A new day of a New Year. I heard fireworks noise at 12:00 last night. I did get some sleep. Woke at 6:45 A.M. to wash, bathe, dressed for the day. Took my 2 pills, made bed and said prayer. Came back to brush teeth and I have sorted a bunch of papers to be shredded to look for a notice about S.S. amount. Can't find it yet. Bruce called. Their family is coming about 11:00 A.M. to play games and eat for the celebration of New Year. The sun is shining. Mostly sunny but cold. After eating lunch Tena brought me to my room. I asked her if she would help me to put Christmas decorations away. She said yes. I took the decoration of the Christmas tree. Some I couldn't reach and I had to rest at times. She found a box to put the musical "Skater's Widge" ceramic items.
