the ladder really huffy. Is he is really mad. He worries me as he can be vindictive +
He went into his house + turned the music down but turned the base up so he wanted to show us he could do it.
I walked over to Reimers + we could hear the boom-boom.
Zelda + I walked outdown + spoke to Howard + Elaine Jensen over their fence + we all could hear the base vibrating.
I was going to call the police but he turned it off after an hour + left in his truck.

Thursday May 16, 1995 Clear sunny day until late afternoon. Cloudy, wind + light showers.
Boyd Williams was up on his garage putting shingles on by 8:30 o'clock. He had earphones on listening to his music.
He didn't go to work today. His brother was here.
I took Rebecca + Jeff Palmer to see their doctor.

Jeff has Depot + Broders. He has to take Synthroid.
Took Rebecca to the drugstore before taking them home. We left at 10:45 + got home at 1:10. I ate a sandwich + called Bev to let her know I would be late to get her. We went to Penneys and she paid on her account. She bought lipstick and eyebrow pencil that cost $2.00 a piece - She bought Lloyd 12 pr of socks. I got my bedspread to try it for size. We went to Barry Young's office + then to their house they are visiting. Kathy was home. She had been folding laundry. People were coming to look at it. It is big but dark in different rooms. Kathy took us to see the house on Tyler 35th they have bought. They have taken some carpets up + starting to paint frontroom. They will pull cupboards + fixtures out + completly redo the house. Lot of work for them. Enjoyed our visit. Took Bev home + got home about 5:30 o'clock. Ate + rested.
Edward was going down teaching but Alan Critchlow forgot.

Wednesday May 17, 1995. A fairly mild day.
I pressed the new blue - Brandon bedspread. Looks nice on bed. Did housework done. Evelyn called Lady to ask how we are. She said Noreen had relatives in to visit. One elderly lady mistook door as she was going to the bathroom + fell all the way down stairs to the basement. Flo got her to the clinic with cuts + bruises. May have problems later. One older lady got her head out in the car door at the clinic. What a terrible day for them.
Jerene brought us some strawberries. Edward went to therapy for his neck. I went to Shopko for sugar or etc. Stopped at Morgenroth's for flower plants $3.45

Went to Bob Allen for perennial starts. $13.00
Just leaving his place when I got a flat tire.
Edward changed the tire & had the one repaired ($13.00)
When I got home a van was backing out our yard and there was Bud & Mary. They left Washington Monday. They will be here 4 or 5 days. After visiting for awhile, we all went to Bev & Lloyds for an hour or so.
We plan on going to Maddox on Saturday evening for dinner for our 50th Wedding Anniversary. Bill got Champagne.

Thursday May 18, 1995 Nice weather. We worked around the yard and house. Edward put clothes, tools etc in van. We left here at 3:00 o'clock for Hyde Park. Bruce got off work - showered - dressed & put clothes & jet material in van and we left the place at 3:30. Brenda at work. We thought we could get to Freeway from Preston way but had to backtrack to Isa 75 miles & 1½ hrs. later to Tremonton to get Interstate. We were really disgusted that we made a bad driving error. Drove to Idaville and ate. We pushed the van at about 70 miles an hour. Got to Boise at 10:00 o'clock P.M. Dark. Had a motel room (motel 6). Washed & we went to bed tired. Bruce called Brenda to let her know we arrived safely. (42 on motel

Friday May 19, 1995 Clear warm day. Got up early! Showered - dressed - ate breakfast at Denny's. Bruce left us at the motel and he went to Micron for an interview. He brought papers to fill out. We loaded the van and left for home. Ate in Burley - Burley - Drove out to Twin Bridges - Edwards old place. We visited Marilyn Dana Kunze about 30 minutes. Drove thru Idaho and took the Freeway to Tremonton. Exited off there and got to Brenda about 4 o'clock. Brenda & boys home. We visited awhile. I drove home. Tired. Unpacked. Showered & I went to bed.
Evelyn called to see if we got home alright.

50th Wedding Anniversary

Saturday May 20, 1995 Lovely weather.
I went to Wardgards for a few more flower plants.
Edward went to the Temple to do baptisms. He was gone 2½ hrs. Bud & Mary came & she washed & dried clothes. I had called Maddox and Mansion House but couldn't make arrangements for dinner. So we went to J.J. North for our 50th Anniversary dinner. Evelyn, Bruce, Brenda, Bev, Lloyd, Bud, Mary, Jack, Valerie, Edward & I. We had a large table & a lady from another ward took several pictures for me. We ate our fill & visited a long time. We went to Bev & Lloyds to visit for an hour, except Bruce & Brenda as they went home. Came home & Edward went to bed. He was tired. I stayed up until Evelyn called to let me know she got home ok at 10:30. Evelyn gave me a beautiful rose and orchid bouquet (Pink) & her Dad a rosebud boutonniere. We wore them to the dinner.

Sunday May 21, 1995 Very warm day. Hottest day thus far. Edward & I wore our flowers to church. Had compliments. The Bsp (canvas) announced that Edward & I were celebrating our 50th Wedding Anniv. on Sun. and congratulated us. We came home from meetings and I prepared a nice pork chop dinner. Later I sprinkled the plants

* Called Police loud music.

Boyd: Will lawyer him away for harassment

as they were visiting. Bud & Mary visited this afternoon - I had just woke up from a nap. They stayed an hour or so. The SE neighbor had music up Bud, so we couldn't set out on patio. While they were here Edware called police. Then the music was down so Edware called police to ~~call the~~ cancell the call. After Bud & Mary left Edward & I drove up Ogden Canyon & over the pass to Willard & we visited Ardean Bingham an hour or so. When we drove in the yard Boyd called over the fence & asked if we called police & I said yes but we cancelled the call. He said Al (Valid) came & you had better get a lawyer as I have called mine & I'm getting you for harassment. He said then we will have to get one. I said I'm sorry we couldn't be good neighbors. He said "I'll rent this place to a Harley-Davidson gang." He said something else but I didn't hear what he said - He came in our house. He is very mad. I called Vernon & Zelda said he came over there to ask if they called police. He said no but they had called twice & all he want is to have a quiet neighborhood. He said he tried to keep my yard up & all he need to do is come to him & ask him to turn the music down. But he wouldn't talk to us. ~~He~~

I called Evelyn to let her know what has happened. We called police twice now so I don't think he can take us to court for harrassment! Time will tell. I'm really upset. Nerves.

Monday May 22, 1995. Partly cloudy but mild. We ~~Our~~ didn't sleep well wondering about what to do. Don't live like this. Our Bruce called today. He worked part day Sunday & full day today. He didn't want much for worry about us. He suggested we should move as we will have problems and besides Edward & I have back & leg problems taking care of the yard. A man we going to build a small house north of Bruce & Bruce wants us there. Only money - No - We appreciate Bruce for his concern. Evelyn called and suggested we move also or get sued & pay lawyers & Carrie plus we would still have problems. As the neighbor has his life style & we have ours. She can't find any place for us to live in Morgan. Edward & I went to Provo & we drove around the park & found two places for sale. Both Edward & I drove three millstein - Both run down = It is crappy. We drove thru 2 parks on North Wash. Blvd. We stopped at Cole trailer Sales & looked thru 2 new ones. They are real expensive $60-70,000.00. Too much money for us. I have sinus headache & congestion. I went to bed early. Thunder-lightning

Tuesday May 23, 1995. Cold windy - showers. Edware up early. Valerie called to invite us to go to the temple this morning. We couldn't go. Jim so busy & Reed also I had to take our picture & written notice to Standard Examiner to have the 57th anniv. notice in paper on Sunday. I stopped at store for a decongestant & few groceries. I called Senior Citizens Center & we have appointment with attorney Paul Alder at 2:40 today. We talked to atty Alder and he said Boyd doesn't have a case against us. He said not to worry & if he issues a harrassment suit then we

as they were visiting. Bud & Mary visited there after-
~~noon~~ Noon - I had just woke up from a nap. They stayed
an hour or so. The So. neighbor had music up loud,
so we couldn't set out on patio. While they were here Edware
called police. When the music was down he Edware called
police to ~~call the~~ cancell the call. After Bud & Mary
left Edward & I drove up Ogden Canyon & over the pass
to Willard & we visited Rodean Bingham an hour
or so. When we drove in the yard Boyd called over the fence
& asked if we called police & I said yes but we
cancelled the call. He said he (Police) came & you had
better get a lawyer as I have called mine & I'm
getting you for harrassment. He said then we will
have to get one. I said I'm sorry we couldn't be
good neighbors. He said "I'll rent this place to a

out. He goes to the clinic for a special test to find out if the veins are clogged in his neck on Wednesday. I talked to the son of my cousin Jack Pugmire while Elmer had a stress test. Edward & I ate a fish dinner before we came home. I went to grocery store while Edward rested. Betty & Ken came to visit & Betty has a serious eye disease that causes blindness in time. Macular degeneration. The main nerve back of eye to the brain is deteriorating - aging process. She is trying to stay positive. After visiting awhile we went to Uptake Noodle Parlor for Chinese food. We all enjoyed it. Ken treated us to the meal as it was our anniversary. We then drove up to the Ogden City Cemetary & visited graves of Mom & Elmer Vanna & family & Knight & cousin Jack & Valerie Gladstone. Rainy day. Came home & visited. We went to bed. We let them sleep in our room & we slept in spare room. Busy day. Our Bruce called. He has to work Sat.

May 27, 1995 Saturday. Showers - even shine at times. Cool. Edward up early. We all dressed & I prepared breakfast. Ken called Madeline & Darrel Strong - they are seeing them before heading to Billings, Montana. Ken called his children to let them know about Betty & when to expect them home next week. We enjoyed their visit. I called Evelyn. She was tired. We are going to races in Evanston - Amy (Kathleen daughter) is getting married this evening. (They have a baby about 8 - 9 months old. Evelyn said C. Clay rode his bull 8 sec. at Kemmerer high school rodeo last night. I called Valerie & we had a long chat. Jack took Carol, Gregg & kids home to Cook home from air port. They have been in Kansas for a week.

Blo + Betty left at 8:30

Lloyd's sister Margaret Anderson is to be married today. She is 81

I planted 6 petunia plants in between showers. I washed & dried bedding - vacuumed & made a cake. Velma & Harold Nay visited & brought us a pretty anniv. card. Thoughtful of them. I sent two large slices of cake with them. We took Jessica a piece of cake and visited them awhile. Elaine had a dentist & had part where the cancer growth was removed. During the evening Della and Benny Burgason visited until 9:45. They brought us a pretty anniv. card, plastic bathroom set (soap tray, cup + brush holder), kitchen towel, grocery note pad + fridge magnet. So thoughtful of them. They are going to Billings tomorrow.

May 28, 1995 Sunday. We attended all our church meetings. Prepared dinner. Read the paper. The notice of our 50th anniv. + picture was in the paper. There was an error. Our temple wedding date was 1947 instead of 1941. Bruce, Brenda & Nate came. We took flowers to Jessica's grave then to Mom & Dad Vanna's grave. Light rainfall. We went to Mt. Ogden + Bruce + Brenda stopped to visit their old time friends the Bittons. We went to Village Inn for meal. They left about 7:1" clock. I sent a few perennial plants home with them. Evelyn called. She sounded tired. She has had the little boys quite a bit. Evelyn said Angie's wedding was the pits - she had green hair + ring in her nose. Dallen Dallen showed a 6 yr old boy in the evening pool after the wedding at Park Hotel. He also spanked another kid. He is an uncorrigible child. In fact both don't mind and abuse other people. Kirk + Dallen had a fight + Kirk bloodied Dallen's lip. She finally took them home. Marlene + Lee did same

Rose from wedding & got a police warning for having one headlight. Marlene & Wilf went to Cosmeton to his brother - Nate graduation. Blair & girlfriend have been staying to Evelyn & Bruces.

Evelyn said she finally got the house back in order & laundry caught up. She & Bruce have got the take Clay to Mobile, Al. to ride in Rodeo early tomorrow morning.

The Robbins guy has been next door all weekend and saw had his two little boys at times - and no music or that we could hear. It is so peaceful & so much appreciated -

Memorial day.

~~Sunday~~ Monday May 29, 1995 - Nice warm day - No rain. Few clouds. I slept until 8:0'clock. Showered. Prepared breakfast. Cut flowers & put in containers. Jack & Valerie got here about 10:30 a.m. They went with us to Richmond, Utah cemetary. We decorated Mom & Dad grandpa & grandmas graves. The little boys. David & Christian had flowers on the graves. We walked other A.F. Larsens graves. I told Bill to thank Gene Larsen & wife. They were driving thru. We drove up High Creek to see our old house. We went to Hyde Park & Jack bought us Burgie sandwiches. We went to Bruces & visited them while the ate our lunch. The Rambo were having a family B-Q. We drove home thru Honeyville. We stopped at Beach City for ice cream cone. We visited Ardean Bingham for awhile. We got home at 5:45. Jack & Valerie went home.

Evelyn called at 6:20. They had gotten home at 6:0'clock Clay rode his bull & won a buckle. They were glad. They stopped to visit Rose & Raelene. Ray's ~~the~~ got to have his eyelids operated on. They droop. Evelyn may come

to visit tomorrow.

Tuesday May 30, 1995 Really warm day. Edward painting in his studio. I changed bedding & washed & dried sheets. Hung out side to dry. I planted marygold plants along the back fence line. I made a small rock garden in the northeast corner of the yard. I transplanted a few perennial plants in it. I went R.S. visiting to Beth Saunders. We had a nice visit. Went to visit Wards Jane this afternoon. I visited them late afternoon. After lunch I bought 3 perinical plants from Dale Allen. Bravery shopped at Wangsgards & bought 6 plants of marigolds & 6 plants of snapdragons and planted them in the little rock garden. Evelyn came to visit after work. She ate supper with us. We looked at the flowers & plants in the yard. We visited until she left for home at 8:0'clock. Good to have her visiting. He said she put the wallpaper trim above the cupboards and hung the curtains. Edward & I went to Bergesons to look at the windows he put in as he enclosed the patio. Bev called. She has a cold & hasn't felt good. He was wondering if we decorated Mom & Dads grave. I told her yes. She said Floyd bought another camper for his truck. She also said Margarets wedding was very nice. They newly weds are in St George. Theron still: Back surgery.

