They called in Cash Valley - 9 pages - 13 over night. I started the car. But the mult doors on different areas of car got + damaged. I figured my number of quadrants. Over 2,000. Car tires (2) wheel repairs - fluids - filter - Christmas + etc. Had to have money to pay (some savings) Evelyn called Bud (brother) to let him know I don't have phone service. Evelyn called Century Bank to let them know. I also called them the day before. She also called Valerie to let her know. She said Ben had emergency Bill Bladder surgery but home now. She said Jim tripped over dog and hand broke a window. No lat. Blake came to get a board to cover window to keep cold out. Our Bruce called. They went to a movie with Ben, Tiffany and kids + kids staying over night. I watched T.V. show + had a whole quiet night.

20/13 January 2, 2016 Saturday Cold Am. I had the furnace dropping over night. Keep heat turned up. Bruce called me on cell phone. They were going shopping and may take me to his home. I went to Radley for a few groceries. Evelyn and Bruce drove. She drove my car. We visited with Paul + Estelle there. They are special friends. We went to Dollar Tree for cards, crackers, Quince, etc. We ate at Boulder Creek. I had left Crispeats from friend Carol Gyer (Betsy's friend). Food was good. They brought me home. Bruce (son) called. They had taken my back to Car Center. They went to Logan. A fellow dropped me off front porch. Real quiet. Watched T.V. Did at 10:30 Cold night.

I told him I didn't have phone service and he said "I know & the other don't." I asked if he would get in house and he said no. He put my letter in box & put up flag. I thanked him. January 5 2015 Tuesday usual A.M. routine. Drove warm. Valeria called about 10:30 AM. We talked for an hour. I had a water drip right by my long table coming from the ceiling. I put a pan there to catch the water. I was shocked. How in 11/14 has this happened & I had an inspiration to call Casey Roofing. They repaired my roof 4 yrs ago or so. Luckily Chris & Ben Casey came about noon. I showed him where leak was. He & brother shined the snow off the North roof & stumped around. He came in and said the drain gutter is solid ice & no place for water to go. I got back up on roof & worked shingles. He is going to get a electric tape down. With saw to get a long aluminum card to plug in outlet on front porch. He will wait a few days or the weather has warmed enough to melt the ice.

hot oatmeal. Now later ate some more hot oatmeal with bread  
pieces in it. Bruce called at early breakfast that a few

can't help. She said Blaine Golley is a Bishop in Idaho and  
James - Beardsley husband is a Bishop now. And always  
competition between menfolk. Money (which they have now) has  
changed them. Not as humble as before. Scott Peterson is mother  
one. All come from humble beginnings that changed. Different  
friends, activities - houses - cars. Blake didn't get the paper  
in to show judge as fair. Now he is out. New dad told him  
to get it in. He didn't and now the kids can't show them.