Wednesday May 31, 1995 Warmest day thus far. Edward had X-Ray appointment for his neck. We thought it was 11:30 but it took 10:0'clock. So he had to make another appointment for next monday. We stopped at Standard Examiner for our picture. Stopped at Library. We went to Grover Lumber and bought 20 cedar boards 1 & 1 2x4x8 & screws. We came home - ate lunch and rested. Edward & I mowed

the lawns. I trimmed + watered the flowers and gave the trees a soaking. Worked all afternoon. Yard looks nice. The neighbors on the South have been home most of the day + it is quiet + peaceful.
The Mayfield in back of our yard was cut this afternoon. I called Evelyn to tell her that Dad didn't get the X-Ray. Talked to Valerie. She had a perm today. all ok at their place. She invited us to dinner Sunday.
We received a nice newsy letter from David. He may get transferred tomorrow. He sounds more adjusted.

June 1, 1995 Thursday. Hottest day of the year.
After breakfast I went to the church Kitchen and helped Verla, Velma, Kim + Peggy quilt. The quilt is very pretty but lots of quilting. I went to C.V. to send on tip the chicks have deposited. They were.
After I went Boy called + she wanted to go to Electric company + we went to Walmart + bought a few items. Boy bought a new living room set (Tapestry material) Floyd bought a old used camper + he was starting to repair it.
Edward put the cedar boards up. Still have the short boards on. Cloudy evening.
Verla Swann said that Thurm Hill wasn't feeling very well yesterday or last night. He had back surgery + Tuesday. We received 50th anniv. cards from Carol + Jay Montgomery, Marilyn + Brad Sime + Florence + Dick Ahway. Velma + Ralph called to Congratulate us. So thoughtful of them.

June 2 1995 Friday. Few showers then sunshine. Mild. Edward + I went to the temple this morning. Came home + ate lunch. Rested. Edward in stables. I went to Credit Union to talk to Barbara about getting a loan to pay Van off - $760.00. Went to Wangerin's for groceries. Came home and Bldg. inspector left note on front door. We went to his office (Jon Webb) and he talked to us. Boyd Williams turned us in for getting 6' fence up. Inspector said we could leave up but we have installed but have to have 4' set of way. Which we planned on doing. We took the short boards down & we have sanded some to put back up. Inspector said Boyd was concerned we would put 6' fence to ~~end~~ front end of our property.) Marlene + Clay stopped by. We were trying to find a Manor Park take sales rods supplies. I got Clay $15 for his 18th birthday tomorrow. I sent an Graduation card + $10.00 to Theresa Sloop (Dave's friend). Edward and I took a ride out three West Warren + West Weber to look the farms + cattle + horses. Edward + I are in misery with our aches + pains - Backs + legs. I didn't rest as my leg + butt hurt.
Boyd called the building inspector back off as fence is ok - so inspector took us off

June 3, 1995 Saturday Clay's 18th birthday.
Rain - sunshine Mild. Evelyn called early as she + little boy were planning on coming here. Marlene had to be with young girls to come to the temple early morning. I told Evelyn Dad + I were going to Union Station to talk to V.A. representative. She said she probably won't be much income to help us as Edward doesn't have a disability pension. Also the V.A. doesn't even allow a $300.00 for headstone. Lot of benefits no longer apply. We got some information to read. They served sorbet + soft drinks.

We also went to a couple sales. Came home and ate lunch. Jordene, Barbie + Chelsea visited us a couple of hours. Chelsea was shy at first - but got friendly. She talks a lot. They had been to Barker reunion. We enjoyed their visit.

Connie called + we had a nice phone visit. She said Jacob had 12 seizures. He fell + hurt his head. They had him to the hospital for x-ray to see if there was damage. He is back on medication. Christie is better. She will be 1 yr. old Tuesday. Our Bruce called to ask how we are. I washed + dried clothes. I called Bev and they had been to Kathryn. She is getting a bit settled in their different house. Aaron, Ashley + Kids are staying with Kathryn.

June 4, 1995 Sunday. Nice day. Edward + I went to all meetings. We bore his testimony. He also thanked the members for sending cards or congratulations for our 53rd wedding anniv. He told how we met + about our 8 children + how we worked to keep our marriage and love for each other. Also he mentioned about the landing in Normandy during W.W. II. He landed 2nd day of the invasion. We went to Jack + Valerie for lovely Roast beef dinner. She called us as she tried to call Ar + Carol. Phone out of order. We enjoyed our visit. We left at 5:0'clock + went to Evelyn + Bruce. We ate ice cream. Gave Evelyn $25.00 for Kaibab mission. She got her kitchen painted. Black didn't feel to good. He has a cold and throat swollen. We got home about 8:15 p.m. We watched an Indian movie on T.V. Nice had a miserable back + leg hurt. I called Tasi the fence to say "Kill Boyd". He ignored me.

July 25, 1995 Tuesday
A clear day. After prayers + breakfast I washed + dried third batches of clothes. Hung some outside to dry. Edward washed the car + I vacuumed the car + van + cleaned windows. I have watered the flowers + watering the lawn. Hot afternoon.
Our Bruce said he pays the final $100.00 to Susan on the $4,000.00 she got + the child support. He said he has two more payments to Susan for tonic child support. She will be 18 yr. old in Sept. That should give him an extra $235.00 a month. Our financial struggle for him + Brenda. After resting I went to call Mrs. C (Wall ave.) + paid the car and van insurance ($371.00) Went to Harmons for a few grocery items. Dixie Dearing called to say Macel Montgomery funeral service won't be until next Tuesday Aug 1. Edward and Alan Critchlow planned on going Home teaching tonight but the families weren't home. While Edward watched the fights on T.V. I visited La Venia Palmer. She had just got home from St George, Ut. Julie had car trouble and that delayed them a day. She enjoyed her visit with dryed.
I visited Elsie Morkin awhile. She is starting to feel better. The swelling is going down on her foot

July 26, 1995 Wednesday. We kept the fan going all night to keep cool. After breakfast I weed the weed eater and trimmed the edge of the flower beds. I turned the water on and soaked them. It is getting hot outside.
Edward has stayed in his shop all morning. He doesn't do anything in the yard. I've had a pain in the leg for taking care of the yard. The Spinal injection hasn't helped.
I cleaned the outside of the kitchen cupboards, stove & frig with ammonia cleaner.
Edward went to town to check about price of someone making mats for his pictures.
I called Bob. His hands and knee are hurting from arthritis. She has stayed home the holiday.
I called Evon Hilstrom to ask about Jennie Haag. She is weak but improving slowly. She spent 33 days in the hospital. Had infected colon removed.
Beth Walker called. They were busy canning beans. Their daughter Charlotte was coming to visit a week. I talked to Valerie. Gregg finished painting Valerie's bathroom. Mr. Wallace finished their vanity drawers. The installers are putting the marble vanity top on tomorrow and the men are coming next week to put new flooring in. She & Jack having been canning green beans. Marilyn is flying in to visit a week. I took Flossie Morain a dish & dessert. (Chocolate Pudding cake). Wanda Jones and I walked around the apt. Complex. My leg & rump hurts when I walk. I'm taking Tylenol tablet.
Edward mowed the grass late Tuesday. It hurts him to do it.

July 27, 1995 Thursday. Clear day. Nice morning. Edwards hip is hurting. Mowing the lawn irritated it. He said we might get Gabriel Bodea to mow it.
Edward watered the lawns. I did the house work.
We were going to Wangegards but stopped at the key shop to have a car key made as Edwards broke. We couldn't get the new key in lock & the owner Mrs Nelson called her son to come & get the broken piece out. He said he would do it for $20.00. He is a locksmith. I'd called two other locksmiths. They wanted more. He finally had to take the steering wheel apart to get the lock out to get the little broken piece out. He worked an hour. We also had a new keys made. $1.05 apiece. Mr. Nelson brought Edward home to get the van. Later I bought a few groceries at Wangegards & Harmons. After lunch we rested but I took a nap. Evelyn called to ask how we are. She said we needed to hire to get the lawns mowed. My leg hurt to be on it. I did walk early a.m. I think I'll call Dr. Allison to set up an appointment for a M.R.I.
Edward & Alden Critchlow went Home teaching and I visited Lloyd & Bev for a couple hours. Bevin Renke's knees are swollen with arthritis. I feel so sorry for her as she is in pain. I wish she would go to an arthritis doctor. Edward watering the back lawn tonight.
July 28, 1995 Friday. Clear day. It will be hot. We watered back lawn & flowers. I washed & ironed clothes during the cool morning hours. Edward said he felt a little better. He has a head cold. I went to Morgan and Evelyn & I went to Morgan Fair Queen Contest. Seven contestants. Tressie Sloan was in. She performed a dance. She did well but didn't get the honor of Queen or attendant. She got Congeniality award a Bolt girl was chosen. It was hot up there. I got home at

10:30 on so. Edward didn't go as he felt miserable. We went to bed at 11:o'clock. Had the flu on.

Sat. 29, 1995 July - Hot day. Edward & I went to a neighborhood yard sale. He bought picture frames. I went to a few but came home as they weren't good. (Baby items for sale.) While I was gone my Mother Bud called. He had received the journal about Cove, Utah I had sent him. Edward said Bud will call later. Evelyn had to work in the food booth at the fair today. Jerry & Ranee Wells from Burley visited us for a couple hours. They brought the weight Edward left at Margarete a year ago. Jerry & Ranee were going to a missionary Reunion and Boyd K. Packer will be there. We love the Mission Pres of New England States while Jerry was there. We enjoyed their visit with us. We invited them to stay the night if they could.

I talked to ~~Bill~~ Bud. Bud had called her today also. He enjoyed reading the Cove journal.

Hot afternoon & South wind blowing. We have had a/c on a lot today. I tried calling our Bruce & Evelyn - no answer. Edward taking Tavist D. cold medicine.

Sunday July 30, 1995 Not quite as hot. Edward didn't rest well. He had leg cramps. Stuffy nose. Hard to breath. We were up three times. He got up at 5:o'clock a.m & rested in recliner chair. We had the fan on all night. I went to all the church meetings. A young couple in our ward spoke. They had their baby girl named & blessed also. I gave $5.00 on the quilt to be given to Bill Bennett for their wedding gift. Our Bruce called. He worked yesterday and today. He said he just sent the last $100.00 payment the Lawyer on the $4,000 so she sued for. He has two more payments

of child support for Tami. This has been a struggle for them. Hopefully Sandra won't take him to court for more support for the other two girls. We have stayed home today. Edward has dozed most of the day. We went to bed early.

Monday July 31, 1995 Nice day. Not to hot. I changed the bedding on both beds and got them washed & dried. Bev. called about 9:30 to ask if I would take her to town. We left at 10:15. We went to Walmart. She bought a small carpet sweeper she can push. She bought Blacks & 2 blouses. She paid a bill at Comm. Credit Co. We went to Penneys & she paid on a bill. Mine is paid in full. We went to Harmons & I paid my utility bills & she bought an ironing board cover. Our last stop was Wengerds & she bought sox & few other things. We got to her house and rested. I ate potato salad she had made. I came home & laid down for an hour. My leg hurt. Evelyn called earlier to ask if I would like to go shopping with her to buy & find a suit. I told her that would be to much walking. She said she might come by to visit. Watered more Lawn today. Evelyn got here about 5:30. She had taken 4 hrs. off work to go shopping. She didn't buy anything to wear. I prepared a nice meal & we ate. She took a nap before going home. She said David called. He was going to be gone from his area a few days and getting a new companion. His companion goes home tomorrow to Altamont, Utah. We enjoyed her visit. Later I walked to Lavinia Palmer & gave her money for Montgomery family and visited Yr hr. I stopped at Fleeds about 15 min. She looks & feels good. She had just returned from the store. Her refrigirator isn't working. Repairman is coming tomorrow.

Tuesday August 1, 1995 Clear day - Warmer.
Edward got up early to rest in recliner. We can breath better sitting up. I showered - washed my hair. Dressed. Grabbed light breakfast. Vacuumed + dusted. I went to Credit Union to pay double payment on Van. Went to the drugstore + bought cough medicine + decongestant pills for Edward. He doesn't feel to good. I took a fruit jell salad to Church and went to funeral service for Macel Montgomery. Claire Leavitt was the speaker. Grandchildren + Gt. Grandchildren sang + played musical instruments. Lovely services. Came home and prepared lunch. Rested. I went to the temple for a session. Evelyn + Bruce were the Special Witness in the session. Surprised to see them there. Brucis cousin "Colleen Anderson" was there also. Delma Neff was working on our session. Evelyn + I visited a few minutes before we left. They were going to go eat. I went to Wangsgards + bought a few canned goods + Buttermilk.
The man came to give an estimate on the tub, but Edward said it would cost $400.00 +. The man from Bathcrest called. He gave a phone estimate, so I'll call him tomorrow.
Edward feels somewhat better. He is walking up + down the driveway tonight for exercise.
Wednesday Aug 2-1995. Edward coughed a lot during the night. He he + I didn't rest well. He got up early at sat in recliner chair. I slept in spare bedroom to get some sleep. We ate breakfast. I used electrical sander on the metal shower. Cleaned it. I put metal primer paint on it. I walked to Delma Neffs + they had three men working putting in an

Thursday Aug-3, 1995. Edward coughed so much he slept in Recliner. Evelyn called early A.M. to ask how we were feeling. We went uptown to Blue Cross Ins. office to have our doctors statements checked. Some are paid and some being processed. I washed + dried underclothes. I painted 2 sides of shower walls + the fumes were to strong. Oil based paint. I'll have to finish the other wall next week. Strong odor. Kept window, door + fan going. I've watered the lawns + flowers in case we go to Jackson Hole tomorrow. I called motel 6 - + first come first gets a room. I went to the C-V to get some cash. Stopped at church house to talk to the ladies quilting. The quilt is almost finished. I grocery shopped at Wangsgards. Edwards right hip is hurting. He is using crutches. We drove up to Morgan + visited Bruce + Evelyn awhile. Bruce had been to the Chiropractor. His body hurts. He can hardly walk. Edward laid of on floor to ease his hip. Evelyn said D.S. Attorney General office called Marlene to ask if they could pay the hospital bill. She explained their problems + they referred them to an attorney. Marlene + Whit met with the attorney + he said the Mt. Fuel Co + furnace installer should be liable. They will persue with a law suit against them for wrong installation + turning the fuel on. Hope the kids can win to pay the bills. We came home by 9:15 pm. Edward went to bed.

Aug 4, 1995 Friday. Clear day. Probably be hot.
Edward coughed a lot. His nipples tender. He called
the Clinic but Dr. Neil hasn't returned the call.
Valerie called. She has the floor & new toilet in. Only needs
to get her curtain up. Marilyn has been here a week. She
leaves home tonight. She, Carol & Valerie have been busy
everyday enjoying each others company. Valerie said Nora
Dana called & they (Jeff, Dorothy, Nadine & husband) are flying
to Utah on the 12th Aug. They plan on seeing us. Maybe have
a cookout at Valeries. She said Jack saw Scott Law at R.C.
Willys & he & Jennie bought a lot east of Willys and going to
build a new home.
Boyd Williams was calling weeds by our fence. I spoke to him & told
him how nice his garage was going to look with the siding on.
He said it is a lot of work. I told him & hoped we could be
neighbors & he said he hoped so too. He has killed by the
weeds by the fence. He was painting siding on & music at
6:30 this morning.
Evelyn called early to ask about her dad & if we were going
to Wyo. Our Breeds called & asked how we were & if we
were going to Wyo also. I told them we wanted to see the
doctor if we could & then make a decision and would
call them. Dr. Neill called Edward. Edward has an
appointment with him the 8th Aug. We put suitcases &
clothes in coats in Van & left at 3:30 PM MST. We drove our Monte
Cristo - Randolph - Cokeville & got to Afton - No room available
the Fair & Rodeo was on. We drove almost to Thayne Wyo. &
got a cabin at Silver Creek Ridge $60.00 & stayed overnight.
Aug 5. 1995 Saturday ~~Edwards 78 th birthday~~ Edward & I went to Thayne
Cafe eating for breakfast. I called Evelyn to ask her
if she could go to our home & take paint things & bread from
off the dryer. I was afraid if the plastic was eating it

would let the thinner run on dryer & cried cause a fire. She
said she would. We drove to Jackson Hole & got there at 9:30 A.M.
We went to a few art galleries & to a couple museums.
We drove all around to look for a place to stay. No vacancy.
At 4:0'clock we drove to KOA Campground & found Rackham - family &
Dinner. We visited outside a few hours. Made the kids before
we went to Bar J Ranch for chuckwagon dinner & western
program. 500-600 people in the building. By sheer luck we
sat by my cousin Barbara & Doug Kendricks. What a surprise.
We had a visit with them. Ate a big meal and enjoyed a
wonderfull program - Father & two sons & a prince played
and sang & joked. An interesting evening. We got to
bed at 11:0'clock. Edward had a very birthday day & evening.
Aug 6 - 1995 Sunday. Got up at 7:30. Showered. Helped
Zelda with the beds & breakfast. We enjoyed our
stay with them & their hospitality with them. Good friends.
Edward told them we would take them to dinner when
they come home. We drove thru Yellowstone Park. Saw
moose cow - calf - two elk & buffalo. Ate at West Yellowstone
and ate. Hot weather. We drove home. Got in a wind
storm out of Idaho Falls. Edward drove 65-70 miles an
hour as if we were late for an appointment. Got
home at 9:0'clock. I bathed & went to bed. Sin upset
with him for hurring home & driving to fast. He slept on
couch. I went in spare room. Hot weather
Aug. 7, 1995 Monday. Did washed & dried clothes.
Edward watering the front & back lawn. Mrs Ferguson
brought our mail & paper. He said no Sunday paper. I told
her we just drove in when Boyd gave us the paper. I
don't know why he had it. Luella said he had the music so
loud Friday night that they went it to their place. I
told her they should of called the police. Evelyn called

about 1:30 to see if we were home. She said she put the paint thinner out under gate. Clay rode the bull 7 sec. He thought he heard the buzzer & touched the bull. Unqualified ride. I had a long afternoon nap. Dale Clifford brought us two nice trout to eat. Good neighbor. He has given us several fish the past few years. I stayed up late and read.

Aug. 8, 1995 Tuesday. Cooler morning. Soon let the water soak the flower on north of house. Picked our first cake & tomato off the vine. Edward & I talked out some of our disagreements. I told him I wasn't going to pick up after him. He responded. I don't like driving down the roads at 70 miles an hour & I didn't like living here anymore. He said I was a perfectionist and I let things bother me. He would drive to keep up with the fast driving traffic. Not with me in the car. Then we had words about my nerves. I said if I didn't say anything I wouldn't get in trouble. Then other things were added. I don't know if everything was resolved. He went to drugstore. He also got gas in car & took them to the car wash. Howard & Elaine came & brought us green beans from their garden & two pieces of cake. Edward was just leaving to see Dr. Neil when they came. They visited awhile. I made chicken vegetable soup.

Dr. Neil told Edward he took abnormal hips, Michelle had baby girl at 8:37 / Mikell Gardiner

Edward had an x-Ray of his right hip. Nothing to require surgery. He pulled something from coughing so hard. He is taking Motrin to help ease his discomfort.

I started to clean closets. I stamped dishtowels.

Beth Walker called. Gordon is having thyroid tests.

Evelyn called to ask how we are. She was going R.S.

visiting teaching tonight. I went to R.S. work meeting during evening. Lunch was served. Mrs. Hellberg-retire & Mrs. Rabo gave us a demo & showed us minor car check up. Battery, tire - fluids - belts & etc. It was informative. We went on a car treasure hunt. Back to church for donuts & drinks and prizes. I got a tire gauge. Read paper & watched TV news. Ron & Jane Morin stopped to see if Flossie were here. I had just got home. They gave us squash & green beans. Flossie was gradually in bed.

Wednesday Aug. 9, 1995. Cool night. Good for sleeping. Our Bruce called early to say "Happy birthday" to his dad. He said Nate is at Jenelene. He is ready to go home. We told Bruce if Burke brings him here we will take him home tomorrow. They will have to make arrangements. Bruce said Grandma Rand isn't expected to live. She is very sick. He also said Jodi's sister husband & family from St. George has been there a week. Edward is trying to repair a leak in shower. He went to plumbing shop for parts. I went to the Credit Union to check our account. Shopped at Harmons for a few groceries. Norma Hardle Wilson & husband was there and we had a nice visit. Valerie called to make arrangements for a cookout at her place on Sunday afternoon as the Elaine cousins from Calif. will be there. I'm to bring a potato salad. I picked a cuke & squash from our plants. Evelyn called to ask us to come and eat supper for Edwards late birthday. I called to Jenalene several times to tell her we would take Nate home - They weren't home. I called later & Burke mother said they left to take him to Brigham City to meet family to take him home. Michelle called to tell us she had a baby girl last night. Weighed 6 lb 13 oz. She had 3½ hr. labor. She & baby are fine. Her name is Mikell Allison Gardiner. Glad all is well for her & baby.

We called Mr. Palmer to refinish the tub. He will be here next thursday. We went to Evelyns + ate supper. Taco Salad, drink + I took a cake. Celey went to football practice. We went for a walk down the lane. We made home at 9:0 clock. Brenda called. Her folks picked Nate up at Brigham City. Kelly called them to tell them about birth of baby girl. Brenda asked us to come tomarrow as Bruce will have a day off. I told her we would let them know tomarrow. She said her grandma Rank is barely holding on.

Thursday Aug. 10, 1995 Cloudy + Windy Blowing.

Edward got up early as usual. We mowed the lawn. Ate breakfast. I put another coat of paint on the shower walls. I went to the church House + helped Thora Hill + Peggy Rose quilt. It is almost finished and we rolled it up and Thora took it home with her to finish quilting it. Came home + ate lunch + rest. Ruth Ferguson visited awhile. I talked to our Bruce on the phone. We decided to go to his place tomarrow. He + Brenda have plans to go to the show early evening tonight. He hasn't had a day off for over a week. I went to Bees to visit. Saundra had the baby at Bees. He is a fine baby. We got to hold him. His name is Davin. Kloyds sister Margaret came to Bees + we enjoyed a nice visit. Sat water on lawns for awhile. Edward + I watched a T.V. program. I embroidered on dishtowel.

Friday Aug. 11, 1995 Clear day. Boring to be hot again. After breakfast Edward went to the store for paper boxes. I broke a piece of front ~~tooth~~ filling off my tooth. I went to Price Pointe to Dr. Morgan + he ground the rough corner down. I have an appointment to have some tooth filled next Wednesday.

I dug more rust off a corner of the metal shower.

need to put putty in to fill the area. Changed sheets on our bed + got some clothes washed + dried. Also vacuumed + dusted. We ate lunch then rested. We left here about 2:30 or so for Bruce + Brendas. We stopped in Logan to take a couple of Edwards pictures at an art Gallery (Furbearer). The owner wasn't there so Edward will have to call her. We parked by Bruce + Brendas Van. Surprised to see them there. We went to their place + visited awhile. They took us to Nibbs for dinner. We decided that it was delicious. We stopped at Cache Valley Mall to an art Gallery. We stopped at the nursing Home to see Grandma Rank + She looked very bad. Uncle Andrew + very thin. Marlene, Kathie + daughters were there as we visited them.

We went back to Bruce + Brendas. Their lawn + flowers green + pretty. Bruce talked to us about how to sell our place (if we decide to). How to get real estate agents + etc. He will help us as he dealt in real estate for years. We got home at 9:15.

We got a birthday invit to Odessa's birthday party. She will be 2 yrs. old. May Rands mother died late night. 11:0 clock. Bonner home from vacation.

Saturday Aug. 12, 1995 Clear + hot day. We went to a sale. Edward bought an electric heater for the little bathroom. We put Silacon caulking in the rust hole in metal shower. Edward worked in studio awhile. After lunch I went to Jo-Ann's and bought Odessa a dress for her 2nd birthday. Brenda called to tell us her grandma Rank died last night. Edward + I went to Morgan to the park to Odessa's 2nd birthday party. Later we went to the apartment of Jeraline + Burke. Connie + two kids came. Jacob is growing and her little girl is walking and last baby fat. She's a pretty

little girl. Just before we left Susan, Heather + Brooke came. They didn't say to much. The girls are unfriendly. They didn't say hello.
Edward + I drove to Evelyn + Bruce's. They just home from Evanston horse racing. I left the sheets, curtains + clothes with Evelyn to give to Marlene.
Mr. + Mrs Judd signed the papers + gave the home in Wauchip to Walt + Marlene.
Evelyn Notarized the papers.
We got home at 9:15.

Sunday Aug. 13, 1995 Clear hot summer day.
Our Bruce called early afternoon. He had to work another long shift 11-12 hrs. He has to work again today. He isn't getting much rest. Edward + I attended all our church meetings. A new family "Max + Janet Jackson + family" spoke + sang. We saw Chief of Police in Barricade. We ate a light lunch. Cliff + Dora called from Motel to make arrangements to go with them to Jack + Valerie's for family dinner + visit. They came at 5:0'clock. Dorothy, Cliff, Dora, Nadine + Glenn Mitchell - all from Calif. - Dana cousins - Evelyn, Bruce, Scott, Jeanne + family - Madelyn, Marian Steve - Erik Law - Madelyn two granddaughters. Carol + 2 kids. We had lots of food - good enjoyable visit. We even brought cleaning product from Steve. Dora gave Valerie + I a can of mixed nuts. We got home a 10:0'clock. They rented a big van. I left my cleaning product in their van + we had to go to their motel "Trail Ridge" upstairs to get it - so we had a drink of orange juice with them + another visit. Nadine + Richard flies to Sacramento early tomorrow while Cliff + Dora take Dorothy sightseeing to Wyo. + Utah.

Bath tub refinishing

Monday Aug. 14-1995. Another clear day.
Watering the lawns. Finished putting caulking in bathroom shower. Need to paint it. Valerie bathroom is pretty. Brown - white - marble vanity top + new floor covering. We got ready and left here at 11:15 to go to Hyde Park to the funeral services of Mal Rambo mother - (Brendas grandmother). We stopped at Bruce's first. He had been to work. He looked tired. The services were nice. She had a lovely dress on and a pretty pinkish white casket. The R.S. served a nice lunch at the church later. We visited awhile + left. Stopped to visit Madlen Bingham and Bill in Willard for 30 minutes. It was 7:0'clock when we got home. Finished watering the lawns. I took curtains - pictures + etc. out of bathroom. Went to bed at 10:30.

Tuesday Aug. 15, 1995 Clear day.
Mr. Palmer the man who is re-finishing the bathtub came at 8:0'clock.
I have been washing + drying clothes - rugs + curtains.
Evelyn called - She said she starts a 2nd job next week in Kaysville - Photo Refinishing. She said they needed more income. They have a car + house paid for. I don't know their expenses. That job will make a long day for her - 12 hr. 5 days a week + she has to travel. Worry about her + getting enough rest.
Mr. Palmer worked 4 hrs. Getting tub ready to glaze.

[illegible] rate from here on not complete.

I had a long nap. I took chocolate pudding to Terry Lanier's mother + grandmother + Zley live on 2nd St. I went to Shopko + Fred Meyer to look at bathroom curtain. I grocery shopped at Wangsgards. Colleen Blodett called + we talked about Betty Lou Hansen Wemple + her temple work to be done. We are getting dates + etc. Colleen had talked to Maynard about Betty. Colleen + her husband got back together and were married in the temple last night. She is happy now. I'm happy for her.
I visited Blanche Morain. Her heel is swollen. She need to see the doctor. I washed her dishes. I dusted the kitchen floor + dusted front room furniture + took garbage out. We will get the garbage can to the road tomorrow. I called Marlene + Derek is sick. She had gone to store to get him some medicine. Whitney Rose four is feeling with friends. I told her I might come to see her tomorrow. I have to go to the dentist tomorrow.

& 14th Showerhead Flecker Plumbing

Friday Aug. 18, 1995 Cooler. I changed sheets on beds & got them washed & dried. I touched up paint on cupboards. Edward Rae worked allday on the shower. It has leaked. We went to Flecker Plumbing service. Once for parts that didn't work & the next time for a new shower head. He hasn't had a chance to work in his studio.

Wanda & Donald Jones came and visited for awhile, They enjoyed their trip to Vancouver, Wash.

Evelyn called this morning. They went to Coalville Rodeo. Derek & Dallen rode & sheep. Dallen had his sister stepped on & skinned & bruised Marlene entered her chickens & duck in the fair. I talked to Patricia Palmer & she is still dizzy. Doctor won't be in his office until Monday so she will have to wait. Flossie Moraine visited awhile then I took her to Layton to the hospital to see Ron. He had surgery on his heel. He fell and broke the tendon. Jane was there to. Ron felt marvelous when we were leaving. We stopped at J.B. & Flossie & I had a piece of pie. She treated. It was 9:15 when we got home. She is limping as her heel hurts.

Saturday Aug. 19, 1995. Edward & I dressed - ate - Grayce & went to couple sales. Evelyn called & asked if we would take a ride to Cache Valley. Then we stopped at a couple sales. Edward bought a cabinet for his studio and a picture. Edward decided not to go with us. He wanted to do art work. She & I went to Logan and ate lunch. We went to Bruce & Brenda's to visit for a couple of hours. Had visit. They were expecting Ben to come from a Scout trip by Yellowstone park. Then we drove up High creek & the lawyer Kim Wilson was building a wood fence out for Ron on old home. The house looks nice - new white siding & windows. He had bought the land around the house which has 09 of an acre now. We stopped to visit Yvonne & Glenn Larsen a cousin who bought our old home. He is confined to a wheelchair since M.S. We surely enjoyed a good visit with them. We rents the place to a young couple going to college in Logan. It was late & we left as Evelyn wanted to be to Morgan to College football game at 7:0'clock. She left for home. Edward & I got ready and Flossie Moraine took us to Utah Noodle Parlor for dinner. It was tasty - We visited her until 9:45 & came home. Bed time. after watching the T.V. news. Long day but enjoyable.

Sunday Aug. 20, 1995. We attended all four church meetings. Some of youth spoke about the youth Conf. they attended in Alpine, Wyo. for 3 days. They seemed to enjoy it. Velma Nafzales spoke about it. about 60 boys, girls & adult leaders attended. We came home ate lunch. Rested. We went to Evelyn & got the clothes etc. & she went with us to Marlene's to visit. We looked at the animals & saw the chicken & duck that took grand champion at the Coalville fair. She walked us around the area that will be theirs when they write the land description that the surveyor made. About 2 acres & the house & big building. Whitney came home from work just before we left. We said hello to him. Left Evelyn at her place. Dave Blake 75th for his birthday in a couple days. He had been to the dam for a birthday party with friends. Evelyn said she had received several phone calls from the girl he had broken off with. Geneva & also her dad trying to find her. A worry for the parents. Don't know what the situation is. We stopped for gas. She a hamburger & bought eye medicine for Edward. Velma & Harold Nafz visited a couple hrs with us. I served cake & ice cream.

Rain in Worship

Edward cut metal siding on Le. carport. cleaned main bathroom.

Monday Aug. 21, 1995. Overcast & muggy. Edward up early. He was going to take boards off one side of fence but they split. Decided against it. Ref Benny Ferguson to Rocky Mt. garage & he left his van to be serviced. Benny & Edward stopped for 2 pieces of corrugated metal & Edward put it on the south side of the carport to protect it from snow in case Boyd shoved the snow off the driveway against our building. I washed the bathroom walls - ceiling - cabinets & scrubbed the floor. Slowly putting the bathroom in order now the tub has dried. Washed old cleaning clothes & etc. Ironed clothes. Vacuumed the rugs. Valerie called. They had received a letter from Pa Dean Jolley & they found the money from the reunion. She was going to get a cashiers check & sent it to Ref. Curly wrote to Jack & Mark Edwards had a heart attack couple months ago but he is doing better. Carl had been out feeding. Joan Griffen called me and we had a nice long chat. She is a good friend. I called Pa Venia Palmer and she isn't feeling well. I convinced her to call the doctors office again & she did. She has an appointment Thursday morning. Rain & Tuesday Aug. 22, 1995. Blakie 26th birthday.

Edward up early but I slept in. Ebbelyn called early. We told her Pa Dean found the money. She said Blake wasn't going with the girl that he brought here (Ebbelyn). She seems to be at loose & we worry about him & his life style.

I vacuumed the van. Trimmed Edwards hair. After lunch I went to 5th Ave. & had my hair trimmed $4.50 50 tip. I went to J.C. Penneys & bought 2 valances & a shower curtain $5.44. I put the small white lace valance in small bathroom. I put it on top of shower curtain. I put the long white valance

Wednesday Aug. 23, 1995. Didn't sleep well. Too hot. Edward up early as usual.

Loretta Kraney & I R.S. visited both Saunders. She wasn't feeling well. She had been to the doctor for X Rays & test. She has back problems. We visited Wanda Jones & she said her leg was getting better. I put Velcro strips in van for roll up window shades. Benny Ferguson brought a 88 Plymouth van. It is a nice one. Tinted - auto windows & locks. He is going to sell the red van. It is Pa Ellas 61st birthday & I gave her a pr. of earrings & bath sponge. They left for Glendoar for two days. We are getting the mail & paper. I pulled weeds along north fence line. I have sorted more clothes to give to D.I. Edward & I trimmed bushes along driveway of Merkie Morain place. I visited her awhile. Also visited Pa Venia a few minutes. Two salesmen were there demostrating a vacuum. Muggy evening. Edward & I sat under patio awhile before bedtime.

Thursday aug. 24, 1995. Cloudy a.m. Few drops of rain fell. Edward sharpened bacon mower blades, knives & tools. I put items in van to take to the D.I. We mowed the lawn. Edwards back hurts when he has to use the mower. Elaine Jensen & Karen McParland came R.S. visiting. I gave them cherry tomatoes & a cake. I prepared lunch. Later I took a box of magazines to recycle bin. Left items at the Deseret Industries and bought 4 books. I returned a shower curtain at Penneys and bought a pr. of lace curtains. Stopped at credit union for some cash and talked to Barbara (the lady who helped us with our loan for the van) to ask if she knew who to call as we haven't received our van title. She called someone and they are checking as a lot of other people haven't got theirs. She will call me when she knows something different. Then I went to Morgegards for groceries. We ate a snack & went to the Slade Temple session. The groups were so big we were 45 min. late. Nice evening. Home at 9:30 or so. Evelyn had called earlier to ask if we would be home & she would come to visit.

Slade Temple -

Received van title

Friday Aug. 25, 1995 Clear day. Nice morning. Edward has been tired. No energy. I have been busy in the yard - watering flower & trees & weeding. I washed window in little bedroom & hung the new lace panels. They look nice. I put the record cupboard & record player in little bedroom & put the chair in our bedroom. I washed curtains & underclothes. Hung them dried outdoors - folded & put away. Evelyn called early to give us 2 phone numbers from D.L. directory of two William Parsons. Now we get to call & find out which is a relative. Clay plays football tonight in Morgan.

Edward has electrical problem in his studio. He was on the ladder and dizzy when looking up to put a light fixture on ceiling so I had to help him. He can't climb as he is dizzy. A worry.
I walked down North Street and then to Rodina Palmers. She got talked into buying an Hoover vacuum yesterday. Saw the salesmen $1,000 on check + $50.00 cash. She told the family & they went to the bank & stopped the check. They had the man bring her old vacuum back. So far the $50.00 is gone. I'm sure this upsets her kids & well as Rodina. She has two workable vacuums.
I said hello to Valerie. Ron & Jane had taken her to dinner. Ron is on crutches plus a support boot on his foot.

May Shelley died

Saturday Aug. 26, 1995 Clear morning. Luella Ferguson called from work to let us know they got home late last night from Nev. I gave their mail & papers to their daughter today to put in their house. Edward has worked in studio repairing light fixtures. He still has a problem with electricity. We went to a church & garage sale. We bought more picture frames & tape.
I called Evelyn. She tended the little grandchildren over night. Marlene & Whit went out with friends. Morgan won their football game with Union. Clay got banged up a little. They take him to Woodruff to ride a bull tonight. (High School)
I called Elva and chatted awhile. She had been busy cleaning a bedroom rug. She wants to buy a rug cleaner. She said Shawn & Heather & kids are to live with Larry & Kathy as their mobile home was sold and their new home isn't finished yet. Aaron & Amy are divorcing & Aaron is living with his folks also.
I talked to Valerie. She said Lurlean, Marian, Madelyn & Joan went to Education Week in Provo.
Edward & I visited Evan & Jennie May Allstrom for awhile this evening. She is starting to feel better. Evan and is going to have surgery on his knee on Monday. Enjoyed our visit. We bought icecream on our way home.

Sept. 6, 1995 Wednesday - Cooler morning. Edward got up early as usual. After breakfast he cleaned his studio. Fire inspector is to check it. I washed + dried towels + color clothes. I sorted and straightened tax drawers. Evelyn called to tell us David had called Marlene to tell her he had moved and gave her his address. Keyser, W. Va. He has a new companion and he "follows him around like a puppy dog," he said. Probably the Elder is unsure of himself. Evelyn said David likes to be miserable. He is a loner. I wrote to David and sent $5.00. Edward has worked on the electricity in his studio. He is ~~happy~~ having problems with a switch. He has to climb the ladder + he is dizzy. He came indoors white and sick. He threw up + had a cold sweat. He went to bed for a few hrs. then sat in recliner when he started to feel better. I moved the leaves and put water on them until after dark. Edward + I have had a big disagreement about living here. I'm not happy here as I hear the music or bass at times from the guy south of us. Edward doesn't hear much as he is quite deaf. I'll just have to stay indoors + plug my ears.

He said "we could find anything decent to live in if we moved + what would he do with his stuff in studio."

88°/67° Evelyn + Bruce bought a 1992 Mercury Sable

Sept. 7, 1995 Thursday. Nice morning - Edward up early and working in studio + shed - trying to make room for all of his stuff. I watered the plant + seeds I sowed early A.M. Washed + hung under clothes out to dry in the breeze. I starched + stretched the dollies that Mother had given me. Picked some nectarines. I painted one side of 6 x 6 boards on wooden fence. Need to paint other side. Painted shed door.

I gave nectarines to Heather family. Home to Lavenia Palmer + she gave me a terry cloth back scrubber. She is feeling good again. I gave some to Blessie Marain - She isn't feeling very well. She isn't eating very much. She wants to sleep alot. I've told her I'd take her to the doctor tomorrow if she calls for appointment. I washed her dishes. Lavenia called Ingrid + Betty had surgery today. Wanda Jones called. She had a colonoscopy today. She has diverticulosis? Evelyn called. They bought a 1992 mercury sable at Hertz in Layton. Sheridan. Edward gave her a scenery picture he
painted for the lamp she gave him. The lamp that Gerd
had. She enjoyed our visit to her. She plans on selling
her house and building a new home. Later we ate at
Taco Bell. We went to Willard and visited the man who
refinished our bathtub. He paints + does photography. We has
really nice pictures. They have a lovely home up on
the last hill. a pretty view of the bay. We then
visited La Dean Bingham. She said Bell's wife Judy
walked out on him a few weeks ago. She moved into Ogden.
He won't talk about it. His Son + Aaron just got
married. 19 yr. old + 17 yr. old bride. Not working
because he had a broken hand. La Dean is concerned for all.
We got home about 9:30 or so.
Debi Bruce called. He had to work today. He is planning on
coming here Tuesday. He hasn't had a day off work for a
few weeks.

Monday Sept. 11, 1995 Beautiful Fall weather.
We were up early. Watered the lawns.
Jensens brought us some carrots from their garden +
visited awhile. We sat on the patio. The weather is
refreshing. I went to Hamms and paid utility bill +
sent the newspaper a check. I grocery shopped at Wangsgards.
I talked to Lucile Morain and she is so thin. I
bought a curtain rod extender. It didn't fit + I went to
Lucile + she had one that will work but a different color.
Edward put a board on the cupboard to extend it so
the dishwasher doesn't show as much. We got to paint it.
Edward has painted in studio. We took

Neighbor to the South

Merrns + Zelda Benner to dinner at Noth's because we
stayed overnight with them in their trailer while in
Jackson Hole. Later we went to Jones to wish Wanda Jones
a "Happy Birthday". She sent a piece of cake with us as we
were to full to eat at their place.
I walked to Katrina Palmers + visited awhile. She is
feeling well again. She got her $500 back from the
vacation collision. She was lucky. I stopped to
visit Elsie. Her heel is puffed out + red. It
hurts her. She has such pain + cough. I'm worried
about her. I told her I'd take her to see Dr. Paul
on Wednesday - if she will go.

Tuesday Sept. 12, 1995 Beautiful fall weather.
After breakfast I went to Dabbs to look for tomatoes, but
he is to Hyrum. I went to Dixon + visited awhile.
She was housecleaning. Her home is pretty. I went to Wangsgards
for weatherstripping. I didn't feel very well + but afternoon
I was sick. Chills - fever - stuffy nose. I spent rest of day
+ night in bed. Took decongestant + tylenol. Evelyn called + talked
to Lin dad. Edward went to Mr. Project - Dr. Carlin.

Sick

Wednesday Sept. 13, 1995 Beautiful weather. I was in and
out of bed as I was so sick. Finally at morning the fever broke.
I feel somewhat better. Evelyn called. She said Clay has a
severe sore throat + cold. He was home from school on Monday.
She said she felt like she was getting a cold. I washed
my pajamas + sheets + towels. I trimmed a few bushes.
Edward put new weatherstripping around laundry room door. He
is painting in studio. I sent Jon Xmas $20 for wedding present.
Edward mowed the grass + I watered plants + trees.
Valerie called + talked to Edward while I was resting.

Storm door $40.00

Thursday Sept. 14, 1995 Another lovely fall day. I still feel miserable. No appetite. Shaky.
Forenoon Edward & I went to Ernst & bought a storm door for the kitchen door + bag of Rat Mix. Hope it works.
Wanda Jones called to tell me she was very concerned about Flossie. I told her the same. That the doctor was gone for two weeks & she didn't want to see another doctor.
She said Flossie had talked to the druggist about the medicine for her kel & he told her she should take it.
Evelyn called & Clay still has a cold. She was OK so far. Blake hurt his back at work & he was home but supposed to see the doctor.
Bev called to ask if I would take her to the store as their truck is at the garage. We went to Harmons grocery store. When I got home I laid down for a couple hrs. Edward worked in studio a few hours.
I painted the new board trim by dishwasher.
I went to Flossie Morains & visited awhile also visited about 30 minutes with the Penners.

Friday Sept. 15, 1995 Beautiful weather. Edward removed the old storm door off from the kitchen. He has worked about 5 hrs trying to remove the one & trying to install the new one. The door isn't heavy. Because it was inexpensive he bought it. I would of preffered a heavier one. I went to Bettingills & bought ½ bushel of Alberta peaches. $8.00 ½ bushel. Bought 5 green bell peppers for $1.00. I cut them in pieces & froze them.
Evelyn called. She invited us for supper before the football game tonight. I thanked her & said we would probably be there later as Edward probably won't have the door in. We ate supper and went to Morgan.

Bought ½ bushel Peaches $8.00

Edward installed storm door.

Jim Hansen Wedding Sent $20.00

Before the football game I rode with Evelyn to Mt Green to a wedding reception. Came back + we drove over to the high school and watched part of Morgan - S. Summit football game. We sat by the fence. Clay in # 69. He played a lot. When we left Morgan was 7. & they won 31-0. It was about 8:40 when we got home. Bruce & Brenda had been here & left a note. We called them. Brenda had a meeting in S. L. & he went there to bring her home. He is supposed to have this weekend off work.

Saturday Sept. 16-1995. Jim Hansens wedding. Hot day. Edward finished putting hardware on the storm door. Bruce & Evelyn left for Vandever this morning. I haven't done much today. Sore feet dumpy. Howard & Elaine Jensen visited awhile. They invited us to a fish fry next monday night. I went to Farm Shop to try to match some yarn for the hook rug. No luck. I stopped at the D.I. and found the yarn. I stopped at Pennys & bought little flower planters & looked at drapes. I put gasoline in the van. Edward called Ernst to ask if he could return the storm door as it is warped on the top part. They said yes. He will take it to them on Monday. Fried chicken - cooked carrots & made peach cobbler. Edward working in studio.

Sunday Sept. 17, 1995: Evelyn - Bruce = 31 wedding Anniv.
Edward & I attended all church meetings. The Primary Children performed for Sac. meeting. ~~They~~ The theme was "Articles of Faith". We ate lunch. Rested. Menno & Zelda Penner went with us to Coy, Utah to visit my Cousin Barbara & Doug Hendricks. We stayed about 3 hrs. She showed us their lovely home. Beautiful dolls her daughter makes. They have remodeled & added on their home. He was having it re-roofed.

they said they would come a visit us. We then went to Hyde Park to visit Bruce, Brenda & boys. We stayed an hour. Brenda served us cheese cake & ice cream. The boys played the piano for us. The front of the house looks so nice since they painted it. She had a piano moved from Elbrian & Gloria took the upright one. They didn't need the sofa table & we brought it home also my dishtowels. We got home at 8:0 Clock. Overcast. Nice enjoyable day. Evelyn called & they got home from Wendover about 3:0 Clock. She won $50.00. So she is going to get a perm with part of it.

Monday Sept. 18, 1995 Cooler day. Edward took storm door down & returned it to Ernest. Got his money. He has yard & etc. out of shed trying to clear it. He just keeps so much that won't be used.

Canned 14 qt. Peaches

I canned 14 qt. peaches. Made homemade vegetable - beef soup.

Beth Walker called Gordon is having a thyroid test today.

I talked to Zelda Penner & Menno is ok. He is cleaning out his shed.

9 pints tomatoes

Bernice F. & Forey Hoskins from Regan visited us awhile. They have been traveling around the country & Canada. They are looking good & feeling well. Evelyn visited us after she got off work. She ate supper with us. She had a perm today & her hair was styled nice. She enjoyed her visit. She said David called last night. They were at a members home. We received a card from him today. He said he was doing fine. Only had 10 Sat Sundays left. Ellay & Blake & Jen were home yesterday. Bebe isn't walking yet. He was going to the doctor for his back. Evelyn said Jen had a very bad cold.

9 pint tomatoes

Tuesday Sept. 19, 1995 Another lovely day. Edward dismantled a cupboard & re-arranging his studio. Big mess in it. It will take him several more days to put it in order. We went to Pioneer Doors & looked a storm door. A fellow is supposed to come tomorrow and measure for a door. We also bought 14 cedar boards for the fence @ $2.62 ea. I grocery shopped at Vangeyards. Edna Neff gave me tomatoes from her garden & I canned 9 pints of whole tomatoes.

I called Becky Knight & made an appointment for a perm tomorrow. I had a headache & laid down for awhile. Late afternoon I painted some of the fence boards. I took a bottle of lemon juice to Blessie Moran as she has a bad head cold. She said her head was feeling somewhat better. She looked miserable.

12° / 55 → Wednesday - Sept. 20, 1995 Cooler day. Feels like fall weather. I attended a LDO meeting at Helen Dworak's. Din to telephone and remind some ladies about the meetings. Had lunch and mowed the lawn while Edward worked sorting & putting items in shed or studio. I went to Becky Knights for a perm & hair cut ($27.00) She showed me the new addition they put on each side of house. It is big. Bedroom & two bedrooms. They are moving the kitchen into new area. Called Blessie & she is feeling somewhat better. She is taking a couple "hot toddys". I painted 5 or 6 more cedar boards & Edward put the painted ones on the fence.

Perm & C/C $27.00

Turned furnace on

watered the frontlawn + part of backlawn.
Evelyn called to ask how we are feeling - She calls every other day at least. She is thoughtful. Edward turned the furnace on. (Lit the pilot light + oiled the wheel.) Yet is a job as he has to climb the ladder as the furnace is in the ~~the~~ attic. I finished pulling threads on the dishtowels to hem them.

Sept 21, 1995 Thursday Cool morning - Edward worked all morning in the woodshed. We had to re-stack a lot of wood. We has a lot of junk to get rid of or put on shelves. I couldn't help him as I didn't know what he wants to keep so I went to Church House to help quilt on baby quilts. Flora - Zella - Velma, Malvina + Peggy were there. Peggy Rose was tending the three Feather girls as their mother has pneumonia again. Edward got the wood stacked. After lunch I took the junk to the D.I. One more trip to D.I. tomorrow. I stopped to a fabric store for two sets of transfer patterns.
The salesman from Pioneer door came and measured the door openings for the storm doors.
I called Elsie Morin. She said she feels somewhat better. She doesn't sound very good. Ron + Jane were at her place last night. She said Elaine Jensen gave her a bowl of potato soup. The weather is cool but nice.
I crowded a tomato plant because of the cold weather.

Friday Sept. 22, 1995 Cold morning. Frost on the lawns + car. Glad to have furnace on.
I got the laundry washed + dried.
Edward put the boards on the fence.
I R.S. visited Beth Saunders + Wanda Jones. I gave Wanda a ~~handkerchief~~ handkerchief

62°/42 measured for storm doors.

Low 29° RS Teach

Necklace. We made them in R.S. work meeting once.
Evelyn called this morning. She + Bruce are going to Brantville to football game as Morgan team is playing. She said Marlene + Derek were to her place last night. Dallen was with his dad. (Morgan 14 Brantville 21)
I worked on the hooked rug during the evening.
I visited Valerie Palmer. She is feeling fine now. She gave me some material to make quilts.

68/45 Saturday Sept 23, 1995. Partly cloudy + little warmer day. Cool morning. Evelyn came about 9-10 o'clock. She + I went shopping. We went to Hillcrest + Morgans. We had lunch at 2 o.m.t. We stopped at a few sales. We had an enjoyable time together. Edward spent time ~~in~~ in his studio. He enjoyed his day. Evelyn left for home. ~~She went~~ Bruce, Ray + other men went to bring the cattle out of the hills. Clay was in bed resting. She was tired to as they got to bed late because of the football game.
I went to the Church House with Zelda Penner, Elaine Jensen + Mary Bowen to the Chapel House to a Rel. Relief Society meeting. The Stake served a roast beef dinner + we watched a R.S. conf. broadcast from Salt Lake. Gen. Presidency of the R.S. spoke as did Bro. Pinckly. They spoke of purpose of Relief Society - family - problems - etc. An informative evening.

Sunday Sept. 24, 1995 Cool morning. Edward called Brenda to tell her we wouldn't be coming to their place today. Edward + I attended all the church meetings. I had called Marlene and she would be home today. I had called Valerie + asked if they would like to go to Marlene but they couldn't as

Carol + family was coming to dinner. I called Evelyn + Blake answered the phone and his folks and Riley was in Ogden. We visited after lunch then went to Worship to visit Marlene had the boys on the old Farrel (30 yr. old) when we got there. Whit was asleep as he had just got home from work. She showed us her sheep + we saw the pigs, ducks + chickens. Later she took us for a ride up in the canyon east of their house. What a lovely ride. White grandfather road it + when he died his son inherited it. She took across the road down in the fields where Whits mother + uncle own land. Her grandpa Pace probably had a 1,000 acres.
We enjoyed the ride. Whit watched the little boys while we went for the ride. On our way to Morgan we had to wait for a time as a wreck happened a mile or so from Morgan. A pickup truck + motor home collided + the P.U. driver was killed. We visited Evelyn + Bruce about ½ hour + came home. A nice day. ~~Bruce~~ Our Bruce called. He had to work today. Jackaline, Burke + Chelsea had stayed overnight on Saturday + went to church with Brenda. Nola played the piano for the program.
Bruce said he sent his last child support payment for Tamie. She will be 18 on 29th Sept. He talked to her. He also talked to Michelle. The baby will be blessed 2nd Sunday in Oct. We may go to the blessing. Edward picked crab apples at Marlene.

Monday Sept. 25th 1995 Mild - Cloudy at times.
I cooked the crab apples + made 7 little pairs of apple jelly. Rod me all morning. While Edward was gone to bank - Credit Union I painted 6 boards on fence on lee-side + painted the metal on the lee of Edwards carport + studio so the sun wouldn't glare for the neighbor. Edward has cleaned the studio + I cleaned the porch + patio + watering the lawn. I rolled the patio carpet + put it away for the season. I made jello fruit salad + we went to Howard + Elaine Jenkins for a fish supper. She served the fish, potatoes + drink + ice cream + toppings. We all brought a dish of salad - or whatever. We ate outside. A lovely meal. We visited until it got quite cool + came home. I stopped on Blaine Main before coming home. She says she is thin + doesn't feel very good. I hope we can get her to a doctor.

Storm door installed for 237.29
Boyd Williams
Loud music

Tuesday Sept. 26, 1995 Cool day but nice. Edward got up early + worked in his studio until breakfast. I washed + dried work clothes + towels. I cut + pressed dishtowels so I can sew them. Edward got approval at Credit Union to have an Business account + credit card. He has been to a few business places today. Verla Swann called + U U P is at her home on Thur. as Rachel + Alberta are ill. She been calling the members. The installer from Pioneer door put the storm door in this afternoon. For 237.29 Only took him a half hour. We have to get a new strike bolt for it. I went to Thora Hills and she helped me measure the sheet + told me how many yards of material to buy for the bottom. I ironed some dishtowels today. Evelyn called. She want to Marlene to help her clean house as the lady from the bank are going to come and take pictures but she called later to tell

Marlene the loan was approved & she lived to far away to take pictures. Evelyn said ~~she~~ she cleaned the bathroom. Evelyn was tired tonight so she was going to rest after cooking supper. Howard Jensen brought us a sack of Concord grapes to eat.

Boyd Williams had the music on loud that was playing in the garage with doors open plus the stereo in his house with patio doors open. He & his live-in gal was out chopping wood & Edward & I walked over and asked him if he would turn the music down a little. & he said "for hell sake" and real hateful attitude & look. ~~He said~~ He said "~~I'll turn~~ I'll turn them off" & we said "you don't need to turn them off only down". He marched over into the garage & turned the music off then went into the family room & turned the music off" we left & he was really mad. He is a hateful, unconsiderate neighbor. We will always have problems with him. I want to move away.

* Loud music. asked him to turn it down

I went to visit Rosie Martin. She is looking & feeling a bit better. Ron & Jane was coming to visit her. Velma & Basil Ralf visited with us a couple hours. They brought us string beans.

Benny ~~Ferguson~~ Ferguson came & measured & ~~he~~ sawed a door step or threshold for back door.

Wednesday Sept. 27, 1995 Tami is 18 today. Bruce called early. He had called & talked to Tami to say "Happy Birthday". He also talked to Brooke. Susan & girls ~~and~~ & Connie are going to St. George for Michelle's baby dressing.

Otis the dog had ear infection & the medicine is helping him to ~~hear~~ hear better. They thought he was going deaf. Bruce has to work swing shift this weekend. Edward has been planning the threshold board.

We went to the temple this morning. We stopped at Nalfs as the steering wheel was squeaking. He sprayed (WD 40) on it & it helped.

My friend from FHS days was working in the temple since April. Vivadean Wolfenden. We had a short chat. Fergusons visited us awhile. I mowed the lawns while Edward was in town to try and sale his art work. Sold on picture for $40.00

I worked on hook rug during the evening. Also finished hemming dishtowels.

Thursday Sept. 28, 1995 Quite a warm day.

After breakfast we left the car at Dale Clifford's to have emergency brake adjusted also the carburator. Edward went to see someone about art - his pictures and I went to church house to help the ladies quilt. Come home & prepared lunch for Edward & I. Got ready and took Mary Rushton & Lavenia Palmer to RS/VC meeting at Viola Swanin's. We had a nice meeting. Sang "Happy Birthday" to Margene Nelson and Shara Dille. Shara's birthday today.

Quilting & V.V.P.

I took Lavinia Palmer to the grocery store and I went to Flora Hills for banana & butternut squash.

Watered the flowers and bushes. Edward smoothed and oiled the new wood door threshold. He is working on picture frames. Edward & I walked around housing area down North Street. We stopped abit as Edwards back & legs hurt. I hate to see him failing in health.

Rain

Friday Sept. 29, 1995 Rain. 1st storm for quite awhile. Snow on mountain tops. I got the laundry washed, dried and pressed. I got transfers on two sets of dishtowels. Elaine Jensen + Karen McFarland R.S. visited.

Jody Bennett Wedding

Evelyn called + she will be here tomorrow morning. She is going to a writers seminar in afternoon. She said Marlene took the pigs to Brigham to have them slaughtered + cut + wrapped. Edward has worked in his studio all day.

During late afternoon I have embroided dishtowels. I made brownies + cooked apples. We went to Jody Bennett + Dave Nelson wedding reception at Weber Manor. She wore a beautiful dress. She had a lovely trousseau. a beautiful wedding reception. She + Dave stopped early evening. I talked to Kathryn Young + she gave me a name of her realestate agent. I'll probably call her to give us an appraisal on our place.

Saturday Sept. 30, 1995 Clear + cooler morning.

#69

Evelyn came about 9:30 or so. She + I had a good visit while Edward worked in studio. She ate lunch early and went to a writers meeting. She invited us to dinner Sunday. I gave her a check to help David's mission. ($35.00)

Morgan won football game. Evelyn said Clay was stiff and sore from playing in the game. He was taking a girl friend on the 4 wheeler. It is Homecoming today + dance tonight.

I grocery shopped at Macey's + Edward went with Menno Eisner to Harrisville Church building to General Priesthood meeting. I went to Nagi + said hello to Velma + Debbie + Elmer. Stopped to Jones + visited awhile + also visited Flossie Morris. She is getting better + little stronger. Pres. Hinckley said more temples to be built. Over 9 million members now.

Sunday Oct. 1, 1995 Valerie called early and she started to cry but would'nt say why. Edward called her + said we would be to see them within an hour or so. We got ready + I called Evelyn to tell her we might be to dinner depending on what was the matter. She said to bring Valerie + Jack to dinner. We sat and talked a long time. Gregg Bateman is on drugs + has been a long time + she is divorcing him. He hasn't been home for 3 months - living with his parents. He has spent the money she + he make on drugs. He was in the Drug Re Hab for a week.

Gregg + Carol going to divorce, Drug addict

Carol works 3 days a week now - $35,000 a year. It is a shock. Gregg has lived a double life + he is so likeable + but of potential - gone to waste. He doesn't want to get off the habit - to long of use. We four went to Evelyn's for a lovely dinner. She also had Jordan, Ray + Blakie girlfriend for there. 11 of us. We had a nice day. Valerie told Evelyn about Gregg + Carol. A shock to her also. Later we went to Madelyn + Laurels + visited an hour. They are still talking a deal about buying the piece of property by the Bridge going into Morgan + the Milton field. Got to Valerie at 6:0'clock + ate a sandwich + piece of cake. Home by 7:30 or so. Big day.

He called later and B tracing the it on 21st at West Haven. I called them + he said we need an insurance adjuster to look at it to see if it can be repaired + find a good body shop. I talked to Red Nesbit our allState Ins agent + he said to find out from police if the guy who hit us has insurance and he will follow up on our problem. Every business is closed for the weekend. The police have Edward Alvin's license + Ins. card. Guess we can get it Monday. Edward is feeling fairly good. Is so sore in my chest when I breath + most. Evelyn + I went grocery shopping at Wangsgards. We came home and ate. We went to K-Mart + she shopped for Christmas. While we were gone Elaine Jensen brought us chicken noodle soup and Dixie Welling brought a large dish of Chicken - rice casserole + big loaf of bread. It was delicious. Joan Griffin called. I called the ladies + thanked them. Camille Stoddard, LaVenia Palmer, Anita Hatch + Luella Bergeson visited me awhile. Our Bruce called after he got off work today. They wanted to come but it was late + we said we were fine + he needed to rest. Evelyn talked to him + invited them to Thanksgiving dinner. I called Bev and we had a long chat. Valerie called + invited us to dinner tomorrow evening. Janice Adams also called to ask how we were.

Sunday Nov. 19, 1995 Beautiful weather. I didn't rest well. Edward went with Naefs to Stake Conference at 9:00 clock a.m. After conference Velma + Harold Naef visited with us for an hour. Edward + I ate lunch and rested. Bev called to ask how we were feeling. Our Bruce called after he got off work to ask how we were. Thora + Thora Bell came and visited awhile. We called Orgills in St. George. Her doctor changed medicine to try and help her breathing. They are leaving Monday to go to San Francisco, Calif to have Thanksgiving with Merwin's sister. Edward + I went to Jack + Valerie for a lovely dinner. Carol + girls, Steve + Ryan was there. We enjoyed a great dinner and good visit with them. We came home at 8:0'Clock. Saw a two car wreck happen on 36th + Wall. No one hurt 4 cpt cars damaged. Bro. Bruce Griffin called to ask how we were doing. So thoughtful of him with the busy schedule he has.

58° Nov. 20, 1995 Monday. Mild + partly cloudy. Edward + my nerves are on edge. We were both snapping at each other. I don't feel good. We went to Farrisville police station. No report written however we talked to an officer. We went to Ins. agents office + he wasn't there. We went to see the car at Brette Storage + took our belongs out of it. It is smashed in from bumper to bumper on left side. Wheels smashed in - tires blew out. It is a disaster. Police officer came to get my account of the accident. He said the young man that hit us was in intensive care at McKay Hospital with broken neck. He doesn't remember the wreck. He is from Willard. He does have Farmers Insurance. I had a check up from Dr. Paul. Pulled ligaments in my chest from seat belt. Red Nesbit our Ins. Agent gave us the claim number + the allstate National office from Salt Lake, Ohio to get information of the wreck. A girl interviewed me. She will get in touch with local claim office in Ogden.

Shirley Paul Chiro.

Evelyn called after work. She was tired. They got a letter from David. We received a letter from him, and he has sinus infection + sick. He rides the bike in cold wet weather. He is unhappy with mission work. Evelyn + Bruce are concerned about him. He said his best time was shaking hands with Pres. Hinckley a week or so ago when he was in Wash. D.C.

Tuesday Nov. 21, 1995 Overcast but mild and cooler.

After breakfast I did light house work. Edward worked in his studio. Two Allstate Ins. reps called for information about our injuries + where the van is stored so an adjuster can look at it. Howard + Elaine Jensen took me to the storage garage + we took picture of our wrecked van.

I visited Blanche Madin awhile. She looks bad and doesn't feel good. She needs to be in a place where someone can care for her. She is alone + ill. Ron brings her a meal at night. I sorted the Christmas gifts + filed some. Edward helped me get the wrapping down from the top cupboard. Bev. called + we had a nice long talk. I talked to Valerie. They will visit us Thanksgiving day with us.

Wednesday Nov. 22, 1995 Partly cloudy but mild weather. Edward went to Harrisville Police Station to get their report of our wreck. Cost him $5.00 I made two pumpkin pies + baked two more pie crusts. Edward took me to Wangsgards for a few grocery items. Evan Hellstrom stopped by to tell us that Virginia Henning (Jenny's mother) is in hospital to get an (angiogram?) After lunch I wrapped Christmas gifts. Received a phone call from investigator from Farmers Insurance Co. Asked questions about my ~~involvement~~ involvement of our wreck. Evelyn called to see how we are feeling. We will go to her place for dinner tomorrow. Valerie called and their dinner plans have changed. They are going to eat dinner at Carols. Valerie called Dale + said Beth called her and her ex-husband Jack Benches had died. She has been with him for quite awhile.

58°/33

Thursday Nov. 23, 1995 Thanksgiving Day.

Beautiful mild weather. Partly cloudy. We were up early. I made chocolate pie. We read the paper and lots of ads for Christmas shopping tomorrow. Our Bruce called. They are eating at Rambo. We called later + they may come here to visit. We went to Morgan to Evelyn + Bruce for dinner. Ray, Norma, Jon, Blake + Clay + Kathleen there. We enjoyed a big lovely turkey dinner. Evelyn + I did the clean up. Norden helped wipe silverware. We left at 3:0'clock for home. Bruce + Brenda came about 4:30 to visit awhile. The boys didn't come as they stayed with Rambo to play with friends. Bruce said they got outdoor Christmas on their house. Read paper + watched nature show. Went to bed.

Derek Judd 5 yr. old

Bought watch for Edward

Friday Nov. 24, 1995 Derek Judd - 5th birthday.

63°/40 unusually warm

We got up early. I couldn't rest as my chest hurts. Washed + dried a batch of towels + etc. Edward + I went to Best Store + bought him a wrist watch ($76.00) We stopped at Credit Union, grocery store + to Radio Shack to get small flash lites for 3 gt. grandsons. Marlene, boys, Evelyn + Clay stopped by on their way home. They had been shopping. I gave Derek his present. We were invited to his party tonight but we declined as we didn't want to drive in the dark.

I called Blassie Morin & she is feeling a little better. She had been to the doctor & she has pneumonia & it is getting a better outlook on life. Jane & Ron are taking care of her. She needs to eat regularly. I talked to Mary Bowen and she has finished her I.V. & eye shots. But she can't see out of her eye. She is hopeful she can eventually. The weather is very mild. I haven't done much. I can breathe easier now. I got Dr. Paul's office bill: $45.00 He has written I've got a bruised chest left side.
I have a bruise on my left wrist bone and one below my knee on right leg. They are getting faint.

Mild weather

Saturday Nov 25, 1995 Mild: 61 Cloudy. A slight later than normal. After breakfast Edward & I put a string of Christmas lights on board fence & hung the colored light fixture on front porch and put garland around front door. I wrapped Edwards watch for Christmas. I prepared lunch. Edward has been in studio. Clay & Marlene brought Evelyn & Dallan here to visit while they went shopping. All of them had been to a practice horse race at Brigham City. Blake drove and won the race. We watched "Mary Poppins" on video before the shoppers got here. Warm night.

Rain Snow 40 Cold winds

Sunday Nov 26, 1995 Colder. Raining when I woke up at 5:6 o'clock a.m. But up - showered. Edward got up later. We attended all our church meetings. Bishop Cannon's Bro. Rose & Bro. Nanny were the speakers at Sac. meeting. They spoke on temples. Evelyn called to ask how we are. They got Christmas lights put up on windows.
I talked to Valerie awhile by phone. Snow afternoon. Valerie & Jack decided not to come to visit when the snow started.

Colder temps.

Monday Nov. 27, 1995. I woke up at 2:30 with shooting chest pain. Couldn't rest. Got up and wrapped in a quilt and sat in recliner and finally went to sleep. If the pains persist in a day or so I'll go to Dr. Paul again. Edward & I talked to Valerie this morning. Edward is studio working. He has tried to adjust the carburetor on Olds car. The weather is colder & partly cloudy. Early afternoon Farmers Insurance people called about the wreck. They needed information. A Mr. Bennion is the claim adjuster and he is going to look at the van to see if it is repairable. A medical adjuster is supposed to call also. They said we could get a rental car. Betty & Dennis Ingalls called to ask how we are feeling. They just got home from the Thanksgiving Holiday in San Francisco. Eldine Jones called to ask if they could take us for breakfast on my birthday on Thursday. We accepted & thanked them.
My cousin Beth Walker called. They had been to Vernal to stay a week with their son & family. He (Ross) had back surgery. She said someone had stolen her daughter Eliz. 1994 car in daylight the day before yesterday.

46°

Tuesday Nov. 28, 1995 Overcast. Looks stormy. Evelyn called. It was snowing in Morgan. She said she & Clay went to Bountiful last night to a funeral viewing. The traffic was bad & she said she was glad they didn't live in the area. Clay has appointment on Thursday at Dr. Allen's office for acne problem. They got a letter from David & the weather is cold & wet. He isn't happy in the area & the Farmers insurance adjuster called and the van is totaled. We have to take the title to them and sign

$9955.22

a release form. They will pay us $9955 for it.
Now we have got to look for another vehicle. I miss the van. I liked to drive it. Menno & Zelda Penner visited us awhile. They got home last night from a 3 week trip to Sacramento to Mary & Carolee Rome. I called Evelyn and they are fine.

Wednesday Nov. 29, 1995 Beautiful mild sunny day.
Edward & I went to Farmers Ins office on Riverdale Road. They gave us a check for $9955.22 & they took the van title. We stopped at Allstate Ins office on Wall Ave. & talked to our agent Reed Wesley. The Co will hold what money we have coming to us on the van & apply to different car when we get one. We went to Britt's Tracing & Edward got the license plates off van. We went to Credit Union and deposited the check. We need to fill out another loan application form if we decide to get a different vehicle. We sure gone three hours. I made an appointment to see Dr. Paul this afternoon as my chest still hurts. I just don't feel good.
Valerie called and we had a long chat.
I saw Dr. Paul. He listened to my lungs & heart. All normal. He pushed on my chest where it hurts. He tried a rib belt on me and it hurt as I can't be squeezed together. He gave me a pain pill prescription. I've taken two thus far. (Hydroco 500 mg.)
Evelyn called to ask how we are feeling. She is taking us to have late lunch tomorrow.

Farmers Insurance paid to the van $9955.22

Dr. Paul Shirley

59°

70 yr old Shirley

Nov. 30-1995 Thursday: My 70th birthday. My that seems old. Our Bruce & Kate called this morning to say "Happy Birthday". He said that they sent a card & gift certificate. He has worked a lot of overtime. The weather is overcast but mild. At 9:30 A.m. Howard Elaine Jensen & Menno & Zelda Penner took Edward & I to J.B. for breakfast. It was nice and thoughtful of them. We enjoyed it. Edward & I went to Harmons & paid utility bills. I drove but I hurt so Edward had to drive. Can't grip the wheel & turn it until my chest heals. We went to Payless & bought a pr. of blue casual shoes. I bought hoseslippers, nuts & deodrant at Walgreens. We put the car thru the automatic car wash and I vacuumed the car.
I talked to Bev on the phone. They are ok. She wasn't baby sitting her grandson as he & Saundra have colds. Edward & I met Evelyn & Clay at Tonys for pizza, drink & salad. Evelyn treated for my birthday. She gave me perfume, earrings & pill box. She gave me snow boots but I had to return them as I have new ones. She gave me a pretty card also. Bruce sent one a pretty card & gift certificate at J.J. North. LaDean Bingham sent me a pretty card. Jessica McRae called to say "Happy Birthday". She doesn't feel good. She sees Dr. Paul tomorrow. I've had a nice birthday = Hooray - didn't cook one meal -

61 Dec. 1, 1995 Friday. Warm weather. It is payday. Edward took me to the Credit Union. We went to Logan & went to two art galleries. We left two pictures at Gardner Art. We went to Bruce and Brenda's. We took them to Juniper Inn for lunch before Bruce went to work. We went back to their house & I had a nap. We got home at 5:00 o'clock. I called

Edd + Mary - Bud has bronchitis but on medicine. They have had a lot of storm. They are leaving for Casa Grande Arizona on Jan. 4th for three months - Brule + Ramae have the Xmas tree + decoration up. We looked at a few vans at car dealers.

64° Light rain early A.M.

Dec. 2, 1995 Saturday. a cloudy but not to cold. After breakfast we went to Barrington to look at a van. It was clean + nice but no armrests + seats weren't adjustable. We stopped at a couple of car dealerships to look at vans. Sure expensive. We can't affard 1995 or 1996 car. Evelyn came at noon. She ate lunch with us. We took me to Shopkin for a couple of items. We grocery shopped at Harmons. Marlene came + left the little boys here. She had been to the races. Blake won his horse race. Marlene gave me a rose color sweatsuit. She had put heart motife on it. She and Clay are working in the mink. Evelyn + boys left for home. Later Edward and I visited Classie Morain. She said she felt a little better, but she is so thin. I talked to Jack + Valerie is staying overnight with Carol + the baby is sick. I asked them to come out tomorrow but they can't.

Luella Ferguson called + we chatted awhile. She gave me a frog magnet, soap + door decoration + pretty card.

Sunday Dec. 3, 1995. Nice weather. Edward + I went to Church. I bore my testimony of the Gospel and the Lords blessing of surviving the wreck. Edward bore his + thankful for prayers + real belts that saved us for more serious injury or death. We invited Menno + Zelda Penner for dinner. She brought me a birthday card. We visited for a couple of hours. I made a chocolate cake. Jack + Valerie came about 5:15 or so and we had a long visit. She gave me chair arm cover she had crocheted plus a diary. The white coarse look nice. It was his birthday of couple of weeks ago and Jacke tomorrow. I gave them doubtmeals, soap and wire wisk full of chocolate candy. I was tired + went to bed. I had a few phone calls late afternoon. My cousin Rene Rarden called. He is selling my old Home in Cove + offered us first chance. But we can't afford it. $74,000.00 and less than 1 acre. Myedw ago we could of bought it + 7 acres for $2500.00.

Gene Morain from Tipar called to ask what we thought about her aunt Classie health. She wants to take her to Tipar + care for her but Classie isn't well enough + she ~~heart~~ is to see her lung specialist this week. She may have cancer.

LaDean Bingham, my friend from Willard called to ask how I was feeling. We had a nice chat.

I called Evelyn and we chatted awhile. the little boys had their light while their folks were in Evanston.

Monday Dec. 4, 1995 Jack Hobbs 65 birthday. It is mild but Rain showers. Our Bruce called. Ole, Brenda, boys, Jenaline, Burke + Chelsea went to John + Connie's for dinner late afternoon. We said Brenda didn't want to go at first but she did + I think they enjoyed themselves. Later they drove around Layton to see the light. Nate was happy as John let him ride in the police car. Bruce will go to work this afternoon. We went to the credit union to make arrangements to borrow money for a van. We went to Brigham City + stopped at Davis Motor + Edward drove an older van + I drove it to. It is a bigger heavier van but lots of

Bought 1989 Dodge Caravan

99, $6,000.00 4.75% total financing

mileage. But Edward liked it + we bought it. We went to the credit union and transfered funds from savings to checking to cover the two checks I wrote. I wanted a later model but Edward doesn't like debt.

Tuesday Dec. 5, 1995 Nates 11th birthday. Bruce + nate talked to me on the phone. Nate thanked us for sending him $10.00. He had his cousins come to mimis for birthday cake + icecream. We told Bruce we bought another van. Edward went to Brigham City to the art galleries. While he was gone Wayne + RuDean Jolley + Lance Alana visited for an hour or so. Enjoyed their visit. They had taken their daughter Bethany + two boys back to Provo + they were going home to Montana. Valerie called + we had a long chat on the phone. She was at Carols baby sitting. I went to drugstore for my medicine. I filled out medical paper form about my accident injury + sent it in mail. Blake talked to the agent Mr Logan by phone. He asked how I was feeling.

I sent Evelyn a check for Polish Ukraine mission. She called me on the phone also. RuDean + Evelyn had a phone chat also. I went to Wangegards store for a few items. We received two bills from hospital for services. Mine $406.45 Edward $166.50

Wednesday Dec. 6, 1995. Nice weather.

After breakfast I went to Jensens. Elaine took Howard to the hospital last night as he had chest pains. After some test they came home. He didn't look good. Minnie + Jarald gave him a Priesthood blessing. Jarald stopped at our place + tried to adjust the t.v. He couldn't. I sent the hospital bills to Allstate Ins. Co. I went Christmas shopping to Kennys, Sears + Walmart. I'm almost thru shopping. Came home + read instructions and got the t.v. working thru the VCR but can't get our t.v. remote working. After resting Edward + I put the Christmas tree together + I put the lights + some decorations on it. Tired. Relaxed rest of evening. I called Blossie Morain and Ron had taken her to Dr. Abdulla. Blossie has breast cancer. Big lump - plus a tumor on her back. I feel so bad for her. She said she wished she didn't know about it + I'm the one who encouraged her to go see Dr. Paul. I have suspected she had cancer but I thought it was in her lung. I don't know if she will take any treatment or not.

Thursday Dec. 7, 1995. Light rain = overcast - mild. After breakfast I called Evelyn as I hadn't heard from her. She is ok. She was in training at L.D.S. yesterday. I told her I'd call her tonight. I finished putting the decorations on the tree - around mirror + on the sofa table - I put trim on the kitchen light. I'm not decorating as much this year.

Jorgensens visited awhile. They are going to Vernon for two nights + asked if I would get their mail + paper. Sylvia Knight called to tell me Thelma Taylor Knight died + the funeral is Saturday in View. Blake + wanted to know if I'd like to ride with her. I told her we had been in a wreck + I didn't want to go. I thanked her. She is having test at Brigham City hospital because she vomits when she eats.

Friday Dec. 8, 1995 Mild weather.
Bruce - Brenda + boys + Ramks stopped by to visit on their way to Salt Lake for two night. Both boys were sick so the men gave them Christhood blessings + medicine - Nate looked better when they left. While here Bruce repaired the seat in the van. Later Edward + I went to temple session - Bruce ate dinner in cafeteria. Visited Michael + Mary Margaret Ryan while eating + after session. He is my cousin Fawn (Mildred) Rose. He is a Judge in town. He is handsome + she is pretty. They were enjoyable to visit with. We talked of family. Rested + went to bed. I did address + sent Christmas cards in mail.
Sat. Dec. 9, 1995 Mild - cloudy - I don't feel good. ~~Had~~ Headach + listless. Made spaghetti + pudding cake dessert. Evelyn, Marlene + boys came and ate lunch with us. They washed the dishes. I made Hallen mind as he got in the frig + spilled cream + then jam on the frig + floor. They left after lunch to watch Blake in Chariot racing. I addressed + sent more christmas cards in the mail. We sent $10.00 in David's letter. I slept for a couple of hours during afternoon. Edward has worked in studio. We watched T.V. + musicals during evening.
Sunday Dec. 10, 1995 Mild partly cloudy.
59° Edward + I attended all our meetings - Our R.S. lesson leader asked 4 of us to talk about giving a christmas gift to someone + how we felt - I talk about us giving a gift to an older lady in the yard + how she enjoys giving us a gift. (Lois Stegler)
Later after lunch + a rest Edward + I visited Lois + took her a gift. (Pretty pink houseslippers) She always enjoys a visit. I drove the van and we went to Ballan Benghor and visited an hour. Bill came to visit to. He showed us a picture of the boy who crashed into our van. Bill had him in little league baseball. We called the hospital and they didn't have him as a patient. I called his phone number and it was discontinued. We asked Bill if he heard how he was to let us know. Ballan has had bronchitis again + on medication.
Evelyn called to ask how we are. She + Bruce had been to Park City to get the lay-away. She was going to lay down + have a nap.
Theron Hill + Dick Elmer representing the Bishopric + office visited us + brought a christmas card.
Glenice Moran called + she said she was feeling a little better. We had a long chat. She said Wanda Jones called from Arz.
Monday Dec. 11, 1995 Mild but overcast. After breakfast I made homemade chicken - veg. soup. Mr. Hogen (Call State Ind. agent) called to ask if I had more bills + I told him I sent the ambulance one on Sat. I asked him about Compensation + he said No-fault law said you have to have $3,000.00 medical + perm - injury + . He suggested I cable Farmers In. I did + the man Mr. Hogen retired on medical + no one assigned to my case. I talked to a lady sup. + she told her how I was injured + the terrible pain in my chest for 3 weeks. Couldn't move or breath without hurting + husband + family helped me. She offered $500.00 but she will assign another agent + they will call in 1 month. Of not I will call them. Legally maybe they wouldn't need to pay but morally they should. I've talked to Evelyn twice. I sent David's Christmas pkg. today + more cards. Exchanged a shirt + bought Jen a shirt (Top) for Christmas. I took Jensine + Blaine chicken soup + graham crackers - iced.

Tuesday Dec. 12, 1995 Mild - overcast and windy afternoon. Edward worked in studio awhile then he went to the Library, & two art stores. I went to Village clothing store - just looked. We went with Jensens to Stake temple session. 16 from our ward on that session.

Friday Dec 15, 1995 Another mild day but cloudy. After breakfast + prayer I went to Allstate Insurance and paid on the car. $42.20. Our agent Red Herbst said to keep in touch with the doctor and make sure Edward + I are fine + no health problems from injuries from the wreck. Not to sign any release papers from Farmers Insurance. Edward is going to have Dr. Neill next Tuesday. I went to Beehive Clothing + bought pr. of garments. Grocery shopped at Vons/Pavilions. I took Flossie Mrain 3 cans of dog + dog food. She said she felt fairly well. Did a lot of things. I talked to Valerie + read what Bea + Aaron wrote on their Christmas cards. Our Bruce called to tell us Brenda was moved from ICU to transitional care. He has to take insulin shots now. I made two batches of caramel corn. The neighbor Gabriel Redella borrowed Edwards ax to cut a tree down. He returned it later.

Brenda home from hospital

Saturday Dec 16, 1995 Dad's 100th birthday had he lived. A partly cloudy day. Not cold. Edward working in his studio. He says he is more dizzy. He called Dr. Siddoway office. Closed until Monday. I made scalloped potato + ham casserole for dinner. I took Flossie Mrain a plate of potatoes + peas + ham for lunch.

Our Bruce called and he brought Brenda home from the hospital today. She has lots of medicine + rules to help her diabetes. Bruce has to work this afternoon. Bea went to the doctor and he still has the ear problem - may take him to a ear specialist. Yesterday we received a Christmas card + letter from Carol Dana + Rex Mrs. Harland died also his nephew. I think the deaths were one day apart.

Evelyn + boys came just after lunch. Marlene were staying at the Racey. Black won his horse race. Then Marlene wanted to shop so Evelyn + Dallas took her. Derek stayed with me. Marlene brought Evelyn + Dallas Bee while she shopped for another hour or so. They left here about 6:0'clock. Clay called just as they left. He had a cold + doesn't feel good. Edward + I ate. Later I soaked in tub. Hurt my chest to get out of tub.

Sunday Dec 17, 1995: 1 month ago we had the car wreck. Colder day and clear. We attended all our church meetings. Ate lunch and rested. I talked to Marlene on phone to tell her it was to late to come to see their tree. She said her folks didn't come for dinner as they had other things to do plus her Mom was tired. She said they had lot of snow on the ground. I called to Bruce + Jordan, Burke + Ethelene were there. Brenda said she was weak but feeling a bit better. Bea was still sick. They took him to Emergency at 3:30 this morning as his back hurt so bad. They gave him a pain shot + said the antibiotic should soon take effect. He is staying with Brenda. Edward + I took Christmas gifts to Bonnie, John + kids. We visited

them a 1/2 hr. as they were expecting Johnie folks for dinner. We gave them all a hug + left. We stopped a Valerie + Jacke for a short visit and left them a box of candy. They leave Wed. morning for Kansas. Came home read + watched the show "The Christmas Boy" written by Richard Paul Evans of Salt Lake.

Monday Dec. 18, 1995 Cooler day but clear. Evelyn called. She said Blake was sick. Marlene, Clay + Ray were going shopping. Edward went to see Dr. Mangus. He sprayed his face - neck + gave him cream to put on a red spot + rash on his leg. We went to Dr. Rowe office to get a preg. kit to prepare for a rectal exam next month. We stopped at Bebee clothing for garments. After lunch I went to Wangsgards for batteries, and a heater. I turned the grocery tapes in for $11.71 credit to buy the above items. Did the laundry done + folded + put away. Evelyn called + said Blake was sleeping. She + Bruce are coming to Ogden to shop. I bought the boys tapes + Ben a book about rocks. Made a fire in stove tonight. I called Brenda to ask how she and Ben are feeling. She said she didn't feel very good today. She talked to her doctor + he put her on more insulin as her sugar count is high. She sees him on Wednesday. Ben is starting to feel a bit better. He is home from Jody. as she has a cold + doesn't feel good.

Edward Dr. Mangus Skin sprayed

Tuesday Dec. 19, 1995 Cold morning - heavy frost. We went to Dr. Bell office to take his hip X-rays + checked. X-Rays showed his hip is ok. He has pulled muscle strain from the wreck. He advised him to use one crutch to let things heal in a few weeks. We were there two hrs. Edward took the van to Jerry garage + has to take it in on Thurs. I visited Bev + Lloyd a couple of hours. She is limping + has knee hurts. She has her trees decorated + the house to. We exchanged Christmas gifts. They also gave us 2 pkgs. of steak + a small fruitcake she made.

We got notice that we got 2.6% increase on S.S. Edward got $10.00 + I got $4.00. Edward + Alex Critchlow went Home teaching. They gave the families a box of candy and card. Peggy Rose gave us a plate of homemade candies. Evelyn said they bought an electric blanket for Christmas -

Wednesday Dec. 20-1995 Cold morning - frost Dear Brad called early. Brenda is feeling a bit better. Ben is improving also. He said they haven't stopped for each other. Edward still adjusting car carburetor. He put gas in van. My leg + foot hurts + I started taking Naprosyn. After lunch I went to the bakery for bread. I went to the mall. I bought a turquoise long sleeve and two pair of earrings + 1 tape. I looked thru the ZCMI store. I went Dr. Wallens + had a check up and blood drawn. They will call if there is a medicine change. He said my goiter is getting small.

Started taking Naprosyn 37° Shirley Dr. Wallen

I talked to Evelyn to tell her about our doctor's visit. She said they planned on going shopping but she was tired. I grocery shopped at Wangegards + visited Ellen Rogers awhile. She suggested we (the group) go out for dinner after Christmas.

Thursday Dec. 21- 1995 Cold morning. Heavy frost. Edward had leg cramps and he got up early & he prepared his own breakfast. He took the van to Jerry Proctor's garage to have some work done. I went + brought him home. I did some house work. Edward in studio painting (68:40 CVB at replaced w 1X9 Van) I stopped at Harmons for cocoa + batter. I made 2 batches of cookies + iced them. my leg has hurt all day. Evelyn called to ask us to stay overnight Christmas eve. I thanked her + told her we would be up early Christmas morning. We like to sleep in our own bed. She said there was a party going on at her work place. I laid down all evening as my back + leg hurt

1st day of winter

Friday Dec. 22-1995. Cold frosty morning. Edward put long johns on this morning. Winter is here. Sun shiny day. I stopped taking the Naprosyn. They make pulling leg muscle & hurt more. Flushed them down toilet. I called Brenda + cancelled big family dinner on Sunday. I didn't feel up to cooking a big meal. She said her sugar was down + starting to feel better. She is taking Bev to an ear specialist today.

Flushed Naprosyn in toilet

I made macaroni - cheese - ham casserole. I called Bev + she was baby sitting. Her leg feel better today. Heather had vacuumed for her yesterday. Evelyn came just as we finished lunch and she ate. She had the day off and finished her christmas shopping. We rested awhile + she and I went to Wangards and Taylors drug. Evelyn brought us some oranges. She went home about 4:0'clock. I took a plate of cookies + oranges to the Heather family. I went to Glenview Manor + rolled her hair. She + I put fresh bedding on her bed. I washed her dishes before I came home. We received a card + letter from Richard + Marva Cook. Last night Margaret Wells called me. We had a nice chat. She wanted to know how we were feeling after the wreck. She said Jerry is home from Turkey + he + Renee + kids got moved to Oakley.

Tire flattened

I bought our Bruce + Bruces bike each a can of ~~fitted~~ mitel mate.

Saturday Dec. 23, 1995 Cold morning - Heavy frost. Edward went to Goodyear + bought a new tire + had tires rotated. I worked around the house. Washed + dried towels + white clothes. Evelyn, Marlene + boys stopped by a few minutes on their way home from horse races. Blade lost. His horse didn't go out the gate right. Minnie + Zelda visited and brought us a bottle of candy. We made a reindeer shaped candy holder. It is cute. Howard + Elaine Jensen visited awhile. They brought us a blue bud + pin vase with candy. Later Velma + Harold Neff visited + brought us a big plate of cookies + candy. Our neighbors

are thoughtful. Edward & I watched Christmas programs on T.V. I have leg pains allday.

Sunday Dec. 24, 1995 Christmas Eve.

Our Bruce called us early. His family are on the improve but slowly. We told him we would be seeing them tomorrow afternoon. Edward went to R.N. meeting and we attended Sacrament meeting. David & Tammi Berry spoke of Christ & Christmas & said their farewells as they are moving to Denver, Colo. He has his master degree. He is working in Nutrition. We will miss them. The Choir & Mr. & Mrs. Jackson sang. A lovely program. The Jensens & Reeves ate dinner with us. We visited awhile & they went home. Edward & I washed - dried dishes & put them in cupboards. I talked to Evelyn. They went to Christmas program at Wareship. The little boys were on the program. They are going to Marlene's early to watch the boys open their gifts. We will go to Evelyn's about 9:30 a.m.

Monday Dec. 25, 1995 Christmas Day.

We were up early - Showered dressed - ate breakfast - Prayers. Put gifts in van & went to Evelyn's. They were eating breakfast. They had been to Marlene's to watch the little boys open gifts. They got bikes & Cowboy outfits & broom horses that Marlene made. Marlene & Whit got guns. Rifle & scope for her & muzzle loader for him. We talked to David a few minutes. All the family plus Tressa talked to him. He was on the phone (1½ hrs about) He will be glad to come home.

Bev gave us a set of towels - Bath & Kitchen = Blue & rose -
I gave her embroidered dishtowels - B.J. + Ensign - set + Candy for Lloyd -
Evelyn & family gave us temple bags & candy. They had nice gifts - clothes - shoes -
We ate dinner at Noreens. She was in pain from her head & neck. Kathleen cooked the dinner. I made pie ~~Crust~~ & Evelyn made Reese filling & she made a blueberry cheesecake. Tressa gave us a cute bucket she made filled with cleaning supplies. We gave her driving gloves. She is a sweet girl. We left & went to Bruces with gifts. They gave us J.C. Penny gift certificate a Christmas book Brenda made. She isn't feeling to good. She has to take 3 shots of insulin a day. Nate gave her a shot while we were there. Renae came to see us while there. We gave both families clothes - money & etc. Things they needed.
Nate came home with us. We watched two Christmas shows on T.V. We went to bed - tired. A big day. On road to Evelyn's a young boy rode on a 4 wheeler down out of his driveway & to the road without looking & we almost hit him - Edward had to pull off the road to get out of his way - Scared us.

Tuesday Dec. 26, 1995 We slept in. Most of the day Nate & I played card games & watched T.V. We went to Shopko & I bought a gift (make up bag) for R.V.P. party. We went to the grocery store. We watched Christmas programs on T.V.

Edward sick

Settling settlement

Wednesday Dec. 27-1995- Cold-Smoggy.
I didn't sleep very well. After breakfast Nate helped me put Christmas decoration in the boxes & stored in attic. I still have the Christmas tree to take down + outside decorations. He is such a good boy to help. He makes this visit a pleasure. He helped make the beds. I washed clothes + some bedding. Jandene called to make arrangement for nate. I took him to her place of work at 4.45. Burke + Colleen came so got to see them a few minutes. Nate is staying with them a few days. We had the carburetor repaired on Olds. It needs more parts replaced. Our Bruce called. He had talked to Nate + Jandene. I called ~~Evelyn~~ Evelyn + she didn't feel to good. Chest cold or flue. Edward doesn't feel good either. He has chest cold. Called Dr. Quigley- not in office.
I went to talking settlement tonight. (Full)
I slept in little bedroom but checked on Edward several times during the night.

McKay Edward Hospital Pneumonia 6/14 - Chorge

Thursday Dec. 28, 1995. Cold frosty morning. Edward doesn't feel to good but chest doesn't burn. I went to the grocery store. Bought liquids for Edward to drink. I made a macaroni-shrimp salad for DUO. Christmas party. Evelyn called. She said she wasn't sick but not feeling real well. Blake is feeling better to. Edward is worse. I made an appointment to take him to Dr. Beal at 3:0'Clock. About 1:0'clock Margaret Wells + Ricky stopped by on their way home from Beautiful temple wedding of Jerry + Randi's sons. They changed clothes here. Nice to visit them a short time. Later I tried to get Edward to change clothes. He didn't seem to be able to help. He had to use the toilet. I got Benny Ferguson to help move him as his legs + arms were limp. He was white and sweaty. Benny called for an ambulance + they + fire truck came + took Edward to emergency at McKay Hospital- Rec had 9/11 - X-Ray - Blood work. He has Pneumonia. Dr. Quigley admitted him. He looked very sick. Elaine + Howard Jensen came to our place as the para-med. was getting him in the ambulance- She called Esp-Cannon + he + Sharon McClean + Terry Sandstead came + gave him a Priesthood blessing. I stayed until 8:30 + came home + called Evelyn, Bruce + Valerie to let them know about Edward. A worry.

Friday Dec. 29, 1995. A nice day weather wise.
~~I went to the hospital early.~~ Dr. Quigley came to see Edward. & Dr. Diehl (heart Consultant). He Evelyn came to hospital after work - Dr. Diehl questioned Edward. He said Edward may need a pace maker. They would test him on a tread mill. During evening Edward threw up again - lost color & pulse rate dropped. Dr. had the nurse give him a heart stimulant. He finally started to look better.

a worry. Evelyn & I got home at 9:30. tired. She stayed overnight. Derwin Orgill called to ask about Edward. Betty is suffering with Arthritis. Our Bruce called at the Hospital to ask about his dad.

Saturday Dec. 30-1995 Snow. Evelyn & I. got ready & ate breakfast. I called Jessie, Jensen, Rennen, Valeria & LaDean Bingham before we went to Hospital. Edward looked better than night before. He didn't have an appetite & Dr. Quigley was there as was Bruce, Brenda & Ben. They had stopped by here on way to see Edward before they went to Morgan to get Nate. Dr. Quigley was going to send Edward home tomorrow but when Dr. Richard White checked Edward he said when the pneumonia was ~~total~~ gone he would put the pace maker in. Maybe in a few days. Evelyn left for home at 1:0'clock or so. Rain afternoon & evening. I came home about 7:30. Benny Ferguson cleaned the driveway.

Edward Pace maker installed

Dr. Richard White

Dave Payne & Jack Albertsen gave Edward P.N. Blessing.

Evelyn & our Bruce came

Dec. 31-1995 Sunday: I didn't sleep to well. Edward called about 8:15 or so. He had breakfast. I went to hospital at 9:30 A.M. & he said Dr Quigley & Dr. White visited him and going to put Pace maker in at 11:0'clock. I called ~~Evelyn~~ Bruce & he called Evelyn. They both came to the hospital to see Edward & wait with me. Edward was operated on 1:0'clock to have a Pace maker put in his chest. Before I let off my feelings by being critical of Renee in how they run Brenda & Bruce's life. Not my concern ~~now~~ but they never spend any holiday or Sunday with us or Evelyn & that is why I was upset. (I'll keep my mouth shut from now on). Edward did fine this far. Evelyn & Bruce left about 4:35 or so. I fed Edward his supper as he has to lie still & not move his arms or raise his head. I cleaned his teeth and washed his face & hands. He took a pain pill & a sleeping pill when I left. I got home about 8:30. Evelyn called & she was going to bed. I called our Bruce & they weren't going anyplace either. Derwin & Betty Orgill called to the Hospital to ask about Edward. Elora & Flora Hill visited him afternoon I had called Bishop Cannon's office and Dave Payne & Jack Albertsen came & gave Edward a Priesthood blessing. Hadden Bingham called early to ask about Edward. Read in paper the Farmers Ins. agent who called me about our neighbor died several days ago from cancer. 46-yr. old. Evelyn said David

called them early to let them know he has
been transferred to . Country area
+ has good companion. Have them address + phone #.
